Lincoln: That's right, and it's so good to see you again, girls. (Smirks) Of course, for that little ambush.

Lincoln made seven clones of himself, and while he pinned Kari Cloud Kumo to the floor, his clones pinned Misty Mizu Kiri, Suki Tsuchi Iwa, Kiki Kaze Suna, Vonya Yondo Kazan, Sina Star Hoshi, and Yumi Mizu Umi to the floor, and they kissed the girls on the lips and marked them by biting them on their right trapezius and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had eight Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi and three white and gold accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Misty Mizu Kiri: Man, I had no idea you had such an animalistic romantic side to you.

Kari Cloud Kumo: In addition to how much you've grown.

Vonya Yondo Kazan: From the 11-year-old little boy we've known into a giant 9'5" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man. (Seductive Voice and rubs Lincoln's chest) Hope you've got more in store for us all later on at night.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln: They sure are J.D.

Nico: That was awesome!

Qin: YEAH IT WAS!

Me: Oh yeah!

Nicole: It was cool facing Blackbeard again.

Me: It sure was!

Nico: Yeah!

Fletchling: That was fun!

Nico: Yep. Nice job Fletchling!

Fletchling: Thanks Nico. That was cool.

Poromon: Want some beer?

Fletchling: Oh no thanks. I only drink root beer.

Me: That I got plenty of.

I gave her some root beer.

Fletchling: Thanks.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Nico: Now, I would like to point out an upcoming event

He pulled out a paper clipping.

Me: The Gotham Royal York Pumpkin Bread Contest? Cool!

Nico: It sure is. We need to enter pumpkin bread for it.

Me: Nice! What's the prize?

Nico: The winner gets free donuts for life at the donut shop.

Homer: WOOHOO! Sign me up!

Lily: Me too!

Nico: Now, any ideas on how we're going to get the required pumpkin bread?

Me: According to this it says we have to MAKE the bread.

Nico: So we're going for the biggest ever.

Me: Yep.

Camie: This is gonna be awesome.

Me: Yep. It sure is.

Nico: Now, any ideas on how we're going to get the required pumpkin bread?

Me: According to this it says we have to MAKE the bread.

Nico: So we're going for the biggest ever.

Me: Yep.

Camie: This is gonna be awesome.

Me: Yep. It sure is.

Nico: Alright. Any ideas on how we're going to get the required ingredients?

Me: Well we'll need flour, and all the stuff for break. So the store.

Nico: Okay.

Me: But to make it big we'll need the largest pumpkin we'll use.

Kendra: Like the Satanic Pumpkin

Jack Skellington: Well, we don't know when we'll run into him. So, might I suggest pumpkins from my world?

Me: Halloween Town Pumpkins are good too.

Camie: I agree.

Qin: Yeah.

Poromon: Why don't we get a giant watermelon and make it look like a pumpkin?

Me: Nice try Poromon.

Nico: Won't work. Judges can tell the difference.

Camie: Yeah.

Poromon: Okay you're right.

Nico: I'm sure we'll think of something

Qin: Yeah.

Me: For now we wait till then.

Nico: Ed, how's your sister doing?

Ed: She's doing batter. Healing good.

Varie: She'll be better in 3 days

Camie: She took a nasty beating

Maria: A stinky block of cheese did all that to her?!

Ed: Yeah.

Jonny: Boy Sarah was a mess!

Qin: Yeah if a giant Swedish Meatball did that she would be worse.

Ed: Meatball!

Eddy: Shut up Ed.

Me: That would be crazy though.

Lola: Yeah.

Jimmy: Fletchling, you and I should visit her later

Fletchling: Good idea Jimmy.

Qin: She would like that.

Camie: Yeah.

Nico: I agree. Good idea.

Lola: Yeah.

Maria: How did Ed's Akuma taste, Nico?

Nico: Probably delicious.

Me: Nico you have got to be fucking joking about that.

Nico: Although I can't really say for sure since I only tasted part of him.

Qin: Nico you're so funny.

Me: Yeah but rotten cheese would make you sick. REALLY SICK!

Qin: Yeah.

Lola: I agree.

Lana: Aw it wasn't that bad. Ed's Akuma tasted like cheddar cheese.

Nico: Really?

Lana: I can tell you how he tasted!

Me: Lana may like gross stuff but she can tell how it tasted.

Camie: Whoa.

Nico: Oh.

Lana: I like gross stuff. What did you expect?

Me: It's true. Been that way for her since I've known her in 2016.

Lincoln: Yeah it's true.

Qin: Yep.

Ace: Lana is a silly girl.

Me: Yeah she is but we love her.

Leni: Yeah.

Me: Now it's time for the Anothers.

Eli: (Concentrates) WHOA! We got Another Flame Mammoth, Kendra, Blue Flame Princess, Flamebo, Giant Slime Princess, Ugly Monster and Patience St. Pim.

WE GASPED!

Qin: WHOA! All the monsters from the Elements world of Ooo.

Lola: Yeah!

Fire Man: So me, Flame Mammoth, Flame Stag, Burn Rooster, Blaze Heatnix and Magma Dragoon are up.

Nico: Yep.

Eli: WHOA! And this is interesting! The anothers minus Flame Mammoth and Kendra all are 5 people individually but they all have amazing power.

Me: Cool!

Nico: There they are!

We saw Another Blue Flame Princess, Flamebo, Giant Slime Princess, Ugly Monster and Patience St. Pim!

Me: WHOA!

Qin: Yeah!

Another Blue Flame Princess: It sure is gonna be awesome.

Nico: (GASP) That voice.

They reverted back and were the Embodiments of the Fire, Water, Nature, Light and Darkness Civilizations!

Nico: (GASP!) Pyra Houou, Aqua Sirena, Fern Natura, Noir Shadow and Lyra Hikari!

Me: Whoa! The Embodiments of the 5 Kaijudo Civilizations!? Wow!

Pyra Houou: That's right.

Aqua Sirena: And Shobu and Mimi! Awesome to see you again..

Shobu: Yeah you too girls.

Mimi Tasogare: Yeah same here

Me: Wow! How do you girls know Shobu and Mimi?

Lyra Hikari: We are the ones that taught them not only how to play the cards but also helped them study in the art of the Kaijudo Martial Arts.

Me: Wait so Kaijudo is not just a card game but it's also a Martial Arts Style? That is cool!

Qin: I didn't know it was that too.

Laney: Wow!

Me: Yeah!

Fern Natura: It's really amazing and the techniques are really awesome. Same with the monsters as you know.

Me: We sure do. We know a lot of the monsters. And also we helped kill some of Shobu and friends enemies. It's how we first met the LupinRangers.

Shobu: It's true.

Me: Yep. Think you can teach us the art of Kaijudo Martial Arts?

Aqua Sirena: We would be honored.

Noir Shadow: But it's going to be a brutal fight.

Ocellus: We can handle it.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for backup! (TURNS DIAL) PLUTO BUTTKICKERS!

She summoned Psycho Rangers, Sasquid (Skannerz Commander), Belladonna Bratt, Casey Crawfish, Kohrak-Kal and Constellation

Me: Yeah!

Nico: And now, we wait.

Me: Yeah.

Camie: Awesome!

Pyra Houou: We heard about how you guys killed some of the members of PLOOP. That was well done.

Me: It sure was. Those jerks had it coming.

Qin: That was cool.

Me: It sure was.

Pyra Houou: Yeah but you guys have to be ready for when you face August Choten. This guy is bad news.

Me: Who is he?

Aqua Sirena: He's a rogue Kaijudo Master and he wants to use the power of the Kaijudo Monsters for his own evil purposes.

Nico: What can you tell us about him?

Pyra Houou: He is dangerous.

They went over his history.

The Choten is a charismatic evil genius who seeks to exploit the creature civilizations for his own purposes.

He was one of the greatest Duel Masters ever. But now The Choten is an evil mastermind who wants to rule both worlds. He believes one day The Veil will crumble and creatures will again roam Earth, so he's working to make sure he's in control when that happens. The Choten doesn't duel in the traditional way; he mixes modern tech and alchemy to bend creatures to his will.

The Choten has many allies to help him achieve his objectives, including his protégé Alakshmi and her spooky creature Razorkinder Puppet of Miasma Pit, and his second-in-command, Seneschal, a Water creature whose attitude mirrors The Choten's and who fully believes in his master's work. Even with such powerful allies, The Choten doesn't have a problem dueling when necessary, and is perhaps one of the most dangerous opponents that Ray, Allie, and Gabe may face.

When they were done we were shocked and horrified!

Qin: WHOA MAN!

Ocellus: I think the Kaijudo World and meeting Ray, Allie and Gabe are my missions so this will be interesting.

Me: And I think we found our main target for that time in the future.

Lola: Yeah!

Ink Rose: Don't forget me.

Lola Ferrington: And me too.

Ocellus: Right. Those are the missions of all three of us.

Aqua Sirena: Well it's good we found you guys then.

Lyra Hikari: Now we can train you all in preparing for this when the time comes to take down Choten.

Me: Yeah. That Charismatic jerk will pay.

Lincoln: So he's like Kurata. He started out as Charismatic but he revealed his true colors later on.

Me: Yeah.

Lola: Yep.

Leni: We still have my missions.

Me: Yeah we still have a few missions before we meet Ray, Allie and Gabe. So we have plenty of time before that.

Aqua Hikari: Good.

Lana: Yeah.

Me: OH! Forgot the Mandatory question girls. Are the Another Kendra and Flame Mammoth friendly or hostile?

Pyro Houou: Friendly and they are interesting and cool.

Qin: Nice.

Nico: Sorry. Forgot about that

Noir Shadow: No worries.

Me: Good.

Laney: But this will be interesting.

Nico: Always should remember that.

Me: Yeah. Oh here they come!

We saw ANOTHER FLAME MAMMOTH! AND ANOTHER KENDRA!

Qin: WHOA!

Both Flame Mammoth: Another us!? WHOA!

Kendra: Another me too! Wow!

Nico: Yeah!

Another Flame Mammoth: (In a girls voice) This will be awesome.

Me: (GASP) That voice!

She reverted back and was a girl with brown hair, blue eyes, green and brown clothes and green angel wings and had Rumbling Terrasaur on her forehead and skirt and had the Nature Civilization crest on her arm. And she had a powerful warhammer in her hand.

Me: (GASP) Rhonda Mammoth!

Nico: Wait the gene-slammer of...

Rhonda Mammoth: Rumbling Terrasaur, monster from the Nature Civilization.

I showed the card of one and it was powerful.

Nico: WHOA! That is a cool one.

Me: Yep. And Rhonda is also a powerful Kaijudo master and she is a deadly master of the nature powers. She is strong too and is as powerful as 100 Juggernaut's. She also has the strength of a thousand mammoths. And has the powers of fire too.

Flame Mammoth (M.O.E.): WOW! Just like me too! That is cool!

Xenia: Yeah!

Me: Yep.

Nico: What about the Another Kendra?

Another Kendra: Hey sis I'm glad I found you!

Kendra: (GASP) That voice!

She reverted back and was a girl that looked like a younger version of Kendra but had tattered clothes and was covered in dirt and smelled horrible! She had brown angel wings.

Kendra: (GASP) Kira!

She went and hugged her!

Kendra: Kira! I thought we lost you forever!

Kira: I'm okay sis. I'm back now.

Me: You two know each other?

Kendra: She's my little sister. She was kidnapped by our psychotic aunt and we thought she was dead. She fled to Switzerland and we thought she was gone for good but I never gave up hope. I knew she was alive somewhere.

Me: Your aunt is insane!?

Kendra: Yeah she is my mothers sister and she has REALLY NASTY mental problems. She was declared EXTREMELY dangerous and criminally insane.

Me: What was she diagnosed with?

Kendra: She was diagnosed with 5 forms of Schizophrenia. She has Paranoid, Sadistic, Homicidal, Borderline and Unspecified. She is EXTREMELY dangerous. She killed 85 people because of it and had to be committed to numerous maximum security insane asylums because of it and was deemed to be tragically incurable. She was under the delusion that Kira was hers and vowed to make her only HERS!

Me: Man WHAT A Fucked up in the head woman!

Qin: She is COMPLETELY NUTS!

Camie: Yeah!

Kira: It's true. And I escaped with Rhonda and stowed away on a flight here and we found you.

Me: WHOA! You guys are lucky to be okay.

Nico: Yeah.

Kendra: Yeah. Our aunt is dangerous to the core.

Kira: I tried to make friends but Aunt's problems lead her to killing them. She killed my entire class before it started.

Me: SHIT!

Carrie White: Oh man! That is awful! And I thought my mom had a lot of problems.

Nico: No kidding.

Kaito: (gets Wizard gear) Did Swartz promise you anything?

Zocks: (gets out Gaim gear) Because we can grant it instead.

Kaito got a Wizard Sword and Zocks got a Gaim Sword.

Rhonda Terrasaur: No he didn't. I buried him under rocks and escaped. But when I met Kira here she turned into another Kendra somehow.

Kira: Yeah.

Me: Strange. Must've been another ridewatch that floated and found her.

Nico: Yeah.

Me: By the way where is your psychotic Aunt now?

Kira: She's in England.

Me: The Broadmoor Asylum for the Criminally Insane no doubt.

Nico: Yeah.

Sougo: (gets out Wizard Ridewatch) We need to deal with your aunt sometime in the future.

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Baron Ridewatch) Who knows how much trouble she'll cause in the future.

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Kendra: I agree. She needs to be put down like a mad dog.

Me: She's like Norman Bates.

Rhonda Terrasaur: I agree there.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get them!

Nico: (Gets out Flame Mammoth's Ridewatch) Feel the heat! (ELEPHANT TRUMPET!)

May: (Gets out Flamebo's ridewatch) Time for some fire!

Maria: (Gets out Ugly Monster's ridewatch) You're one UGLY Freak!

Flame Mammoth: (Gets out Blue Flame Princess's Ridewatch) Time for more

They used the powers of Flame Mammoth, Kendra, Blue Flame Princess, Flamebo, Giant Slime Princess, Ugly

Monster and Patience St. Pim and blasted the anothers all over.

Then Fireroid Meran, Rip 187, Despair Kokichi Ouma, Despair Miu Iruma, Sunstar and Sun King came.

Me: Whoa!

Nico: Nice team Meran!

Fireroid Meran: Thanks Nico.

Kaz: By the way, I'm Kendra's boyfriend

Kira: (GASP) YAY! Way to go sis!

Charlie Brown: And also I'm her brother so that makes us siblings.

Kira: YAY!

She hugged them.

Pipismon came.

Me: Whoa Pipismon!

Qin: Cool!

Nico: I have a feeling I know this Pipismon.

?: He's with me!

Pumpkinmon came!

Me: Pumpkinmon! Wow!

Nico: Yeah!

Pumpkinmon: (In a girls voice) (Croatian Accent) It will be awesome fun though.

Nico: Sara Pumpkin!? Wow!

She reverted back and was a girl with black hair, purple eyes, purple clothes, black and red angel wings and had a new crest on her forehead and had Pumpkinmon on her shirt and skirt and had a black digivice and had the Flag Map of Croatia on her arm and had a Pumpkin Sword in her hand.

Sara Pumpkin: Good to see you again Nico.

Pipismon: You're looking great.

Nico: I know.

Sara Pumpkin: Awesome. We got this. (Echoing) TRICK OR TREAT!

She formed a huge pumpkin and threw it!

Pipismon: (ECHOING) CRAZY SONIC!

He fired a powerful sonic blast and the blasts hit the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Awesome!

Me: Yep. Hey Sara you have Croatia's Flag map on your arm. So you're one of Croatia's Digidestined.

Sara Pumpkin: That's right and we did it all in Croatia.

Me: Cool!

Qin: Yeah.

Flame Mammoth: Yeah. Do you have a favorite memory of Nico?

Sara Pumpkin: I sure do. When me and Nico met in Croatia. A bunch of Digimon were appearing all over the world and they appeared in Zagreb.

Me: So Digimon appeared in Croatia too.

Sara Pumpkin: That's right. We battled a bunch of DemiDevimon there and they poisoned and knocked out all of the people arouund the capital.

Me: Ouch.

Nico: Yeah it was crazy.

Me: But at least they are taken care of.

Nico: Yep.

Nico and Sara hugged.

Nico: I've missed you.

Sara Pumpkin: Same here.

Nico: We got a contest coming up. Wanna help us with it?

Sara Pumpkin: I would be honored.

Qin: Cool.

We went back home.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the thirty-four girls here, but we're taking down the next member of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, the next one we're going after today is Chester, he's the Big Claw Gang's hacker and tech man. He's the one who gets into the computer systems all over the city and writes specific codes to allow the Big Claw gang into any place they want. Although he's come up against quite the challenge from Cuffs, as she's known to be quite the technology expert.

Cuffs Lane: I knew we'd be going after Chester next.

Caleb Maxwell: He may be good with hacking and using technology, but not when it came to fighting someone like me.

Casey Antonio: Don't remind us, Chester came out with bruises and claw marks on him, thanks to you.

Fire Man: Jeez, you really are an unholy nightmare towards any criminal.

Allie Maxwell: Sally no doubt is bringing the rest of the gang to watch for themselves to see how will Chester fare against us, and knowing Caleb, he's gonna do the same thing like he did to Skull.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long crimson red hair with pink streaks, red eyes, large red angel wings, pink and red clothes, long white sleeveless trenchcoat with stars, hearts, phoenixes, and angels on the coattails, and on the back is Cupid, she has a light greatsword in hand, and with her are the thirty-four girls.

Lincoln: (GASPS) Carly Cupid, Avatar of Valentine's Day and Daughter of Cupid.

Carly Cupid: That's right, and I got the girls away from The Big Claw Gang, and they're on their way now along with our opponent for today, Chester.

And just as Carly Cupid said, we saw the rest of The Big Claw Gang: Chester, Nick Price A.K.A. Crowe, Sarah A.K.A.

Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: I knew you guys would arrive.

Carla Claw: We're only here to watch the show, Allie. Now, here comes your target.

Chester then walked up to us.

Chester: Because you're an attractive girl, I think I'll go easy on ya.

Allie Maxwell: Going easy on me? Chester, I think you realize who my brother is, right.

Nicole: Trying to flirt with you, big mistake though, after all, you are the sister of Caleb Maxwell, Allie, and like all big brothers, he won't take kindly to some criminal trying to get close to you.

When Caleb Maxwell saw Chester, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at Chester, but he dodged it.

Chester: What the Hell?! At it again, Caleb?!

Nico: That was a nice move dodging that attack.

Caleb Maxwell: Damn it, damn it, I was that close to taking your head off for trying to flirt with my sister, but from the looks of it, you went to Nekome for extra training, and I'm not impressed, it's the opposite, you just ruined another chance for me to humiliate you. (Long black hair turns even wilder) And now, you've gone and thrown yourself straight into Hell!

Cage Blunt: Oh crap.

Jack Howard: Here it comes, he's gonna lose it!

Caleb Maxwell: And for what you did in flirting with my sister, it's time for you to die, Chester! (LAUGHING DEMONICALLY)

THEN, TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END CHESTER WHILE HE WAS STILL LAUGHING DEMONICALLY! BUT, HE DODGED THEM!

Mad Cat Max: Damn, he's still as crazy and demonic as ever!

Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Chester, and Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt fired bullets at him, but he dodged them, and Caleb Maxwell, Cage Blunt, James Blunt and Travis Tackett fired blasts of darkness and dark energy and they hit Chester and he got sent flying, but he landed on his feet.

Lincoln: Even I'm surprised by what we saw, but we should still take him down and send him to Vypra.

Allie Maxwell: Nekome sure gave the rest of The Big Claw Gang a lot of training, when she and her dad found out that Caleb returned from the dead no longer the same as he was, but far darker and much violent, she had to put them through more intense training, in case Caleb showed up again to cause havoc on them and wreck their operations. (Thinking) Dane, whatever you've got planned to show Caleb, I just hope it'll end the violent rage he had in his heart because of Drake.

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Chester up in a rainbow energy rope. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, another Big Claw Gang member is now in The Masters of Evil.

Carla Claw: Don't think it'll be that easy though, Allie, as you saw, Nekome trained us before, and when your brother returned from the dead, she trained us even more intensely to defend ourselves.

Sally Gamble: That's right, hope you're all ready for a more challenging battle with us, dear. Well, we must take our leave.

The rest of the gang left.

Allie Maxwell: We'll be ready, Sally.

Lincoln: If what she said is true, we'll have to resort to a change in tactics, which means, Cage and Travis, you two need to restrain Caleb when he loses it and lashes out at the next member of The Big Claw Gang. (To Carly Cupid) And it's so good to see you again, Carly.

Carly Cupid: You too, Lincoln, it's been seven years since we last met.

Suddenly, Carly Cupid had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Carly Cupid was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Carly Cupid: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Carly Cupid and hugged her, and Carly Cupid is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew

a lot since then.

Carly Cupid: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Carly Cupid, Avatar of Valentine's Day and Daughter of Cupid, she's Lincoln's Guardian Angel from Michigan and a powerful master of light and love. As the Avatar of Valentine's Day and Daughter of Cupid, she has the powers of love times infinity and her love easily overpowers and cleanses the hearts of those consumed by despair and sorry and to those whose black hearts are forever filled with hatred and darkness, they are immediately destroyed and sent to The Black Gates. Plus, she also has the power to amplify and increase the passionate feelings of couples, and on Valentine's Day, that power's also at its most powerful. She met Lincoln long ago, and she and Lincoln along with his sisters have done many Valentine's Day activities together, and she and Lincoln made an awesome chocolate lava cake and red velvet cake in the shape of a heart one Valentine's Day at Lynn's Table, which they ate during a special Valentine's Day date. Lincoln made her a powerful greatsword of light and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he'll marry her along with the rest of his harem, and her enemies are none other than the jerks and those who have nothing but black hearts forever filled with hatred and darkness, as she can easily sense them and destroy them.

Me: Wow.

Nico: I knew love is indeed a very powerful force, and not even evil and hatred can try and ruin that, but this is really unreal.

Lincoln: Oh, it's real, and many of those whose hearts are filled with hatred and darkness don't live for that long, and now that you're here, Carly.

Lincoln with his massive and muscular arms still wrapped around Carly Cupid leaned his head down the right side of Carly Cupid's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carly Cupid: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carly Cupid with red gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carly Cupid: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carly Cupid.

Carly Cupid had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carly Cupid's waist, and he leaned down to her face and kissed her on the lips, and with Carly Cupid's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carly Cupid had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Carly Cupid: (In Heaven) My God. Oh, and Lincoln, here's a huge warning: the thirty-four girls are super voluptuous beauties!

Me: Oh man! Let's get out of here!

The rest of us went back home leaving Lincoln, Nicole, and his harem. Then, they went up to the thirty-four girls, and when Lincoln saw them, he immediately recognized them along with his nose really gushing out blood, the thirty-four girls are Caryle Restram, Celestia Laciel, Chartina Luitgart, Elze Eve Dianta, Mako Yumegasaki, Fam, Kyunkyun na Olganite, Rosalina Raphaelos, Sophia von Managras, Takami Washimiya, Alvinella, AnAn, Angelica, Arnes, Beldia, Bernadette, Citra Lockheart, Fabiola, Firis, Happiness, Hellrosetta, Isabelle, Lanaeste, Lemona, Lila Snowwill, Lizzi, Lucia, Luxual Hellmare, Lyla, Mami Yumegasaki, Marron, Raphi, Reiko Washimiya, Sharla, and Velda Augustus from Motto! Lincoln: And easy targets for perverts, if I see one pervert, I'll tear him apart. Are you girls okay?

Caryle Restram: Yes, we're okay, thanks to you.

Caryle Restram: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirty-three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Caryle Restram: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Caryle Restram, Celestia Laciel, Chartina Luitgart, Elze Eve Dianta, Mako Yumegasaki, Fam, Kyunkyun na Olganite, Rosalina Raphaelos, Sophia von Managras, Takami Washimiya, Alvinella, AnAn, Angelica, Arnes, Beldia, Bernadette, Citra Lockheart, Fabiola, Firis, Happiness, Hellrosetta, Isabelle, Lanaeste, Lemona, Lila Snowwill, Lizzi, Lucia, Luxual Hellmare, Lyla, Mami Yumegasaki, Marron, Raphi, Reiko Washimiya, Sharla, and Velda Augustus with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villain we went after was Chester, the Big Claw Gang's hacker and tech man.

But, when Lincoln showed what we all did in beating him down and him tying him up and sending him to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Carly Cupid have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: Now, Chester's in The M.O.E., and we got the rest of The Big Claw Gang to take down.

Me: You said it, and Allie's still going to provide us with the info as she joins us.

Allie Maxwell: That's right. Plus, like I said, I've had my run-ins with them on a personal note along with seeing their past histories as runaways abandoned on the street and of course taking them down on my own.

Roxy Drake: But, with our help as well, Allie, I forgot to mention that.

Jack Howard: Couldn't forget how you tangled with Chester, Chett, and Crowe.

Cage Blunt: Just be lucky Caleb was busy tearing your ex-dad and your ex-brother to shreds on that day, because if he found out about that, it was going to be quite a mess.

Caleb Maxwell: Even worse than what happened that day I was killed? You and Travis caused quite a bloody mess if I recall.

Peace Salyers: That was because of making the huge mistake of drinking demon blood, it's like with beer.

Leela Salyers: Or drugs.

Travis Tackett: I get that, that's why after we recovered, I went back to Kentucky, and Dad and I had made up after everything that happened.

Nico: Luckily, you guys learned your lessons, and Caleb saving you two and getting killed also helped turn your lives around.

Cage Blunt: That it did. But, it didn't change the fact that Caleb lost eight years of his life, and both his mom and sister had to deal with that.

James Blunt: I'm not going to lie though, I saw for myself how bad his death affected them both, but I had to keep my distance so as not to get close with mortals.

Caleb Maxwell: Yes, I know that rule all too well, and my dad's relatives were always harassing both Mom and Allie. I was always the one to rat those bastards out to Uncle Christiano, and he and the rest of Mom's relatives show up to run them back into the alleys of New York where they came from.

Me: In a sense, they were homeless?

Caleb Maxwell: What? No, I meant, they live in the worst neighborhoods in New York where crime was really rampant, they're not homeless.

Marlene Maxwell: Though I wish I could've driven them into homelessness and leave them to die on the streets after everything those morons put us through before and after you died.

Nico: No need to worry though, if they act up or cause any more trouble, they're going to risk being blown to pieces by your brother's men.

Caleb Maxwell: I did say that Uncle Christiano was once part of the underworld as a powerful man who handles in loans and even being a loan shark as well, if those jerks screw up, they're going to get their brains blown out of their skulls.

After Lincoln and all of us beat down Chester and sent him to The The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carly Cupid saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Carly Cupid: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carly, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carly Cupid: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Carly Cupid: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a girl with long dark brown hair, dressed in punk clothes, she has brown eyes, and she had "Kill Caleb Maxwell and Avenge Drake Maxwell" carved on her right arm. When Caleb Maxwell saw it, his blood red eyes turned neon blood red.

Caleb Maxwell: I don't believe her.

Nico: Wait, you know her?

Allie Maxwell: That's Kendra Matthews, she's my brother's ex-girlfriend. She was a girl from his high school who was popular with everyone, but here's the real truth about her: she was a spoiled brat, but Caleb wanted to save her from that. Unfortunately, she betrayed him and was two-timing him with Drake, as she only loves bad boys, and she was cruelly laughing at my brother for falling for her lies, but that's when Caleb lost it, and in his deathly anger, he threatened to kill her and her spoiled parents and it was said right in front of the entire school!

WE GASPED!

Me: Oh man!

Nico: Damn!

Eli: And please don't tell me that when he came back from the dead...!

Caleb Maxwell: Yes, I killed her spoiled parents, and when I killed Drake, she went mad with rage and grief, but I didn't care about that bitch, she betrayed me and I fell for her lies. I thought I could help her, but I was wrong, she's a narcissistic heartless bitch who deserves only to die!

Caleb Maxwell flew out of The World Tree Estate in his fit of demonic rage, and fired black and blood red energy blasts and darkness at Kendra Matthews and he was levitating in the air all while Kendra was screaming in rage.

Kendra Matthews: Fucking coward! Come down now and face your death for what you did to Drake!

Caleb Maxwell: Drake got what he deserved, along with your miserable parents, and now, you too will suffer the same fate!

Caleb Maxwell raised his twin pistols and fired bullets at Kendra Matthews and was ripped to shreds by the bullets and the final bullet he fired went into her head and she was sent to The Black Abyss.

Caleb Maxwell: Good riddance.

Caleb Maxwell flew back into The World Tree Estate.

Cage Blunt: I never thought she'd return once again.

Allie Maxwell: She chose to be with Drake and betray Caleb, and she wound up getting karma in the form of Caleb rising from the dead and her parents' deaths at his hands, and it turns out that before Caleb died, they were found guilty in helping The Syndicate, and when that news spread, Kendra was ostracized and her family lost their wealth and mansion, and when Caleb came back.

Nico: Their lives were ended by his hands.

Lincoln: Betrayed by someone whom he wanted to help and laughing cruelly at his expense, that was really awful.

Me: And it ended with him making that threat before he died, and it came true years later.

Nicole: You said it, she pulled something this horrible and cruel on Caleb, and she wound up paying the price.

We got a shower, and then, Lincoln, Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven are heading to Gelato Beach.

Iris: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Gelato Beach, and it's perfect for our first date, shall we?

Lincoln, Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Melissa: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven and they hugged the girls in their abnormally massive and powerful muscular arms and Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Iris, Melissa, Raven, Barbell, Tilde, Gazelle, Universe 666 Esther Coleman, Allura, Viper, Frost, Universe 666 Frost, Moanica D'Kay, Nefera de Nile, Red Raven, Gray Raven, Pink Raven, Orange Raven, and Purple Raven are in your harem, Linky.

Jenna: You guys had no trouble at all.

Iris: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really

swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Leni, Sweetie Drops and Emily's third mission.

Me: Anyone else want to go with Leni, Sweetie Drops, and Emily? Besides Ruby, Crimson, Ryotaro, Takanuva, Sword Roidmude, King Hiss, and Prince Diamond?

Steam Smythe: I'll go.

Thing: Count me in too!

Me: All right then.

Lincoln: Me and my siblings will go too.

Leni: Yay! This is gonna be totes fun.

Me: Okay. Anyone else?

No one agreed.

Me: Okay lets go.

We were off.

We arrived.

Haruki: Hey guys!

Leni: Guys, meet Ruby, Crimson, Ryotaro, Takanuva, Sword Roidmude, King Hiss, and Prince Diamond.

Yuka: Wow! It's an honor.

Leni: These are all my siblings.

Lincoln: Awesome to meet you. I'm Lincoln.

Lori: I'm Lori and I'm the eldest.

Luna: Sup dudes. I'm Luna.

Luan: I'm Luan.

Lynn: What up guys. Lynn Jr.

Linka: I'm Linka.

Laney: My name is Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Yuka: Wow! That's a lot of kids.

Haruki: Awesome to meet you.

Me: Yep and their mom and dad thought it would be cute if their names all started with the letter L. (Whispers to Haruki) Their mom and dad also aren't believers in Condoms too.

He snickered at that remark.

Ruby Rose: I'm also the leader of Team RWBY.

Yuka: Wow! What does that stand for?

Me: It's the first letters of their Initials. Ruby, Weiss, Blake and Yang.

Yuka: Oh I get it! It's an Acronym name.

Me: Yeah. We met Ruby and her friends after the Great War with The Royal Defenders.

Haruki: I've heard all about that battle. That was an intense one.

Me: One of the biggest major battles we did.

Ruby: I actually promised to bring Crimson with me two days ago

Me: Yep.

Ruby Rose: Crimson is my little sister. We reunited back then.

Yuka: It's awesome to meet you Crimson.

Crimson: Same here.

Eli: Crimson is just as amazing as her sister.

Me: Yep.

Lincoln: Ruby and her friends are my future wives and they are really awesome.

Ruby Rose: Yeah we are.

Me: Yeah Lincoln is one lucky guy to have many awesome girls.

Yuka: That is for sure! Lincoln we heard so many incredible things about you from Lyra.

Lincoln: I'm sure she told you all so much about me.

Yuka: She did and it's amazing you all went through so much.

Nico: It's true.

Me: Yep. Lincoln also has a lot of amazing Guardian Angels and they have looked out for him ever since before the team formed. Long story.

Lincoln: It's true.

Haruki: That is amazing!

Me: Yeah.

Ryotaro: And you know those Rider Cards you guys have seen so far?

Haruki: Yeah.

Ryotaro: They are from me. I'm the leader of the Den-O riders.

Takanuva: Yep and they were for my missions back then.

Haruki: Wow! That is awesome.

Me: You should see the train they use in that one. It's amazing.

Nico: The whole train is a time machine.

Lori: It's literally amazing.

Eli: Yep.

Yuka: Wow! That is amazing!

Eli: It sure is.

Yuka: So, Leni, tell us more about yourself.

Leni: Well I am the second born of the Loud Siblings and I am the fashionista.

Me: She makes really awesome clothes. Look.

I showed on my phone some of the dresses she makes.

Me: Some of her dresses were the envy of many of her friends in school. And she also works at Reiningers at the Gotham Royal York Mall as well as Rarity's store.

Leni: It's totes fun.

Haruki: Wow! Those dresses are beautiful!

Yuka: I'll say! Wow! They are beautiful!

Me: Yep. And I even help make some of the dresses she made.

Leni: J.D. is totes helpful with that.

Lincoln: Yep.

Leni: But everyone thinks my head is filled with air.

Yuka: (Confused) What?

Me: Leni is not the sharpest tool in the shed. When I first met Leni back in 2016 she was always uhh how should I put this... A ditzy one. she always would get confused in smart stuff and all that.

Yuka: Oh I see what you man.

Lola: We still love her though!

Me: Yeah. Ed loves her too.

Nico: Yep.

Laney: And Leni also has a bunch of hidden talents too.

Me: She also has amazing carpentry skills.

I showed a picture of Leni making Lori's bed.

Me: Leni mistook making Lori's bed when she was only supposed to change the sheets and all that. She was making Lori an amazing new and awesome bed and we discovered that she has amazing wood working skills.

Nico: That is amazing.

Lola: It sure is.

Leni: Yeah I have a totes amazing talent.

Me: Yeah.

Nico: It's awesome.

Yuka: That is amazing craftsmanship.

Lincoln: I said the same thing.

Lily: Yeah. Back then we were trying to help Leni get her drivers license. She was trying to get it like how SpongeBob was doing.

Me: Except she didn't fail over a million times like how SpongeBob did. Sorry to bring that up.

Leni: No worries guys. I also make clothes for Gene Slammers. Although I haven't been doing that lately...

Me: Yeah we need to find more like that. Leni is part of the Team Loud Phoenix Storm fashion brigade. We call them that because they make clothes for gene-slammers that can't revert back and are in their birthday suits.

Yuka: Oh I get it like ones that are naked.

Me: Yeah. My daughter Nicole makes sure that no perverts are present. She threatens to rip them to shreds if they peek at them.

Haruki: Oh I get it!

Me: Yeah but it's cool.

Nico: So, any trouble here since last visit?

Then the alarm went off.

Me: Uh oh.

We went to the computer and saw IARON attacking!

Iaron is one of Kaiser Belial's generals when raiding planets. Iaron was first seen leading a squadron of powerful ships to attack Mirror Knight's home planet, the Planet of Mirrors, in order to stop Run and the crew from reaching the Shield of Baraji. Iaron and the Ship Squadron were successful in destroying the Planet of Mirrors and thus were able to capture Run in the process. Later on once Ultraman Zero and Kaiser Belial battle. Iaron is left to deal with Mirror Knight on his own inside Kaiser Belial's ship. The battle between Iaron and Mirror Knight was at a perfect standstill, but once Mirror Knight found a crack in Iaron's powerful armor he trapped Iaron inside a dome of mirrors and fired a Mirror Cross attack at him. Iaron foolishly allowed the attack to ricochet him harmlessly, believing he was safe, but as he charged up his Iaron Sonic attack, the Mirror Cross impaled him through his crack and Iaron was destroyed.

Eli: Iaron! I remember him!

Me: Geez! He was a tough one!

Nico; Lets get ready and rip him apart!

Ryotaro: HENSHIN!

He transformed and was ready!

We were off!

We were flying.

Nico: Keep an eye out!

We then saw him! IARON!

Me: There he is!

We landed.

Eli: Time for some Kaiju power! KING GHIDORAH!

He held his hand up and then a massive fireball explosion blasted out and went high into the sky and exploded numerous times and formed into KING GHIDORAH!

King Ghidorah called and Iaron roared.

King Ghidorah landed.

King Ghidorah: So Iaron is here. He may be a fellow space monster but he is a threat.

Eli: Yep.

Haruki turned into ULTRAMAN Z!

Me: YEAH!

Nico: Lets get him!

King Ghidorah fired Gravity Rays and blasted Iaron all over and fiery explosions blasted off all over.

MASSIVE NUMEROUS FIERY EXPLOSIONS!

Ruby got out her Rider Ticket for Deker!

DEKER!

Ruby: Take this!

She slashed Iaron all over!

Crimson: YEAH! Go sis!

Lincoln, Laney, Lola and Lily fired waves of lightning, fire, leaves and water and blasted him all over.

Lola: Take that!

Thing: IT'S CLOBBERING TIME!

He jumped and smashed him down with a deadly punch!

King Ghidorah fired more Gravity Lightning and blasted him all over.

MASSIVE NUMBERS OF FIERY EXPLOSIONS!

Me: YEAH!

Takanuva got out his Rider Ticket for Kyd Wykkyd!

KYD WYKKYD!

He teleported and slashed him all over.

Ultraman Z slashed and blasted Iaron all over.

King Ghidorah: He sure is tough.

Eli: He sure is.

King Hiss charged at him and blasted him with Venom.

Me: YEAH!

?: Take this!

Then a figure flew in and it was a girl with blond hair, red eyes, black clothes and black wings and had a tiara with Rocks on it.

Me: (GASP) Brenda Basalt!

Nico: Rocks' Embodiment!?

Brenda Basalt: (GRUNT) Yeah I got this!

She punched and smashed Iaron all over with devastating force and smashed him with rocks.

Me: Nice!

Brenda lost control and hurled rocks at Steam Smythe

He dodged them and fired gears and blasted her all over.

Me: Nice one!

I fired an electron ray of the antidote and injected her with it.

Me: There!

Nico: Awesome!

Momo-Ura-Kin-Ryu! Climax Form!

Ryotaro went into his Climax Form

Me: YEAH!

Haruki: Cool!

?: (ECHOING) PYRO DRAGONS!

Dragons made of fire flew in and blasted Brenda all over.

Me: Whoa!

Then EMPERORGREYMON CAME!

Me: WHOA! EmperorGreymon!

Nico: Wow!

EmperorGreymon: (In a girls voice) This is gonna be awesome and cool.

Nico: Empress Xenia Grey!

Me: Wait you mean the long lost Empress of the Island of Greythia!? That island was destroyed over 6,000 years ago!

EmperorGreymon: That's right. I am immortal and it's a long story.

Me: We'll have to hear about it later.

EmperorGreymon: Indeed. I'll help face her.

Nico: Okay.

Ryotaro got out his Rider Ticket for Fu (Dragonball Xenoverse)

FU DRAGONBALL XENOVERSE!

He fired waves of energy and blasted Iaron all over.

Thing got out his Rider Ticket for Stonedozer!

STONEDOZER!

He punched and smashe Iaron and blasted him down.

Lincoln and his siblings blasted and smashed Iaron.

Thing charged at Brenda and bashed her down.

Empress Xenia Grey reverted back and was a girl with orange hair, red eyes, red clothes, red dragon wings and had EmperorGreymon on her forehead and skirt and had the Fire Spirit Kanji on her arm and had EmperorGreymon's sword in her hand.

Empress Xenia Grey: Time for some fire power. (ECHOING) DRAGONFIRE CROSSBOW!

She fired energy blasts from her sword and blasted and knocked Brenda down. The antidote took effect and she was back to normal. Her blue eyes were back.

Brenda Basalt: (Groans) What hit me?

Eli helped her up.

Eli: Long story.

Iaron was still moving

Prince Diamond charged at him and fired energy blasts of darkness and smashed him down.

Sword Roidmude slashed and blasted Iaron all over.

Me: Yeah! Lets finish him!

Nico: With pleasure!

We fired energy and elements and the blasts all hit him and he exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

He was dead!

Me: YEAH!

Nico: Iaron you have failed this world!

King Ghidorah: He sure has.

Ruby: That was a nice job!

Me: Yeah!

Haruki: I'll say!

Empress Xenia Grey: I agree there. That was fun.

Me: Yeah. But your highness...

Empress Xenia Grey: I know you have a lot of questions for me. I was cursed with Immortality because I was trying to bring my beloved back from the dead. Ever since then I lived for over 6,000 years and people hated me. In a terrible revolt they rose up and exiled me and I was made an outcast from the world. But many people still viewed me as a good person. My entire country fell into ruin after what they did to me and the people declared war on them and wiped it out.

Me: Holy shit!

Eli: That is terrible!

Ruby Rose: I totally understand how you feel your highness. Salem on my home planet, Remnant did the exact same thing.

Empress Xenia Grey: Really?

Ruby Rose: Yes she did.

Nico: It's true.

Me: Yeah. No offense your highness. But the people you knew were stupid back then.

Empress Xenia Grey: None taken but yeah they were stupid.

Me: Yeah. Do you have any favorite memories of Nico

Empress Xenia Grey: I sure do. When I helped Nico battle a bunch of terrorists in Tajikistan and brought them all to justice. We had them sent to prison.

Eli: Wow!

Me: That is incredible.

Nico: Yep.

Nico and Empress Xenia hugged.

Nico: I've missed you.

Empress Xenia Grey: Same here Nico.

Me: But Nico that is amazing that you know a very incredible figure from history.

Nico: It sure is.

We later went back home.

We came back.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything and it was awesome.

May: WHOA!

Qin: That is cool!

Lola: It sure was.

Nico: In addition to Ed, Lin Chung, Irena, and Laval should come next time.

Me: Cool!

Fluttershy: That will be fun.

Lin Chung: Yeah!

Lincoln: Okay guys I have something interesting for you all to see.

Nico: Okay.

We followed Lincoln down to the surface and we got to an amazing and old mansion! Looked like an amazing castle! But it was old and looked like a haunted house.

Me: (GULPS) Whoa this is a scary house.

Lincoln: Yeah it sure is.

We went in and the house looked run down and ancient.

Me: Wow! Looks like no one has been in here for years.

Xenia: Yeah.

Nico: Hello? Anyone home?

Lincoln: Yeah. You aren't going to believe whose house this belonged to. Look.

We saw a painting and it had a name plaque under it.

Me: Mirabell Scoots Scootski!? This is Scoots house!?

Nico: SAY WHAT!?

Nico opened his mouth really wide and his skeleton fell out!

Varina Cheng: I thought Scoots lived in a worn down house

Me: Me too.

Lincoln: Yeah this is Scoots old mansion. Turns out before she moved to Sunset Canyon, she was the richest woman in all of the city. She was worth 20 times more than Lord Tetherby.

Nico put his skeleton back in.

Nico: I hate it when that happens. But that is amazing that she was rich back then.

Me: I know.

Crumplezone: Hey, at least now we can claim it for ourselves!

Me: Yeah.

Later we came outside.

Me: Maybe we can find a use for the stuff in here.

Nico: Good idea.

Me: Now Nico I have something I want to tell you.

Nico: What is it?

Me: I'm going to revive Samara Morgan.

Nico: (Cleans ear) Uh I didn't hear that. Did you say you were going to revive Samara Morgan?

Me: Yes I did.

Nico: That's what I thought. J.D., if you're planning to bring her back from the Black Gates, it won't be any good. The Anti Monitor is the only one who can do that.

Me: Not anymore. Now I have the power to bring people back from the Black Gates as well. When I crushed an Anti-Monitor Orb, somehow I got that power too. Before you freak out Nico at least hear me out on why I want to bring her back.

Nico: Okay.

I told him how I watched all the Ring movies last night and saw Samara's terrible past and how her biological mother was insane and all that.

When I was done EVERYONE WAS SHOCKED!

Nico: Well, we have to still make sure Xehanort, Dark Eddy, Flip, Icky Vicky, Rita Repulsa, Vilgax, Barodius, Swartz, Opaline, Thanos, Slappy, and Giovanni can't get out of the Black Gates.

Me: Don't worry. I tested the power I got from Anti-Monitor and I made sure they will NEVER escape. I gave them all the Black Abyss as I tested it.

Nico: Well that's a relief.

Me: Yep.

Nico: Okay then. If you believe you can do what's right for Samara, proceed.

Me: Here we go.

I chanted an incantation and opened the portal and brought back SAMARA MORGAN!

The portal closed.

Me: Now watch.

I fired a purification beam and resurrected her and she was brought back to life.

I went over and held out my hand.

Me: Samara it's okay, you did nothing deserve being treated like that. You deserve a second chance and deserve to be treated with love, kindness and friendship.

Samara Morgan: But you freed me? Why?

Me: Because you deserve another chance.

Samara: But I thought I couldn't escape from the Black Gates.

Nico: Well, thanks to the new big bad, the Black Gates have been compromised

Me: Anti-Monitor broke the sacred boundaries and seals of the Black Gates and resurrected 310 of the major enemies we faced minus a few.

Samara: I see. I am so sorry for everything I did.

Me: I know. You were lashing out because of how you were treated because of your biological mother. She was insane.

Poromon:...beer? (gets out beer)

Me: Poromon.

Samara: No thank you. Guys I am so sorry for everything I did. (Voice breaking) I was just...

Lincoln: It's okay Samara.

Lincoln hugged her and she cried hard into his chest.

?: Poor girl.

Out came a figure and it was a girl with blue green hair, green eyes, blue clothes and blue angel wings and had a tiara with Snipe Anteater on it.

Sylvia Anteater: Sylvia Anteater, embodiment of Snipe Anteater.

Stacy Bolton: Radical! Awesome to see you Sylvia.

Sage: It sure is.

Sylvia Anteater: You too Stacy and Sage. Been a while.

Ultra Magnus: How did you meet Stacy and Sage?

Sylvia Anteater: I met Stacy at a Skateboarding Competition and me and Stacy did really well and tied for 1st.

Stacy: I gave her the nickname Whiplash Sylvia.

Nico: Cool!

Sylvia Anteater: Yep. And I met Sage when he and the Ronin Warriors were battling Talpa and helped them destroy some of his forces.

Sage: It's true. We called her the Angel of Japan.

Me: Awesome! Would you like to join us?

Sylvia Anteater: I would be honored.

Skullgrin: (to Samara) Let me be very clear. If you betray us...well, let's just say we're going to leave your body intact this time so we can bury it.

Nico: Skullgrin that won't be necessary. Lincoln and the Cutie Mark Crusaders are going to help her.

Apple Bloom: Yeah just let us help.

Skullgrin: Okay.

We had the mansion beamed to the estate and went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Lincoln had a shadow clone with Samara and the Cutie Mark Crusaders were helping her out too.

Me: Poor Samara. I know she will be okay.

Nico: Yeah.

Me: King Kai can you hear me? Did you know that Anti-Monitor freed her?

King Kai: I swear to you that I just assumed Anti Monitor freed Samara like all the rest.

Me: Well thank goodness she wasn't. He only chose our major enemies out of them.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it was none other than The Satanic Pumpkin, it's back from the dead and wants revenge on us. When we saw it, we knew it meant big trouble.

Lincoln, Nico, and me: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: to our shock, it was none other than The Satanic Pumpkin, it's back from the dead and wants revenge on us.

EVERYONE GASPED!

Kendra: Oh no. I thought we were rid of it for good.

Nico: Unfortunately not.

Me: Anti-Monitor has got some nerve bringing it back from The Black Gates.

Lincoln: This wasn't Anti-Monitor's doing, this thing was brought to life via dark magic, right? This can only mean one thing: Morgana Midnight Sparkle and her minions were the ones who brought it back from The Black Gates using their dark magic.

Eli: Why those little...!

Kendra: Looks like we're going to banish it to The Black Abyss.

Lincoln: Yep, and it's back in Minnesota. Plus, there's a Pumpkin Bread Contest taking place there.

Me: So, we're going to turn that thing into a massive Pumpkin Bread after we banish it to The Black Gates.

Nico: I've already got a craving for some pumpkin bread. Alright, team, let's go, we're heading off to Minnesota to take care of Morgana's little surprise.

Lincoln: That thing's heading for The Black Abyss no doubt. Morgana Midnight Sparkle, you and your minions really crossed another line that should never be crossed, this'll serve as another warning to all of you in The Netherworld.

The previous group came.

Electrocutioner: Can me, Pyro, Hydro Man, Hsi Wu, Grumblemon, Common Cold, Captain Cold, Man Ray, Major Disaster, and Cluemaster go guys?

Nico: Yes you all can come with us.

Qin: Yep.

Lola: We're going to turn that pumpkin into Pumpkin bread.

Electrocutioner: Nice!

Tae Kwon Crow: Nico, which Gene Slammer do you think you'll meet next?

Nico: You guys are not going to like this one. VenomMyotismon next.

WE GASPED!

Qin: WHOA!

Me: Scary!

Lola: Yeah!

Me: An Ultra Level Digimon gene-slammer. That will be interesting.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and

Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Night Terror from Soul Calibur, the servant of Nightmare, and it's come back to get revenge on us for what we did to its master. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Night Terror from Soul Calibur, the servant of Nightmare, and it's come back to get revenge on us for what we did to its master.

WE GASPED!

Nicole: Oh, that's not good.

Ahana Laurel: No, it isn't. Leave him to us, we'll destroy him once and for all.

Lincoln: Right, Ahana.

Nico: This is going to be one big messy battle against a monster like him. Alright, team, let's go, we're off to Minnesota to destroy The Satanic Pumpkin.

Lincoln: Morgana and her minions chose the wrong day to bring him back, now we're going to make him wish he hadn't come back, and once we get done with him, you're next, Night Terror.

Ahana Laurel: Everything you've done in your quest to destroy everything in existence can never be forgiven, Night Terror. You will pay for everything you've done!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Minnesota to destroy The Satanic Pumpkin and send it to The Black Abyss, and once we got done with him, Lincoln and Ahana Laurel along with me and Nico are going to destroy Night Terror.

We were off to Minnesota.

We arrived.

Hydro Man: Think we should call Shendu for this?

Me: Good idea.

Shendu came.

Shendu: Here I am.

Me: Cool.

Lena Isis: Good old Minnesota.

Phosphos: Where the contest is being held.

Nico: Yep.

Lola: Awesome.

Camie: Cool.

Common Cold: Let's start making the pumpkin bread for the contest.

Me: Okay. I got all the ingredients.

Nico: Lets set up our station.

We got to the fair for the contest. Then we set up our stuff. We got everything we needed. Flour, sugar, yeast and more.

Me: There. Now we just need the pièce de résistance.

Nico: The pumpkin.

Dreadbane: And that won't be easy

Nico: Nope.

Then Lincoln had a Premonition and that means trouble!

Lincoln: (GASP) Oh my god! That is scary!

Me: What is it?

Lincoln: I just found out who the Akuma of Kendra is. Her name is Kendrademon. She's The Hypothetical Akuma of Kendra and a demonic one. She has all the powers of darkness and satanic evil and also has a powerful taste in dark magic. She was made when the Shredder turned her into Armorsight and vowed to kill him by any means necessary

WE GASPED!

Qin: What does she look like?

Lincoln showed a sketch of the Akuma and we were shocked and horrified! SHE LOOKED LIKE A DEMONIC SCARY VERSION OF THE BLAIR WITCH PROJECT MONSTER!

Me: That is horrifying!

Qin: Yeah!

Maria: No kidding!

Lana:: Yeah! That is scary!

Brittney: Yeah no kidding.

Kendra: Man I look like the monster from The Blair Witch Project! That is scary!

Nico: Yeah!

Man Ray: Maybe we can use a light blade on the pumpkin.

Lola: That is a good idea.

Camie: Yeah.

Snake Man: Didn't expect your Akuma to look like that.

2003 Raph: Great. Because Armorsight wasn't scary enough. No offense Kendra and Ken..

Kendra: None taken Raph.

Ken Armstrong: Yeah.

Qin: But yeah this will be scary.

2012 Leo: That also reminds me of Kavaxas from our world.

Cluemaster: We have to assume Kendrademon has the same powers as him

Me: I guess so.

Nico: But we're ready for her.

Me: Better get my gameface on. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙

Me: (HOWLS)

Qin: YEAH!

Then a BUNCH OF SCREAMING PEOPLE CAME!

They were running for their lives.

Me: Uh oh.

Tyzonn: Are they running from the Akuma or the pumpkin?

Nico: The Akuma probably.

Me: Yeah look!

We saw KENDRADEMON!

Me: There she is.

Qin: WHOA!

Camie: Horrifying!

We went over to her.

Me: WHOA! Like facing a demon from Hell.

Kendrademon: (Demonic Voice) It feels like it.

Major Disaster: Kendra? Is that you?

Kendrademon: Yes it's me.

Kaz: My god you look scary like this!

Kendrademon: I know. The Blair Witch Project is one of my favorite movies. Now I AM the Blair Witch Project monster.

Me: That movie would scare the living shit out of me if I saw it.

Nico: Yeah me too!

Mai: Kendra, you need to stand down!

Kendrademon: Where is the Shredder?

Me: Dead and you are looking at his killer. Me.

Nico: And all of us.

Qin: Yeah.

Me: Kendra I know what you went through. I wanted revenge on the Shredder for EVERYTHING he did. He paid for his crimes big time.

Kendrademon: I'm glad he is dead.

Captain Cold: I guess we're gonna have to fight.

Me: Yeah. Sorry Kendra but this is for your own good!

I fired waves of blue fire and blasted her all over.

She fired blasts of black fire and I fired blasts of blue fire and the blasts all collided and exploded!

MASSIVE FIERY EXPLOSIONS!

Grumblemon: (to Shendu) Feel free to turn up the heat!

Shendu: With pleasure!

He fired a massive blast of fire and blasted her down and she was knocked out.

Me: Take that!

Qin: Yeah!

Android 17: That's one problem down

Me: Now for the Pumpkin.

Eli: It's coming this way. 500 yards east.

Me: Here we go.

Hsi Wu: (to Shendu) Nice job, brother

Shendu: Thanks brother.

Me: That was awesome.

Rattrap: Too bad that wasn't Choppaface.

Dinobot: At least I put up a good battle on Nico's rescue rodent!

Me: Uch don't fucking ask. Been that way for them ever since they met us.

We went at the pumpkin and we saw it.

Me: Target sighted.

Smithers: Entrance time!

We went at it.

The pumpkin roared! Then the spirits of vegetables appeared and they swirled around it and then converged and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off above the pumpkin and a Phoenix Cry was heard and we came out.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Night Terror, or we will force you out.

Suddenly, Ahana Laurel's green eyes turned neon green and she was surrounded by a green energy aura with stars, wind, wind magic, laurel plants, phoenixes, and angels, she unholstered her massive wind greatsword, and as she approached Night Terror, she left green energy, stars, wind, wind magic, laurel plants, phoenixes, and angels with every step.

We were amazed by Ahana Laurel's Super Angel-Aromage Laurel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Night Terror saw it, he went ballistic and charged at her to kill her, but Ahana Laurel fired a massive barrage of green energy, stars, wind, wind magic, laurel plants, phoenixes, and angels which hit Night Terror and sent him flying into a wall, he got back up, but he was really really angry now.

Me: Wow, Ahana's transformed, and the scent of laurel plants her angel wings are letting off is even stronger than ever.

Lincoln: She did, now, we can tear Night Terror apart and make him pay for everything.

Ahana Laurel, Lincoln, Nico, and I went after Night Terror, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Night Terror and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ahana Laurel also did the same by firing green energy slashes from her massive greatsword and gold-plated dragon claws, and he, Ahana Laurel, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Night Terror even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to end this.

Lincoln transforms into his Gorgon form, then he runs towards Night Terror before turning invisible, leaving the opponent confused. Suddenly, a loud crunch is heard and blood gushes everywhere, and Lincoln turns visible again, revealing to have chomped down on Night Terror's head from behind. He lifts them up and swallows them whole. Afterwards, he regurgitates Night Terror covered in acid and the lower half of his body missing. As Night Terror slowly dissolves, he tried to crawl away but one of his arms explode. Lincoln approached Night Terror and destroys his head with the palm of his left hand, and he changed back and he sent Night Terror to The Black Abyss. Everyone cheered wildly for what Alara Jasmine, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Ahana Laurel's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large green planets orbiting around her legs, fifteen smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive green angel wings and medium sized green angel wings and small sized green angel wings underneath her massive green angel wings are permanent.

Ahana Laurel: It's all over, you monster, now burn in The Black Abyss forever. Thanks for helping me take down Night Terror, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ahana.

Me and Nico: Our pleasure, Ahana.

Suddenly, Ahana Laurel wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alara Jasmine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Aromage Lauren flying in the air, and we saw a herd of Buffalo and many animals running across the field and wind and the sudden growing of laurel plants and elemental forces behind them and we cheered wildly. Then, Lincoln and Ahana Laurel sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that monster and Lincoln (Trying not to throw up) really ended him with that move.

Me: No fooling, and he sent him to The Black Abyss forever. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Sarah Estevez Salazar, Gene-Slammer of Venom Snake.

Lori Estevez Salazar: I knew it was her.

Selene Arcangela: Same here, and you guys are going to love meeting her, Sarah Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, Sarah is a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LORI WITH A BLAZING PASSION BECAUSE THAT CONTROL FREAK WITH A NASTY TEMPER TRIED TO KILL LINCOLN BY SMASHING HIS HEAD OPEN WITH A SLEDGEHAMMER, BUT SARAH CLOBBERED LORI HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Jeez, so she trashed Lori!

Me: I remember that all too well, man, that was really brutal.

Luna: She deserved it though.

Lincoln: You got that right, and we'll be running into her tomorrow.

Misty Tredwell: And that's the end of the only Robot Chicken villain we'll ever face.

Harpymon: And the only enemy of Charlie Brown's we'll ever fight.

Thundermon: I agree with that.

Felix Faust: Now, let's finish up that pumpkin bread.

Count Nocturne: I hope it's enough.

Me: It is.

We went and made the biggest ever pumpkin bread ever! It weighed over 2,000 pounds and it was huge!

Announcer: And the winner is TEAM LOUD PHOENIX STORM!

WE CHEERED!

Qin: YEAH!

Nico: That was awesome!

We got a trophy and ribbons and the prize of free donuts forever.

Nico: Great job today everyone.

Kendra: Thanks Nico. (To the viewers) That Robot Chicken Pumpkin is now a forgotten memory.

Nico: Yep.

We later went back home and partied and we had fun and later went back to the estate and went to sleep.

SQUISH!

Me: OH YUCK!

I stepped in slime and it was disgusting!

Camie: This is so disgusting!

Eli: This is really gross!

Varie: No kidding!

Lola: I AM GONNA KILL WHOEVER MADE THIS RESCUE!

Nico: Yeah!

Me: It wasn't MY Idea. But lets just get it done anyway.

Qin: I agree.

Sailor Sun: I agree there.

Nico: Galaxia, I want to thank you, Fireroid Meran, and your teams for coming.

Sailor Sun: It's no problem Nico. This will be so fun.

Lola: It sure will.

Solaria Sun: I agree.

We saw floating fish and they were gross.

Solaria Sun: These fish are gross. And the Helicopter Rotors on them are not a nice touch.

Varie: Yeah no kidding.

Nico: Solaria, what do you like to do in your free time?

Solaria Sun: I like to teach at the museum about how the Sun works.

Me: The Sun is amazing.

Qin: it sure is.

Lola: I agree.

Solaria Sun: Yeah the sun is an amazing star that fuels everything.

Lola: Yep and gives us life and heat and all that.

Camie: Yep.

Nico: If it wasn't for the Sun, the Earth wouldn't exist

Me: Yep. If it wasn't for any star that has planets they wouldn't exist either.

Camie: Yeah.

Solaria Sun: Too true.

Lola: Yeah.

Camie: Yep.

Nico: Man that was an awesome Pumpkin bread.

Me: Boy no kidding! And we won that contest.

Maria: I thought for sure we would have to find a different pumpkin

Me: Me too.

Qin: Yeah.

Nico: But we had to find the right pumpkin that was just the right size.

Camie: Yep.

Me: And the Satanic Pumpkin was the only one that fit the bill.

Varie: Yeah.

Ace: Is that really the first time you guys fought a Robot Chicken villain?

Me: Yeah it was. Charlie Brown and his friends didn't have a villain so we had to improvise on that with the Robot Chicken version of the Great Pumpkin. It was a Satanic version of it. It was made through the use of dark magic.

Brittney: And it came with a terrible price.

Me: That's why you should never mess around with the forces of dark magic. There's always a price.

Nico: But we still love Robot Chicken nonetheless!

Ace: True. I heard that you guys love that show.

Me: Yeah we hated it at first but we got hooked on it. Some of the sketches are cool.

Laney: Yep.

Ace: I can see that.

SQUISH!

Nico walked and stepped on slime!

Nico: YUCK!

Lana: I don't mind this place.

Me: When I first played this level I was horrified by the scary music in the background. Especially with the gross environment.

Nicole: I know dad. This is a scary one. But this was also where Doc Duodenum was fought too.

Lana: That was funny.

Lola: Well, I'm glad someone's enjoying this

Lana: Oh I sure am.

Pinkie Pie: Me too! This is fun!

SQUISH!

Pinkie Pie was having fun.

Lana: (LAUGHS) Yeah!

LOUD FARTS!

Me: GEEZ! I'm glad that isn't Lori's farts.

Camie: No kidding!

Unknown to us, something swam past Nico.

Nico: What the. Something just move passed my leg.

Nicole: Uh oh. I hope it's not a Dianoga.

Camie: Those trash compactor monsters?

Me: Yeah.

SQUISH.

Me: Yuck.

That same something swam past Maria

Maria: Wait look!

We saw something.

Me: It is a Dianoga!

We saw its stalk and its creepy eye and it saw us.

Me: What are you looking at!?

I teleported it to the M.O.E.

Me: There.

Nico: Wait! Look!

We saw something else.

That something was Mevya's Akuma.

Me: Looks like something else.

Lincoln: I think it's why we're here. Okay, gang, we're in for one really dangerous battle: I just got word that Mevya's hypothetical Akuma form is here.

WE GASPED!

Me: WHAT THE?!

Nico: Uh oh.

Lincoln: Yep, his name is Anglerdark, a dark and terrifying anglerfish with a nasty appetite for blood and a master of darkness. He was made because of Starro taking over his home planet and vowed to destroy that monster.

Eli: Oh man!

Lincoln got out his sketchbook and we saw Anglerdark: it's one monstrous dark and terrifying anglerfish!

WE SCREAMED IN HORROR!

Me: That is one SCARY FISH!

Maria: Oh my God! And I thought the anglerfish Dory and Marlin saw was terrifying!

Lincoln: This one beats that anglerfish in terms of being terrifying and horrific.

Nico: (GULPS)

Suddenly, Lincoln had a premonition, and it's not good: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg, and they've brought back from the dead and they're back for revenge on us again.

Lincoln: Why, that little...!

Me: Lincoln, what's wrong?

Qin: (GASP) Oh God, which of Morgana Midnight Sparkle's resurrected minions are coming after us now?

Lincoln: Someone I hoped never ever to see again. Morgana Midnight Sparkle and the other Midnight Princesses have resurrected Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, now that bitch and her minions have resurrected the evil older brothers of Hilary Thestalos, Charlene Novamenova, Leina Mobius, Nika Zaborg, Gina Granmorg, Varie Raiza, Darcy Erebus, Dawn Ehther, Luna Angmarl, Alina Kuraz, and Raven Delg.

Nico put his skeleton back.

Nico: I hate when that happens. But, I can't believe those demonic she-demons resurrected those lowlives! Well, you know what that means.

Lincoln: Yep, I'm going to kill them by draining them dry of their energy and sending them to The Black Abyss forever.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: So, we're here to take down Mevya's hypothetical Akuma form, and to make things even worse, Morgana and her minions have brought back Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg.

Hilary Thestalos: I honestly couldn't believe it, but Morgana and her minions have done many low things in the past, so I should've expected that. Now, we'll make sure they stay gone for good, and since they helped Flip in the past, this'll be the last trace of Flip we'll see wiped out of existence forever.

Lincoln: Right, Hilary.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel

wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Anglerdark) AHA! Gotcha! I just spotted Anglerdark, he's 20 yards away, but we got to watch it with him, since he has powers of darkness, he's able to hide himself well. (Sensed Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: Well, then, if that's how he wants to play it, we'll find him.

Hunter heard a Pokemon cry

Hunter: (German Accent) Mein gott! Look here.

We saw a Mega Flygon!

Me: Whoa Mega Flygon!

Qin: Cool!

Mega Flygon: I hate this place. It's so unsanitary.

Edd: That's something that I would say.

Eddy: (LAUGHS) He sure got you pegged sockhead.

We gave it apples.

Mega Flygon: Ah thank you.

She ate them.

Hunter: Feel better?

Mega Flygon: i sure am.

Hunter: Wunderbar. Want to come with us?

Mega Flygon: I sure would like that.

Me: Awesome.

Nico: How about one of us hops on your back?

Hunter: Good idea.

Mega Flygon: Sure and I can carry 2 of you.

Hunter and Nemo got on.

Me: Cool.

We then took off into the air and we set our sights on taking down Anglerdark and sending him to The M.O.E. and destroying Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg and sending them to The Black Abyss forever.

We were flying in the air, and we spotted our target: Anglerdark, the hypothetical Akuma of Mevya, and it was indeed hiding in a cloud of darkness it formed.

Lincoln: There's Anglerdark.

Me: How did you spot him that quickly when it was hiding in the darkness?

Cage Blunt: Vampires have the power to see in the dark and sense the heartbeat of mortals, so this is something that's more our field.

Cage Blunt fired blasts of darkness that forced Anglerdark out, and he roared as he saw us and we landed.

Nico: Been a while since we ran into any hypothetical Akumas of the mascots.

Me: It won't be the last though.

Lincoln: No, there's bound to more, and Henry Thestalos, you and Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg better get out here, you cold-hearted bastards!

We then saw our secondary targets: Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg, The Elemental Monarchs of Evil, and they had the demonic Alicorn on their foreheads: proof they were brought back by The Midnight Princesses.

Selene Arcangela: Lincoln was right, so Morgana and her minions also brought you assholes back from the dead, and you're all still out for revenge on Lincoln and your sisters for killing all of you last year.

Henry Thestalos: SHUT THE FUCK UP, BITCH! YOU AND THAT WHITE-HAIRED FREAK ARE DEAD, ALL OF YOU ARE FUCKING DEAD!

Logan Mobius: YOU RUINED OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENT US ALL TO FUCKING PRISON! YOU WILL ALL DIE!

Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian

Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg transformed into The Elemental Monarch Duel Monsters.

Lincoln: This again, you seriously don't know when to change tactics, Henry, but then again, you've always been a pathetic loser along with your friends.

Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg fired ferocious blasts of fire, darkness, ice, lightning, earth, wind, and light at Lincoln, but he absorbed them and it made him even more stronger and his energy aura flared up along with his rainbow protective aura and they became even more ferocious.

Then, Lincoln stabbed his eleven massive and long white wolf tails into Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg, and Lincoln began sucking out their energy, elemental powers, massive muscle mass, and massive physical strength as we saw energy being sucked out of them and went into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger, and it caused Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg to change back to normal.

When Lincoln was done and his tails retracted, Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg were left drained of life, muscle, and energy, and their souls were sent to The Black Abyss.

We saw Anglerdark!

Me: WHOA! That is a REALLY SCARY Anglerfish.

Anglerdark: I get that a lot.

Camie: Whoa you are creepy.

Mevya: Wow are you... me?

Anglerdark: Yes I am you Mevya.

Xenia: Wow you are really scary.

Kevin: Mevya? You still remember me, right?

Anglerdark: How can I forget Kevin. You are still my friend and always will be.

Kevin: That is good.

Camie: Starro? Who is Starro?

Me: An alien starfish we met that we sent back to its home planet.

Camie: Whoa.

Aquagirl: It's a long story.

Kevin: Mevya, I know what it's like to have power corrupt you. But you need to calm down, okay?

Anglerdark: Okay I don't like this place anyway. But please just defeat me and get it over with.

Camie: Okay then.

She fired a wave of aurora energy and blasted Anglerdark.

Nico: Look, Mevya. Starro made an agreement with us. If we leave it alone, it leaves us alone.

Anglerdark: That's good you did and I'm glad you decided to leave him alone. I'm glad you will honor that. I'm sorry guys I just don't like this place. It's gross, it smells and smells worse than Lori's farts.

Lori: HEY! It was my shoe!

Me: Okay Lori we get it but we're still not buying it.

Anglerdark: Yeah.

Me: But it actually smells worse than Lumpus' ugly butt that got wet during a rainstorm in spring.

Anglerdark: Okay that was funny.

Mega Flygon charged at him and fired a Hyper Beam Blast and blasted him all lover.

Suddenly, the red eyes of Voitto Vorash, Mina Magma Gloom, and Molly Magma turned neon red and they were surrounded by crimson red energy auras with stars, fire, flames, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Anglerdark, they left crimson red energy, stars, fire, flames, phoenixes, and angels with every step.

Voitto Vorash: I should've known you'd show up here, Anglerdark, but like Cage said, we're taking you down.

Mina Magma Gloom: And we're sending you to Vypra at once.

Molly Magma: And don't think the darkness is going to protect you, our fire powers cancels out any of your attempts at hiding in darkness, now it's time to take you down, fishface!

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Voitto Vorash, Mina Magma Gloom, and Molly Magma, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Anglerdark even angrier than ever.

Lincoln covered the 8'0" massive, wide, double-edged blade of his massive greatsword in red fire and surrounded by a kaleidoscope of ladybugs.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) RED FIRESTORM AKUMA PURIFICATION!

Lincoln swung his massive greatsword and fired a massive wave of red fire and ladybugs and when it hits Anglerdark, it knocked him clean out and he was beamed straight to Vypra.

Everyone cheered wildly as we holstered our weapons and we powered down and Voitto Vorash's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red planets orbiting around her legs, fifteen smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent, Mina Magma Gloom's new body, clothes, weapons, jewelry, Third Eye, longer Magma Gloom tail, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red planets orbiting around her legs, fifteen smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent and Molly Magma's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large orange planets orbiting around her legs, fifteen smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent.

Nico: That'll teach him. And I can guess you based that technique on Marinette's purification of Akumas, right?

Lincoln: You guessed it.

Marinette: That'll only be for when we face hypothetical Akumas for the mascots on Nico's rescue.

Eli: Looks like it. Oh, and James, you better take a look behind you.

James Blunt sensed that Nico and I were about to dump a bucket of water on his head, but he pulled a reverse and grabbed the bucket and dumped the water on our heads.

Me: He pulled a reverse on us?!

Nico: Unbelievable!

Caleb Maxwell: I hadn't forgotten of how physically strong vampires are along with spotting any sign of trouble, and the training and your transformation really increased your vampire powers and abilities infinite fold, James. And you two are lucky you tried and failed to prank him, because if someone used violence on him like shooting him, he'll tear them apart when he let the vampire side of him take over.

Cage Blunt: That was to save me from the mine workers who found out about me being a vampire long ago.

Allie Maxwell: And got in trouble when the council heard it.

Lincoln: But, he paid for that, same with Cage and Travis.

Nico: Wanna get out of here now?

Me: We might as well but we are NOT GOING OUT through the southern exit.

Nico: Agreed!

I snapped my fingers and we were in the park.

Nico: Much better!

Mega Flygon: Yeah!

Nico: Nice job Mega Flygon!

Mega Flygon: Thanks Nico. That was fun.

Poromon: Want some beer?

Mega Flygon: Oh I don't drink sorry.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough and guys don't ever do that one again.

Me: Sorry.

Nico: How are you doing after yesterday, Samara?

Samara Morgan: Much better than ever.

Lincoln: We're glad for you.

Qin: Yeah.

Me: We'll deal with her insane mother later in the future.

Camie: I agree there.

Kendra: And my insane aunt too.

Poromon: What do you like to do as a job?

Samara: Me? I haven't found one yet. I'm still in school. Also back then I was dead and scaring people bad and killing them.

Camie: She's right on that.

Poromon: But what classes do you like?

Samara: Poetry and math.

Lucy Loud: I have a feeling you will be perfect for the Goths.

Brittney: I was just going to point that out.

Samara: Yeah that is for sure.

Poliwag: We should probably shoot your Mom in the head

Me: And I've got just the idea.

I pulled out a Bop It Extreme game.

Nico: Bop It Extreme?

Me: Watch.

It turned into a 50 Caiber Sniper Rifle.

Me: Spiffy and deadly. Saw it on a Robot Chicken Sketch.

Poromon: You can show us another time. Because we have another Sketch to show you

Me: I was gonna save it for later anyway.

Poromon: Cool. But that is awesome you have that.

Qin: Yeah.

I stored it.

Nico: We haven't watched a Robot Chicken Sketch in a while.

Me: It has been a long time.

Camie: Wow.

King Kai: (Telepathically) Nico, everyone can you hear me?

Me: Loud and Clear King Kai.

Nico: Is something wrong?

King Kai: Everyone, you'll be happy to know that No Akuma has been spotted today. So, you all have a day off.

Me: Thanks King Kai. Must be in preparation for Smolder, Eli and Chloe's big day tomorrow.

Camie: Yeah.

King Kai: That's right.

Manaphy: I'll use our day off to show you guys something later

Me: Okay.

Qin: I hope it's nothing crazy.

Me: Yeah.

Manaphy: Relax guys. It'll be awesome.

Me: Okay. Now for the fun part. The Anothers.

Eli: (Concentrates) WHOA! We got Another Fireroid Meran, Rip 187, Despair Kokichi Ouma, Despair Miu Iruma, Sunstar and Sun King.

Qin: COOL!

Nico: So Sailor Sun, Solaria Sun, Naomi Halinora, Nicole Halinora, Gina Readington, and Sally Huntington are up.

Eli: Yep. And I sense that the Anothers are all individual people.

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: And now, we wait.

Me: Yep.

But then we heard a Phoenix Cry.

Me: What the? Is someone using our entrance?

Maria: No look!

We saw a Phoenix! A Real phoenix!

Me: WHOA! Wait is that Callius?

She flew and formed a ring of fire around us and then landed on my shoulder and she nuzzled my face.

Me: It's good to see you too Callius.

I gave her some seed.

Nico: You know this Phoenix?

Me: I sure do. Then I have a feeling it's going to be someone I know really well.

Poromon: Hello there!

Callius talked to Poromon.

Poromon: Awesome to meet you Callius.

Me: Guys this is Callius. She's a phoenix I know.

Nico: Cool!

Then 5 fairies came! They were fairies of Fire, Water, Crystal, Wind and Lightning!

Me: Whoa! Fera, Wina, Crysti, Wyn and Thun. Awesome to see you five again.

Nico: Elemental Fairies? How cool!

Thun: It sure is Nico and you too J.D.

Wyn: Wow you are looking awesome.

Me: Yeah.

Then a mermaid came out of the lake. She had pink hair, blue eyes and a blue tail and had blue angel wings and a blue clam bra on.

Serenia: Hello J.D.

Me: Serenia! Wow!

Nico: Boy this is so cool that you know all of them!

Me: Yep. And look!

We saw Another Fireroid Meran!

Nico: Cool!

Another Fireroid Meran: (In a girls voice) Looks like everyone remembers you J.D.

Me: Fiona Fantasy! Wow!

She reverted back and was a girl with pink hair, blue eyes, blue and pink clothes and had rainbow angel wings and a tiara with the symbol of the Fantasy Dopant on it and her skirt and she had a rainbow sword in her hand.

Fantasy: Fiona!

Fiona Fantasy: Fantasy!

They hugged.

Fiona Fantasy: I'm so happy to see you again.

Fantasy: Me too honey. It's great to see the queen of the Fantasy Section.

Me: You two know each other?

Fiona Fastasy: We sure do. I am the queen of Fantasy and Fantasy is one of my best friends.

Me: Cool!

Nico: That is so cool!

Qin: It sure is.

Fiona Fantasy: And I remember seeing Richard Tyler take on that dragon. That was really brave and I remember seeing all of you guys helping Kairi out with her issues. You all did a great job back then.

Me: Thanks Fiona. Fiona also has the powers of the elements and knows all about magic and more.

Fireroid Meran: Wow! So she has fire powers like me.

Fiona Fantasy: I sure do.

Me: Yep. That was an amazing adventure for us back then.

Sakura Knudson: I loved the movie The Pagemaster. That was so fun.

Lola: It sure was.

Me: Yeah we battled Dr. Jekyll & Mr. Hyde, Long John Silver and his pirates and also a huge fire-breathing scary dragon.

Fluttershy: I don't remember that. That must've been scary.

Me: It was at first. But you guys weren't with us back then. But that was a really fun adventure for us.

Lola: Yeah that was one of my favorites.

Fiona Fantasy: It sure is awesome. Look.

On her back was the circle for The Pagemaster.

Me: You have a tattoo of the Rotunda Mural of The Pagemaster. That is so cool!

Fluttershy: Oh wow that is beautiful.

Rarity: That tattoo is absolutely breathtaking darling.

Fiona Fantasy: Thanks. These are all my favorites.

Me: Yep. We went through the Horror, Adventure and Fantasy Worlds and endured a lot of amazing challenges.

Camie: Wow! That is amazing!

Qin: It sure was and it was so fun.

Kairi: That was so fun for all of us.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: Clever. Never underestimate the magic of Fantasy.

Eli: That is for sure!

Camie: Yeah!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Me: Lets separate you first.

Lincoln: I was gonna say that.

We separated her.

Me: Yeah! Lets get him!

Nico: (Gets out Fireroid Meran's ridewatch) Buddy, you're fired!

May: (Gets out Despair Kokichi Ouma's ridewatch) Lets bring the dark.

Maria: (Gets out Sunstar's ridewatch) Feel the fire!

Solaria Sun: (Gets out Rip 187's Ridewatch) IT'S RIPPING TIME!

They used the powers of Fireroid Meran, Rip 187, Despair Kokichi Ouma, Despair Miu Iruma, Sunstar and Sun King and blasted the Another

Then Magna Centipede, Cyrax, Gumbald, The Scarab, Keeoth, and Zutho came!

Me: WHOA!

Nico: Nice team Magna Centipede.

Magna Centipede: Thanks Nico!

Nico: I like how the Robot Masters are getting teams now

Me: Me too.

Metal Man: And me and my team are up next.

Me: Yep.

But then we felt THUNDEROUS FOOTFALLS!

Me: WHAT THE!?

Nico: What was that!?

?: From me sorry.

We looked up and saw a REALLY HUGE TOWERING DIGIMON! IT WAS VENOMMYOTISMON!

Me: WHOA! VenomMyotismon!

Camie: HE'S HUGE!

Nico: HOLY SHIT!

Me: This has to be the biggest one to date!

VenomMyotismon: (In a girls voice) (Transylvanian Accent) Sorry about my enormous size.

Nico: Callie Myotis!? Whoa!

She reverted back and was a girl with black hair, red eyes, black clothes, red demon wings, had a new crest in the middle of her forehead andhad VenomMyotismon on her shirt and skirt and had the Flag symbols of Romania and Transylvania on her arm and had a Black Digivice and had a scythe.

Then Myotismon came.

Myotismon: Been a while Nico.

Callie Myotis: You remember my Myotismon right?

Nico: Wow I sure do!

Callie Myotis: We got this! (ECHOING) VENOM INFUSION!

She fired waves of rainbow energy from her hands.

Callie's Myotismon: (ECHOING) CRIMSON LIGHTNING!

He fired waves of blood red lightning energy from his hands and the blasts hit Another Fireroid Meran and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

I caught the ridewatch and purified it!

Me: YEAH! Fireroid Meran you have failed this city!

Qin: YEAH!

Me: Wow! Wait you're one of Transylvania's Digidestined. I can see that you have the symbols of Romania and Transylvania on your arm.

Callie Myotis: I sure do and yes that's right and it's one I can sink my fangs in.

She showed her fangs.

Me: Whoa you're a vampire! Wow.

Natasha Hernandez: Awesome to have a fellow vampire with us.

Callie Myotis: It sure is Natasha.

Nico: Wait until you meet Myotismon, who's my archenemy.

Callie Myotis: That's what I was hearing Nico and it's Fangtastic.

Me: It sure is.

Solaria Sun: Do you have a favorite memory of Nico?

Callie Myotis: I most sure do. When me and Nico battled a bunch of Pipismon and Phantomon running amok in the capital of Romania.

Me: So Digimon were running around all over Bucharest.

Callie Myotis: That's right and it was a great battle for us.

Me: Wow!

Nico: Yep.

Nico and Callie hugged.

Nico: I've missed you.

Callie Myotis: Same here Nico.

We later went back home.

Crowe, the drug dealer of the gang, and we're sending him to The Masters of Evil.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the thirty-five girls here, but we're taking down the next member of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, the next one we're going after today is Nick Price A.K.A. Crowe, he's New York's well rounded bad boy and a runaway that lived with different groups of people most of his life until he finally ended up sticking with the Big Claw Gang. But, the Big Claw Gang doesn't use Crowe for burglaries, but instead, Crowe is in charge of drug trafficking within the city.

Cage Blunt: And he's the same jerk who shot me in the shoulder and blasted my face off with a shotgun, and it also led to Jack finding out about my secret and letting me join the NYPD, and I wiped his mind clean about what he saw.

Me: So, we got to take that drug dealer and punk down.

Nico: And send him to Vypra, but he won't go down without a fight.

Caleb Maxwell: Especially if it involves guns, so that's going to be left to me and Allie.

Sailor Sun: And Cage, Travis, and James after your little stunt is performed.

Allie Maxwell: Galaxia's right, you've done a lot of those stunts when we went after Skull and Chester in the past two days, now it'll be against Crowe.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, red eyes, large red angel wings, pink clothes, long white sleeveless trenchcoat with stars, poison, earth, snakes, phoenixes, and angels on the coattails, and on the back is Venom Snake, she has an earth greatsword in hand and a coral snake with her, and with her are the thirty-five girls.

Lincoln: (GASPS) Sarah Estevez Salazar, Gene-Slammer of Venom Snake, and your pet Coral Snake, Fika.

Sarah Estevez Salazar: That's right, and I got the girls away from Crowe thanks to Fika, it turns out Bad Boy Price is afraid of snakes! I almost laughed my butt off!

We saw the rest of The Big Claw Gang: Chester, Nick Price A.K.A. Crowe, Sarah A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: I'm going to guess Nick's pissed off Sarah had her pet Coral Snake, Fika, scare him.

Carla Claw: I'm just glad he didn't get bit by her. Alright, Crowe, you're up.

Just then, Nick Price A.K.A. Crowe came up.

Crowe: Don't you think I'm going to go easy just because you're an attractive girl.

Allie Maxwell: As if, you're going down, Bad Boy Price!

When Caleb Maxwell saw Crowe, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at Crowe, but he dodged it.

Crowe: What the Hell?! At it again, Caleb?!

Nico: Yep.

Caleb Maxwell: Damn it, damn it, I was that close to taking your head off for trying to flirt with my sister, but from the looks of it, Nekome's training did pay off when it came to me coming after you all, and I'm still not impressed, it's the opposite, you just ruined another chance for me to humiliate you. (Long black hair turns even wilder) And now, you've pissed me off and gone and gotten yourself in huge trouble with me!

Cage Blunt: Oh crap.

Jack Howard: Here it comes, he's gonna lose it!

Caleb Maxwell: And now, it's time for you to die, Nick Price A.K.A. Crowe! (LAUGHING DEMONICALLY)

THEN, MASSIVE TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END CROWE WHILE HE WAS STILL LAUGHING DEMONICALLY! BUT, HE DODGED THEM!

Mad Cat Max: Damn, he's still as crazy and demonic as ever!

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Crowe up in a rainbow energy rope. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, another Big Claw Gang member is now in The Masters of Evil. Hopefully, this'll teach Crowe a lesson and he'll never be doing any drug trafficking again, or I'm gonna get really mad.

Carla Claw: You're not as violent as your brother, Allie, but you're just as fierce, but you still have compassion for runaways.

Sally Gamble: True, if you were dealing with us, we'd easily surrender.

Caleb Maxwell: That's a lie and you know it. Crowe said it himself that she's my sister and he knows if she winds up getting hurt, all of you would suffer my wrath! (BLOOD RED EYES TURN BRIGHT BLOOD RED AND THE SCLERA OF HIS EYES TURN BLACK)

Allie Maxwell: Uh, Sally, you and the others better get out of here before Caleb loses it. But, just to make certain.

Allie Maxwell grabbed Caleb Maxwell by the arm and Judo flipped him as she sent him flying into a nearby crate that he crashed into.

CRASH!

Sally Gamble: (Laughs) Now, that was quite impressive. Well, we must take our leave.

The rest of the gang left and we were still stunned at what Allie did in Judo flipping her brother.

Roxy Drake: Oh man, I can't believe it, you really took down your brother with the moves we've been giving you!

Jack Howard: That was impressive.

Caleb Maxwell: Ouch.

Caleb Maxwell got back up.

Nico: (WHISTLE) That was really impressive work, Allie.

Lincoln: We'll leave it to you to keep your brother in line once we take down another Claw Gang member. (To Sarah Estevez Salazar) And it's so good to see you again, Sarah.

Sarah Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's good to see you and Carrie again, Lori.

Lori Estevez Salazar: You too, Sarah.

Suddenly, Sarah Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Sarah Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Sarah Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Sarah Estevez Salazar and hugged her, and Sarah Estevez Salazar is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew

a lot since then.

Sarah Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Sarah Estevez Salazar, Gene-Slammer of Venom Snake, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, Sarah is a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! The Coral Snake with her is Fika and she is her friend. All the Venom Gene-Slammers have poisonous snakes for friends and only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LORI WITH A BLAZING PASSION BECAUSE THAT CONTROL FREAK WITH A NASTY TEMPER TRIED TO KILL LINCOLN BY SMASHING HIS HEAD OPEN WITH A SLEDGEHAMMER, BUT SARAH CLOBBERED LORI HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Yikes!

Me: If Lori tried anything, Fika would bite Lori and a Coral Snake's venom is really deadly.

Lincoln: But, she only bites if commanded to do so, and now that you're here, Sarah.

Lincoln with his massive muscular arms still wrapped around Sarah Estevez Salazar leaned his head down the right side of Sarah Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sarah Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sarah Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sarah Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sarah Estevez Salazar.

Sarah Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Sarah Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Sarah Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Sarah Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Sarah Estevez Salazar: (In Heaven) My God. Oh, and Lincoln, here's a huge warning: the thirty-five girls are super voluptuous beauties!

Me: Oh man! Let's get out of here!

The rest of us went back home leaving Lincoln, Nicole, and his harem. Then, they went up to the thirty-five girls, and when Lincoln saw them, he immediately recognized them along with his nose really gushing out blood, the thirty-five girls are Asami, Celica, Diele, Electra, Elena Amatsuka, Ellen, Gilda, Isabelle, Kaguya Uzuki, Kashunia Blood Claussell, Katorenne E. Romancia, Lilinda, Lily, Lorraine, Lumia, Lydia Luitgard, Mami, Mana Takumi, Maria, Marie, Milfa, Mitake, Miyuki, Mizore Yukinokouji, Munmun, Myau Orphel, Naomin Iva Lucille, Nastassja, Olga, Phee Kissthermite, Rufina, Sabrina, Sarah, Sistine, and Tiana from Motto! Lincoln: Oh whoa, it's Asami, Celica, Diele, Electra, Elena Amatsuka, Ellen, Gilda, Isabelle, Kaguya Uzuki, Kashunia Blood Claussell, Katorenne E. Romancia, Lilinda, Lily, Lorraine, Lumia, Lydia Luitgard, Mami, Mana Takumi, Maria, Marie, Milfa, Mitake, Miyuki, Mizore Yukinokouji, Munmun, Myau Orphel, Naomin Iva Lucille, Nastassja, Olga, Phee Kissthermite, Rufina, Sabrina, Sarah, Sistine, and Tiana from Motto! Nicole: (GASPS) So, those were the girls Sarah rescued, and I know why Dad freaked out and he and the others left, these girls are super voluptuous beauties!

Lincoln: And easy targets for perverts, if I see one pervert, I'll tear him apart. Are you girls okay?

Asami: Yes, we're okay, thanks to you.

Then, when Asami and the other thirty-four girls saw who it was that saved them from Nick Price A.K.A. Asami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirty-four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Asami: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asami, Celica, Diele, Electra, Elena Amatsuka, Ellen, Gilda, Isabelle, Kaguya Uzuki, Kashunia Blood Claussell, Katorenne E. Romancia, Lilinda, Lily, Lorraine, Lumia, Lydia Luitgard, Mami, Mana Takumi, Maria, Marie, Milfa, Mitake, Miyuki, Mizore Yukinokouji, Munmun, Myau Orphel, Naomin Iva Lucille, Nastassja, Olga, Phee Kissthermite, Rufina, Sabrina, Sarah, Sistine, and Tiana with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks.

We returned home, and everyone was shocked to find out that the villain we went after was Nick Price A.K.A. Crowe, New York's well rounded bad boy and drug trafficker of The Big Claw Gang.

But, when Lincoln showed what we all did in beating him down and him tying him up and sending him to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Sarah Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: Now, Crowe's in The M.O.E., and we got the rest of The Big Claw Gang to take down.

Me: You said it, and Allie's still going to provide us with the info as she joins us.

Allie Maxwell: That's right. Plus, like I said, I've had my run-ins with them on a personal note along with seeing their past histories as runaways abandoned on the street and of course taking them down on my own.

Roxy Drake: But, with our help as well, Allie, I forgot to mention that. Plus, we also told the rest of the team of what you did in Judo flipping your brother onto the ground like that.

Qin: Everyone was cracking up as how Allie who hasn't undergone a transformation yet took down her brother.

Maria: We were stunned ourselves.

Marlene Maxwell: She didn't just get training from the NYPD Nightshift, she also got her training from Uncle Christiano, he knew that Allie became a young woman as soon as she turned 18, and of course, many guys are looking at taking advantage of her, or in the case of Drake, trying to kill her. So, she used that brutal training and took them down and they ran away from her, and Drake and his thugs ran off screaming and bellowing with insane rage.

Caleb Maxwell: It's one of those things that makes me wish that I'd just given him The Black Abyss instead of sending him straight to Hell.

Me: If Drake does return, that's where he's going forever.

Nico: It's better than just throwing him back in Hell over and over again.

Lincoln: They're right, besides, what you'll be doing by just sending him back to Hell over and over again is just pissing him off, and one day, he's gonna lose it big time.

Selene Arcangela: And the second he does lose it, he'll do something so horrific, it'll seal his fate.

After Lincoln and all of us beat down Crowe and sent him to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sarah Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Sarah Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from

Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sarah, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Sarah Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Sarah Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Allie Maxwell: Uh, Caleb, there's something I need to share with you and the rest of the team, it's about how I met Cage's dad, and it was six years following the day you died.

Caleb Maxwell: Wait, you met Cage's dad, and it was six years following the day of my death?

Allie Maxwell put up the video and we watched it on the big screen as it played, and it showed Allie Maxwell who became sixteen and it was taken six years following Caleb's death, and she was in high school and on the anniversary of her brother's death.

Past Allie Maxwell: (Sighs) It's been eight years since your death, Caleb. I really wish you were here, things haven't been good for me or Mom, we're still dealing with the harassment of Dad's scumbag relatives trying to take all our money and kick us out of our house and the constant death threats sent to us by Drake and his thugs, it's just way too much. I don't even know how much longer we can deal with this madness.

?: HEY, BITCH!

Suddenly, Allie turned around, and she saw a group of rotten mean bully girls and they got out guns and were aiming to kill her. Allie knowing of what happened to her brother ran out of the building with the bitches running after her, but then, she tripped and got up, but by then, the bully girls were now getting closer.

Past Allie Maxwell: Is this it? Am I doomed to meet the same end as Caleb?

Allie feared of the very fate awaiting her. But, then, someone decided to intervene.

Past James Blunt: I don't know what any of you are thinking right now, but if I were you, I'd drop the guns right now and leave.

Bully Girl Leader: FUCK YOU, OLD MAN!

BANG!

The leader of the group shot James Blunt in the left shoulder, but that was a big mistake as his brown eyes turned bright red and his fangs came out.

Past James Blunt: That...was your first...and last mistake.

Suddenly, we saw James Blunt's vampire side take over as the sclera of his eyes turn bright red and he charged at the group of bully girls and he massacred all of them by slicing their throats with his claws and drank their blood.

Past Allie Maxwell: W-what the?

Allie saw everything, and then, she turned to run which caught James Blunt's attention.

Past Allie Maxwell: What the Hell did I just see? W-was that guy...a vampire?! Wait, Caleb's journal said he encountered two vampires, but they were dressed in 80s style black clothes, so this guy's also a vampire as well? Oh God, Caleb, what did you encounter that night all those years ago? I've got to get back home and fast, who knows what that guy is also capable of?

Allie was almost close to home, but then, she saw the vampire who just killed that group of bullies fly above her and land right in front of her.

Past Allie Maxwell: W-what the?! Oh God, this really is it!

Allie braced herself for the inevitable, but then, she felt a gentle hand on her shoulder.

Past James Blunt: Hey, are you okay?

Allie opened her eyes and looked eye to eye with James Blunt.

Past Allie Maxwell: Y-yes.

Then, they sat on a nearby bench.

Past Allie Maxwell: I still can't believe it, you're a vampire, I saw what you did to those rotten sluts.

Past James Blunt: Yes, because they were going to kill you, is that not correct? Because they were also in league with your ex-older brother by the name of Drake Maxwell, the one who killed your older brother, Caleb Maxwell.

That made Allie's eyes go wide.

Past Allie Maxwell: Those sluts...! I should've known those losers were some of my ex-older brother's slutty britches girlfriends. That moron, he and Dad should've been the ones to die that night six years ago, not my older brother, Caleb! I hate them, I hate them both so much I want them dead. (Voice Breaking) It's not fair, why did my brother have to pay the price of wanting to do the right thing? Why did he have to pay for it with his life?

James Blunt saw the pain in Allie's eyes: the pain of losing someone she held dear to her, the one who helped her and

Mom find a path out of the darkness following her dad getting divorced and he and Drake kicked out after their secret was found out.

Past James Blunt: I know what you mean. Throughout the years, many mortals have made choices of wanting to do the right thing, and they've prevailed, but at a painful cost: many of them have lost their lives dying for what's right. Your brother seeing what kind of damage that your ex-dad and ex-brother have been doing made the choice to convince your mom to get a divorce and kick them out, and he made the choice to get the police involved. But, he didn't know of the insanity that consumed your evil ex-older brother or of the many risks he's been wanting to take to get revenge on him.

Past Allie Maxwell: And in the end, it cost Caleb his life, and Drake's actions caused sorrow to me and Mom. Sometimes, I wish that Caleb wasn't the one who had to die that night, but even I know that'll never come true. I know Mom and I have to move on, but it's hard to move on even now, even after he died six years ago.

Past James Blunt: Then, let me ask you this, what will you do?

Past Allie Maxwell: I'll continue onwards, even with the pain of Caleb's death still haunting me.

Allie Maxwell made it her goal to continue on living even with the pain of Caleb's death still haunting her as the video ended.

Me: Whoa.

Lincoln: I knew Caleb's death hit you that hard, but this, this is really a hit to the heart.

Roxy Drake: Allie made that promise to continue onwards despite Caleb's death haunting her, and no one knew James was responsible for the massacre of those bullies, they thought it was Caleb's ghost that caused their deaths.

Nico: James didn't need to do any mindwiping for that?

James Blunt: Nope, and everyone thought the same thing, that it was Caleb's ghost that caused their deaths.

Marlene Maxwell: But, only Allie knew who was really responsible for it, and the council knows that only Allie, Caleb, myself, and the relatives on my side know about the world of the vampires.

Suddenly, a message arrived and when Caleb saw the insignia of The Supreme Yuridia Authority, he knew it was the council.

Caleb Maxwell: It's a message from the council.

Caleb opened it.

Caleb Maxwell: My God, it says here that the council's coming here to meet with Team Loud Phoenix Storm tomorrow.

Brittney: The council's coming to meet us? And that's on Smolder's big day tomorrow!

Me: This is really a surprise.

Cage Blunt: And it says that you're also to bring the rest of your Mom's relatives here as well, this is serious.

Lincoln: I wonder what the council has.

James Blunt: We'll find out about that tomorrow. Whatever it is, it must be really important especially if it involves bringing the rest of Marlene's relatives as well.

Caleb Maxwell: This'll also involve The NYPD Nightshift as well, since Cage is part of the NYPD.

Peace Salyers: Along with me and Leela, and Cronus as well.

Caleb Maxwell: Right.

We got a shower, and then, Lincoln, Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Mazzy: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Mazzy, and it's perfect for our first date, shall we?

Lincoln, Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Mazzy: (Swooning) Luna was right, you've really changed a lot from that little kid into a man, if any moron tries anything, you'll crack their heads open.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear and they hugged the girls in their abnormally massive and powerful muscular arms and Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear are in your harem, Linky.

Olga Pataki, Mai Hyunh, Mazzy, Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, Seras Bladewitch, Penny the Chicken, and Mama Bear showed the marks Lincoln made on the right sides of their necks.

Luna: Oh man, Sam and I knew you had feelings for my little bro, Mazzy. We got the photo of you drooling over Lincoln without a shirt and only wearing a pair of jeans while he's working out.

Lori: Same with Ali, Marisa, Lyberti, Parvana, Ruby, Shannon, Dora Pizzamaker, and Seras Bladewitch, and we all got photos of that as well.

Jenna: You guys had no trouble at all.

Mazzy: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have a main mission for today, but I still like to keep myself busy by working out.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red

blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than a pure evil clone of Grogar from The X-Squad Universe, and he's come here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than a pure evil clone of Grogar from The X-Squad Universe, and he's come here to destroy us.

WE GASPED ESPECIALLY DRAKUS AND THE X-SQUAD!

Drakus: WHAT THE FUCK?! Okay, who's the asschewing buttwipe who's been messing with black magic?!

Maria Majoram: Don't know, but we'll find that out when Lincoln drains him dry of blood and sucks out his powers.

Lincoln: Right, Maria.

Nico: When Lincoln finds out who the asschewing buttwipe is, Drakus is going to freak out big time and rip said asshole apart. Alright, team, let's go, we may not have a mission, but we still got to take down that clone of the X-Squad Universe Grogar.

Lincoln: And I'm going to drain him dry of blood and suck out all his powers, dark magic, and abilities and Drakus, when I find out who the loser was that made that clone, you better be ready to tear him apart.

Drakus: Got it.

Maria Majoram: When we find out who made that clone of the X-Squad Universe version of Grogar to destroy us, there's about to be a bloody murder!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Gotham Royal York Park to destroy the clone of the X-Squad Universe version of Grogar, and Lincoln's also going to find out who made that clone to destroy us, and when he finds out the guilty culprit, Drakus is going to go Blood Rage Mode on the loser.

We arrived at Gotham Royal York Park to hunt down and destroy our target: a pure evil clone of Grogar from The X-Squad Universe.

Nico: We've made it to the park, now where's the clone of the X-Squad Universe version of that devil goat, Grogar?

Lincoln: He's here. I can smell his blood and dark magic.

?: YOU WILL ALL DIE FOR GETTING IN THE WAY OF MY MASTER!

Suddenly, the fifteen large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around

Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from powerful dark magic blasts that came out of nowhere and the barrier really stood strong against them and the dark magic blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, you devil goat, or we will force you out!

A figure came out, and it was a pure evil clone of the X-Squad Universe version of Grogar.

Me: There's the clone, and he's just as malevolent as the Prime Universe version of Grogar.

Maria Majoram: A perfect way to show that devil goat that he's next when we do face him in the near future.

Suddenly, Maria Majoram's yellow eyes turned neon yellow and she was surrounded by a black and purple energy aura with stars, darkness, shadows, dark magic, black magic, Satanic Magic, majoram plants, phoenixes, and angels, she unholstered her massive darkness greatsword, and as she approached the clone of the X-Squad Universe version of Grogar, she left black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic Magic, majoram plants, phoenixes, and angels with every step.

Maria Majoram: Even though you're just a clone of the X-Squad Universe version of Grogar, but the person who made you made sure you're just as malevolent and evil as the one we all despise, and you'll make good practice for when we do face that devil goat in the near future and make him pay for everything he's done.

Suddenly, Maria Majoram was surrounded by a massive vortex of black and purple energy with stars, darkness, shadows, dark magic, black magic, and Satanic Magic surrounding the vortex, there are majoram plants, phoenixes, angels, and Aromage Majoram flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at the pure evil clone of Grogar from The X-Squad Universe: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Uh oh, now things are really going to get messy.

Lincoln: Yep, but like Maria said, it'll be perfect for when we do face Grogar in the near future, and make no mistake, that devil goat's going to pay for everything he's done.

Then, as the vortex faded, Maria Majoram emerged, but she was changed forever.

Maria Majoram grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large black and purple planets orbiting around her legs and fifteen smaller black and purple planets orbiting around her waist, she has the body of a goddess, she has black and purple highlights in the bangs of her long brown hair and black hairband with black and purple phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and a black and purple energy aura with stars, darkness, shadows, dark magic, black magic, Satanic Magic, majoram plants, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Aromage Majoram emblazoned on her forehead and Third Eye with yellow iris, she has on phoenix earrings with purple gems for eyes and holding the Star, Dark, and Eternity Kanjis in their talons, she also has Aromage Majoram with purple gems for eyes and holding the Star, Dark, and Eternity Kanjis in its hands for the second pendant on the bottom of her black angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with black crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Maria Majoram has on a long-sleeved white sweater, black skirt, black gothic lace stockings, black jacket, black knee-high high-heeled boots with butterfly buckles, and long long-sleeved white trenchcoat with stars, darkness, shadows, dark magic, black magic, Satanic Magic, majoram plants, phoenixes, and angels on the coattails, and on the back is Aromage Majoram surrounded by darkness and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a purple gem with neon glowing purple lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Maria Majoram felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the large black feathers grew much larger for her new body with a wingspan of 20'0" and medium sized black angel wings with purple tips grew and sprouted out underneath her massive black angel wings with a wingspan of 15'0" and small sized black angel wings with purple tips grew and sprouted out underneath her medium sized black angel wings with a wingspan of 10'0" that all gave off the scent of majoram plants and she now has eleven massive and long brown wolf tails with black tips and black markings, Maria Majoram has on her Ring of the Phoenix with large black gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Maria Majoram's massive darkness greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic Magic, majoram plants, phoenixes, and angels, and when it emerged, it was transformed into Maria Majoram's Cosmic Eternal Harmony Darkness Shadow Majoram Plant Master Aromage Majoram Phoenix God Angel Greatsword of Cosmic Eternal Harmony Cosmic Eternal Harmony Darkness Shadow Majoram Plant Master Aromage Majoram Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded black gems and Aromage Majoram and etched on the 8'0" massive, wide, double-edged gold blade, large gold phoenix heads with black gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large black gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold phoenix heads with black gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with black gems for eyes and green gem in its mouth for the pommel, Maria Majoram has on her brand-new large gold Bracers of The Champions of The Universe with large black gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Aromage Majoram's head with black gems for eyes and black gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Maria Majoram's Super Angel-Aromage Majoram-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the pure evil clone of the X-Squad Universe Grogar saw it, he went ballistic and fired blasts of dark magic to kill her, but Maria Majoram fired a massive barrage of black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic Magic, majoram plants, phoenixes, and angels which hit that devil goat and sent him flying into a wall, he got back up, but he was really really angry now.

Me: Wow, Maria's transformed, and the scent of majoram plants her angel wings are letting off is even stronger than ever.

Lincoln: She did, now, we can tear that devil apart and make him pay for everything.

Maria Majoram: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Darkness Shadow Majoram Master Aromage Majoram Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Darkness Shadow Majoram Master Aromage Majoram Phoenix God Angel Love) You said it, Lincoln. Maria Majoram, Lincoln, Nico, and I went after the pure evil clone of the X-Squad Universe Grogar who fired dark magic blasts at us, but we deflected them and even proved immune to them, and we fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the pure evil clone of the X-Squad Universe Grogar and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Maria Majoram also did the same by firing black and purple energy slashes from her massive greatsword and gold-plated dragon claws, and he, Maria Majoram, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making the pure evil clone of the X-Squad Universe Grogar even angrier than ever.

Then, Lincoln grabbed the pure evil clone of the X-Squad Universe Grogar by the neck and lifted him up to his face.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to end this.

Lincoln sank his fangs into the pure evil clone of the X-Squad Universe Grogar's neck and he began sucking out his blood, and at the same time, destroying his dark magic and dark powers, and he did find out that the person who made that the pure evil clone of the X-Squad Universe Grogar was none other than Grogar himself. Lincoln finished draining the pure evil clone of the X-Squad Universe Grogar, but he let out a roar of pure rage.

X-Squad Universe Grogar Pure Evil Clone: Please..., I can assist you.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal

Then, Lincoln slashed the pure evil X-Squad Universe Grogar clone's head off and banished him to The Black Abyss. Everyone cheered wildly for what Maria Majoram, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Maria Majoram's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large black and purple planets orbiting around her legs, fifteen smaller black and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings and small sized black angel wings underneath her massive black angel wings are permanent.

Maria Majoram: It's all over, Devil Goat of Equestria, now burn in The Black Abyss forever. Thanks for helping me take down the pure evil X-Squad Universe Grogar clone, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Me and Nico: Our pleasure, Maria.

Suddenly, Maria Majoram wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Majoram's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Aromage Majoram flying in the air, and we saw a herd of Buffalo and many animals running across the field and darkness and the sudden growing of majoram plants and elemental forces behind them and we cheered wildly. Then, Lincoln and Maria Majoram sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that monster and Lincoln drained him dry of blood and destroyed his dark powers and his Bewitching Bell. So, who was it that made that clone of the X-Squad Universe Grogar?

Lincoln: You're not going to like it, it was none other than Grogar, the one we know from the prime universe.

WE GASPED!

Me: So, he was the one who made that clone?! That monster, but you sent him to The Black Abyss forever, and that'll serve as a warning to the real Grogar in the near future: he's next. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Dana Estevez Salazar, Gene-Slammer of Venom Boa.

Lori Estevez Salazar: I knew it was her.

Selene Arcangela: Same here, and you guys are going to love meeting her, Dana Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, Sarah is a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female Pit Viper snake with her named Shiva and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LOLA WITH A BLAZING PASSION BECAUSE THAT RAMPAGING PAGEANT SHE-DEMON WITH A NASTY TEMPER TRIED TO KILL LINCOLN BY SMASHING HIS HEAD OPEN WITH A SLEDGEHAMMER, BUT DANA CLOBBERED LOLA HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Jeez, so she trashed Lola!

Me: I remember that all too well, man, that was really brutal.

Luna: She deserved it though.

Lincoln: You got that right, and we'll be running into her tomorrow, and on Smolder's big day.

Smolder: You said it. Daichi, everyone, hang in there, we're coming.

Later it was time for another awesome Super Mario Odyssey adventure.

Me: The Moon Kingdom next right?

Nico: Yep. Who wants to come next?

Me: You know I will go.

Weiss: Me and Pyrrha too.

Nico: Okay.

Camie: And me, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco and Raika Kaminari will go to.

Me: Okay girls.

Nico: Lets go.

We went into the Simulator and it activated and we were on the Moon for THE MOON KINGDOM!

The Moon Kingdom is a region in Super Mario Odyssey. It is the greater location of Honeylune Ridge, and the fourteenth and final story kingdom accessed in the game. As its name suggests, it is located on the Moon; because of this, the gravity in the kingdom outdoors is much lighter than in previous kingdoms, enabling Mario to jump higher and farther and remain in the air for a longer period of time. Honeylune Ridge (a portmanteau of "honeymoon" and "lune") is the place set to hold Bowser and Princess Peach's wedding, therefore being Mario and Cappy's final destination in the main game.

After rescuing Princess Peach from Bowser, Mario and Cappy can visit the Mushroom Kingdom.

Nico: COOL! We're on the moon!

Me: Wow! (ECHOING)

Camie: It's cool being on the moon!

Tsuyu: This is amazing! Ribbit!

Kaoruku: I feel light as a feather here.

Me: It's almost zero gravity here on the moon.

Sirius: It sure is. Thank goodness we all can breathe in space.

Nico: Too bad Serena and the others aren't here.

Me: I was just gonna say Nico. This would be a perfect level for Sailor Moon and the Sailors.

Camie: It sure would be cool.

Sailor Moon and the Sailors came.

Sailor Moon: I agree. And we decided to come at the last second.

Me: Actually Serena you made it just in time.

Nico: Look there!

We saw a Church? On the moon!?

Me: Is that a Church?

Nico: On the moon!? Weird.

Weiss: Odd.

Me: Yeah.

Ibara: That is so strange.

Me: It sure is. But that must be where Bowser is having his wedding.

Nico: Then we're going to crash it!

Pyrrha: Let's not keep the groom waiting

Me: Lets go! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Then my powers became ultra supercharged!

Me: WHOA! On the moon my powers get Ultra Supercharged!

Nico: Cool!

Kaoruku: Cool is right!

Me: Yep.

Nico: Lets go!

We were off.

We got to the entrance.

Me: Nice place.

Nico: I hear music.

Me: They must be starting.

Nico: Lets give it an entrance.

Me: Good idea.

We went in.

The wedding was getting started. But just as the vows were about to be said the Spirits of all of Mario came and swirled around Bowser and then converged and then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off through the door and a Phoenix Cry was heard and then we came in!

Me: We object to that! This wedding can't happen!

Bowser: Nice entrance as always guys!

Me: Thanks Bowser!

Bowser: Congratulations on defeating Galactus and Xehanort! That was awesome!

Me: It sure was!

Bowser: Also, before you guys have the final battle with me, you should make sure everyone else has gone

Me: Noted on that.

I concentrated and checked.

Me: No one else is here with us. We're all clear.

Nico was eating the wedding food.

Nico: Oh, c'mon! I'm hungry!

Bowser: (LAUGHS) Always as hungry as ever. Help yourself.

Nico: Thanks.

Me: You know Bowser we don't want to ruin that nice tuxedo of yours.

Bowser: Good idea.

He had it come off and he folded it nicely.

Me: There. Now lets get it on.

I put up a shield to protect the church.

Me: Here we go!

I fired waves of blue fire and blasted Bowser down!

He fired blasts of fire and I absorbed it and fired more blasts of fire and blasted him.

Nico: Well, time to help out!

He went over.

Me: And Bowser we also learned a bunch of new tricks since our last encounter.

Bowser: I've been hearing from Vypra that you all have Quirks now. That is cool!

Me: Yep. Watch.

I formed an image of the California Nebula and then..

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning blasted him all over.

Nico: Then you probably heard about the new big bad.

Bowser: I sure did. Vypra filled me in on everything. Anti-Monitor is here. And that is shocking that he brought back many of your enemies!

Me: I know! He broke the sacred boundaries and seals on the Black Gates and brought back many of our most dangerous enemies. But now we have a more deadlier place for them. The Black Abyss.

Camie: We sure do.

Me: The good thing he did for us was not bring back our enemies like Opaline, Vilgax, Rita Repulsa and Flip just to name a few

Bowser: Hey, if anyone can round those guys up again, it's all of you

Me: We appreciate that.

Camie: Yeah.

Tsuyu: No way do we want to go through what they put everyone through again.

Me: Yeah!

Weiss: That is for sure.

Me: Yeah.

Sailor Moon: I agree there.

She fired light blasts and smashed him all over.

Pyrrha used her Semblance to magnetize nearby plates

She threw them and smashed Bowser all over.

Weiss fired magic blasts and blasted him.

Me: Yeah!

Kaoruku fired bubble blasts and blasted him all over.

Sailor Mars and Sailor Mercury fired waves of fire and water and smashed him all over.

Bowser breathed fire and I held out my hands and formed the fire into a huge ball of fire and threw it back at him and blasted him down in a powerful fiery explosion!

MASSIVE FIERY EXPLOSION!

Me: YEAH!

?: (ECHOING) FERAL FIRE!

Numerous missiles blasted Bowser all over.

Out came MagnaGarurumon and a girl with Black Hair, Blue clothes, Blue eyes and had grey and blue wings and Tomahawk on her tiara.

Thunderhawk Tomahawk: Thunderhawk Tomahawk, Embodiment of Tomahawk Man.

Optimus Prime: Well this is awesome!

Ax: It sure is!

Thunderhawk Tomahawk: Optimus and Ax. Awesome to hear your voices.

MagnaGarurumon: (In a girls voice) Looks like the fun started.

Nico: Mandy Garuru! Wow!

MagnaGarurumon: Awesome to see you Nico.

Me: Lets get him.

Nico: (gets out Fireroid Meran and Flame Mammoth's Ridewatches) Let's see your fire breath deal with this!

Nico activated them and fired waves of fire and blasted him all over.

Me: Top this!

I fired waves of blue fire and blasted him.

Bowser sent out his Koopa minions. Then I touched one and then dissolved him and decayed him into nothing.

Me: WHOA! Tomura's quirk too!? Deadly!

Nico: YIKES!

Mandy reverted back and was a girl with blue hair, blue eyes, blue and purple clothes and blue angel wings and had MagnaGarurumon on her forehead and skirt and the Light Spirit Kanji on her arm. She also had a powerful rifle in her hands and a sword on her hip.

Mandy Garuru: Lets see you do this. STARBURST HUNTER!

She ran fast with powerful light and blasted Bowser down.

We fired waves of energy and elements and blasted him and he was down. We got 30 moons.

Me: YEAH!

We high five.

Nico: How did you meet Ax and Optimus?

Thunderhawk Tomahawk: I met Ax when he and the Animorphs were fighting Visser Three. He was shaped like a terrifying bird with 6 wings.

Shanan: Whoa that's a Kafit Bird. They are deadly razor sharp bird predators and they are lethal.

Me: Yeah we were amazed about that. He had over 15,000 alien creatures in him. Not NEARLY as many as the Thing but that was scary.

Nico: Yeah.

Thunderhawk Tomahawk: Yep and I should know.

She turned into a Fire Creature!

Shanan: (GASP) That's Pyryixian Luminar! They are fire creatures.

Me: You're an Animorph too!?

Nico: I didn't expect this.

She reverted back.

Thunderhawk Tomahawk: Yep and it's how I helped Jake and everyone. I have over 750,000 creatures in me.

Me: WHOA! That is amazing!

Camie: I'll say!

Thunderhawk Tomahawk: Yep and I met Optimus when he and the Autobots were battling Starscream and he put up a fight and I bashed him with a powerful hammer.

Nico: Wow! Well the Autobots and Decepticons are no longer fighting each other. I'm now leading the Decepticons on the road of redemption.

Thunderhawk Tomahawk: I'm glad and thank goodness.

Me: Yep. Mandy do you have any favorite memories of Nico?

Mandy Garuru: I sure do. When me and Nico were down in Antarctica and we found a cool sword. This sword here.

She unsheathed it and it was a rainbow prism sword.

Nicole: (GASP!) That's the Rainbow Sword of The Seven Stars! I've been trying to find that sword for years.

Me: Wow! That is cool!

Mandy Garuru: Yep.

Nico and Mandy hugged.

Nico: I've missed you.

Mandy Garuru: Same here.

Me: Would you two like to join us?

Mandy Garuru: We would be honored.

We left and everyone cheered wildly.

* * *

Later the mascots were showing us something.

Poliwag: Here's the Robot Chicken Sketch!

Me: Here we go.

We were watching the Celebrity Masterchef sketch.

Ramsey: For your final challenge, each of you will be creating a dish made with an ingredient you fear most. For Bob Belcher, the man who forces his children to work for free and still can't turn a profit, it's a pigeon.

Bob: OH GOD, OH GOD, OH GOD, OH GOD!

Ramsey: For Alfredo Linguini, a French chef so bad, they named him after cheap, wet Italian noodles, a rat.

Linguini: Sacre bleu! (French for "Blue coronation!")

Ramsey: For SpongeBob SquarePants: water. WATER?! You live in the sea, you festering gutterslop!

SpongeBob: But I can't swim, Chef!

Ramsey: It's "Yes, Chef", YOU PISS-COLORED TAMPON ALTERNATIVE! Finally, the Chef, whose cuisine and character is a little two dimensional, thetans, AKA the souls of dead aliens.

Chef: (chuckles) STD's are actually my biggest fear, children.

Ramsey: Contestants: start cooking, now!

SpongeBob: I'm making open-faced Krabby Patties with a cherry tomato remoulade, and a glass oooooooof...w-w-w-WATER! (soaks himself) Oh, it got on me! I'll drown! (knocks down the pot, catches on fire) AAH! Fire! IT'S IMPOSSIBLE TO PUT OUT! AAAAAAAAAHHHH!

Bob: I'm making feta-stuffed pigeon burgers. If I can open my eyes. (He does and suffers a heart attack.) MY HEART! Tell Tina "#MeToo" goes both ways. (His face lands on the burner.)

Linguini: I'm making a linguine rat-fredo. If I could just get my hands to chop off this rat's god-darn...

Remy: (controlling him) Don't do it! that's my uncle Joey!

Linguini: (cuts off his own hand, and screams in terror.)

Renny: (gasps, and sighs offscreen)

(Uncle Joey drags the hand away.)

Chef: I'm making a thetan lava cake, children: Just need to pour the thetans into the chocolate volcano and... (releases them) OH, S***! Everyone duck! I'm going clear! (pulls out an iPhone and makes gun sounds.)

(The pandemonium continues until, finally...)

Ramsey: Thetans! You absolute donkeys! Either make me a risotto or GET THE F*** OUT!

Thetans: (stop what they're doing) Yes, Chef! (They make the risotto and Ramsey eats of it.)

Ramsey: This risotto is...out of this world! The winner is...Scientology!

(The thetans cheer and the episode ends.)

When it was done we were laughing hysterically!

Me: That was funny! But Gordan Ramsey is still such a dick!

Horsea: Chef is from South Park. So, we don't care about him

Me: Yeah South Park can go screw themselves.

Qin: Yeah!

Me: But Linguini cut off his own hand!? Yikes!

YIKES!

Remy: I don't think I have an Uncle Joey.

Poromon: Bob seems to be okay though

Me: From Bob's Burgers? We never met them before.

Qin: Yeah.

Me: But that's not my kind of show.

Lola: Yeah.

Camie: Yeah I'm more of a Simpsons girl.

Me: Yeah.

Sakura Knudson: Swartz loved Bobs Burgers and got me hooked on it. I'm more into that.

Me: Well only you would like them sis.

Spongebob: I would never mess up a Krabby Patty like that!

Lily: Yeah I mean whoever heard of making Krabby Patties with just water!?

Me: Yeah! That us crazy!

Camie: It sure is!

Varie: Funny though.

SpongeBob: True.

Nico: I find it unbelievable that Thetans won that!

Me: Me too! And I may not understand all the Scientology stuff but that is crazy.

Qin: It sure is.

Lola: Yeah!

Nanette: We should do a more refined version of that.

Me: Good idea.

Qin: Yeah.

Red X: (to Hunter) You should take care of that Mega Flygon

Hunter: I will. Don't worry mein friend.

Maria: Nico, which Gene Slammer do you think you'll meet next?

Nico: Phantomon next.

Qin: Spooky!

Camie: Yeah.

Manaphy is introducing a new invention to us. While Poromon is calmly enjoying his cup of coffee, Poliwag and Horsea look apprehensively towards Manaphy's new invention.

Poromon: Okay, Manaphy. Wow me.

Manaphy is standing next to his new invention, and points to it.

Manaphy: Behold, the portal to time's past, the Chronotron!

Me: WHOA! A time machine!?

Kowalski: (proudly) She built this thanks to my guidance!

Me: Cool!

Horsea and Poliwag stare at Poromon who has a skeptical look upon his face.

Poromon: So... it's a time machine?

Manaphy: Well, yes.

Poromon: So why not call it a time machine?

Manaphy is becoming annoyed by Poromon's over-simplification of her scientific achievement.

Mnaphy: Yeah, okay. And while we're at it let's just call the Great Wall a fence, Mona Lisa a doodle, and Albert Einstein "Mr. Smarty Pants"!

We all stare at Manaphy blankly

Manaphy: (Sighs) The point is, with the Chronotron we'll be able to visit any period in history!

Me: Okay that's funny.

After taking a sip, Poromon throws his cup of coffee to the side.

Poromon: Like with the Time Squad?!

Manaphy: Exactly!

Qin: That is cool!

Poromon: Oh boy! I want to see the first beer invented!

Me: That was back over 11,000 years ago.

Horsea: I want to see the first Horsea before me!

Me: That would be interesting.

Nico: Wait. Don't you think this might be a bit dangerous?

Manaphy: Only if we're using it to erase all evil in the world. Which we won't. Besides, the Chronotron needs just one more thing before it's fully functional. Five ounces of Macguffium-239. Fortunately I know where to find some right here in midtown.

Manaphy pulls out a City Map and points to the center of it.

Me: Looks like we're going to that spot.

We're in a tall office building in the middle of the city. The room appears to be a lab of some sort.

Manaphy: The Macguffium is somewhere in this lab.

Poromon: Let's spread out.

We all head off in different directions in search of the Macguffium. Poliwag sticks his head into a trash can.

Poliwag: Hello? Macguffium?

A screaming Manaphy appears in a flash of lightning. But it's not the one we know. We'll call this one Manaphy A. She looks around, spots Poliwag, and begins yelling.

Manaphy-A: Poliwag! You have got to stop me! (shaking Poliwag out of the trash can)

Poliwag: Um, okay. Manaphy, stop, please.

Manaphy-A: No, not me, me! (shows Poliwag the present Manaphy) That me!

Manaphy: (looks at a test tube) Hmm, nope. (throws test tube away, resulting in an explosion, and takes another one) Ahh! Nope. (throws second tube away resulting in another explosion and picks up another one) Oooh! Nope. (throws away)

Me: What the!?

Poliwag: There's... two of you?

Me: (RUBBING MY EYES!) I'm seeing things!

Manaphy-A: Poliwag, I have come from the FUTURE!

Poliwag: (giggles) There's two of you! That's a smashing trick! How'd you do it? Mirrors? Or is that Horsea in a Manaphy costume?

Manaphy-A: (Facepalms) Poliwag, look me in the eyes. Do I look like I'm joking right now?!

Poliwag stares at Manaphy-A for a second and then gasps in shock.

Poliwag: You really are from the future! Tell me, am I finally married to Horsea?

Manaphy: Ehhh... not yet.

Poliwag: (Sadly) Oh.

Me: How long exactly in the future.

Manaphy-A: 2 hours. But we have more pressing concerns. If my past self completes the Chronotron it will lead to nothing but disaster and chaos! (Wildly waving her arms)

Me: Really?

Poliwag: So go tell yourself. You're sure to listen to you.

Manaphy-A: All right...(walks toward the present Manaphy) NO! (retreating back) If I meet my present self the space time continuum would be ripped asunder by a chrono-vortex.

Poliwag: (Sadly) Oh dear... And that means telling the others is out of the question

Me: Uh oh.

Manaphy is standing on a table holding a test tube full of a glowing, pink substance.

Manaphy: Ah-ha! Here it is! Five ounces of Macguffium-239.

Poromon is preparing to lounge on one of the beach chairs as Manaphy and Horsea disappear into their HQ.

Manaphy: It'll take a few minutes to install the Macguffium.

Poromon puts on his sun glasses and lays back.

Poromon: (Yawning) Wake me when it's time travel time.

Manaphy: You got it

Poliwag notices Manaphy-A waving at him over by a light pole and excuses himself from Poromon's presence.

Poliwag: Uhhmh, excuse me, I have to do a thing... over there so...

Poliwag went out of sight and went over to Manaphy-A.

Manaphy-A: What do you mean you didn't destroy the Macguffium?!

Poliwag: I'm sorry future Manaphy.

Manaphy-A: Oh well, then the universe is DOOMED!

Poliwag: If only you could explain this to yourself without destroying the space time condominium.

Manaphy-A: (Angrily) Continuum!

Poliwag: Oh, right.

Manaphy-A: (after thinking for a moment) Maybe I can!

Me: Huh? What are you gonna do

Manaphy-A: (shaking Poliwag) You've got to get that Macguffium, Poliwag! Or the entire universe will be destroyed!

Poliwag: (In a scared voice) The entire universe?!

Me: Uh oh!

Manaphy-A grabs Poliwag's shoulders and screams

Manaphy-A: YES! (calmly) No pressure.

The mascots are sitting on top of Ironhide in his vehicle mode, conversing about their plans for the Chronotron.

Manaphy: Ahh... think of all the famous historical figures we'll be able to meet.

Poliwag is slowly creeping behind the others in order to steal the Macguffium from Manaphy.

Horsea: Like the first Horsea!

Poromon: Don't forget about the first beer.

Everyone except Poliwag ducks, and a traffic light knocks Poliwag off of Ironhide!

Poromon: How about you, Poliwag? [pause as there's no response] ...Poliwag?

Me: Oh boy

Manaphy: And it's all thanks to this Macguffium-239!

Manaphy hugs the tube of Macguffium.

Poliwag: (Nervously) Could I... hold it for a moment?

Manaphy: Oh, all right just be care-geehuh!?

Manaphy screams as Poliwag "accidentally" pulls off the cork, dumps out all of the liquid Macguffium, and jumps around in it.

Poliwag (Fakely) Whoops! I spilled it! Oh no! Oh dear, now I seem to be accidentally trodding upon it!

Manaphy is near tears as her pink Macguffium turns black.

Manaphy: My Macguffium! Ruined! (Manaphy starts crying.)

Poliwag: Oh gee Manaphy, I'm sorry. I guess no time traveling for us.

Manaphy pulls another tube of Macguffium out from behind her back. Poliwag is shocked.

Manaphy: Well, good thing I grabbed a back-up; always prepared, baby!

Poliwag: (Sadly) Yipee...

Me: Oh boy.

Qin: Yep.

Manaphy is underneath the Chronotron finishing the installation of the Macguffium-239.

Manaphy: Wrench.

Horsea hands the wrench to Manaphy.

Horsea: Wrench.

Manaphy: Pliers.

Horsea hands a pair of pliers to Manaphy

Horsea: Pliers.

Manaphy: Six quarts of 30 weight oil.

Horsea got six quarts of 30 weight oil into a nice stack. Poliwag came into the room with a high-heel shoe box, and Manaphy-A inside the box.

Poliwag: Hey, guys.

Manaphy: Hello, Poliwag. What's with the box?

Horsea nods.

Poliwag: Shoes? Why? What's so suspicious about a mascot and his shoe box?

Manaphy: Nuuhthing... except we're not in our human forms

Poliwag: Hmm, yes, quite true. Oh! That reminds me Manaphy Have you considered the dangers of a chrono-path-pair-of-ducks?

The shoe box shakes as Manaphy-A whispers something to Poliwag from within the shoe box. Poliwag leans in to listen better.

Poliwag: I-wait, I mean a chronopath paradox. Which has nothing to do with water fowl, apparently.

Manaphy appears to be thinking this over out-loud to himself.

Manaphy: A chronopath paradox... Wait! Are you saying that the Chronotron could cause a time-spacial distortion?

Poliwag: Dunno, am I?

Poliwag looks at the shoe box for answers. It shakes when Manaphy-A whispers an answer to Poliwag.

Poliwag: Uh yes, I think I am.

Manaphy: I didn't think of that at all! (Sadly) It could spell the end of the universe.

Poliwag: So I'm told.

Me: Oh boy.

Poromon is lounging on one of their beach chairs with a smoothie when another Manaphy appears in a flash of lightning, screaming. We'll call this one Manaphy-B.

Manaphy-B: Poromon! You've got to stop me! Yeeoow!

Poromon kicks Manaphy-B in the face, without sitting up, knocking Manaphy-B over.

Poromon: There, you're stopped.

Manaphy-B: No, not me me!

She points into the Estate where Manaphy is crying over the prospect of destroying her Chrono-Tron

Manaphy-B: That me!

Manaphy: I must... (sobs) destroy... the Chronotron!

Poromon: There's two of you? You're from the future! Tell me, do you and I finally get married?

Manpahy-B: Ehhh, not yet.

Poromon: (disappointed) Oh.

Manaphy-B: But we have more pressing concerns. Another future me has come to this time to convince the present me to destroy my Chronotron, which I've only just learned is key to the survival of the universe!

Poromon: And I'm guessing we can't tell the others the truth or it'll disrupt the Space Time Continuum.

Manaphy-B: Not to worry, Poromon. I know just what to do.

Me: Okay this is getting too Macguffium is laying across a cinder block and Manaphy has a hammer in her hands raised above it, prepared to destroy the tube. Horsea is watching all this

Manaphy: And so dies the dream of time travel.

Manaphy raises the hammer but is unable to deliver the blow. She turns away and hands the hammer to Horsea, who's very uneasy.

Manaphy: You do it Horsea! You destroy all my hopes, dreams, and everything I've ever lived for!

Manaphy breaks down and begins crying. But Horsea is questioning some thing.

Horsea: Wait. Don't you think something about this is very...off?

Just then, Poromon enters the room, carrying a sack.

Poromon: Oh, hey there... , uh, what's going on?

Poromon drops the sack and Manaphy-B lets out a grunt of pain. Poliwag eyes Poromons sack containing Manaphy-B suspiciously.

Poliwag: Poromon? What's in the sack?

Poromon: Laundry. Why? What's wrong with a mascots and his sack of laundry?

Poliwag: Well, nothing. Except we're not human.

Manaphy: CAN WE PLEASE JUST GET ON WITH CRUSHING MY DREAMS?!

Poromon: Hey, speaking of. Manaphy, have you considered the uh, uhhh... (leans in to listen to the sack containing Manaphy-B)... right right, the uh, reverse-chronology-dialation-backlash.

Manaphy: I didn't think of that either! Maybe the Chronotron is safe after all.

Poliwag leans in to listen to Manaphy-A inside the shoe box.

Poliwag: But, but the quantum entanglements disrupt any backlash.

Manaphy: I suppose that's true.

Poromon leans in to listen to Manaphy-B inside his "sack of laundry".

Poromon: Yet the quantum entanglements dissapate in the presence of some photonic gobbledegook thing!

Poliwag and Poromon attempt to talk over each other while Manaphy and Horsea look back in forth, confused.

Poliwag: Well only if the time's infinity is locked into a variable frequency. (At the same time as Poromon)

Poromon: Which occurs when the tacky ones are hyper-charged. (At the same time as Poliwag)

When they stop arguing Horsea looks at Manaphy.

Horsea: I dunno what they're talkin' about.

Poromon grabs the Macguffium tube and turns to face Poliwag.

Poromon: Look, Poliwag, Manaphy's making her time machine and that's final.

Poliwag: Poromon, please forgive me for this.

Poliwag lunges at a shocked Poromon and tackles him while yelling. They wrestle for control over the Macguffium and Horsea and Manaphy are knocked headfirst into an oil drum, where they become stuck. Poliwag comes out on top, and makes a break for it

Poromon: Poliwag! Drop that Macguffium!

Poromon runs off after Poliwag, leaving Manaphy and Horsea struggling in the oil drum.

Me: What the? Holy toledo!

Poliwag and Poromon take their chase atop the rooftops and land on top of the police station. Poliwag is screaming as Poromon jumps and lands in front of him. They collide and land on the ground and Poromon manages to slide under and catch the Macguffium. Poliwag jumps on Poromon, landing on his midsection and slaps the Macguffium out of his with his tail

Poliwag: Sorry, Poromon.

The Macguffium lands into Patrick's outstretched hands.

Patrick: What's this stuff?

Patrick screams as Poliwag and Poromon both land on top of him as they wrestle for control of the Macguffium. Mr. Krabs and Squidward watch from above.

Mr. Krabs: Ahh, look at them, Mr. Squidward. (begins poking Squidward) Why can't we play affectionately like that?

Squidward: I agree sir.

Poromon: Poliwag, listen! I have a Manaphy from the future who-

They both fall over and then sit up.

Poliwag: -What? You have a future Manaphy? I have a future Manaphy! And mine says the Chronotron must be destroyed!

Poromon: Well, mine says it must be saved.

Poliwag: Oh dear. Which future Manaphy do we listen to?

Poromon: I say... the one that went to all this trouble

Poromon jumps up, punches his open fist, grabs the Macguffium from Poliwag, and runs away.

Me: Oh boy. The cat's out of the bag!

Poromon came back holding the Macguffium.

Poromon: I got it Manaphy! Now fire up that time machine.

Manaphy-A emerges from the shoe box, gasping for air.

Manaphy-A: I can't let you do that Poromon!

Manaphy-B emerges from the sack and addresses Manaphy-A.

Manaphy-B: And I can't let you do that.

Poliwag enters as well, joins a startled Poromon, and gasps in fright.

Poliwag: Aaaeehh! Two Manaphys! It's the end of the universe!

Manaphy-B: Pfft. Don't get your tail in a bunch, Poliwag. So long as the present Manaphy doesn't see us, we should all be-

At that moment, Manaphy and Horsea succeed in knocking over the oil drum. After recovering, Horsea sees the two Manaphys, elbows Manaphy, and points them out to her.

Horsea: Whoah!

Manaphy: Holy shit!

Manaphy-A and B: Yuh-oh.

Me: 3 Manaphy's!? OH BOY!

Manaphy: What, I, are-are-are you, I mean, mes, from the future?

Manaphy-A and B: Prescisely.

Manaphy: Wow, we are really good looking!

Manaphy, Manaphy-A and Manaphy-B: Mmmm-hmmm!

Manaphy: But the three of us in one place...the danger...it will shred time space...it could create a rip in the very fabric of the universe!

The future Manaphy notice a ripple in the very fabric of the universe forming on a wall behind Manaphy as she is speaking.

Manaphy-A and Manaphy-B: Like that?

Manaphy: (sees this) YES!

The rift began sucking things up.

Nico: EVERYONE, HANG ON TO SOMETHING!

Manaphy leaps forward to save her Macguffium which was floating towards the rip. Manaphy unplugs the tube of Macguffium and inserts it into the machine while talking to herself.

Manaphy: I never should have created this Chronotron. I had no idea. But Poliwag! He understands! I'll go back in time and talk to Poliwag! He'll stop me before any of this happens!

Screaming, Manaphy leaps into the now functioning Chronotron possibly back to the other past becoming Manaphy-A, leaving behind Manaphy-A and Manaphy-B.

Deadpool: (to the viewers) And that's how Manaphy became Manaphy-A!

Jamesdean5842: That is really crazy!

Me: You're telling me!

Manaphy-A: Yep, and that's how I got here.

Poliwag: Huh. It's kind of ironic. If you hadn't created the Chronotron then you couldn't have gone back in time to tell yourself not to make it.

Manaphy-A: You're right! It's a paradox! I've got to make sure that I do invent the Chronotron! Poromon! I'll go back in time and talk to Poromon! He's the only hope for the universe!

Screaming, Manaphy-A jumps into the Chronotron possibly back to the other past becoming Manaphy-B, leaving Manaphy-B behind who is now Manaphy.

Deadpool (to the viewers): And that's how Manaphy-A became Manaphy-B! Funny how thigns turn out, isn't it?

Jamesdean5842: No kidding there!

Qin: Yeah.

Manaphy: Yup. And that's how I got here.

Poliwag: So... we're back to just one Manaphy?

Manaphy: (stern) Yep.

Poromon: Then give me some options. How do we stop this thing?

The rift is still sucking objects into itself.

Manaphyi: We can't. It will just get bigger and bigger! (the rift stops) And then it will stop for a while. Phew. (suddenly the rift starts again) But then it will get bigger still! Eventually it will swallow the whole universe!

Horsea (growls): I've had enough of this! Anyone want to help me stop this thing?!

Me: I got this!

I formed my scythe and sealed it up!

Qin: There.

Clockwork: Not to worry. Me and Paradox merged all 3 Manaphys together.

Paradox (to Manaphy): I do hope you've learned something from all this.

Manaphy: Never mess with time and all that.

Me: Let the professionals like Time Squad do that.

Nico: Indeed.

Me: Good. Now I got to go lay down. Lana can I have a block of ice?

Lana: Sure.

Lana gave me some ice for my head.

Clockwork: Now, enjoy the rest of your day.

Paradox: And prepare for tomorrow

Me: Will do.

Laney: Yeah.

Camie: This was awesome.

Nico: Lets get ready.

We went back inside and got ready for tomorrow and went to sleep.

Meanwhile in Japan, Daichi was preparing for our arrival.

Daichi: I have a feeling this will be good. Greeza is going to pay for his crimes. Lets go!

He transformed and the screen froze.

Eli woke up to see Tangrowth staring at him.

Eli: Oh morning Tangrowth.

Tangrowth: Morning Eli. Time to get up. Breakfast is ready

Eli: Oh be right down.

Eli ran and got dressed and went to the table.

Me: Morning bro. Made your favorite.

I gave Eli my International Omelette buffet.

Eli: Oh boy!

He had omelettes of many kinds from all over.

Eli: Yummy! (EATING) Mmm!

Lynn: He sure likes to eat a lot of eggs doesn't he?

Me: Yep.

Me: This is gonna be interesting. I can't wait to see what this planet will be like.

Camie: Me too.

Varie: Yeah it will be awesome.

Metal Man: I agree there. As long as we get to kick some butt.

Eli: That is for sure.

Laney: I have a feeling this planet will be awesome and cool.

Metal Man: It sure will.

Nico: Metal Man, I want to thank you, Magma Centipede, and your teams for coming

Metal Man: No problem Nico. This will be awesome.

Mega Man X: Yeah no kidding.

Metal Man: Yep.

Nico: Metal Man what do you like to do in your free time?

Metal Man: I was originally built as a construction robot. Now I like to work with metal crafting which is fun.

Me: That is cool.

Qin: It sure is.

Camie: Metal Crafting is awesome.

Me: Yeah.

Nico: X, are you happy the Mavericks are with us?

Mega Man X: I sure am. Now both sides have the Mavericks.

Camie: We sure do. The Mavericks are all amazing.

Lola: I agree there.

Varie: And their powers are cool.

Me: If Sigma comes to stop us we'll blast him and kill him and send him to the Black Abyss.

Nico: I don't know when that will be but I swear we'll destroy him

Mega Man X: I know you all will. Sigma is going to pay for his crimes.

Qin: Yes he sure will.

Me: He's worse than Dr. Wily.

Nicole: Yeah no kidding.

Lori: He literally is.

Me: Yep. (To the mascots) I'm glad you all learned a massive lesson yesterday. But that time machine you all built was really amazing. I didn't know you could make one.

Manaphy: Yeah it was the first time we tried it.

Me: Yeah. Skipper and the penguins said that they once made one before.

Poliwag: Don't look at me. I was the one trying to stop the creation of the Chronotron.

Me: Yes you were and that was crazy that 2 Manaphy's came from just a few minutes into the future to try and stop you guys.

Poliwag: Too bad we didn't get married in that time.

Me: It wasn't that far into the future though. But yeah. Just be glad that I was able to seal up that rift.

Nico: Yeah no kidding.

Horsea: I honestly was confused as to what was going on at first!

Me: Same with me!

Poromon: Me too!

Me: Yeah. I thought I was losing my marbles seeing more Manaphy.

May: Me too!

Manaphy: But seeing my future selves was awesome.

Nico: It sure was.

May: Yeah no kidding.

Poromon: At least we were planning to use it for good purposes.

Me: Yeah like seeing the first beer.

Nico: That would have been awesome. Who invented Beer anyway?

Me: It was the Sumerians in Iraq back in 8,000 B.C. Women brewers made it and there's even a Goddess of Beer, Ninkasi.

Nico: Really? That is interesting.

Me: Yep.

Horsea: And I wanted to see the first ever Horsea.

May: That would have been so cool to find out what the First Horsea would have been like.

Maria: Yeah no kidding. That would have been really something to see.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a glowing neon red planet. It looked like a forest volcano world.

Me: WHOA!

Nico: We're here.

Me: Looks like a volcanic forest planet from up here.

Nico: Yeah. Lets get to landing.

We got to landing and got out and then we smelled the scent of Curry.

Me: (Sniffs) Curry smell? Whoa!

we got out and saw that it was a forest planet and it was amazing.

Me: Whoa!

Nico: Wow!

I saw a lake and put my bowl in it and ate some and it was NUCLEAR HOT SPICY CURRY OF LIFE!

My face glowed neon pink and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

My fire aura exploded out!

Me: WHOA! It's a planet made of The Curry of Life!

Nico: Lets dig in!

Naruto: Wow! Bushy Brow is gonna love this planet!

Me: Lee would definitely love this!

Naruto: Yep!

Rock Lee came and ate some and then his face glowed and he was happy!

Rock Lee: DELICIOUS!

He was eating it!

Nico, May, Eli, Fu, The Leaf 12 and many of us ate some and then our faces turned neon pink and then...

SCREAMS OF AGONY AND MASSIVE EXPLOSIONS OF FIRE!

Me: It's spicy guys but it's good!

Boruto: Boy I'll say! Man Lee-Sensei this is so awesome!

Rock Lee: Glad you like it Boruto!

Nico: (WHEEZING) JEEZ THIS IS SPICY!

May: (WHEEZING) MAN NO KIDDING!

Maria: (WHEEZING) BRUTAL!

Nico: Boy that is intense!

Me: It sure is. But I liked it when Lee introduced us to it the first time in 150,000 years.

Nico: When was this?

Me: Back when we had a dangerous S-Rank mission in the Land of Rivers to the Katabami Gold Mine. Raiga Kurosaki was wreaking havoc and killing people left and right and we went there to kill him.

Nico: Wow!

Me: Yep. Rock Lee introduced us to an amazing Curry Shop owner that he met while working with Gai Sensei on a new training regimen.

Rock Lee: Yeah it was back when I was starting out as a genin. Gai Sensei introduced a new training regimen for me.

He told us what happened.

The Curry of Life (命のカレー, Inochi no Karē) is a curry created by Karashi prior to joining Raiga and the Kurosuki family. Because of its intense spiciness, the curry of life has special properties that can revive an unconscious or dying person. It can also strengthen a person after it is eaten a few times. However, it seems to have opposite effects on people that have lower tolerance with spicy food, such as Neji Hyūga, and knocks them unconscious. It is especially liked by Rock Lee, who claims that he had once been "saved" by the curry before. After accidentally spilling some alcohol in the curry and serving it to the team, Lee ate it and he started to perform the Drunken Fist. At the end, Sanshō made a curry so intense that the colour changed to red. Lee attempts to eat it, but was interrupted by Neji and Naruto as they dragged him back to Konoha.

When it was done everyone that hadn't heard about it was shocked and amazed.

Tenten: (Wheezing) I still have a nasty burn from it.

Neji: (Wheezing) Yeah it hurt.

Me: Yeah but it was really awesome.

Nico: Wow that is amazing.

Me: It was.

Naruto: (Wheezing) Yeah that was hot though.

Me: Yeah.

May ate some more.

May's lips were blood red from the fiery spice but it was good.

May: (In pain) It's so good though.

Maria ate some more. Her lips were blood red and her eyes were watering.

Maria: (In pain and eating) It's so good though.

Me: It sure is.

Nico: That's amazing that you guys had this before.

Qin: It sure is. (Eating) Mmm! Lee you have one awesome love for this.

Rock Lee: I know Qin. And this is amazing that we found this planet.

Me: I know.

Camie: How dangerous was Raiga Kurosaki?

Me: Dangerous as all get out. But he was a monster. He was called The Thunder of The Mist.

Misty Mizu Kiri: That's right and he had Lightning Style power that was so strong that it easily rivaled that of the Raikage.

Me: Yep and it turns out he HATED Kisame Hoshigaki with a vengeance. When I mentioned him to him he vowed to give him a funeral.

Nico: I don't blame him.

Me: Yeah I know.

Nico: How did you guys kill him the first time?

Me: I formed a powerful X-Blade Wind Style: Rasenshuriken and threw it and it sent him flying into the sky and exploded. It completely obliterated him in an instant. Not one bit of him was around. Not even an atom.

Fu: All that was left of him was his swords the Kiba Blades and I kept those as one of my weapons of choice.

Nico: Whoa! That is amazing.

Me: It was. (Eating) Mmm!

Nico: Shit. I'm glad he bit the dust.

Qin: Yeah.

Me: Yep.

Nico: What about Raiga's followers?

Me: We arrested them and had them brought to the Leaf to be tried for their crimes.

Nico: Justice brought them down. And Ranmaru?

Me: He works in the curry shop Lee knows. And we had that shop moved to the Leaf so Lee can be closer to his favorite foods.

Tenten: (LAUGHS) Yeah Lee loves that.

Xenia: I can tell.

Me: Yep. It was a great mission. The Knights of the New Fire had a big and awesome mission.

Nico: They sure did.

Me: Yep and we sent Raiga off to Hell forever. No one will ever remember that monster.

Camie: Good riddance.

Xenia: Yeah.

Me: But if he comes back again we'll be ready for him.

Nico: Yep and this time we have a secret weapon.

Boruto: Yeah and that is Buntan Kurosaki.

Me: His daughter from your time.

Boruto: That's right Uncle. She's now in the M.O.E.

Me: Yep. She's going to convince him to join the M.O.E.

Xenia: Whoa.

Nico: I wish her luck.

Clair Voyence: That is for sure. He is going to be my future archenemy.

Me: Wow.

Lola: Nice.

Xenia: Yeah.

Me: For now lets enjoy some awesome curry.

Fu: Yeah.

Rock Lee: I love this planet guys!

Me: Glad you like it Lee.

Nico: Yeah.

Qin: It's awesome.

Nico: It's really hot though.

Me: Yeah but some of us like it though.

Camie: It's good.

Lola: I'll say!

Lincoln: I think it's awesome.

We had a great meal and we were stuffed.

Me: Ahh. (BURPS) Oh pardon.

Nico: That was awesome.

Eli: Boy it sure was.

May: Yeah. I'm stuffed.

Maria: Me too.

Nico: Yeah.

Fu: (BURPS) Oh pardon.

Ino: Man that was so awesome.

Hinata: My mouth is really on fire.

Rin: Mine too.

Me: It took a while for some of us to get used to it. But it was still awesome.

Lola: It sure was.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here on the planet made of the Curry of Life, but here's the really dangerous part: I just got word that Kevin Wendell Crumb has returned from the dead, and he's out for revenge on you, J.D., for killing him before.

WE GASPED!

Me: WHAT THE?!

Nico: I don't believe it, I get Crumb coming back for revenge on J.D. is bad, but I thought we'd made sure that psycho was thrown in The Black Gates on your rescue two years ago.

Lincoln: We did, but thanks to Anti-Monitor bringing him back as well, it looks like we got no choice but to take him down, and we'll send him to The M.O.E. I know it's crazy, but Vypra's going to keep a very close eye on him, and I've got some methods on keeping him in his place.

Me: Good idea.

Suddenly, Lincoln had a premonition, and it's not good: Lincoln saw that Morgana Midnight Sparkle and her minions had brought back James Blunt's wife and Cage Blunt's mom, Christa, and sent her to kill us.

Lincoln: Morgana, now you've really gone too far.

Me: What's wrong, Lincoln? Who did Morgana back?! Is it any more of your old enemies?

Lincoln: No, it's different, Morgana Midnight Sparkle and her minions had brought back James Blunt's wife and Cage Blunt's mom, Christa, and sent her to kill us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, now that bitch and her minions have resurrected James Blunt's wife and Cage Blunt's mom. If James and Cage find out, they're gonna be pissed.

Suddenly, James Blunt appeared, and needless to say, he's pissed as we saw his red eyes turn brighter red.

James Blunt: I'm already pissed off. Those brats brought my wife back to kill us, that's the last straw, they're going to pay for this, but first, I need to get my wife back, I lost her decades ago after she gave birth to Cage, and I'm not losing her again.

Nico put his skeleton back.

Nico: I hate when that happens. But, you're right, James, you need your wife back, and those banshees are in serious hot water.

Ed Cowart: We got here as fast as we could.

Lori: I can't believe Kevin Wendell Crumb is back, I thought we were done with him, and what those banshees did in resurrecting James' wife and forcing her after us, now Morgana has gone way too far.

Lincoln: She's going to get her punishment soon.

Camie: Who is Kevin Wendall Crumb?

Me: He's also known as the Horde. You thought Nico's Akuma was fucked up, this guy is worse! He has Dissociative Identity Disorder and he has 24 Personalities!

THEY GASPED!

Camie: THAT IS INSANE!

Me: It is.

I went over his history.

Kevin Wendell Crumb, collectively referred to with all of his alters as The Horde, is the secondary antagonist of the Eastrail 177 film trilogy.

He is a mentally ill man who suffers from Dissociative Identity Disorder (DID), and has 24 separate personalities residing in his mind. Kevin and the majority of his personalities are by no means evil, but the two most dominant personalities — Dennis, an obsessive, cold, tough man, and Patricia, a manipulative woman — are both aggressive and vicious in their own way. Dennis and Patricia are also devout believers in The Beast, the 24th personality who is a fierce, cannibalistic monster that will avenge them against the "Impure".

He was portrayed by James McAvoy, who also played Wesley Gibson in Wanted, Bruce Robertson in Filth, and David Percival in Atomic Blonde.

When Kevin was a child, his father, Clarence Wendell Crumb, died in the same train crash (orchestrated by the villain Elijah Price, also known as "Mr. Glass") that left David Dunn, the protagonist of Unbreakable, as the sole surviving passenger. This left 3-year-old Kevin at the mercy of his abusive mother, who would severely punish him if he did not keep everything clean and in order. Kevin developed multiple personalities as a defense mechanism. Dennis, the protector alter with obsessive-compulsive cleaning habits, was a direct result of his trauma.

Kevin ultimately developed 23 individual personalities, each of which are able to take control of his mind and body.

Kevin, presumably as Dennis, works at the Philadelphia Zoo when something jarring happens: two girls play a cruel and childish prank on him, taking his hands and forcing him to touch their breasts, before they run away laughing. This leaves Kevin disoriented and in shambles, and possibly contributes to Dennis's peculiar sexual appetite.

As of September 18, 2014, the personalities seemed to have buried Kevin away deep in his mind. At the beginning of the film, Dennis (a stern man who suffers from OCD) kidnaps Casey, Claire and Marcia, knocking out Claire's father in order to abduct the three girls. He keeps them in a room in his home where the three girls are later introduced to Patricia (a matronly Englishwoman), another one of Kevin's alters. This bewilders and invokes fear within the girls. When Hedwig (a 9-year-old boy with a lisp) "takes the light" (control of Kevin's body), Casey tries to befriend him in hopes of escaping. Throughout the film, mainly through the discussions between Kevin's alters and his therapist, Dr. Fletcher, it is established that the presumed dominant personality is Barry (an effeminate male fashion designer) who tries to subjugate the others and keep them from staying in the light. However, two of the other personalities (Patricia and Dennis) have suppressed Barry with the help of Hedwig, who is able to take the light at his will.

When Claire tries to escape the room through the drywall ceiling, Dennis finds her and then locks her in a separate room on her own. He tells her it is not nice to trick children because it shows who someone really is. Soon after, when Patricia prepares food for Casey and Marcia, she forbids them from having Claire join them. When Marcia attacks Patricia and tries to make a run for it, Patricia finds her and threatens her with a knife. Like Claire, Marcia is put into a separate dingy room next to Claire's room.

Casey befriends Hedwig, and tries to influence him. Hedwig excitedly warns the girls about 'the Beast', a malevolent 24th personality with incredible abilities. He also reveals to Casey that there is a window in his room, which she perceives it as a potential escape route. However, when he shows her the 'window', it is shown to be a hand-drawn picture of a window.

She grabs a functional walkie-talkie nearby and radios for help, but the person on the other end thinks that it is a prank and dismisses her; Patricia then subdues Casey. Barry sends several email messages for help to Dr. Fletcher, revealed to be Barry feeling threatened by the bid for control by Dennis and Patricia. When Dr. Fletcher approaches and tries to reason with Kevin, she realizes that he has kidnapped the girls and tries to convince him that what he is doing is wrong. Dennis sprays her with chloroform and carries her into the living room. Enacting a sort of ritual, Dennis then buys flowers and Patricia visits a train car (presumably the same train Kevin's father left him at.) Dennis then becomes 'the Beast', exhibiting physical changes such as increased muscle mass and several inches added to his already tall height. The Beast snarls, his persona dissolving into an animalistic mentality before launching himself on a rampage. When she recovers, Dr. Fletcher writes down Kevin's full name, knowing that the resulting awakening of his original personality will be enough to subdue him. The girls, in the meantime, try to escape from their confinement.

Returning to his hideout, "The Beast" confronts Dr. Fletcher. Before she is able to speak Kevin's full name, a tactic which would call Kevin to the light and throw the Horde into chaos, he crushes her to death against him. He then proceeds to rip apart and eat both Marcia and Claire. Meanwhile, Casey stumbles upon Dr. Fletcher's corpse, as well as an instructional note the doctor the left behind on how to defeat the Beast. When the Beast closes in on her, demonstrating the ability to climb up walls, Casey uses Kevin's real name to call him to the light. The Beast is briefly tamed, and the actual Kevin (who has been restrained for years by the other personalities, and has no memory of what he has done between then and now) emerges. Horrified by the death of Dr. Fletcher, he orders Casey to kill him with a shotgun he bought before the Beast can return—however, the Beast returns when Kevin's other personalities desperately try to defend themselves. As the Beast reawakens, it pursues Casey into the basement of its lair, eventually cornering her in a cell. Casey shoots him twice at point blank range with Kevin's shotgun, but it proves to be ineffective, as the shells fail to do more than pierce his skin.

Reaching the cell, the Beast voices his maniacal plans to rid the world of the 'untouched' (As in, the people who he feels have never suffered pain or discomfort, unlike him). The Beast bends the bars with its bare hands to gain entry, but before finishing, it notices the scars on her body from her previous abuse at the hands of her uncle. Realizing that he has met a kindred spirit, one who has also suffered exceptional abuse at the hands of a trusted relative, he declares her to be "pure," and leaves a bewildered Casey in peace. Casey is eventually discovered and rescued by Kevin's co-workers at the Philadelphia Zoo. Recovering from the battle, Patricia, Dennis and Hedwig speculate in awe at the power of the Beast, marveling at what it was shown to be capable of doing. They note that the shotgun pellets did not puncture the Beast's skin. Kevin voices his plans to change the world, and awaits the next feeding of 'the Beast' now under the man's newest and diabolical collective nom de guerre "The Horde".

At the end of the film, in a restaurant, the people are watching the news about The Horde, one of the waitresses talks about the similarity with a case 15 years ago where a man in a wheelchair was arrested and had a nickname too which she cannot recall. A man named David Dunn sitting next to her tells her his name was Mr. Glass.

Kevin returns taking a group of cheerleaders hostage (presumably with the intent to kill them the same way he did with Casey, Claire, and Marcia) until the intervention of a superhero called the Overseer (later revealed to be David). David frees the cheerleaders, and battles Kevin when the Beast takes the light; throughout the fight, the Beast's animal instincts and superhuman strength prove matched by David's invulnerability. However, before the fight can continue, both David and Kevin end up being arrested by the authorities and sent to an insane asylum where Elijah is also being held in.

The three are being held by Dr. Ellie Staple, who tries to persuade them that there is no such thing as superhuman powers and that they actually have mental illness. To ensure Kevin's compliance, Staple has built a system of flashing lights that activate with Kevin's closeness, which opens up one personality to another.

Eventually, it turns out that Staple is part of an anti-superhuman society that is willing to refute any evidence regarding to supers and that she plans to kill Elijah, David and Kevin to accomplish it. Being aware of Staple's intentions, Elijah forms an alliance with Kevin, who allows the former to escape while battling a freed Kevin in the institution's grounds. After getting his outfit out of the evidence locker and watching Kevin as the Beast kill an orderly, Elijah informs him that one of the Horde is going to have to get them out. Dennis is elected and poses as an orderly where they move through the underground. When confronted by some guards, Dennis states to Elijah to move his wheelchair forward. Elijah does and Kevin assumes his Beast identity to kill the guards.

However, Kevin soon learns from David's son Joseph that Elijah is the one responsible for his father's death in the same train crash, resulting in an angry Kevin killing Elijah by crushing his ribs while Staple sends over several armed men to kill David by drowning him in a pothole.

Eventually, Kevin meets his death when Casey Cooke (one of his former hostages) puts him back into the light, which subsequently erased all his separate personalities and allowed Staple's men to shoot him down. As he dies, multiple personalities come into the light, each with their own thoughts, until Kevin takes command of the light until the very end. Despite Kevin's death, The Beast's actions were enough to let Elijah record the event with the security cameras before he died.

Elijah's mother, Joseph and Casey would later expose the footage to the public in revenge for the deaths of Elijah, David and Kevin, thus exposing the existence of those with superhuman abilities and ruining Staple's plan. Moreover, Kevin's death at the hands of Dr. Staple also avenges the death's of Claire and Marcia, Dr. Fletcher, as well as Elijah Price himself and presumably the previous "impured" victims Kevin assumedly killed. Thus, ending his reign of terror on the "impured" for good despite Dr. Staple successfully killing him alongside David Dunn.

When I was done everyone was shocked and horrified!

Twilight Sparkle: HE'S A MONSTER!

Camie: He should have been killed instead of being thrown into an insane asylum!

Qin: Yeah.

Me: Well I did kill him and now he is back for revenge on me. He is REALLY Going to be after my blood now.

Nico: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Kevin Wendell Crumb) AHA! Gotcha, you bastard. I just spotted Kevin Wendell Crumb, he's 20 yards away, but he's heading right for J.D. to tear him apart. (Sensed Christa) And James, I just spotted your wife.

Nico: Let's tear Kevin Wendell Crumb apart, and James, you best be ready to free your wife from Morgana's dark magic.

James Blunt: Right.

Haiku heard a Pokemon cry.

Haiku: Look here.

We saw a Corviknight.

Me: Corviknight. Wow.

Lola: And the poor thing is hungry.

Corviknight: Yeah.

We gave it apples.

Corviknight: Ahh thank you.

She ate them.

Corviknight: Ahh that is much better.

Me: You're welcome.

Haiku: You want to come with us?

Corviknight: I would be honored.

Nico: Awesome.

Haiku: You won't regret it.

We then took off into the air and we set our sights on taking down Kevin Wendell Crumb and send him to The M.O.E. and free James Blunt's wife, Christa, from Morgana Midnight Sparkle's dark magic.

We were flying in the air, and we spotted our target: Kevin Wendell Crumb, and he's running on all fours looking for me.

Lincoln: There's that filthy animal. Now, to make him experience some pain.

Lincoln fired orbs of elements from his massive white angel wings and medium sized white angel wings and small sized white angel wings at Kevin Wendell Crumb and they hit him, and that made him roar in anger as he saw me and all of us as we landed.

Me: I should've known you'd break out of The Black Gates, you filthy animal.

Nico: You've got some nerve coming back!

Lincoln: And now, we'll make you wish you hadn't come back from the dead.

HE GROWLED FEROCIOUSLY!

Crumb: You will pay! THE BEAST IS HUNGRY!

He roared and went at me and I punched him down and knocked him into a tree! HE ROARED MORE!

I punched him in the stomach and kicked him in his face and kicked him with a deadly roundhouse kick!

I knocked him into another tree!

Me: I'm more powerful than ever since we fought the last time Crumb. You are now nothing more than 24 pathetic people with no hope of taking me down.

Ace: 24 people?

Me: Him and his personalities in one.

Nico: Yep.

Ace: Oh right.

He roared and went at me and I punched him in his face and knocked him into the ground.

He ran at me with incredible speed and I ran too and I kicked him in the face and punched him in the crotch and kicked him in the back and then kicked him in the face with devastating force and sent him flying into the a bunch of trees again. He was really mad and he went at me screaming in a ballistic rage and I did the same and we clashed in a huge shockwave explosion.

THOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMMMMMMMM!

I punched him in the stomach and he punched at me and I dodged it and kick him in the face and knock out some of his teeth and he kicked at me and I dodged it and I kicked him in the crotch and punch him in the face again and he belched out a huge amount of blood. The fight was so savage, ferocious and brutal that it was unbelievable. I punched him in the face and kick him in the back and pile drive on him and send him flying and he splashed into a lake of curry!

He screamed as he was burning from it.

Nico: Hot enough for you!?

He got out and he was enraged.

Corviknight charged at him.

Corviknight: Take this one!

She slashed and blasted Crumb all over.

Qin: YEAH!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

CRUMB SCREAMED IN FRIGHT!

Crumb: WHAT IS THAT HORRIBLE MOVIE!?

HE AND HIS 24 PERSONALITIES SCREAMED IN FRIGHT!

THEY WERE SCARED SHITLESS!

Qin: YEAH!

Deadpool: (to the viewers) They showed the trailer here because there were no usual battles last chapter.

Jamesdean5842: That is too true. But lets just say that Crumb is not going to be the same after that. (Imitating Beast Wars Megatron) Yesssss.

Nico: Yeah that is true.

Poromon got into a tank

Warpath: I never get tired of this!

Poromon: Lets get him!

Warpath ran over Crumb's legs.

Crum: (SCREAMS) MY LEGS!

Horsea poked a puma with a stick

It roared at her and went after her and she jumped and the Puma mauled Crumb!

Poliwag rolled grenades like bowling balls and they hit Crumb and exploded!

KRABBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!

Manaphy juggled dynamite sticks and threw them and they hit Crumb and exploded!

POWERFUL EXPLOSIONS!

Tentacool fired chickens like arrows and they hit Crumb and eggs came out of his mouth.

Jirachi put bullseyes on him and we fired and blasted him all over.

Nico: YEAH!

Hoppip: Try our new gags out!

Mevya got out eggs and put them in his mouth and then fired them like a machine gun and they hit Crumb and smashed all over him.

Hoppip: Take this!

Hoppip grew coconut trees and kicked the coconuts and bashed Crumb all over with them.

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

Patrick: DAHAHAHA! THAT GUT GOT HIT IN THE HEAD WITH 10 COCONUTS!

Eevee: My turn! WIND STYLE LEAF VILLAGE SECRET FINGER JUTSU!

He shoved a Leafeon tail into Kakashi's butt and sent Kakashi flying!

Eevee: 1,000 YEARS OF FLATULENT DEATH!

He went and smashed onto Crumb and then...

LOUD EXPLOSIVE SUPER SLICING FARTS!

Qin: JEEZ!

Xenia: Nice!

Stewie threw an Ipecac Bottle and it hit Crumb and he threw up.

Me: Nice one!

Qin: YEAH!

Kakashi came back in pain.

Camie: That was funny.

Me: Maybe this will give you a much needed cure.

I formed an image of the Flame Nebula and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

He was blasted all over with lightning and it electrocuted him.

Stewie got out his flamethrower

He blasted Crumb all over with fire.

Xenia: YEAH!

Brian threw a Molotov Cocktail at him

SMASH!

It lit him on fire more.

He screamed in pain.

Qin: Nice!

Me: Top this! (ACTIVATES PREDACON RHINOX'S RIDEWATCH)

I got his blaster and blasted Crumb all over with numerous energy bullets.

Qin: Take that!

Nico: YEAH!

Rhinox: It's tramplin time!

Stewie threw a poopy diaper at him

SPLAT!

HE THREW UP MORE!

Qin: Nice one!

Xenia: YEAH!

Lincoln: And Christa, I know you're here, come out now.

We then saw a female light brown-furred cat with long brown hair and blank eyes, it was Christa, and she had the demonic Alicorn on her forehead: proof she was brought back by The Midnight Princesses.

James Blunt: Christa.

Cage Blunt: Mom...?

Christa: (Monotone) Must...kill...for my master.

Suddenly, Christa was freed for a moment when she saw James.

Christa: James..., please...kill me.

James Blunt: No. I'm not going to kill you, I lost you once, I'm not going to lose you again!

Suddenly, James Blunt was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blue eyes gazing at Christa: the blue eyes of eternal salvation.

Me: Whoa.

Nico: Morgana really went way too far messing with James' wife and Cage's mom.

Lincoln: James is going to save her soul and bring her back, and reunite their family.

Then, as soon as the vortex faded, James Blunt emerged and he was changed forever.

Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Kevin Wendell Crumb, and Caleb Maxwell fired more bullets at Kevin Wendell Crumb and he got hit, and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett fired blasts of darkness and dark energy and they hit Kevin Wendell Crumb and he got sent flying into a wall, he got out and he was now pissed off beyond measure. But, that didn't save him as James Blunt charged at him and really smashed him into the ground with brutal superhuman strength and speed and slashed at him with his claws, and that just made Kevin Wendell Crumb even angrier than ever!

Zoey Zhuqiaomon: Yikes! Okay, Mr. Blunt, you've had your fun, now it's our turn. Ready, girls?

Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, and Hikari Huanglongmon: Let's do this, Zoey.

Suddenly, the colored eyes of Zoey Zhuqiaomon, Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, and Hikari Huanglongmon turned neon colored, and they're surrounded by colored energy auras with stars, elemental forces, mythological animals, phoenixes, and angels, they unholstered their massive greatswords from their backs, and as they approach Kevin Wendell Crumb, they left colored energy, stars, elemental forces, mythological animals, phoenixes, and angels with every step.

Zoey Zhuqiaomon: After everything we'd heard from Lincoln about you, you really disgust us to no end, you psychotic animal!

Seiryu Azulongmon: You've abducted, raped, and murdered tons of innocent girls over the years to satisfy The Beast.

Genbu Ebonwumon: (Irish Accent) And you've shown absolutely no remorse for any of your crimes.

Byakko Baihumon: You have oceans of blood on your hands, and to that end, we will never forgive you.

Hikari Huanglongmon: Like James said, you're even worse than a feral vampire doing as they please, and for that, we're putting you down, you wild animal!

Suddenly, Zoey Zhuqiaomon, Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, and Hikari Huanglongmon were surrounded by massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are mythological animals, phoenixes, angels, and Zhuqiaomon, Azulongmon, Ebonwumon, Baihumon, and Huanglongmon flying around the vortexes, and in the vortexes are colored phoenixes with The Vermillion Bird of The South, The Azure Dragon of The East, The Black Tortoise of The North, The White Tiger of The West, and The Gold Dragon of The Center on their stomachs, and blood red eyes glaring at Kevin Wendell Crumb: the blood red eyes of eternal death and eternal judgement.

Me: WHOA!

Nico: Oh man!

Lincoln: The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, and Light and Darkness are about to make that animal pay for everything he's done, now judgement day has finally arrived.

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) An animal like you belongs in a cage far from the eyes of the public.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) If Lincoln didn't have any plans for you, I wish we could just kill you right here and right now!

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) The team's already decided that he's not worth killing anymore, but he'll wish he'd stayed dead and gone after I use my surprise on him.

Lincoln, Zoey Zhuqiaomon, Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, Hikari Huanglongmon, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Kevin Wendell Crumb, and we fired extremely powerful blasts of rainbow energy, crimson red energy, azure blue energy, spring green energy, white energy, golden yellow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Kevin Wendell Crumb and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Zoey Zhuqiaomon, Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, Hikari Huanglongmon, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Kevin Wendell Crumb even angrier than ever.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Better take you down before you do anymore damage.

Suddenly, James Blunt's neon blood red eyes glowed even more as he held out his left hand at Kevin Wendell Crumb and he clenched his fingers and made that animal convulse in pain and James clenched his left hand and forced that animal down to his knees. Then, we saw his black and blood red energy aura flare up even more as he was surrounded by bats, darkness, and blood.

ORGAN MUSIC PLAYS!

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope)

(Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Kevin Wendell Crumb, (NEON BLOOD RED EYES TURN BRIGHTER) Now the future is a cold nightmare!

Nico, I, and the rest of us had mega icy bonechilling chills running down our spines as we'd shuddered in extreme fright, and then, James Blunt fired massive blasts of black and blood red energy from his five sets of massive dark brown angel wings, and they hit Kevin Wendell Crumb, and we saw a vampiric dragon appear on his back in blood red ink.

Then, Lincoln beamed him to The M.O.E., but not before throwing him in a cage. Everyone cheered wildly as we holstered our weapons and we powered down and James Blunt's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists, eleven massive and longer dark brown tails, and his massive dark brown angel wings and four other sets of massive dark brown angel wings underneath his massive dark brown angel wings are permanent, Zoey Zhuqiaomon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long vermillion red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large vermillion red and yellow planets orbiting around her legs, fifteen smaller vermillion red and yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized vermillion red and yellow planets orbiting around her wrists, and her massive vermilion red angel wings and four other sets of massive vermillion red angel wings are permanent, Seiryu Azulongmon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long azure blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large azure blue planets orbiting around her legs, fifteen smaller azure blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized azure blue planets orbiting around her wrists, and her massive azure blue angel wings and four other sets of massive azure blue angel wings are permanent, Genbu Ebonwumon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long spring green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large spring green planets orbiting around her legs, fifteen smaller spring green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized spring green planets orbiting around her wrists, and her massive spring green angel wings and four other sets of massive spring green angel wings underneath her massive spring green angel wings are permanent, Byakko Baihumon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails and longer white tiger's tail, larger white tiger ears on her head, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large white planets orbiting around her legs, fifteen smaller white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized white planets orbiting around her wrists, and her massive white angel wings and four other sets of massive white angel wings underneath her massive white angel wings are permanent, and Hikari Huanglongmon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long azure blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large golden yellow planets orbiting around her legs, fifteen smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized golden yellow planets orbiting around her wrists, and her massive golden yellow angel wings and four other sets of massive golden yellow angel wings underneath her massive golden yellow angel wings are permanent.

Nico: Oh man, now that was epic! Not only did Zoey Zhuqiaomon, Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, and Hikari Huanglongmon transform and really trashed that animal, but James, you also transformed and freed Christa. Wait, and the new transformations you all got along with Girl Jordan and Lily the Mermaid the other day, is that what awaits Lincoln?

James Blunt: That'll be for his big day mission, but I sense something in Eli, he's going to also undergo the same transformation as us.

Me: Wait, I sense it too.

Eli: Me too. And what was that curse you put on Kevin Wendell Crumb?

James Blunt: That was one of the many vampiric curses that we vampires know: it's known as Alaric's Bloody Embrace, it's one of the deadly vampiric curses known only to a few powerful vampires for centuries, and this deadly curse according to legend is reserved for the most unrepentant and truly unhinged of mortals. Each time he tries anything to get revenge on us, the vampire dragon on his back will travel upwards causing him immense pain, and when the dragon's head reaches his neck, the vampire dragon will bite his neck and every last drop of blood will be extracted from the cursed victim, and he'll be left as a bone dry corpse.

WE GASPED!

Brittney: My God, this is exactly what proves my theory that vampires are also deadly masters of dark magic.

Me: (SHUDDERS)

Nico: Damn. Plus, that move you used on him to bring him to his knees.

Cage Blunt: That's only when I wind up getting out of control, and the same goes for Travis since he's my fledgling and blood brother, but I never would've guessed you used that on someone like him.

Lincoln: It might be because your dad's powers have evolved and grown to such an incredible degree, he can also use those kinds of attacks on the truly unrepentant and truly unhinged of villains.

Goths of Darkness: Gasp!

Christa: I did suspect James wound up getting turned into a vampire decades ago, and what of Cage?

Cage Blunt: I was born a vampire, Mom, which makes me a pureblood vampire.

Lincoln: Pureblood vampires happen to be very powerful in terms of power compared to turned vampires, and also, able to overwhelm humans.

Me: But, with James, he's much more experienced while Cage was a bit wild.

James Blunt: Exactly.

Nico: Crumb and his personalities have all the time in the world now to sort out their differences.

Me: And Vypra will make sure of that.

Xenia: Or else.

Nico: Nice job Corviknight!

Corviknight: Thanks Nico. It was fun.

Qin: It sure was.

Poromon: Want some beer?

Corviknight: No thanks sorry. I don't drink.

Poromon: Oh. Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Corviknight: Nice try though pipsqueak. The Puppy eyes don't work on me.

Nico: And Magna Centipede, what do you like to do in your free time?

Magna Centipede: I like to work in the jail as a guard. It's good money.

Qin: Cool cool.

Nico: Nice.

May: Again, Manaphy, I hope you learned a lesson from yesterday.

Manaphy: I did.

Me: Good.

Qin: Awesome.

Camie: Yeah.

Manaphy: I even made a new invention! An ice cream machine!

Me: Nice! Can't wait to have some.

Camie: Yeah.

Qin: An ice cream machine is cool.

Varie: Yep.

Me: How many flavors?

Manaphy: 45,000 flavors.

Qin: That's a lot.

Manaphy: Here it is right now!

We saw an awesome ice cream machine.

Me: Wow!

I picked my flavor and it gave me a Ghost Pepper strawberry Ice Cream Sundae with hot sauce on it.

Me: Whoa!

i ate it.

Me: Mmm! Delicious

Poromon picked his out and it was Pineapple Banana Rum with coconut syrup.

Poromon: Oh boy.

He ate it.

Me: Good flavors and ice cream.

Camie: i'll say!

Nico picked his out and it was pistachio, white chocolate and vanilla sundae.

Nico: Yummy!

Nico ate it and it was good.

Me: Lots of flavors. Awesome machine guys.

Varie: I'll say!

Manaphy: Thanks.

Me: No problem

Manaphy: Here's my favorite!

She picked Watermelon, Passionfruit, Pineapple Swirl.

Manaphy: (Eating) Delicious!

Qin: Oh wow!

Camie: Cool!

Me: So many flavors.

Nico: Yep.

Me: Now for the fun part.

Eli: The Anothers. (Concentrates) WHOA! We got Another Magna Centipede, Eli, Cyrax, Gumbald, The Scarab, Keeoth, and Zutho.

Qin: Whoa!

Me: So Metal Man, Eli, Mega Man X, Metal Shark Player, Shining Firefly, Boomer Kuwanger and Spark Mandrill.

Nico: Yep.

Qin: This will be rough.

Eli: The Anothers minus me and Metal Man are 5 people.

Me: So they are all gene-slammers. Wow.

Nico: There they are!

We saw Another Cyrax, Gumbald, The Scarab, Keeoth, and Zutho.

Me: WHOA!

Nico: This will be fun.

Another Gumbald: (In a girls voice) It sure will.

They reverted back and they were the gene-slammers of Stratosphere Giant, Ironvine Giant, Sumo Artichoke, Mighty

Shouter and Earthstomp Giant!

Nico: (GASP) Talia, Nadine, Selena, Wendy and Lola Stratosphere!

Me: The gene-slammers of Stratosphere Giant, Ironvine Giant, Sumo Artichoke, Mighty Shouter and Earthstomp Giant!

Talia Stratosphere: That's right.

Mimi Tasogare: Hey girls! Awesome to see you again.

Nadine Stratosphere: You too Mimi.

Wendy Stratosphere: We heard all about how you all were destroying some of your enemies and that is awesome.

Mimi Tasogare: It sure is.

Me: Yep. By the way girls is the Another Magna Centipede and Eli friendly or hostile?

Lola Stratosphere: Friendly and hostile. The Another Eli is someone that Eli is not going to be happy to see.

Me: Uh oh.

Qin: I have a feeling this will be rough.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: (TURNS DIAL) FIRESUN FORCE!

She summoned Fireroid Meran, Rip 187, Despair Kokichi Ouma, Despair Miu Iruma, Sunstar and Sun King!

Me: Yeah!

Nico: And now, we wait.

Me: Yeah. But I wonder who the Another Eli is that has a bad grudge against him.

Eli: Oh boy. I have a feeling it's gonna be someone I don't like.

Me: Yeah. We"ll find out now!

We saw ANOTHER MAGNA CENTIPEDE AND ELI!

We gasped!

Qin: Oh boy.

Another Eli: Been a while stupid Eli!

Eli: (GASP) That voice!

He reverted back it was a little kid that had blond hair, yellow eyes, blue clothes and had a red bladed lightsaber.

Eli: Logan! Been a while Brother!

WE GASPED!

Me: You have a brother!?

Eli: Not by blood. We went to the Jedi Temple together and he was impatient and decided to turn to the dark side of the Force. He vowed to kill me.

Me: What planet did you come from?

Logan: I was raised on planet Naboo. But went to Coruscant to train to be a Jedi. But Eli was better than me!

Eli: Because I sensed a terrible darkness in you! You chose this path.

Me: Whoa! Talk about a shocker! And you must've trained under Count Dooku.

Logan: That's right!

Me: I knew it.

Nico: What about Another Magna Centipede?

Another Magna Centipede: (In a girls voice) I was someone to keep him under control till we meet.

Me: (GASP) That voice!

She reverted back and was a girl with purple hair, blue eyes, blue clothes and in the middle of her chest was the Bismuth Gem and she had rainbow angel wings and has a tiara with the Bismuth symbol on it and on her skirt and had a rainbow sword.

Me: Bianca Bismuth! Wow!

Bismuth: Wait so you are the embodiment of me?

Bianca Bismuth: That's right. Blacksmith, Prison Guard and craftsman and miner of the Crystal Gems.

Magna Centipede: Wow! That is awesome! Just like me.

Bismuth: And me too.

Me: Wow!

Kaito: (gets out Gokaiger gear) Did Swartz promise you anything?

Zocks: (gets out Go Busters gear) Because we can grant it instead

Kaito got a Megaforce Blaster and Zocks got a Beast X Blaster.

Bianca Bismuth: No he didn't. Turns out he is allergic to me.

Me: He's allergic to you? How?

Bianca Bismuth: He's allergic to Bismuth. Makes him sneeze.

Sakura Knudson: That explains why he was sneezing uncontrollably so much.

Me: Like how Starfire is Allergic to Chromium. That makes her sneeze with devastating force.

Nico: Yikes.

Me: And I guess Swartz promised revenge on Eli for you Logan.

Logan: That's right.

Me: Well you can't get it anyway.

Nico: I have never heard of anyone allergic to bismuth. No offense Bismuth.

Bismuth: None taken but yeah that is crazy.

Me: And you must be one of the first Crystal Gem hybrids to be made into this.

Bianca Bismuth: Yeah.

Me: Cool.

Sougo: (gets out Super Megaforce Ridewatch) Logan, just come along quietly.

Geiz: (gets out Beast Morphers Ridewatch) Or we'll take you down hard.

Sougo got SuperMegaforceRedArmor while Geiz got RedBeastMorpherArmor

Logan: Not until I kill Eli.

Eli fired a Force Lightning blast and blasted him down.

Eli: I don't think so. In the name of the Galactic Senate of the Republic (IGNITES LIGHTSABER) You're under arrest.

Me: This is gonna get ugly. Master Plo Koon you better help Eli out. You too Master Anakin.

Anakin: I was gonna say.

Plo Koon: We got this.

They ignited their lightsabers.

Lincoln: Lets separate you two.

We did so.

Me: Lets get it on.

Nico: (gets out Magna Centipede's Ridewatch) Take a look at my magnetic personality!

May: (Gets out Gumbald's ridewatch) Want some punch?

Maria: (Gets out Keeoth's ridewatch) Give me back my blood Joshua!

Mega Man X: (Gets out Cyrax's ridewatch) This will be fun.

They used the powers of Magna Centipede, Eli, Cyrax, Gumbald, The Scarab, Keeoth, and Zutho and blasted the anothers.

Eli, Anakin and Plo Koon blasted Logan with Force Lightning and electrocuted him all over and had him pinned.

Me: That's gonna hurt.

Then Crush Crawfish, Unkar Plutt, Jabba the Hutt (Disney Infinity), King Candy, Cannontop and Orson Krennic came.

Nico: WHOA! Nice team Crush Crawfish!

Crush Crawfish: Thanks Nico!

Rey Skywalker: (British Accent) Unkar Plutt! I'm amazed Vypra has you with her in the M.O.E.

Unkar Plutt: It is good and much better.

Me: I remember seeing you on Jakku a while back.

Unkar Plutt: Indeed.

Me: Wait Orson Krennic? Weren't you the head of the division that designed and built the Death Star?

Orson Krennic: That is correct.

Nico: It went boom.

Me: Yeah. Blew it to smithereens.

Orson Krennic: Good.

Me: Yes indeed.

Then Soulmon came.

Me: Soulmon! Wow!

?: And he is with me.

PHANTOMON CAME!

Me: Whoa Phantomon!

Phantomon: (In a girls voice) (Czech Accent) Lets bring these guys down.

Nico: Nataša Svoboda! Wow!

She reverted back and was a girl with black hair, purple eyes, black clothes, black angel wings, had a red full moon tattoo on her arm, had a new crest in the middle of her forehead, had Phantomon on her shirt and skirt and had a black Frontier Digivice, and had the Czech Republic Coat of Arms on her arm too and had a deadly scythe in her hand.

Nataša Svoboda: Good to see you again Nico. We got this. (Echoing) SHADOW SCYTHE!

She swung her scythe and Soulmon fired a blast of energy and they blasted the Anothers and I caught the Ridewatches and purified them.

We arrested Logan.

Me: YEAH!

Magna Centipede: (to Logan) We'll send you to Dooku. He's actually in the Masters of Evil

Logan: Okay you win. I'll go there.

Me: Good.

We teleported him there.

Me: Cool. Nataša you're one of the Czech Republic's Digidestined. You have the Czech Republic's coat of arms on your arm.

Nataša Svoboda: That's right.

Me: It's fitting that you have Soulmon and are the gene-slammer of Phantomon. Prague in the Czech Republic is said to be the Spookiest City in all of Central Europe.

Brittney: And it's one of my favorite cities. You would make a great member of the Goths of Darkness.

Nataša Svoboda: I sure would.

Mega Man X: Do you have a favorite memory of Nico?

Nataša Svoboda: I sure do. When me and Nico met. We battled a bunch of Karatenmon that were running around in Prague and sent them back to the Digital World.

Me: Whoa so Prague had Digimon problems back then. That is awesome.

Nico: It was.

Nico and Nataša hugged.

Nico: I've missed you.

Nataša Svoboda: Same here Nico. Oh and J.D. Madame President Stasny says hello to you.

Me: Tell her hello too and wish her the best.

Nataša Svoboda: I will.

We later went back home.

Hex, the newest and youngest member of the Big Claw Gang, and Chett A.K.A. Shroud, another young member of the Big Claw Gang, and we're sending them to The Masters of Evil.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the thirty-one girls here, but we're taking down the next member of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, in fact, the next ones we're going after today are Sarah A.K.A. Hex, the newest and youngest member of the Big Claw Gang, she and her father had been homeless for a couple years. They had been living in abandoned buildings, and Sarah's father had a run in with some nasty gang members and wound up dead. When her father didn't come home, she was on her own, and Chett A.K.A. Shroud, another young member of the Big Claw Gang who'd just begun his life of crime with his other runaway friends, and he's got to earn his keep to make sure the roof stays over his head and his belly gets fed. He'd do anything for to impress Panther, the guy that picked him up off the streets.

Caleb Maxwell: And the very one who slugged me and caused me to flip.

Metal Man: If we face him and Carla, this better not be a repeat of that incident.

Cage Blunt: We'll be sure to restrain him, but if they make funny faces, then, we'll turn him loose.

Allie Maxwell: Cage, you better be joking, or I'm gonna knock you on your butt.

James Blunt: (Smirks) That I'd like to see. But, I'd rather avoid having your mother telling me off.

Caleb Maxwell: Because if you get her mad, she's gonna make you regret it.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, red eyes, large purple angel wings, pink clothes, long white sleeveless trenchcoat with stars, poison, earth, snakes, phoenixes, and angels on the coattails, and on the back is Venom Boa, she has an earth greatsword in hand and a pit viper with her, and with her are the thirty-one girls.

Lincoln: (GASPS) Dana Estevez Salazar, Gene-Slammer of Venom Boa, and your pit viper, Shiva.

Dana Estevez Salazar: That's right, and I got the girls away from Hex and Shroud, but unlike with Crowe, they weren't afraid of Shiva.

We saw the rest of The Big Claw Gang: Sarah A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: Looks like you guys arrived just in time.

Carla Claw: You know us, and of course, we know your brother's going to do one of his stunts again. Hex, Shroud, you two are up.

Panther: This is it, little man.

Then, Sarah A.K.A. Hex and Chett A.K.A. Shroud came up.

Hex: Now, you're up against the two of us, Allie.

Shroud: Don't think it'll be easy for you.

Allie Maxwell: I suppose so because of the training Nekome gave you two, but you two have got some bigger problems.

When Caleb Maxwell saw Hex and Shroud, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at them, but they dodged it.

Hex: What the Hell?!

Shroud: At it again, Caleb?!

Nico: Yep.

Caleb Maxwell: Damn it, damn it, I was that close to taking your heads off, but from the looks of it, Nekome's training did pay off when it came to me coming after you all, and I'm still not impressed, it's the opposite, you just ruined another chance for me to humiliate the both of you. (Long black hair turns even wilder) And now, you both have pissed me off and gone and gotten yourselves caught in the depths of Hell.

Cage Blunt: Oh crap.

Jack Howard: Here it comes, he's gonna lose it!

Caleb Maxwell: And now, it's time for you to die, Sarah A.K.A. Hex and Chett A.K.A. Shroud! (LAUGHING DEMONICALLY)

THEN, MASSIVE TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END SHROUD AND HEX WHILE HE WAS LAUGHING DEMONICALLY! BUT, THEY DODGED THEM!

Mad Cat Max: Damn, he's still as crazy and demonic as ever!

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Hex and Shroud up in rainbow energy ropes and sent them to Vypra. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, two more Big Claw Gang members are now in The Masters of Evil.

Sally Gamble: That'll give you all the kind of challenge of what's to come.

The rest of the gang left.

Roxy Drake: That'll be for after we take you down, Sally.

Nico: First thing tomorrow.

Lincoln: And then, we take down the rest. (To Dana Estevez Salazar) And it's so good to see you again, Dana.

Dana Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's good to see you, Sarah, and Carrie again, Lori.

Lori Estevez Salazar: You too, Dana.

Suddenly, Dana Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Dana Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Dana Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Dana Estevez Salazar and hugged her, and Dana Estevez Salazar is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar,

Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dana Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Dana Estevez Salazar, Gene-Slammer of Venom Boa, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, Sarah is a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female Pit Viper snake with her named Shiva and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LOLA WITH A BLAZING PASSION BECAUSE THAT RAMPAGING PAGEANT SHE-DEMON WITH A NASTY TEMPER TRIED TO KILL LINCOLN BY SMASHING HIS HEAD OPEN WITH A SLEDGEHAMMER, BUT DANA CLOBBERED LOLA HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Yikes!

Me: If Lola tried anything, Shiva would bite Lola and a Coral Snake's venom is really deadly.

Lincoln: But, she only bites if commanded to do so, and now that you're here, Dana.

Lincoln with his massive muscular arms still wrapped around Dana Estevez Salazar leaned his head down the right side of Dana Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Dana Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dana Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Dana Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Dana Estevez Salazar.

Dana Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Dana Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Dana Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Dana Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Dana Estevez Salazar: (In Heaven) My God. Oh, and Lincoln, here's a huge warning: the thirty-one girls are super voluptuous beauties!

Me: Oh man! Let's get out of here!

The rest of us went back home leaving Lincoln, Nicole, and his harem. Then, they went up to the thirty-one girls, and when Lincoln saw them, he immediately recognized them along with his nose really gushing out blood, the thirty-one girls are Aimi Toyotaki, Akira Kuromorihime, Amane Jougasaki, Ayame Midou, Emiri Shimojou, Etsuko Minase, Haruka Shinomichi, Hinata Yutani, Kaede Midou, Kaname Fushiko, Kaoru Fujino, Kasumi Yutani, Konoka Misaki, Lauda, Liese, Lilia Iizuki, Lilinda, Mai Satozuka, Maya Minase, Megumi Hoshioki, Michiko Ishiyama, Mio Saionji, Nanako Saionji, Reiko Barato, Rena Kawazoe, Rio Jougasaki, Satomi, Sayuri Sonomiya, Seiko Misaki, Tamako Hiraoka, and Yukari Sonomiya from Motto! Lincoln: Oh whoa, it's Aimi Toyotaki, Akira Kuromorihime, Amane Jougasaki, Ayame Midou, Emiri Shimojou, Etsuko Minase, Haruka Shinomichi, Hinata Yutani, Kaede Midou, Kaname Fushiko, Kaoru Fujino, Kasumi Yutani, Konoka

Lincoln: And easy targets for perverts, if I see one pervert, I'll tear him apart. Are you girls okay?

Aimi Toyotaki: Yes, we're okay, thanks to you.

Then, when Aimi Toyotaki and the other thirty girls saw who it was that saved them from Sarah A.K.A. Hex and Chett A.K.A. Shroud, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild Aimi Toyotaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirty clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aimi Toyotaki: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aimi Toyoyaki, Akira Kuromorihime, Amane Jougasaki, Ayame Midou, Emiri Shimojou, Etsuko Minase, Haruka Shinomichi, Hinata Yutani, Kaede Midou, Kaname Fushiko, Kaoru Fujino, Kasumi Yutani, Konoka Misaki, Lauda, Liese, Lilia Iizuki, Lilinda, Mai Satozuka, Maya Minase, Megumi Hoshioki, Michiko Ishiyama, Mio Saionji, Nanako Saionji, Reiko Barato, Rena Kawazoe, Rio Jougasaki, Satomi, Sayuri Sonomiya, Seiko Misaki, Tamako Hiraoka, and Yukari Sonomiya with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villains we went after were Sarah A.K.A. Hex and Chett A.K.A. Shroud, the two young members of The Big Claw Gang.

But, when Lincoln showed what we all did in beating them down and him tying them up and sending them to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Dana Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: That's right. So, Allie, who's the next one of The Big Claw Gang we're taking down tomorrow?

Allie Maxwell: No doubt it's Sally Gamble. If she wants to win big, she'll have to place all her bets on the table.

Me: You got that right.

Caleb Maxwell: It won't matter if she places all her bets on the table, the outcome will remain the same.

We felt a bone-chilling air fly through the Estate.

Eli: Oh man, I hate it when he says something like that, I felt the air turn cold.

Varie: There's something in the air though, it's like a...?

Lincoln's Ghost Sense went off.

Nico: A ghost?

Lincoln: Yep. We'll find out who that ghost is later on.

Zackary Nightingale looked with suspicion: something was going on.

After Lincoln and all of us beat down Hex and Shroud and sent them to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dana Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Dana Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Dana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Dana Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Dana Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, we heard the doorbell ring.

Caleb Maxwell: I'll get it.

Caleb Maxwell went to the door, and as he opened it, he saw a group of vampire cats dressed in fancy clothes from the 18th and 19th Century: one of them was Marcus Mackenzie, former vampire master of James Blunt, and the other vampire cats were none other than The Vampire Council of The Supreme Yuridia Authority of New York.

Caleb Maxwell: Marcus Mackenzie, and the council.

James Blunt: They've arrived.

Me: Just like the message said.

Marcus Mackenzie: That's correct. Sorry if we're intruding.

Caleb Maxwell: No, we were waiting for all of you, please do come in.

The vampire council entered.

Nico: We heard that all of you were coming here today, and on the day of Smolder's mission.

Marcus Mackenzie: Yes, that is correct, Nico. There is something that we all need to discuss though, and this concerns that of Lincoln's Guardian Angel, Valencia Nightingale.

Lincoln: Valencia?

Valencia Nightingale: I have no idea either, Lincoln. Zackary, do you...?

Suddenly, we saw Zackary Nightingale's eyes turn wide with fear, as he saw a ghostly mist appear and enter, and it took the form of the real Zackary Nightingale.

Eli: The ghost. (Recognizes it) Wait a minute, t-that's...!

Vampire Elder: That's the real Zachary Nightingale, his name has an H.

Me: If that's the real Zachary, (Puts Dumbbell down and points to the Zackary Nightingale) Then who's that?!

Caleb Maxwell: Someone who the council's been after. It's time for you to drop the charade, the game is up..., Emile Blackmore.

Valencia Nightingale: (GASPS) Oh no, oh Hell no! I thought we were done with you!

Valencia Nightingale punched Zackary Nightingale who was exposed as Emile Blackmore, and we saw his real face as Maria splashed him with water: he had two scars on his cheeks and blood red eyes.

Lincoln: (GASPS) Emile Blackmore! Valencia, I thought we were done with him!

Valencia Nightingale: Me too. So, that means...!

Zachary Nightingale: He was the one you encountered last year, I wanted to get a message to you, but if I did, he would've realized the game was up, and for all of you who don't know him, he's a truly despicable person: Emile Blackmore is a mage like me and Mathias Ravenclaw, but he was nothing but a toxic, self-entitled, heartless, selfish spoiled brat and even worse, our cousin. He hated that we were living fulfilling lives instead of drowning in misery, and the reason why is because he murdered our parents, along with me, ten years ago.

WE GASPED!

Me: He did what?!

Valencia Nightingale: I remember that day too well. Ten years ago in Acme Acres, Emile killed our parents along with Zachary as he tried to hold him off, but before he killed him, he told me to run to Acme Looniversity, it was right there that I lost both Mom, Dad, and you, Zachary.

Lincoln: I knew his aura was extremely dark, but I also kept quiet. Yet, I did make sure to tell the rest of the team about it.

Darren Devereaux: You did. Now, what are we going to do with him?

Marcus Mackenzie: It's quite obvious: kill him.

Emile Blackmore: DAMN IT! DAMN IT! I WAS SO CLOSE TO FINALLY KILLING THAT STUPID BITCH AND HER BOYFRIEND, HIS HAREM, HIS KIDS, AND ALL OF TEAM LOUD PHOENIX STORM!

Zachary Nightingale: You're never getting that chance ever again, Emile.

Caleb Maxwell: And now, it's time to say your last goodbye.

But, before Caleb Maxwell could shoot him, Emile Blackmore escaped and he ran into a portal that led to Japan.

Me: Damn it, he escaped!

Cage Blunt: We'll get him, along with Greeza, and the next of Anti-Monitor's lackeys.

Chris: The rest of The Watchers are already heading for Japan, and so will the rest of us as well.

Caleb Maxwell: Emile Blackmore's time is up, but you guys are still okay. I'm sorry that I had to keep it a secret.

Nico: It's not your fault, Caleb, we were also suspicious about Emile. But, what about Zachary?

Zachary Nightingale: I want to come back to the world once more, but..., I don't even know if I can. I put my own sister in danger because of our toxic ex-cousin's madness. Please, just get rid of Emile, and then, I can be brought back.

Me: Okay.

We got a shower, and then, Lincoln, Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Nurse Joy: Wow, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Nurse Joy, and it's perfect for our first date, shall we?

Lincoln, Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Orange Island Nurse Joy: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB and they hugged the girls in their abnormally massive and powerful muscular arms and Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB are in your harem, Linky.

Nurse Joy (Kanto), Nurse Joy (Unova), Nurse Joy (Kalos), Nurse Joy (Alola), Nurse Joy (Galar), Orange Island Nurse Joy, Officer Jenny (Kanto), Officer Jenny, Officer Jenny (Kalos), Officer Jenny (Alola), Officer Jenny (Galar), PR-T, and D-FIB showed the marks Lincoln made on the right sides of their necks.

May: I was really really stunned finding out the Nurse Joys and Officer Jennys from the Kanto, Kalos, Alola, and Galar Regions, and Orange Island also had feelings for Lincoln, and those thugs he saved them from were none other than leftover Team Rocket thugs.

Jenna: You guys had no trouble at all.

Orange Island Nurse Joy: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Leni, Sweetie Drops and Emily's final mission.

Nico: Anyone else want to go with Leni, Sweetie Drops, and Emily? Besides Ed, Lin Chung, Irena, and Laval?

Akiza: I'll go.

David Cain: So will I.

Me: Okay then.

Palutena: I'll go too.

Me: Okay. Anyone else?

No one raised their hands.

Me: Okay then. Lets go.

We were off.

We arrived.

Haruki: Hey guys!

Leni: Guys, meet Lin Chung, Irena, and Laval

Lin Chung: Pleasure. I'm Lin Chung, member of the First Squad.

Irena: I'm Irena Malloy.

Laval: And I'm Laval of the Lions of Chima.

Akiza: I'm Akiza Izinski, one of the Signers.

David Cain: David Cain, member of the League of Assassins.

Palutena: And I'm Palutena, Goddess of Light.

Me: And she is one of my future wives.

Nico: Yep.

Haruki: Wow it's a pleasure to meet you all.

Palutena: Same here.

Haruki: (Sniffs) Do I smell curry on you guys?

Me: Yeah it's a long story.

Eli: It sure is.

Laval: I'm actually a Lego Hero

Yuka: Oh I love Legos! They are so fun.

Me: Yeah they are. We went and met many heroes across the Lego world. We met Ninjago, Chima, Elves and many more.

Nico: We sure did.

Yuka: That is awesome.

Me: It sure is.

Eli: Yep.

Me: Including Bionicle which is where Takanuva is from.

Nico: Yep that's right.

Lin Chung: And I'm from a world where animals and humans live together in peace.

Me: Yeah until that jerk High Roller ruined it.

Irena Malloy: It was horrible. High Roller had all the animals and humans locked in a terrible war.

Yuka: That is horrible!

Me: Yeah it was.

Lin Chung: Yeah. But the war is over. Twin Masters is gone and High Roller is now in prison for his crimes.

Me: Yep.

Yuka: That's good.

Me: Yeah.

Yuka: How did High Roller start the war anyway?

Lin Chung:...he bribed the animals with food and candy.

Me: And he turned the animals against humans.

Eli: It was a terrible war.

Me: Yeah.

Yuka: That is awful.

Me: It was.

Lin Chung: But we got all 108 tribes of animals together and stopped High Roller and killed Twin Masters.

Me: Yep. Also Lin is an amazing artist. His paintings are very creative.

Lin Chung: It's true.

Haruki: Ed, tell us more about yourself

Ed: Uh well I'm originally from Peach Creek and I love jawbreakers, gravy and monsters, comics and all things great. Including my baby sister Sarah.

Me: Sarah used to hate Ed's guts a long time ago. That was before a terrible incident that befell them.

Haruki: What was the incident?

Me: Have you guys heard of the Vengeance Express?

Yuka: No.

Me: Well here.

I showed them the newspaper from it back in 2014 and it was terrible.

Haruki: (GASP) That's horrible!

Yuka: No kidding!

Leni: I swear that out of the two Kankers, May and Marie have redeemed themselves!

Me: It's true. May is in the M.O.E. And Marie is with us. Lee is in the Neptune Prison.

Haruki: That's good and they tried to rape the Ed's!? Those barbaric monsters!

Nico: I know!

Haruki: What about you, Sweetie Drops?

Sweetie Drops: Well I am actually a secret agent.

Haruki: Really?

Me: Long story on that. But it is cool.

Lyra Heartstrings: Sweetie Drops is really awesome at her job and knows how to go after really scary bad guys.

Eli: Yep.

Haruki: That is awesome.

Nico: Yep. Sweetie Drops is just like me back in my days as a C.I.A. Agent.

Haruki: Wow that is awesome.

?: Psst!

Nico heard a noise coming from behind a curtain and went over.

?: The Queen's Guards are watching ever so strongly.

Nico: And the guards watch for everything that is dangerous.

Mata Hari Henningway came out.

Mata Hari Henningway: Agent Nico I have some news for you.

Nico: What is it Mata Hari?

Mata Hari Henningway: I found out some interesting details about the next target you'll be facing today for this mission.

Nico: Who is it?

She whispered in Nico's ear about what is going on and it's going to be interesting.

Nico: Whoa thanks for telling me this Mata Hari.

Mata Hari Henningway: You're welcome. Agent Mata Hari going dark.

POOF!

She vanished.

Nico came back.

Haruki: Who was that?

Me: That was Nico's friend Mata Hari Henningway. She is one of Nico's C.I.A. Buddies and is a very good secret agent.

Eli: Yep and she is a REALLY amazing spy too.

Nico: Yep.

secs agoLeni: Has there been any trouble since last visit?

Nico: Actually Agent Mata Hari told me that our next target is about to appear now.

The Alarm went off and we saw THE NEBULA M SPACE HUNTER ALIENS!

The M Space Hunter Nebula Aliens, known as the Nebulans for short, are an insectoid alien race and the main antagonists of the 1972 film Godzilla vs. Gigan. Inhabitants of a dying planet within the M Space Hunter Nebula, these aliens set their sights on Earth, establishing a front for their invasion in the World Children's Land amusement park. The Nebulans summoned both Gigan and King Ghidorah to assault the Earth, but their plans were foiled by the combined efforts of Godzilla, Anguirus, and a ragtag group of humans. The following year, the Nebulans loaned Gigan to the Seatopians to aid their monster Megalon against Godzilla and Jet Jaguar.

An advanced race similar to humans once inhabited the Nebulans' home planet within the M Space Hunter Nebula. However, the pollution they produced eventually wiped them out, leaving behind a species of cockroach-like creatures which evolved into the planet's dominant lifeforms. However, the damage done to their planet's environment was too great, and the planet's days were numbered. With no other option, the Nebulans set out to find a new home. They eventually discovered Earth, a planet very much like their own inhabited by a civilization similar to the one that came before them. The Nebulans assumed human disguises and constructed the World Children's Land to serve as a front for their planned invasion. The chairman of the invasion force assumed the identity of Fumio Sudo, while his assistant took on the identity of Kubota.

Kubota recruited struggling manga artist Gengo Kotaka to design monsters for World Children's Land. Kotaka immediately grew suspicious of the park and its promise of teaching children "absolute peace," along with its plan to wipe out Monster Island. Kotaka eventually met Machiko Shima and Shosaku Takasugi, who were trying to find Machiko's brother Takashi, who disappeared while working for World Children's Land. When Kubota and Sudo realized Kotaka was onto them, they attempted to capture him and his comrades only to be chased off by Kotaka's girlfriend Tomoko Tomoe. Tomoko joined the three in infiltrating the Godzilla Tower within World Children's Land, where they rescued Takashi Shima. However, the Nebulans discovered them and took them hostage. They revealed their true cockroach-like forms to the humans and explained how they came to Earth. They then summoned Gigan and King Ghidorah to lay waste to Tokyo in order to prepare humanity for conquest.

Godzilla and Anguirus escaped from Monster Island and made their way to Tokyo to stop the invaders' monsters. While they battled Gigan and King Ghidorah, the humans escaped the Godzilla Tower and worked with the JSDF to spring a trap for the Nebulans. They placed explosives in the Godzilla Tower elevator and covered them with a drawing of themselves, and sent it up to the top floor. The Nebulans immediately opened fire, triggering an explosion that destroyed the top floor. As Fumio and Kubota lay dying under the rubble, they reverted into their true forms and pondered what could have gone wrong with their plan. With the Nebulans and their base destroyed, Gigan and King Ghidorah ceased receiving orders from their masters and became confused, allowing Godzilla and Anguirus to turn the battle in their favor. Both space monsters soon retreated, and the Earth was saved from the Nebulans' invasion.

When Jet Jaguar escaped the control of the Seatopians and went to Monster Island to recruit Godzilla's help against Megalon, the Seatopians requested that the Nebulans grant them the assistance of Gigan. The aliens obliged, deploying Gigan to Earth once again. However, Godzilla and Jet Jaguar overcame Gigan and Megalon, and the space monster retreated once again.

A Nebulan offered the assistance of Gigan to the Xilien agent Zagres, in order to help her take over Godzilla Island. When Gigan was driven off, Zagres squashed the Nebulan with a newspaper.

The Mongols, in actuality the Nebulans, invaded Japan in search of a new home. Using their advanced technology, they took control over Gigan and Megalon and used them to assault the Japanese forces. Godzilla soon appeared and defeated the Nebulans' monsters and destroyed their fleet with his atomic breath.

WE GASPED!

Me: Whoa! The Nebula M Space Hunter Aliens! I remember them!

Nico: Weren't they the ones that unleashed Ghidorah and Gigan in 1972's Godzilla?

Me: That's right. That's not all! Look!

We saw ZEPPANDON TOO!

Me: WHOA! Zeppandon! So they summoned him.

Nico: Yep. According to Mata Hari's intel.

Emily: We better go after them!

Nico: Lets go!

We were off!

We were flying.

Nico: Keep your eyes peeled. Oh Haruki, here's your Legend Items.

Nico gave them to him.

Haruki: Thanks Nico.

Me: You'll love your archenemy. And there they are!

We landed.

Me: Kubota and Fumio Sudo. I remember seeing you 2 from a long time ago.

Fumio Sudo: I'm impressed you know who we are.

Kubota: Indeed. How do you remember us human?

Me: You would be amazed at what we know. You tried to destroy Tokyo with the powers of Ghidorah and Gigan. But that was back in 1972 over 50 years ago.

Kubota: Has it been that long?

Me; Yeah it has.

Eli: But in the end your plans were stopped when they blew the tower you were in as a front apart.

Me: Also...

We pointed our guns at them.

Nico: Hands on your heads. NOW!

Me: Your weapons won't last against us. No one invades Earth as long as we're here!

Kubota: You would think that. But how about our friend has his thoughts.

THEN ZEPPANDON CAME!

He roared!

Eli: You didn't think we came prepared? MOGUERA!

Eli summoned Moguera! He got in it.

Eli: Here we go! Plasma Laser gun!

He fired laser blasts and blasted Zeppandon all over!

Nico: YEAH!

Fumio Sudo: That is impressive someone so young can pilot that.

Me: Eli has experiences. And he knows lots of monsters too.

Haruki turned into ULTRAMAN Z!

Me: Those ion laser cannons that you had in that tower were impressive. I'm amazed you have so much advanced technology.

Kubota: Indeed there.

Haruki got out his Rider Ticket

Haruki: Lets see what this can do.

GIANT BUILDING ROBOT!

He fired missiles and lasers and blasted Zeppandon all over.

Haruki: COOL!

Lin Chung got out his Rider Ticket.

Lin Chung: May Pat Morita rest in peace.

MASTER UDON!

He fired energy blasts and blasted Zeppandon all over.

Moguera fired its Plasma Laser Cannons and Auto Lasers and blasted him all over.

Fumio and Kubota came at us and we punched and kicked him.

We tied them up.

Me: You two aren't worth killing anyway. You'll be better suited for the M.O.E.

Laval got out his Rider Ticket

BYAKKO!

Laval fired energy beams and blasted Zeppandon all over.

But then...

KRASPLAT!

Nico got hit on the head with a huge egg! Splattering him all over!

ME: YUCK!

Nico: OH YUCK!

Me: That is a nasty egg!

Irena Malloy got out her Rider Ticket

RAMPAGE!

She smashed Zeppandon all over.

Nico: OKAY WHO IS THE WISEASS!

?: SORRY I SAY SORRY!

A figure flew in and it was a girl with orange hair, red eyes, black clothes and wings and a tattoo of Foghorn Leghorn on her arm and a tiara with Kickin Hawk on it.

Me: (GASP) Sandra Leghorn!?

Nico: Kickin Hawk's Embodiment!?

Me: Yep.

She fired energy blasts and blasted Zeppandon all over.

Sandra Leghorn: (GRUNTS) That's what, I say that's what I call fun.

Sandra lost control and tried to cut David Cain up with her retractable talons

But he dodged them and kicked her.

I fired the Antidote beam and injected her.

Me: There.

?: (ECHOING) TERRA FORCE!

A ball of energy flew in and blasted her down.

Me: WHOA!

WarGreymon came!

Me: WarGreymon!

Nico: WHOA!

WarGreymon: (In a girls voice) Looks like I got here just in time.

Nico; Verona War Grey!

WarGreymon: Awesome to see you again Nico. I'll hold her off. You guys take care of that monster.

Me: Right!

Akiza charged at her and fired waves of rose fire and blasted her.

Palutena fired waves of light and blasted her.

Me: YEAH!

Nico: Time for some pain!

Akiza got out her Rider Ticket.

ROBO ROXY!

Akiza: TRONICS!

She summoned a bunch of Tronics and they went and bashed and blasted Sandra all over.

Eli: Spiral Grenade Missiles fire!

He fired Grenade Missiles and blasted Zeppandon all over.

Akiza: Fitting considering what today is.

Me: Yeah.

Palutena got out her Rider Ticket!

DAVID CAIN!

She kicked Sandra down.

Verona reverted back and was a girl with orange hair, blue eyes, orange clothes and red angel wings and had the Crest of Courage on her forehead and had WarGreymon on her shirt and skirt and had a deadly sword in her hand.

Verona War Grey: Lets see her stop this! (ECHOING) NOVA FORCE!

She spun fast and formed a golden tornado and bashed down Sandra and the antidote took effect and she had her blue eyes back.

Sandra Leghorn: (Groans) What the I say what happened?

Me: Ugly story.

We helped her up.

Eli: Lets finish this guy.

Haruki: With pleasire.

They fired energy blasts and blasted Zeppandon and he exploded!

EXTREMELY MASSIVE EXPLOSION!

He was dead!

Nico: Zeppandon you have failed this world!

Me: YEAH!

Akiza: Wasn't really expecting the two others

Me: Me neither. But it's fitting because the Ultraman battle Kaiju.

Nico: Yeah.

Verona War Grey: That is for sure.

Me: Yeah. What is your favorite memory of Nico?

Verona War Grey: When me and Nico battled a bunch of Meat Smugglers and turned them over to the cops. I love to eat meat.

Nico: Yep.

Me: Nice.

Nico and Verona hugged.

Nico: I've missed ya.

Verona War Grey: Me too Nico.

Haruki: Leni, ever since I met you, Sweetie Drops, and Emily, I've seen you 3 as sisters

Leni: Oh Haruki!

They went and hugged and Lyra hugged him too.

Me: Guess that makes Haruki part of the family with Lincoln.

Nico: Yep.

We were happy for them.

We went back home.

We arrived.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone what happened.

Carol: Are you serious!? The Nebula M Aliens appeared!?

Me: Yep.

Eli: And they are now in the M.O.E.

Nico: Izzy, you, Pepperdance, and Namine's missions are next

Izzy Moonbow: WOOHOO! This is gonna be fun!

Pepperdance: (Cajun Accent) Ooowee! Yeah!

Namine: This will be cool!

Lola: Yeah!

We were flying to an awesome new place over in Louisiana.

Nina Everton: You guys will love this place

Nico: Where are we going?

Callie Chili: My house and it's spicy.

Nico: (GULPS)

Me: This will be awesome.

Camie: Yep.

We landed and we saw that Callie's house was a Chili Pepper house.

Me: Whoa your house is a Chili Pepper?

Callie Chili: Yep. My family is a bunch of Chili Pepper Lovers and Chili Chefs. They love cooking chili.

Homer: WOOHOO! Bring on the Chili!

Kikyo Inuyasha: I've been here sometimes

Qin: Me too. It's awesome.

We saw Callie's parents making chili for a bunch of kids.

Connie Chili: Callie!

Carl Chili: Hey princess!

Callie Chili: Hey mom, Hey dad. Hey little sisters. Guys this is my mom and dad Carl and Connie and these are my sisters Coriander, Cumin, Cayenne, Cajun and Cardamom.

Me: Pleasure to meet you all.

Carl Chili: You too J.D.

Me: That is so cute that your sisters all have names for Spices.

Callie Chili: Yeah it sure is. My real name is Cinnamon. But everyone calls me Callie.

Me: Nice.

They saw Nico.

Cajun: Brother Nico!

They went over and hugged him.

Nico: Hey girls.

Poliwag: Remember me?

Cajun: Poliwag!

They hugged him and Poromon.

Coriander: Wow Poromon too. So awesome.

Connie Chili: Why is Nico scared?

Me: He thinks you're going to blow his brains out with a shotgun should he hurt your daughter Callie.

Carl: Goodness no! Maybe with our hottest ever chili but not a shotgun.

Polwag: Nico, put this shirt on.

Nico: Okay.

Nico put the shirt on. It said Shoot Me with a bullseye on the center of the shirt.

Poliwag: The bullseye is where you shoot. Fire away!

Me: Guys!

Maria: Wait. What do you mean by hottest ever chili?

Carl: We make a chili that is so hot that it is hot enough to kill.

Me: WHOA! What is it made with?

Carl: Peppers that are as hot as a billion suns.

Qin: (GULPS)

Eli: Crazy!

Varie: That must be some lethal stuff.

Poliwag: You don't want to try it.

Maria: How do you know?

Poliwag: I was told about it.

Me: Whoa.

Lola: That must be really lethal and potent.

Camie: Yeah.

Cajun: All the chili we make is good.

Me: Wow.

Poliwag: Let me demonstrate me trying a chili.

Skullcruncher: You sure about that?

Nico: Poliwag no.

Poliwag: Okay okay.

Carl: But Nico you have our blessings for Callie.

Connie: We know she is in good hands.

Nico: Thank you.

?: That is a relief.

A girl with purple hair, purple eyes, blue clothes and wings and a tiara with Cloud Man on it came.

Nimbus Cloud: Nimbus Cloud, Embodiment of Cloud Man.

Kim Possible: Awesome to see you Nimbus.

Sam Simpson: Its been a while.

Nimbus Cloud: Been a while Kim and Sam.

Warpath: How did you meet Kim and Sam?

Nimbus Cloud: I met Kim while she and her friends faced Monkey Fist and I bashed his face in.

Me: Nice.

Nimbuh Cloud: And I met Sam while she and her friends battled Mandy who was a 50 foot tall monster. I punched her face in and sent her crashing into a huge rock.

Me: Nice!

Qin: Served her right.

Me: Yeah. Would you like to join us?

Nimbus Cloud: I would be honored

Pharaoh Man: Well, we've gotta go. Big mission today

They nodded and waved to us.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Smolder, Eli, and Chloe Bolton's big day mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red

blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Greeza, and he's on the move and he's causing havoc. When we saw it, we knew it meant big trouble.

Lincoln, me, and Nico: So, you've finally made your move, Greeza.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: it was none other than Greeza, and he's on the move and he's causing havoc.

WE GASPED!

Smolder: I knew it.

Nico: Same here, I knew he'd be on the move. Now, we can finally end him and send his ass straight to The Black Abyss.

Valencia Nightingale: Along with Emile Blackmore, I just got a message from the Watcher, Chris: the other Watchers are heading to Japan right now.

Me: Nice.

Nico: Try to play us for fools and use Zachary's identity, will he? He's gonna regret it. Alright, team, let's go, we're off to help the Ultraman X team destroy Greeza.

Lincoln: That monster's heading to The Black Abyss and he will never ever return.

The previous group came

Felix Faust: Can me, Titanium Man, Trumbipular, Magneto, Kyd Wykkyd, Misty Tredwell, Harpymon, Thundermon, Count Nocturne, and Black Lance go with you guys?

Nico: Yes you all can.

Me: Yep.

Marah: Nico, which Gene Slammer do you think you'll meet next?

Nico: MetalSeadramon next.

Me: WHOA!

Qin: Dark Master time.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, the figure was none other than Eli's old archnemesis, Davy Jones, and that undead pirate's come back from the dead wanting terrible vengeance on us. When we saw it, we knew it meant big trouble.

Lincoln, Nico, and me: YOU'VE GOT TO BE FUCKING KIDDING!

King Triton: Please, tell me that wasn't who I think you all just saw.

Lincoln: Afraid so, King Triton your majesty, and this is someone that we're not going to like in the slightest: the figure we sensed is none other than Eli's old archnemesis, Davy Jones, and he's come back from the dead wanting terrible vengeance on us.

EVERYONE GASPED! AND ELI WAS MEGA PISSED OFF WHEN HE HEARD THAT!

Eli: HE'S WHAT?! (GROWLS)

Ace: What's with Eli? I've never seen him that angry.

We explained the whole situation, and those who hadn't joined before were horrified.

Travis Tackett: Damn.

Cage Blunt: This...is really personal.

Cage Blunt gave Eli a shotgun.

Cage Blunt: The second he even takes one last breath, shoot his head clean off.

Eli: Will do.

Nico: This'll be the last time we ever deal with that heartless wretch. Alright, team, let's go, we're off to Japan to help Daichi and the team destroy Greeza.

Lincoln: That monster's taken his last breath, along with you as well, Davy Jones. As for you, Emile Blackmore, you better be ready to pay for what you did ten years ago.

Smolder: All three of those shameless monsters are heading straight for The Black Abyss. Daichi, everyone, hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to destroy Greeza and end his reign of terror, and once we do that, it'll soon be the turn of Eli's old archnemesis, Davy Jones, along with Valencia Nightingale's toxic ex-cousin and the murderer of her older brother Zachary Nightingale, Emile Blackmore.

We were off

* * *

We arrived.

Trumbipular: We should call Baron Mordo here

Me: Good idea.

We did so.

Baron Mordo: I'm here.

Me: Awesome.

Daichi: Hey guys you all made it.

Me: Like we would miss this.

Smolder: Yeah!

Me: Awesome to see you Daichi

Xion: How've you been?

Daichi: Busy.

Me: Oh. We owe you big for helping us.

Kyd Wykkyd: That's right. You helped fend off Beroba

Daichi: Yeah that was cool.

Lola: It sure was.

Camie: We all thought it was fun.

Nico: Shall we talk more at your base?

Daichi: Good idea.

We went to XIO HQ.

We arrived there.

Asuna: Hey guys!

Me: Hey Asuna.

Brawl: Daichi, is your favorite attack the Xanadium Beam?

Daichi: That's right. That is so awesome.

Me: It sure is.

Qin: Yep.

Harpymon: Nico met you first, right?

Daichi: He sure did.

Harpymon: Then you should be proud of him for all the good things he's done before and after becoming leader

Daichi: Oh we are and it's awesome.

Asuna: It sure is.

Me: Yep.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume carrying one bottle of beer.

Poromon: (to the Ultraman X team) Hello there! I'm the beer fairy! Come to give you guys one bottle of beer!

Golden Queen: You get one under your pillow if you're good.

Me: Yep.

Asuna: Oh Poromon is so cute in a fairy costume.

Poromon: I Sure am.

Me: Yeah.

Daichi: But I don't drink sorry.

Asuna: Yeah me neither.

Poliwag: (Does Puppy eyes) Aw pwetty pwease?

Nico: Poliwag that's enough.

Daichi: I heard Gotham Royal York is an amazing place and the view from your tree is incredible.

Me: Oh it is. And at 528,000 feet up the view of the planet is breathtaking.

Camie: Yeah.

Me: And there are some things not to be liked there. Like a certain movie that tarnished Pooh's image.

Daichi: You mean?

Poromon: WE MEAN THE BLOOD AND HONEY MOVIE! (Shows trailer close to Daichi's face) LOOK AT IT!

Emerald Sustrai: You're only getting the short version since you probably saw the trial.

Daichi: Yeah we saw it.

Asuna: I hate that movie! I'm glad it's gone.

Me: So are we.

Daichi: (to Poromon) So, are you and Manaphy getting married yet?

Nico: (laughs) He asked that question yesterday!

Poromon: it's true. But not yet. We haven't picked a date yet.

Me: We'll think of something.

Lincoln then had a Premonition.

Lincoln: (GASP) WHOA MAN! Eli you aren't going to like this! But we're facing your Akuma named Darth Ellius. The Hypothetical Akuma of Eli Winston Bullock and a true master of the powers of the Dark Side of the Force and is as strong and powerful as Palpatine times 1,000. He was made when he witnessed Palpatine kill Anakin and he wants revenge on him for that.

WE GASPED!

Daichi: An Akuma of you? The word I'm looking for is scary

Me: yeah.

Lincoln showed a sketch of him and we saw that he looked like a Sith Lord.

Me: WHOA!

Daichi: He's a Sith Lord! Whoa!

Pain Yatta: He better not slice me open!

Qin: We won't let that happen.

Nico: Lets go stop him.

Eli: Right.

Me: Yeah.

Baron Mordo: Lets go then.

We were off.

Count Nocturne: He's somewhere around here

Me: There!

I fired a blast of energy and blasted him in his back.

We saw DARTH ELLIUS!

Me: Eli!

Darth Ellius: So you all came.

Eli ignited his lightsaber.

Eli: I can't believe this is what I would turn into!

Circe: Eli, you still remember us, right?

Darth Ellius: I can never forget you all. Especially you bro. But where is Palpatine?

Me: He is dead. I killed him. But Anti-Monitor no doubt brought him back.

Darth Ellius: I see.

Baron Mordo: Eli please calm down and lets talk this over.

Darth Ellius: Not until Palpatine is dead.

Me: Sorry bro.

I fired energy beams and Baron Mordo fired magic and blasted him.

Eli fired Force Lightning blasts and blasted him.

Darth Ellius: my turn!

He fired Force Lightning and we deflected it.

We clashed more with him.

Then we fired energy blasts and blasted him down.

He was knocked out cold.

Thundermon: The Sith look doesn't suit you, Eli

Eli: You're right on that.

Qin: Yeah.

Camie: i agree

Nico: Yeah.

Astro Man: But that's one problem down.

Magneto: At least he didn't use any Force tricks on us

Me: Yeah.

Qin: That is true.

Eli: Yeah.

Me: Now time for the main fun.

Camie: The usual battles?

Qin: Yep.

Lola: Yeah!

Then Toyman, Artie Ziff, King Hiss, Mammoth, Kaos, Dr. Viktor, Mr. Fizz, Technus, Carly Atlas, and Katnappe came.

Nico: Toyman, Artie Ziff, King Hiss, Mammoth, Kaos, Dr. Viktor, Mr. Fizz, Technus, Carly Atlas, and Katnappe

Toyman: Good thing Eli's Akuma didn't have Battle Droids with him

Artie Ziff: He was still dangerous though

King Hiss: But now, he's taken care of

Me: Yeah no kidding.

Mammoth: (to Nico) Heard you pounded Kevin Wendell Crumb.

Nico: We sure did.

Carly: (to Haiku) You should take care of that Corviknight

Haiku: Oh I will.

?: I agree there.

A figure came out and it was HORN from Lost Galaxy Episode 4!

Horn was an alien thief and arms dealer who specialized in stealing and selling the things. He was hired by Furio. Furio ordered Horn to steal the Quasar Sabers. Furio also tasked Horn to steal the Transdaggers for Scorpius. Horn agreed to help the general, excited at the prospect of capturing rare weapons like the Quasar Sabers, but refused to give the general the Transdaggers in his possession. He raided the GSA weapons cache, effectively drawing the Rangers out in the open. He snatched every Quasar Saber from their respective Rangers, save Leo Corbett's. When he refused to let go of his, Horn captured him along with his saber. Afterward, he had the Stingwingers melt down every weapon but the sabers, citing they are too precious to destroy when Furio demanded he throw them into the melting pot. Leo's saber rebelled against Horn, effectively orchestrating his escape, which allowed him to switch the Sabers with fakes. Horn then enlarged himself but was defeated by the Lion Galactabeast.

Leo: Horn!

Horn: Been a while.

Me: I remember you! You were hired by Furio to steal the Transdaggers and Quasar Sabers for Scorpius.

Horn: That's right. Good memory.

We got to a hideout and we saw GARGORGON!

Nico: Gargorgon.

Chum, Baron Mordo and Sir Toasty went up to him.

Greeza: (to Chum, Baron Mordo, and Sir Toasty): You 3 are just in time for me to watch as I kill Ultraman X and destroy this wretched world!

Sir Toasty: Sorry but I'm afraid that's not going to happen.

Baron Mordo: Our friends are not going to be happy about that.

Then the spirits of the Ultraman came and swirled around them and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMMMM!

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out.

Nico: Hello Greeza.

Greeza: Hello, Nico Chan. Long time no satisfying revenge!

Nico: And it's nice to see you too!

Greeza: Its been a long time Nico Chan. You have no idea how long I've waited for this. Now I can get my revenge on you for all the humiliation I suffered against you! So the famous Team Loud Phoenix Storm is with you too. But then again monkeys do travel in troops.

Nico: And I thought we were rid of you for good Greeza! Last I remember I helped the Ultraman X team obliterate you into nothing.

Me: I'm guessing Anti-Monitor brought you back. Am I right about that?

Greeza: And what a poetic treat it was. Having your new big bad bring me back to life from the humiliation I suffered in Hell! You can never understand the depths of my suffering there! I was strum up like a damn pupating moth hung over a field of delicate little flowers where hordes of angels and fairies and enchanted stuffed animals lived! They sang songs and did acidine tunes where the only thing they cared about getting in life was their next warm fuzzy hug! Instead of taking over the universe I WAS SERENATED BY TEDDY BEARS!

Nico: Don't try to pin that on me Greeza! You are the one that came to Earth looking for a fight! That's why Daichi and I took your life! It was your choice!

Greeza: Oh but I had to come back Nico because you are far too thickheaded to understand. Your death is my remedy and I will never be able to sleep in this cosmos knowing that I share it with you!

Me: You know it's funny. Frieza said the exact same thing to Master Goku before.

Davy Jones: I feel the same way.

Ariel: You're going to pay for killing my mother!

Davy Jones: Oh, but I had so much fun in killing your mother. Hell, maybe I'll savor killing her this time!

Jack Sparrow: Never thought you'd actually sink low, Jones.

Eli: You will pay for everything you did Davy! I will make sure you never return to this plane again and I will see to it that you pay for everything you did to Atlantica and to me and to my sisters!

Ariel: Yeah!

Greeza: Tronics!

An army of Tronics appeared

Me: I had a feeling it was going to be Tronics!

I fired waves of energy and blasted the Tronics and powerful fiery explosions blasted out all over.

Nico: You may look the same as you were when we fought the last time, but unlike you I've gotten far more powerful since the last time we fought.

Greeza: We'll see about that!

Then the Tronics jumped the Ultraman X Team.

The Ultraman X team lay defeated at the hands of the Tronics.

Greeza: (laughs evilly) Oh, don't worry, Ultraman X. I'll let you live just long enough to see Davy Jones kill Triton's wife again.

Poromon: (pecks Tronic) Oh no. What do we do?!

I fired energy waves and blasted the Tronics all over.

Eli, Chloe, and Smolder got an idea.

Eli: Everyone in the audience! Lend the Ultraman X team your strength!

Chloe: They get stronger with your support!

Smoldor: When we give the signal, share your energy with the Ultraman X team. Okay? Ready... go!

Everyone in the audience began sharing their energy with the Ultraman X team. And soon, Daichi found the strength to get up.

Daichi: Sorry, Greeza. But Ariel's mom isn't dying again!

Daichi then punched a Tronic.

Greeza: WHAT!?

Davy Jones: NO!

Daichi: Thanks for the help, everyone.

Smolder: You really have lots of fans, Daichi.

Eli: And it's all thanks to us.

Chloe: Damn right it is!

Nico: Shall we finish this, babe?

May: What do you think?

Me: Lets get them!

Nico: We have a score to settle Greeza!

Greeza: So it would seem.

Nico then transformed into his most powerful transformation!

Nico: Fight me if you are ready to die!

Smolder: Can me, Eli, and Chloe transform with you guys?

Devon: Sure, Smolder.

Beast Morpher Rangers: IT'S MORPHIN TIME! ACTIVATE BEAST POWER!

They transformed!

Ryusei slides a switch on his belt, activating it

Meteor Driver: Meteor, Ready?

While this goes on, Gentaro is busy flipping the red switches on his belt downwards before grabbing the lever.

Fourze Driver: 3! 2! 1!

Ryusei, Nadeshiko and Gentaro: Henshin!

With that, Gentaro pulls the lever and is surrounded by some sort of construction field resembling a Stargate almost while Ryusei is surrounded by cosmic energy, causing him to take the form of a meteor and fly into several Tronics before returning back to the point he originated from, at which point the suits are revealed. Ryusei is shown in a black suit resembling a star map and decorated with a blue shoulder pad and sash connector and blue comet looking helmet with red eyes atop a silver base, with a strange device on his right wrist and an odd blue point on his left thumb. Meanwhile, Gentaro appears clad in white and black with huge orange eyes and accents of the same orange, and four unique points on his wrists and ankles: an orange circle on his right wrist, a blue X on his right ankle, a yellow triangle on his left ankle, and a black square on the left wrist.

Devon: CHEETAH POWER! BEAST MORPHERS RED!

Ravi: GORILLA POWER! BEAST MORPHERS BLUE!

Gentaro: 40 YEARS OF THE STARS! KAMEN RIDER FOURZE!

Ryusei: 40 YEARS OF THE PLANETS! KAMEN RIDER METEOR!

Nadeshiko: 40 YEARS OF SCIENCE! KAMEN RIDER NADESHIKO!

Fourze Riders: CELEBRATING 40 YEARS OF RIDERS! KAMEN RIDER FOURZE!

EXTREMELY MASSIVE EXPLOSION!

Gentaro: (Throwing his arms up in his classic pose) Space is here! Time to settle this, man-to-man.

Ryusei: Time to decide your fate.

Beast Morpher Rangers: Unleash the beast!

They were ready!

Nico: Now you will face the ultimate wrath of our power!

Greeza: (ROARS) DAMN YOU, YOU GODDAMN MONKEY! I'LL DESTROY YOU!

Davy Jones: I WILL HAVE MY REVENGE ON ALL OF YOU FOR DESTROYING ME, TEAM LOUD PHOENIX STORM!

?: AND SO WILL I!

We then saw our third and final target appear: Emile Blackmore. But, before he could attack, The Watchers appeared and started shooting at Emile Blackmore, as he got hit but survived, but he was pissed off!

Smolder: I don't think so, Greeza. Your days of causing havoc are done.

Chloe Bolton: You're going to pay for everything you've done.

Eli: Along with you and Emile Blackmore, Davy Jones, all of you are going to die for your crimes!

Suddenly, the eyes of Smolder, Eli, and Chloe Bolton turned neon purple and neon blue, and they were surrounded by colored energy auras, stars, magic, elemental forces, mythological animals, phoenixes, and angels, and as they approached Greeza, Davy Jones, and Emile Blackmore, they left colored energy, stars, elemental forces, mythological animals, phoenixes, and angels with every step.

Smolder: You really really make me sick, Greeza, you caused Daichi and his team more than enough trouble for the last time.

Chloe Bolton: And now, we will make absolutely sure you pay the price for your crimes with your life.

Eli: That's right, and once we get done with him, it'll be your turn, Davy Jones, this time, I will finish what was begun long ago and put an end to your miserable life here and now, and as for you, Emile Blackmore, you'll also pay for everything you've done in tearing Valencia's life apart when you killed Zachary Nightingale and her parents ten years ago!

Ariel: You caused my father, my sisters, and I far too much hurt when you murdered my mother, and for that, you must pay the price for your crimes.

Queen Athena: And that price is your life. Davy Jones, as the Queen of Atlantica, I hereby sentence you to death for the crimes you have committed against the seas for hundreds of years, and this time, you will never ever return.

Melody: The suffering you caused my grandfather, my mother, my aunts, and Eli can never ever be forgiven, you will pay for what you've done.

Eli: That's right, this is the last time I ever have to deal with you, you heartless monster.

We were amazed by the transformations of Ariel, Queen Athena, Melody, Eli, Aquata, Andrina, Arista, Attina, Adela, and Alana, and when Lincoln saw Aquata, Andrina, Arista, Attina, Adela, and Alana, he had an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood, and he also fired a powerful barrage of rainbow energy blasts, mythological animals, mythical beasts, and elemental forces which hit Davy Jones and Emile Blackmore and sent them flying into a wall, they got back out, but now, they were super pissed off!

Lincoln, Ariel, Melody, Queen Athena, Eli, Aquata, Andrina, Attina, Arista, Adella, Alana, Nico, and I went after Davy Jones and Emile Blackmore, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Davy Jones and Emile Blackmore and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ariel, Melody, Queen Athena, Eli, Aquata, Andrina, Attina, Arista, Adella, and Alana also did the same by firing rainbow energy slashes from their massive greatswords and gold-plated dragon claws, and he, Ariel, Melody, Queen Athena, Eli, Aquata, Andrina, Attina, Arista, Adella, Alana, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Davy Jones and Emile Blackmore even angrier than ever.

Then, Lincoln fired energy daggers at the Monitor Orb embedded in Davy Jones' forehead and it shattered and we gained a massive power boost while Davy Jones screamed in total agony.

Emile Blackmore: WHAT THE HELL?!

Baron Mordo: (to Davy Jones) Oh, I know how to kill you!

Baron Mordo fired waves of magic and blasted him all over the place.

Eli: This is for Athena!

He kicked him in his face and punched him.

Eli: This is for Ariel!

POW! BLAM! SMASH!

He punched him all over.

Eli: This is for Melody!

He kicked him in his chest and kicked him in his stomach!

Eli: This is for Atlantica!

He fired energy blasts and blew his arms off!

Eli: And this is for me! JUST FOR PISSING ME OFF!

They fired waves of energy and blasted him all over.

Davy Jones: YOU! YOU! I'M NOT FINISHED YET!

But, before Davy Jones could attack, Lincoln touched his arms and they decayed and turned to dust as he screamed in more agonizing pain, and he, Ariel, Melody, Queen Athena, Eli, Aquata, Andrina, Attina, Arista, Adella, and Alana fired energy blasts that eviscerated him forever, and his spirit appeared.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done forever, Davy Jones. YOUR TIME'S UP!

Suddenly, the bell of judgement rang in Davy Jones' ears meaning that his time was finally up! Then, the spirits of all those he'd killed over the centuries appeared and grabbed him.

Spirits: Guilty!

The spirits finally found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on Davy Jones' forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Davy Jones: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU, ELI WINSTON-BULLOCK! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST INSANE SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS PIECE OF TRASH, AND DON'T YOU DARE COME BACK, YOU PIECE OF SHIT!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, accessories, Third Eyes, large white wolf ears and longer wolf tails, longer colored mermaid tails, fifteen large colored planets orbiting the legs and fifteen smaller planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized planets orbiting around the wrists and ankles, and massive five sets of angel wings of Ariel, Melody, Queen Athena, Eli, Aquata, Andrina, Attina, Arista, Adella, and Alana are permanent.

Eli: It's finally over. Now, Davy Jones' miserable life has finally finally come to an end!

Emile Blackmore: NO! YOU! YOU WILL ALL PAY!

But, before Emile Blackmore could get after us, Caleb Maxwell shot him in the head, and he was dead as he hit the floor and he was sent to The Black Abyss after being found guilty.

?: Aw, we missed the fight.

Suddenly, we saw three girls appear: the first girl has red hair, red clothes, red angel wings, and she has the Uzumaki emblem on her forehead and the Anti-ROOT symbol on her right arm and a fire sword in her hand, the second girl has purple hair, purple clothes, red and black angel wings, and she has the Sound emblem on her forehead and the Anti-Orochimaru symbol on her right arm along with the Kusanagi sword in hand and a flute on her right hip, and the third girl has purple hair, purple clothes, purple angel wings with stars and the moon, and she has the Hidden Moon emblem on her forehead and skirt, the sun and moon tattoo on her right arm, and a star scythe in hand.

Lincoln: (GASPS) Cira Kusanagi Oto, Embodiment and Avatar of The Hidden Sound Village and Goddess Queen of Poison, Sonic Energy, Sound, and Fire, Melanie Uzumaki, Embodiment and Avatar of The Hidden Eddy Village and Goddess Queen of The Sword and Emissary of the Uzumaki, and Luna Diana Tsuki, Embodiment and Avatar of The Hidden Moon Village and Goddess Queen of Darkness, Moonlight, and The Night.

Naruto: We were just about to run into you all.

Me: You guys know them?

Lincoln: We do.

Sakura Haruno: And so do we, the first girl is Luna Diana Tsuki, Embodiment and Avatar of The Hidden Moon Village and Goddess Queen of Darkness, Moonlight, and The Night, she's Lincoln's Guardian Angel from The Hidden Moon Village and she's a powerful shinobi and deadly master of moonlight, the night, and darkness, and she's The Queen Goddess of Darkness, Moonlight, and The Night, and she's also a great protector of the Leaf and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are, and she's a very good friend of Naruto, Lee, myself, and the head of the village, Tsukino. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Lee, and I, and many Shinobi across the world of Shinobi, and she also taught him many powerful Dark, Moonlight, and Night Style Jutsu, along with the powers of darkness, moonlight, and the night. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Luna to go to a Japanese Restaurant, and they both enjoyed their date, and Luna hates all of Lincoln's enemies with a vengeance and she vowed that if they hurt him in any way then she would send them to the moon to die.

Selene Arcangela: The second girl is Melanie Uzumaki, Embodiment and Avatar of The Hidden Eddy Village and Goddess Queen of The Sword and Emissary of the Uzumaki, she's Lincoln's Guardian Angel from The Hidden Eddy Village and ultimate master of the powers of the Uzumaki Clan, she's a powerful shinobi and deadly master of the Sealing Jutsu and power of the sword along with being immortal and more, and she'spowerful friend of all the members of the Uzumaki Clan as well as Kushina, Tayuya, Karin, Honoka and Mito and many members. Including Naruto, Tsunade, and many more. She is also a great protector of the Leaf and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. But, there is one villain she vowed to make sure that he suffered for ALL OF HIS CRIMES!, that one villain is Danzo Shimura because he's behind the destruction of the Uzumaki and the Hidden Eddy which left it in ruins and he'd killed numerous members of the Uzumaki. She vowed to make sure that monster pays for his crimes! Once she was done with him and he is dead and gone, she would make sure his name is removed from the records and history books in all but one, he'll be mentioned as the facilitator of the Uzumaki clan's decimation and the accomplice to the assassination of the Third Hokage. He would be seen only as a traitor to his village, allies and best friend. In all other areas he'll be a ghost, a shadow with no one remembering who that old mummy was and his birth certificate, his diploma from the academy and his promotion documents. Every citation, award and pronouncement will be destroyed, his name would be in ashes, scattered to the winds. In death he will be as his minions. A nameless, faceless, unmourned and unremembered forgotten soul where he would never exist. When she is done with him, he will be nothing but a figment of the imagination. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Kushina, Honoka, Mito, and many Uzumaki members and many shinobi in the world of Shinobi, and he has Tayuya and Karin in his harem, and she also taught him many powerful Sealing Jutsu and sword techniques along with the many powers of the Uzumaki Clan. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Melanie to go to a Japanese Restaurant, and they both enjoyed their date, and Melanie hates all of Lincoln's enemies with a vengeance and she vowed to make sure that they would suffer the same fate as Danzo and be forever forgotten if they ever went after Lincoln again.

Me: I remember hearing about her, they said she was a legend, but she's all too real.

Selene Emperyous: You said it, and the third girl is Cira Kusanagi Oto, Embodiment and Avatar of The Hidden Sound Village and Goddess Queen of Poison, Sonic Energy, Sound, and Fire, she's Lincoln's Guardian Angel from The Hidden Sound Village and the true ruler of The Hidden Sound Village, she's a powerful shinobi and deadly master of poison, sonic energy, sound, and fire, and she's good friends with Naruto, Kin Tsuchi, Guren, Yukimaru, Isaribi, Anko, Tayuya, and the Fuma Clan, and she's a powerful force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are, and Orochimaru invoked her wrath 10 fold by stealing her rightful place as the true Otokage, and she absolutely HATES AND LOATHES AND DESPISES THAT EVIL SNAKE with the intense burning fury of a billion suns with every fiber of her being. And she when she saw all the people of the Sound being used for inhumane and terrible experiments in Orochimaru's quest for ultimate power in all the Jutsu in the world, and she vowed to destroy that evil madman snake and make sure he gets destroyed times 10,000,000,000 for his crimes, and she swore to make that monster pay big time. She swore to make that monster pay big time, and she's even the leader of a powerful group of rebels called the Anti-Orochimaru Brigade and their goal is to erase EVERY TRACE of that horrible madman forever, by destroying and killing all of his experiments, but some of Orochimaru's experiments were allowed to live and be with her and her army, and she even dealt Orochimaru a TERRIBLE CURSE on him: as part of an ultimatum, she warned that if he didn't stop this senseless quest for power and killing countless innocents to get what he wants, then, he would pay the ultimate price with a curse that would banish him to The Black Abyss. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Sasuke, Ino, Sakura, Kin Tsuchi, Guren, Yukimaru, Isaribi, Anko, and the Fuma Clan and many shinobi in the world of Shinobi, and he has Tayuya in his harem, and she also taught him many powerful Poison, Sonic, Sound, and Fire Style Jutsu and techniques along with the powers of poison, sonic energy, sound, and fire. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Cira to go to a Japanese Restaurant, and they both enjoyed their date, and Cira hates all of Lincoln's enemies with a vengeance and she vowed to make sure that they would suffer the same fate as Orochimaru if they ever went after Lincoln again.

WE WERE PISSED OFF!

Nico: So, you're the true ruler of The Hidden Sound Village, and that fucking snake, Orochimaru, stole that role away from you?! He's committed the crime that damned many foolish souls: usurping the role of village ruler. If we face him in the future, he's gonna pay!

King Kai: (Telepathically) That day's going to come sooner than you think, Nico, because among the villains Anti-Monitor's resurrected is none other than Orochimaru. So, when you guys get after him, make that snake pay!

Me: Oh, we will, King Kai. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Regina Estevez Salazar, Gene-Slammer of Venom Serpent.

Lori Estevez Salazar: I knew it was her.

Selene Arcangela: Same here, and you guys are going to love meeting her, Regina Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female King Cobra snake with her named Chandra and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LUAN WITH A BLAZING PASSION BECAUSE THAT HOMICIDAL DERANGED CLOWN TRIED TO KILL LINCOLN WITH HER LETHAL PRANKS, BUT REGINA CLOBBERED LUAN HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Jeez, so she trashed Luan!

Me: I remember that all too well, man, that was really brutal.

Luna: She deserved it though.

Lincoln: You got that right, I saw what she did to Luan, and boy, it was beyond brutal.

Hibino charged at Gargoron

And blasted him down and he was defeated.

Hibino: And that takes care of that

We came back

Kaos: Greeza is now destroyed for good!

Dr. Viktor: And Davy Jones has met his final end.

Me: And Eli avenged Athena and restored the light and love of Atlantica.

King Triton: And I am always going to be forever grateful to the young boy that I am proud to call my son.

Melody: And my awesome brother.

Qin: Yeah!

Technus: (to the Ultraman Mebius team) You guys helped too.

Hibino: We sure did.

Me: Thanks Hibino. We owe you big time.

Daichi: (to Hibino) See you in 5 days.

Hibino: We'll be waiting!

Daichi and Hibino high fived each other.

Mr. Fizz: Let's celebrate with some soda!

Katnappe: You guys drink soda, right?

Daichi: We love the stuff.

Me: I could go for some root beer.

Lola: Yeah!

Nico: Great job today everyone. This is number 3 of the Ultraman teams done.

Me: Yep.

Smolder: (To the viewers) Wow! What a battle! Hope you all loved this one.

Me: I know we all did.

Daichi: Yeah.

We went back home and had an awesome soda party and it was awesome. Later we got the X Team settled in and it was awesome. We then went to sleep.

I made eggs, steaks and sausages for Sakura.

She got to eating and man was she hungry.

Me: Always love coming to Paris.

Qin: Me too.

Camie: Yeah Paris is so awesome.

Fu: Especially for Marinette and everyone.

Me: Yeah. If Lila comes back the Cutie Mark Crusaders, Natsumi and Marinette, me and her friends are going to be ready for her.

Apple Bloom: Yeah we are!

Marinette: That bitch deserves the Black Abyss for her crimes.

Me: Yeah!

Shadow Man: That is for sure!

Nico: Shadow Man, I want to thank you, Crush Crawfish, and your teams for coming

Shadow Man: No problem Nico. This is gonna be awesome.

Me: Yep.

Dark Necrobat: I'm ready for this too.

Me: Yeah. Don't worry we warned all of France to be ready should that day come.

Nico: Good.

Qin: Yeah.

Tsuyu: But we're ready for her. Ribbit.

Lola: Yeah!

Momo: I can't wait to smash her face in.

Camie: Same here!

Ace: YEAH! Boy Lila sure gave you LOTS of headaches in the past didn't she?

Me: Big time fucking understatement Ace.

Nico: Yep. Dark Necrobat, what do you like to do in your free time?

Dark Necrobat: I like to teach everyone at the zoo about how bats behave and all that.

Me: That is very coincidental. Earlier last month we went on a field trip with Ms. Frizzle and learned a lot about bats too.

Simone Houou: We sure did and that was so fun.

Fluttershy: That was so amazing to see and everyone looked so adorable as bats.

Me: (LAUGHS) Yeah all of Ms. Frizzle's class looked awesome.

Nico:...you don't have a thirst for blood, do you?

Dark Necrobat: Oh goodness no! I don't drink blood. I drink oil.

Me: He drinks 30 weight oil.

Dark Necrobat: Yeah I don't even like blood.

Nico: That's a relief.

Qin: Yeah.

Me: WHEW! Man what a mission. Eli I'm really proud of you for doing a great job yesterday. You, Smolder, Chloe and everyone did amazingly well.

Eli: Boy no kidding! That was epic!

Nico: Yep and my unfinished business in the past with Greeza is done.

Me: And we've now officially seen the last of Davy Jones.

Ace: I can tell he caused a lot of pain for you

Eli: Yeah he did. He killed Ariel's mother Athena and made King Triton a bitter man that hated humans.

Nico: Yeah.

Me: We killed him 3 years ago in the world of the 3rd Pirates of the Caribbean movie and got him to openly admit that he murdered Athena and broadcast the entire confession to Atlantica.

Nico: Yeah.

Ace: That is horrible! But she's back with you guys right?

Me: Yep. Resurrected her on Melody's birthday.

Camie: Wow!

Me: Yeah that was awesome.

Varie: What Davy Jone did is completely unforgiveable.

Nico: That is for sure. But now Athena has been avenged.

Neon: Eli must've hated him just as much as he hates Sephiroth.

Nico: Considering what Jones caused, Eli probably hated Jones more

Eli: Actually I hate BOTH of them equally. Sephiroth killed Aerith in my universe and as we were fighting Jones, he bragged that he killed Athena when we were there.

J.D. 3: (Through my crest) It's true. Eli HATES BOTH OF THEM! They killed 2 people he loved more than anything. He vowed to kill Davy Jones and Sephiroth to avenge them.

Neon: JEEZ! Eli REALLY wants to make them suffer.

Nico: Yeah he does.

Me: We'll face Sephiroth one day again and make him pay big time. With the Black Abyss.

Eli: Yeah!

Girl Jordan: I feel the same way Neon. Carnage ruined my life by destroying my ties to my family. That's why I hate him more than anything too. I vowed to make ALL VERSIONS of Carnage suffer the same way.

Neon: Whoa!

Me: Yeah no kidding.

Nico: At least the Kraken wasn't present

Me: Thank goodness. But if it were we would eat that monster for dinner.

Nico: Yeah!

Me: Or better yet we would have him put in the M.O.E.

Nico: Even better.

Me: Yeah.

Maria: Let's get some food here.

Me: Good idea.

We went to Tom and Sabine's Boulangerie Patisserie.

Marinette: My family's bakery.

Me: Wonder how your mom has been Marinette.

Marinette: Lets go in and see.

We went in.

Sabine Cheng: Marinette! Come on in and welcome everyone.

Me: Bonjour Sabine and you too Tom.

Tom Cheng: How have all of you been?

Me: Busy as ever.

Nico: I take it you guys heard the news.

Sabine: We sure did. It was all over the news with the world leaders and everything. Anti-Monitor is now your new big bad.

Tom Cheng: Yeah but we know all of you can beat him.

Sabine: I agree.

Lincoln: We also encountered numerous new Akumas.

Me: We drew many awesome hypothetical Akuma's and they are being faced little by little one at a time and we are having them put in the M.O.E.

Nico: Show them Lincoln.

Lincoln showed his sketches of them.

Sabine: Wow those are great! And they are now in the M.O.E.?

Me: Yep.

Tom Cheng: Wow J.D. your Akuma looks amazing.

Me: I know. I looked awesome as a Knight with Armor of Fire.

Nico: Mine was a Split Personality Monkey monster.

Eli: Mine was a Sith Lord.

Me: Yeah.

Sabine Cheng: That is cool.

Nico: We even fought some non core ones

Me: Yeah.

Sabine: Wow! Boy Gabriel would have been really busy thinking those up.

Lola: He sure would.

Me: Yeah. Also Anti-Monitor brought back many of our major enemies.

Nico: And this means a certain liar must've been brought back as well.

Sabine: So Lila Rossi may be back. Look here guys.

She pressed a button and a door opened and we saw A MASSIVE AND HUGE ARSENAL full of guns, missile launchers, grenade launchers, laser guns, swords, shuriken, bombs, explosives and more.

Me: WHOA!

Nico: WHOA! You have all that?

Me: Jeez you look like you're ready to go into war against a terrorist organization.

Sabine: Yeah I know. But I am now prepared for her.

Marinette: When did you have all this put in mom?

Sabine: After word got out of Anti-Monitor bringing back many of your enemies including Lila. I figured I'm going to need all the heavy firepower I can to bring that monster down. I've been taking commando and martial arts lessons and more to help.

Me: Wow! You're really prepared!

Nico: Chloe's Dad might not be this prepared

Sabine: Oh actually he is.

Tom Cheng: All the parents of everyone whose lives Lila affected have been getting prepared for her. We have been stockpiling on weapons and more for when she comes.

Me: Wow! Like the French Revolution all over again. Except it's directed not at the French Monarchy but an evil girl that is a monster.

Nico: Boy this is going to erupt into an all out war.

Marinette: No kidding.

Apple Bloom: We'll gladly help you guys out when the time comes!

Applejack: YEEHAW! We'll bring that low down snake into the Inferno!

Me: Yeah!

Nico: Absorbing Man might be the one to kill her though

Marinette: That's true. In fact lets make it a combo where Absorbing Man, me, the Cutie Mark Crusaders, mom, dad, Natsumi and my friends all deliver the final blow.

Me: Now you're talking. That will be the ultimate final smash combo blow.

Nico: I like that.

Sabine: That is perfect.

Me: Yeah.

Nico: That's actually a pattern these days.

Sabine: I see.

Qin: Yeah.

Me: And since Lila's parents disowned her earlier, she is now officially wide open to us killing her without our code to hold us back from doing so.

Sabine: Really?

Me: Yeah we found a loophole in our code. If the parents of a monster kid that turned evil disown them then we can kill them.

Nico: Yep.

Sabine: That is a genius loophole. I agree there.

Nico: Although we were free to kill her before that

Me: True. We just didn't find out more about the loophole until earlier.

Sabine: Yeah. But we'll be ready for her when the time comes.

Me: Yep.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! What the fuck is that horrible stench!? ED!?

Ed: IT'S NOT ME!

THEN NUMEROUS PEOPLE IN THE RESTAURANT STARTED THROWING UP!

Me: GEEZ! THAT IS A NASTY SMELL!

Maria: What's making that?!

Lincoln: I think I know. Okay, gang, we're in for one really foul battle: I just got word that Hoppip's Akuma has been sighted.

WE GASPED!

Me: WHAT THE?!

Nico: Oh man, so that's what those stink clouds were? Who's this new Akuma?

Lincoln: His name is Stinkbloom, The Hypothetical Akuma of Hoppip and a REALLY STINKY AND FOUL PLANT! He is a REALLY DISGUSTING FOUL-SMELLING PLANT that smells horrible! He smells like 100,000 Moonbeasts from Dungeons & Dragons and the smell is so bad that it will burn your eyes and make your stomach turn inside out to the point where you throw up non-stop! He was made when Team Rocket was out to hurt more Pokemon and vowed to kill them buy turning their bodies into decaying flesh mounds with his stink.

Lincoln showed his sketchbook to us, and it was a really disgusting and foul-smelling plant with corpses and stinky blooms!

Me: WHOA! That is a nasty flower!

Eli: UGH! MAN, THAT'S REALLY GROSS!

Me: Looks like a Sumatran Corpse Flower times 1,000,000.

The gems on our 28th Century backpacks glowed and we had on 28th Century Exopacks.

Me: Ah, that's much better.

Poison Ivy: Let me take that stinky Akuma down, I think it's time I showed that plant what for.

Nico: Good idea, Pamela.

Suddenly, Lincoln had a premonition, and it's not good: Lincoln saw that Morgana Midnight Sparkle and her minions had brought back Abigail Seraphina, the ex-sister of The Seraphina Sisters along with Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina, the evil cousins of The Seraphina Sisters and the most notorious criminals in Royal Woods, and sent them after us.

Lincoln: Morgana, now you've really gone too far.

Me: What's wrong, Lincoln? Who did Morgana back?! Is it any more of your old enemies?

Lincoln: Afraid so, she and her minions have brought back Abigail Seraphina, the psychopathic, jealous, destructive, hateful, fire-crazed ex-sister of The Seraphina Sisters along with Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina, the evil cousins of The Seraphina Sisters and the most notorious criminals in Royal Woods, and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, now that bitch and her minions have resurrected Abigail Seraphina, the psychopathic, jealous, destructive, hateful, fire-crazed ex-sister of The Seraphina Sisters along with Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina?! Unbelievable!

Nico put his skeleton back.

Nico: I hate when that happens. Well, you know what this means, right, Lincoln?

Lincoln: Yep, just like last year, I'm going to absorb them, and this time, send them all to The Black Abyss.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I can't believe we're dealing with a stinky plant Akuma of Hoppip, and even worse, Morgana and her minions have resurrected Abigail Seraphina, along with Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina

Stella Seraphina: Well, that'll end with all of them absorbed by Lincoln.

Lincoln: Right, Stella.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were

groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Stinkbloom) AHA! Gotcha, I just spotted Stinkbloom, he's 20 yards away and is stinking up the place. (Sensed Abigail Seraphina, Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina) And I've just spotted Abigail Seraphina, Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina.

James Blunt: (Sensed a powerful energy) Someone else is coming, someone really powerful and it's someone you know, Lincoln. Do you know someone by the name of Skye Kaze Sora?

Lincoln: (GASPS) The Embodiment and Avatar of The Hidden Sky Village and Goddess Queen of The Wind, Light, and The Elemental Forces? Let's get going and fast.

Nico: Wow, you spotted her pretty quick, James. Think those powers of yours are really really evolving even more.

Me: We'll be back shortly Sabine.

Sabine: Okay.

We went outside.

WE SAW PEOPLE HURLING THEIR GUTS OUT AND THEIR EYES WERE ON FIRE.

Qin: WHOA!

PROJECTILE VOMIT TSUNAMI!

Me: HOLY FUCK! The streets are gonna be flooded with vomit if we don't stop Stinkbloom!

Luna: PUKE TSUNAMI! (FAINTS)

FWOMP!

Donkey Kong heard a Pokemon cry!

Donkey Kong: Look here guys!

We saw a Rillaboom!

Me: Whoa a Rillaboom!

Donkey Kong: And the poor thing is hungry.

He went over.

Donkey Kong: Want some bananas?

Rillaboom: I sure would.

He gave him some bananas.

Rillaboom: Ahh that was great. Thanks.

Donkey Kong: Anytime. Want to come with?

Rillaboom: Sure!

Me: Awesome.

Nico: Let's follow the stench.

Qin: Yep.

We then took off into the air and we set our sights on taking down Stinkbloom and getting rid of Abigail Seraphina, Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina once and for all.

We were flying in the air, and we spotted our target: Stinkbloom, Hoppip's Akuma, and it's really expelling stink clouds.

Lincoln: Ugh, there's Stinkbloom now.

Me: HOOWEE! Man he smells worse than Lori's farts when she doesn't shower after playing a golf game.

Lori: YEAH! (Realizes something) (OFFENDED) HEY!

Lincoln: Better take care of that stinky plant.

Lincoln fired blasts of water from his massive white angel wings and medium sized white angel wings and small sized white angel wings at Stinkbloom and they hit him and got rid of the stink clouds it's expelling and that made him roar in anger as we landed.

Me: Nice hit, Lincoln, that'll keep it from stinking up the place even more.

Nico: But, we're keeping our Exomasks on.

Lincoln: That's right, it's still as repulsive as ever!

Me: Yeah!

We landed.

Me: HOLY SHIT YOU ARE A STINKY PLANT!

Stinkbloom: I know. (LOUD FARTS) Isn't it great! (LOUD FARTS!)

Poromon: Hoppip, you still remember me, right?

Stinkbloom: How can I not Poromon. But I heard that Team Rocket is gone.

Me: I found some remnants still loose though.

I unsealed them.

Then the remnants screamed and they melted and were reduced to nothing but slop and they were burning all over.

Nico: OH GOOD GOD!

Stinkbloom: Better than nothing. And I heard Jessie and James and Meowth are no longer with Team Rocket.

Me: That's right.

Stinkbloom: Good. (LOUD FARTS!)

Nico: Yeah.

Stinkbloom: (LOUD FARTS)

Nico: GEEZ!

Stinkbloom: (LOUD FARTS) I just love to fart.

Me: No kidding.

Poliwag: You wouldn't hurt your fellow mascots. (Does puppy eyes) Would you?

Stinkbloom: (LOUD FARTS) Of course not Poliwag. You all are my family and I love you all too much. (LOUD FARTS)

Qin: That's a relief.

LOUD FARTS! LOUD FARTS! LOUD FARTS! LOUD FART!

Stinkbloom: But before we fight, you should know that there's a new Pokémon criminal organization. It's involved with the disappearance of an all girl spy team. You should target them during the Ridonculous Race this year

Me: Thanks for the heads up. What are the Criminal Organization called?

Stinkbloom: (LOUD FARTS!) I think they are called Dark Gale

Me: Never heard of them. Hmm we'll have to look into it.

Nico: We'll be ready for them.

Me: Lets dance.

I fired blasts of lightning and electrocuted him all over.

Rillaboom charged at him and fired waves of energy and blasted him.

Donkey Kong: Try this on!

He fired numerous coconuts.

Nico: Feel the fire!

Lincoln: Time to end this. And Abigail, you, Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina better get out here right now, there's no use hiding.

We then saw our secondary targets: Abigail Seraphina, along with Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina, and they had the demonic Alicorn on their foreheads.

Selene Arcangela: Lincoln was right, Morgana and her minions brought you psychopathic, vile, fire-crazed assholes back from the dead, you seriously don't know when to quit!

Abigail Seraphina: FUCK YOU, BITCH!

Abigail Seraphina formed a massive ball of fire and was about to fire it at Selene Arcangela, but Lincoln ran up and grabbed her by the neck, and he began sucking out her energy and draining her life force and he also began sucking out all her really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings and medium sized white angel wings and small sized white angel wings with aurora and orange tips spread out and his halo glowed and his rainbow energy aura and rainbow protective aura flared as he began growing even stronger.

When Lincoln was done, Abigail Seraphina was drained of energy, life, and her powers and he set her body on fire and sent her to The Black Abyss.

Simon Seraphina: NO! YOU ASSHOLE! YOU'LL PAY!

Then, Lincoln turned the tails of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina, and he began absorbing them, and he also began assimilating all their really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings and medium sized white angel wings and small sized white angel wings with aurora and orange tips spread out and his halo glowed and his rainbow energy aura and rainbow protective aura flared as he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Simon Seraphina, Henry Seraphina, Nathan Seraphina, Edward Seraphina, Edgar Seraphina, Arthur Seraphina, Harold Seraphina, and Brian Seraphina except for their clothes, and he sent them to The Black Abyss.

Lincoln: When will you and your brothers ever learn, Simon?

Stella Seraphina: They're never going to learn, Lincoln, they're stupid.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) No use complaining though, but at least, we're not breathing the same air as that plant.

Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Stinkbloom, and Caleb Maxwell fired bullets that hit him in the legs and arms, and Chris and the other Watchers appeared and started firing at him as well, and Caleb Maxwell, Cage Blunt, James Blunt and Travis Tackett fired blasts of darkness and dark energy and they hit Stinkbloom, and he got sent flying into a wall, he got back out, but boy, were he mega pissed.

Poison Ivy: Okay, boys, you've had your fun, now it's my turn to really let that stinkweed have it.

Suddenly, Poison Ivy's green eyes turned neon green and she was surrounded by a green energy aura with stars, plants, leaves, poison, dryads, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Stinkbloom, she left green energy, stars, plants, leaves, poison, dryads, phoenixes, and angels with every step.

Poison Ivy: I get why you're doing this, but you should know: Team Rocket's dead and gone for good, and Jessie, James, and Meowth have since redeemed themselves. But, knowing Anti-Monitor, he's brought Giovanni back, but we will take him down in due time, but right now, you need to be taken down at once.

Suddenly, Poison Ivy was surrounded by a massive vortex of green energy with stars, plants, leaves, and poison surrounding the vortex, there are dryads, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Stinkbloom: the red eyes of judgement.

Nico: Ooh, Stinkbloom is going to be in mega trouble going against Poison Ivy.

Me: He sure is.

Lincoln: Stinkbloom should know that Pamela's a master of plants, and she has a lot of experience when it comes to plants.

Volcana: Especially stinky ones.

Then, as the vortex faded, Poison Ivy emerged, but she was changed forever.

Poison Ivy grew to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large green planets orbiting around her legs and fifteen smaller green planets orbiting around her waist, she has the body of a goddess, she has green highlights in the bangs of her long red hair with green phoenix fire ombre streaks in the back and she has a large golden halo in the center with golden angel wings on the bottom with embedded green leaf gems and four orbiting golden rings on each corner behind her head with embedded green leaf gems, she has neon green eyes and a green energy aura with stars, plants, leaves, poison, dryads, phoenixes, and angels surrounding her and immense rainbow protective aura with all the elements swirling around it, she has a dryad with a leaf in her hands emblazoned on her forehead and Third Eye with green iris, she has on dryad earrings with green gems for eyes and holding the Star, Plant, Poison, God, Xelnaga, and Eternity Kanjis in their hands, she has on her Crystal Necklace of The Buddha with green gems in the gold leaf links and green crystal links and green dryad-shaped Element of Harmony and on the bottom of the Element of Harmony is a dryad with green gems for eyes and holding the Star, Plant, Poison, God, Xelnaga, and Eternity Kanjis in her hands for the pendant and white and gold accented choker on her neck, Poison Ivy has on her signature green outfit and long white sleeveless trenchcoat with stars, plants, leaves, poison, dryads, phoenixes, and angels on the coattails and on the back is a dryad, a phoenix, and angel surrounded by plants and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes, dryads, and angels surrounding a green gem with neon glowing green lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Poison Ivy felt a sharp pain on her back, and then, massive red angel wings with green tips on the red feathers grew and sprouted out with a wingspan of 50'0" and medium sized red angel wings with green tips grew and sprouted out underneath her massive red angel wings with a wingspan of 40'0" and small sized red angel wings with green tips grew and sprouted out underneath her medium sized red angel wings with a wingspan of 30'0" and another pair of red angel wings with green tips grew and sprouted out underneath her small sized red angel wings with a wingspan of 20'0" and another pair of red angel wings with green tips grew and sprouted out underneath the new pair of red angel wings with a wingspan of 10'0" and she also now has eleven massive and long red wolf tails with green tips and green markings. Poison Ivy has on a a Ring of The Phoenix with large green gem and heart shaped gem embedded in it on her right ring finger and Indigo Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and wedding ring on her left pinkie finger and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings and medium sized green planets orbiting around her wrists and ankles.

Suddenly, Poison Ivy's greatsword and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of green energy, stars, plants, leaves, poison, dryads, phoenixes, and angels, and when it emerged, it was transformed into Poison Ivy's True Cosmic Eternal Harmony Deadly Nature Femme Fatale Plant Poison Master Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Deadly Nature Femme Fatale Plant Poison Master Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded green gems and a dryad, phoenix, and angel etched on the 8'5" massive, wide, double-edged gold blade, large gold dryad heads with green gems for eyes for the crossguard, large white angel faces built into both sides of the hilt with large ocean blue gems embedded in the foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, large ocean blue angel wings for the guard, longer midnight black handle, four large gold dryad heads with green gems for eyes and large gold dryad head with green gems for eyes and green gem in its mouth for the pommel, she has on her large gold Bracers of The Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold dryad head with green gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Poison Ivy's Super Angel-Femme Fatale-Dryad-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Stinkbloom saw it, he fell into a rage and sent tendrils at her, but Poison Ivy took control of them and turned them against the stink flower Akuma, and she fired a massive barrage of green energy, stars, plants, leaves, poison, dryads, phoenixes, and angels which hit Stinkbloom, and he was enraged.

Suddenly, we saw a girl with blue hair, blue eyes, blue clothes, blue angel wings, with the symbols of The Hidden Sky Village on her forehead and skirt, the Sky Kanji on her right arm, and she has a blue sword in hand.

Lincoln: Skye Kaze Sora, Embodiment and Avatar of The Hidden Sky Village and Goddess Queen of The Wind, Light, and The Elemental Forces, I knew you'd show up. Alright, let's take care of that stinky plant Akuma.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Let's see what Lincoln puts him in after we take him down.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) I've dealt with overgrown weeds and grass far tougher than you in Kentucky and in West Virginia, now you better be ready for a serious pruning.

Lincoln, Poison Ivy, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Stinkbloom, and we fired extremely powerful blasts of rainbow energy, green energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Stinkbloom and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Poison Ivy, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Stinkbloom even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's put you in a special smell-proof crate and ship you off to Vypra.

Lincoln swung his massive greatsword and fired a wave of red fire and ladybugs that hit Stinkbloom and put him inside a special smell-proof crate that kept his rancid smell from getting out, and he was sent to Vypra. Everyone cheered wildly as we holstered our weapons and we powered down and Poison Ivy's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long vermillion red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large green planets orbiting around her legs, fifteen smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized green planets orbiting around her wrists and ankles, and her massive red angel wings and four other sets of massive red angel wings underneath her massive red angel wings are permanent.

Me: That'll teach that foul-smelling plant.

Nico: Big time. Lincoln, can you...?

Lincoln: We're on it.

Lincoln and the water wielders entombed all of us in water and removed the smell from Stinkbloom.

Eli: Much better.

Lori: Big time.

Maria: So, are you going to introduce us, Lincoln?

Selene Arcangela: Leave that to us, everyone, this is Skye Kaze Sora, Embodiment and Avatar of The Hidden Sky Village and Goddess Queen of The Wind, Light, and The Elemental Forces, she's Lincoln's Guardian Angel from The Hidden Sky Village and she's a powerful shinobi and powerful master of wind, light, and all the elemental forces, and she's The Goddess Queen of The Wind, Light, and The Elemental Forces, and she's also a great protector of the Leaf and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are, and she's a very good friend of Naruto and the Leaf and all the Five Great Nations. But, she was absolutely disgusted with the crimes that her village committed during the years. Because of how they tried to take over during the second Great War, but their arrogance and powerlust proved to be their undoing. When Skye got wind of this, she was absolutely disgusted with the atrocities the Hidden Sky was doing and as punishment for their crimes, she gave them the ultimate penalty and that is the DEATH OF ALL of their Shinobi Forces! She stripped them of all their Chakra and Jutsu and unleashed the divine wrath of the sky unto them and left NO SHINOBI OF THE SKY alive! But, she knew that some escaped and knew that in the future, they would be destroyed one way or the other. So, as a result, she put a curse upon the Sky Village's remaining Shinobi that escaped. If they launched another attack on ANY Shinobi village, they would die INSTANTLY! But, only a select few were allowed to stay like Amaru and a few others. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto and The Leaf and many Shinobi across the world of Shinobi, and she also taught him many powerful Wind, Light, and Elemental Style Jutsu, along with the powers of wind, light, and elemental forces. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Skye to go to a Japanese Restaurant, and they both enjoyed their date, and Skye hates all of Lincoln's enemies with a vengeance and she vowed to kill them the same way she did the Sky if they dared to hurt Lincoln again.

Me: I was disgusted at the atrocities those bastards have committed, and it's a good thing you put that deadly curse on them, and if we do find any survivors who bear the curse, we'll end them.

Lincoln: We all will. So, Skye, is there something you want to tell us?

Skye Kaze Sora: Yes, there is, Lincoln. You guys aren't going to like it: but Orochimaru is back, and he wants revenge for all of the times you all humiliated him and destroyed him.

WE GASPED IN HORROR, AND WE WERE PISSED OFF!

Me: That filthy snake's back?!

Suddenly, Lincoln had a premonition.

Lincoln: And it's not just him, but an Evil Sasuke's also been sighted with that filthy snake. So, we've got two opponents we're facing later today, but they're both heading to the same place.

Nico: The Black Abyss, but it's also perfect though, Orochimaru has been a plague on the nations and the world for far too long, this will be his final farewell, and he will die the death befitting him: as a traitor to the nations and a threat to the world.

Me: Yeah! But I have a plan though. We'll have him tried and executed in front of everyone.

Nico: I like it.

Then, Lincoln hugged Skye Kaze Sora, and he marked her by biting her on the trapezius and he also gained the same powers as her, and an Elemental Thunderbird Necklace of Eternal Love with sky blue gems on the gold lightning bolt links and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi appeared along with an Elemental Thunderbird Choker of Eternal Love.

Skye Kaze Sora: That's definitely your way of saying welcome back, Lincoln.

Melanie Uzumaki: He did a lot more than that last night when me, Cira, and Luna came back, that was one wild night.

The smell was gone.

Me: Ahh.

Nico: There. It smells much nicer now

Me: Yeah!

Rillaboom: Whew! No kidding.

Nico: Nice job Rillaboom!

Rillaboom: Thanks Nico. It was fun.

Poromon: Want some beer?

Rillaboom: No thank you. Bananas and banana shakes for me only.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Aw pretty pwease?

Nico: Poliwag that's enough.

Eddy: I knew you would love bananas!

Rillaboom: Yep love them!

Qin: Cool!

Nico: Yeah!

Eddy: In fact, I brought some over!

Eddy brought out a HUGE PILE OF BANANAS! He dumped them out of his shirt.

Rillaboom: Awesome!

He was eating them.

Nico: Whoa that's a lot of bananas.

Manaphy: And here's a banana split!

Me: Whoa whoa guys. Lets not give him too much.

Donkey Kong: Yeah besides we got work still.

Camie: Yeah.

Nico: Yeah.

Nico: Oh, Shadow Man, what do you like to do in your free time?

Shadow Man: I am a dojo teacher. I teach ninja arts.

Me: Neat.

Xenia: Yeah.

Nico: This Dark Gale's got me worried. We're gonna have to find out more about them

Me: Yeah I agree. They are up to something. I'll send my spy bugs to find out more.

Qin: Good idea. First we got to find their base.

Lisa Loud: I'll have the satellites find it.

Me: Good.

Deadpool: (to the viewers) Hey, if you guys want us to run into the first of the all girl spy team in a bad way, just say the word.

Jamesdean5842: I'm sure they will be interested to see us battle this Dark Gale.

Qin: Yeah.

Nico: Cool!

Me: Now lets go face the main part of our rescue.

Nico: Right. The Anothers!

Eli: Whoa! We got Another Crush Crawfish, Sakura Haruno, Unkar Plutt, Jabba the Hutt (Disney Infinity), King Candy, Cannontop and Orson Krennic.

WE GASPED!

Me: WHOA! Lady Tsunade is going to have a field day hearing about Another of Sakura.

Fu: I can have her and Shizune come.

Me: Good idea Fu.

Fu went and got them.

Fu came back with them.

Lady Tsunade: We got here as fast as we could.

Shizune: Thankfully Fu is fast enough.

Me: Glad you could make it Lady Tsunade. And you too Shizune.

Nico: Who's up?

Me: Shadow Man, Dark Necrobat, Luke Skywalker, Leia, Han Solo and Chewbacca

Qin: Nice.

Eli: I sense the Anothers minus Crush Crawfish and Sakura Haruno are 1 person.

WE GASPED!

Lady Tsunade: Wait there's an Another of Sakura?

Me: That's right Lady Tsunade. It's a really crazy story. After Anti-Monitor brought back some of our most dangerous enemies by breaking the seals of the Black Gates, we found out that there are Anothers of the Core 310. Swartz made them before we went after him.

Lady Tsunade: I see.

Nico: Yeah. There they are!

We saw ANOTHER Unkar Plutt, Jabba the Hutt (Disney Infinity), King Candy, Cannontop and Orson Krennic.

Me: WHOA!

Qin: This will be awesome.

Another Jabba the Hutt: (In a girls voice) It sure will.

Nico: (GASP) That voice.

They merged and she reverted back and it was the gene-slammer of Aqua Chaser Rusalka!

Nico: (GASP) Aqua Rusalka!

Me: WHOA! The gene-slammer of Aqua Chaser Rusalka!

Aqua Rusalka: That's right. Awesome to see you Nico.

Nico: Same here.

Jabba the Hutt: (In Hutt) It's unusual to see an another for me in this form.

Aqua Rusalka: I know Lord Jabba. It's crazy that you get to see me like this.

Me: You can understand Jabba's talk?

Aqua Rusalka: I sure can.

Me: That is cool!

Qin: Yeah!

Me: By the way are the Another Crush Crawfish and Sakura Haruno friendly or hostile?

Aqua Rusalka: Friendly but the Another Sakura is crying hard about something.

Me: Whoa man. I wonder what it could be.

Nico: We'll find out. Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: And now, we wait.

Me: Yep. Oh Lady Tsunade, Lincoln's premonitions, you are not going to like this one bit. But Lincoln's premonitions have alerted us and told us that a certain white snake sannin we all hate is back.

Lady Tsunade and Shizune gasped!

Lady Tsunade: WHAT!? You mean my former teammate is back!?

Me: I'm afraid so Lady Tsunade.

Shizune: But how!? You guys made sure he was given the Black Gates!

Me: Yes we did Shizune. But remember Anti-Monitor broke the seals and spells of the black gates and brought him back along with some of our most dangerous enemies.

Lady Tsunade: I see.

Me: We're going to end him once and for all later today for our main mission. But I do have a plan on how we're going to show everyone the kind of monster he is. After we defeat him we're going to bring him before the Hidden Leaf Five Kage and all the Leaf and have him tried for his crimes and then after he is put to death we'll send him to the Black Abyss.

Lady Tsunade: Good call there.

Nico: But J.D.?

Me: Trust me on this Nico. Lady Tsunade once told me and Naruto, A Great Hokage can bring down their enemies but a TRUE Great Hokage can bring those enemies to justice. She said that to me and Naruto in 150,000 years.

Nico: That's very wise.

Qin: It sure is.

Me: Yep

Eddy: Steam Smythe can still kill him.

Sakura Haruno: Along with the Knights of the New Fire.

Me: It'll be just like old times.

Naruto: You got that right bro.

Qin: Yeah.

Me: But we may want to alert the entire Hidden Leaf and prepare for battle just in case.

Lady Tsunade: Understood.

Me: First lets face the last of the Anothers here.

Nico: Right and there they are!

We saw ANOTHER CRUSH CRAWFISH AND ANOTHER SAKURA HARUNO!

Lady Tsunade: It is true!

Shizune: That is crazy!

Me: Yep.

Another Crush Crawfish: (In a girls voice) It sure will be crazy though.

Me: (GASP) That voice!

She reverted back and was a girl with orange hair and orange eyes and black and orange clothes and half of her body was a Tiger Centipede's body and legs and she had orange angel wings and a tiara with the symbol of the

Centipede Dupont on it and on her shirt and she had an orange sword in her hand.

Me: (GASP) Miyuki Centipede!

Nico: WHOA! She's an Oomukade, the Centipede girls of Japanese Folklore.

Xenia: COOL!

Miyuki Centipede: That's right. Awesome to see you again J.D.

Me: Same here.

Qin: Wow! That is cool!

Me: Yep. Miyuki is also an amazing martial artist and a great shellfish chef.

Crush Crawfish: That is cool! she and I have so much in common.

Nico: Yeah. And who's your friend?

Another Sakura Haruno: (Crying) Cousin help me.

Sakura Haruno: (GASP) That voice!

She reverted back and it was a younger version of Sakura. Bit she had 6 wings. They were those of a Phoenix, Ice Bird and Thunderbird.

Me: (GASP) Eri Haruno!

Sakura Haruno: Little cousin!

She went and hugged her and Eri cried hard.

Lady Tsunade: Eri is alive!?

Me: Oh man! I saw her in a photo in Sakura's room one time. Sakura said she went missing years ago when Sakura was a genin.

Nico: What happened?

Eri was crying.

Sakura Haruno: Eri it's okay. Calm down. What happened?

Eri Haruno: (Crying) Mom sold me to this madman! And... And! He did this to me!

She showed her wings!

Me: Orochimaru did this!

Lady Tsunade: That monster! And I always knew Rose Haruno was crazy but this is FAR OVER THE LINE!

Me: No shit!

Nico: I hope we deal with her tomorrow!

Me: I have a feeling we will!

Rin Nohara: Eri I'm so sorry. But you are not the only one that was affected by him.

Rin showed her wings.

Karin Uzumaki: I was too.

Tayuya, Kimimaro, Suigetsu, Kin Tsuchi and Kabuto came forward.

Sakura Haruno: It's a long story Eri. I'm sorry about what happened but mom will be so happy knowing you're okay.

Eri Haruno: (Crying) But look at me Sakura! I'm a freak!

Sakura Haruno: Eri you are not a freak. I don't care if you have 6 wings now. You are still you.

Eri Haruno: (Crying) Thank you Sakura.

Sakura Haruno: You're welcome.

Me: We'll deal with Orochimaru later on. Eri I promise you that monster is going to pay the ultimate price.

Nico: That is for sure!

Kaito: (gets out Zyougher gear) Did Swartz promise you anything?

Zocks: (gets out Ninninger gear) Because we can grant it instead

Kaito got a Zyuoh Sword and Zocks got a Ninninger sword.

Miyuki Centipede: No he didn't. Because I did this to him.

She formed a copy of Rantipede and had him take off his bag and we screamed in fright!

Me: THAT STILL SCARES ME!

Laney: ME TOO!

Casey Rhodes: I STILL HAVEN'T FORGOTTEN THAT!

Qin: ME NEITHER!

Me: Yeah! But yeah I remember that! And you used that to scare him bad.

Miyuki Centipede: Yep. And me and Eri got out of there.

Me: That was genius! When we faced Rantipede the first time he scared the shit out of us.

Tayuya: Yeah no fucking kidding!

Me: Yeah.

Sougo: (gets out Zyougher Ridewatch) When J.D. and the others met the origin team of this Ridewatch, they fought Rantipede for the first time.

Geiz: (gets out Ninja Steel Ridewatch) His real face isn't pleasant!

Sougo got ZyuohEagleArmor while Geiz got RedNinjaSteelArmor

Me: Yeah we battled him the first time when we met the Zyuohgers. His real face scared the living shit out of us.

Deadpool: (To the viewers) That is for sure guys and it was horrible!

Jamesdean5842: That is for sure! That was horrifying.

Me: Yeah.

Miyuki Centipede: That was my favorite episode of Jungle Fury and I should know because I am half centipede.

Me: True.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get it on.

Nico: (gets out Crush Crawfish's Ridewatch) Time for this Crawfish to crush you!

May: (Gets out Jabba the Hutt's ridewatch) Tatooine has pretty ladies.

Maria: (Gets out Cannontop's ridewatch) Time to fire!

Dark Necrobat: (GEts out Unkar Plutt's ridewatch) HEY! THAT'S MINE!

Sakura Haruno: CHERRY BLOSSOM CLASH!

KRASMASH!

She smashed the ground with devastating force and upheaved and smashed the area around them and they used the powers of Crush Crawfish, Sakura Haruno, Unkar Plutt, Jabba the Hutt (Disney Infinity), King Candy, Cannontop and Orson Krennic and blasted them all over!

Qin: OH YEAH!

Me: Take that!

Then Wire Sponge, TIE Bomber, Eye Ruby (Steven Universe), TIE Fighter, Darth Vader's TIE Fighter and TIE Interceptor came!

Me: WHOA!

Eli: COOL! TIE Fighters!

Qin: Yeah!

Nico: Nice team Wire Sponge!

Wire Sponge: Thanks Nico! The TIE Fighters with us are being piloted by a bunch of Imperial Troops that Vypra Recruited.

Me: Cool!

Nico: So, when we're speaking to one of them, we're speaking to a Imperial Troop?

Wire Sponge: That's right.

Nico: I understand.

?: That is awesome!

Vikemon came and MetalSeadramon too!

Me: WHOA! Vikemon and MetalSeadramon!

Nico: COOL!

MetalSeadramon: (In a girls voice) (Icelandic Accent) Good to see you Nico.

Nico: Jóhanna Guðmundsdóttir! Wow!

She reverted back and was a girl with blond hair, blue eyes, blue clothes and had Gold Angel Wings and had a new crest on her forehead, MetalSeadramon on her shirt and skirt and had a Gold Digivice on her hip and had Iceland's Coat of arms on her arm and had a water sword!

Jóhanna Guðmundsdóttir: We got this! (Echoing) RIVER OF POWER!

She fired a powerful energy blast from her hand.

Vikemon: (Echoing) ARCTIC BLIZZARD!

He fired ice blasts and the blasts hit the Anothers and I caught the ridewatches and purified them!

Me: OH YEAH!

Qin: That was awesome!

Brynja: (Icelandic Accent) Pleasure to meet a fellow Iceland Native.

Jóhanna: You too Brynja.

Me: You're one of Iceland's Digidestined. I can tell because you have the Icelandic Coat of Arms on your arm.

Jóhanna Guðmundsdóttir: That's right. Good eyes.

Me: Thanks. Iceland is amazing. And I am part Icelandic myself and it's awesome.

Jóhanna Guðmundsdóttir: That is cool.

Noah: Wait until you meet my archenemy!

Jóhanna Guðmundsdóttir: Looking forward to it.

Dark Necrobat: Do you have a favorite memory of Nico.

Jóhanna Guðmundsdóttir: I sure do. When we met. We met when a bunch of Mojyamon and Frigimon were attacking Reykjavík.

Me: So Digimon were running around Reykjavík too.

Jóhanna Guðmundsdóttir: That's right. We battled them and sent them back home.

Nico: Yep and Jóhanna and her family gave me an amazing Icelandic Thanksgiving feast to thank me.

Me: Whoa! Purtified shark, pickled herring, cured ram, Broiled puffin and singed sheep heads.

Fluttershy fainted and Lincoln caught her.

Me: Oops. But yeah that is part of Iceland's traditions.

Nico: That's right.

Jóhanna Guðmundsdóttir: You've had all that before haven't you?

Me: Yep I sure did. I am part Icelandic and it's good stuff.

Nico: Yeah.

Nico and Jóhanna hugged.

Nico: I've missed you.

Jóhanna: Same here.

Me: Okay Knights like old times lets recite the oath.

We brought our swords in.

All of us: WHEN HOPE IS LOST, FIRE WILL REKINDLE IT! WHEN LOVE IS REPLACED BY HATE, FIRE WILL REIGNITE IT! ALL EVIL SHALL KNOW THE PAIN OF FIRE! THE KNIGHTS OF THE NEW FIRE SHALL SAVE ALL!

WE CHEERED!

We later went back home.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the twenty-two girls here, but we're taking down the next member of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, and the next member we're taking down is Sally Gamble, a well-known associate of the gang since she was 18. Claw Dane Drake found her beaten up on a street corner and took her to a trusted partner in Chinatown, where they took care of her until she heals, and he returned for her and asks for her aid in building his cat burglar army which she agreed.

Caleb Maxwell: And ever since then, she'd been recruiting runaways: those who've been dealt quite a cruel hand, parents who abused and don't want their own children and perverted rapist fathers, and those who've been into crime from an early age.

Shadow Man: I don't know what Roxy's dad was even thinking taking them in and building his cat burglar army.

Roxy Drake: Mainly, it's to run New York in his own way, but with The Syndicate specifically Drake Maxwell causing trouble, my dad's kept to the shadows. But, then, Caleb returns from the dead and he in turn starts killing Syndicate goons and that paved the way for The Big Claw Gang to return to business.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, red eyes, large red angel wings, pink clothes, long white sleeveless trenchcoat with stars, darkness, poison, snakes, phoenixes, and angels on the coattails, and on the back is Venom Serpent, she has a darkness greatsword in hand and a king cobra with her, and with her are the twenty-two girls.

Lincoln: (GASPS) Regina Estevez Salazar, Gene-Slammer of Venom Serpent, and your king cobra, Chandra.

Regina Estevez Salazar: That's right, and I got the girls away from Sally Gamble, but she wasn't even afraid of snakes.

Allie Maxwell: She's dealt with a bunch of them in the form of rival gangsters and burglars, including that dumbass, Drake.

We saw the rest of The Big Claw Gang: Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: You guys arrived just in time.

Carla Claw: That we did, and now, it's time for the show to begin.

Then, Sally Gamble came up.

Sally Gamble: Alright, then, everyone, let the show begin.

When Caleb Maxwell saw Sally Gamble, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at her, but she dodged it.

Sally Gamble: Too slow, Caleb, looks like you're slipping.

Nico: Not exactly, besides, he's done that stunt to Skull, Chester, Crowe, Hex, and Shroud, but you figured out his exact target and dodged.

Sally Gamble: The stakes are high after all: and here, they're enormous.

Caleb Maxwell: Damn it, damn it, I was that close to taking your head off, but from the looks of it, Nekome's training did pay off when it came to me coming after you all, and I'm still not impressed, it's the opposite, you just ruined another chance for me to humiliate the both of you. (Long black hair turns even wilder) And now, you both have pissed me off and gone and gotten yourself caught in the depths of Hell.

Cage Blunt: Oh crap.

Jack Howard: Here it comes, he's gonna lose it!

Caleb Maxwell: And now, it's time for you to die, Sally Gamble! (LAUGHING DEMONICALLY)

THEN, MASSIVE TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END SALLY GAMBLE WHILE HE WAS LAUGHING DEMONICALLY! BUT, SHE DODGED THEM!

Mad Cat Max: Damn, he's still as crazy and demonic as ever!

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Sally Gamble up in rainbow energy ropes and sent her to Vypra. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, another Big Claw Gang member is now in The Masters of Evil.

Carla Claw: Sally's now in The Masters of Evil, now you've got me, Panther, Mad Cat Max, Patch, and Nekome to deal with. Then, you'll be dealing with Ichiro, Claw Dane Drake's loyal bodyguard, and the boss himself, Claw Dane Drake.

The rest of the gang left.

Roxy Drake: We'll be waiting for that day, Carla.

Nico: First thing tomorrow.

Lincoln: And then, we take down the rest. (To Regina Estevez Salazar) And it's so good to see you again, Regina.

Regina Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's good to see you, Sarah, Dana, and Carrie again, Lori.

Lori Estevez Salazar: You too, Regina.

Suddenly, Regina Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Regina Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Regina Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Regina Estevez Salazar and hugged her, and Regina Estevez Salazar is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Regina Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Regina Estevez Salazar, Gene-Slammer of Venom Serpent, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female King Cobra snake with her named Chandra and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LUAN WITH A BLAZING PASSION BECAUSE THAT HOMICIDAL DERANGED CLOWN TRIED TO KILL LINCOLN WITH HER LETHAL PRANKS, BUT REGINA CLOBBERED LUAN HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Yikes!

Me: If Lola tried anything, Chandra would bite Lola and a King Cobra's venom is really deadly.

Lincoln: But, she only bites if commanded to do so, and now that you're here, Regina.

Lincoln with his massive muscular arms still wrapped around Regina Estevez Salazar leaned his head down the right side of Regina Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Regina Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Regina Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Regina Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Regina Estevez Salazar.

Regina Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Regina Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Regina Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Regina Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Regina Estevez Salazar: (In Heaven) My God. Oh, and Lincoln, here's a huge warning: the twenty-two girls are super voluptuous beauties!

Me: Oh man! Let's get out of here!

The rest of us went back home leaving Lincoln, Nicole, and his harem. Then, they went up to the twenty-two girls, and when Lincoln saw them, he immediately recognized them along with his nose really gushing out blood, the twenty-two girls are Anastasia Mysterante, Arka Hellmare, Brynhildr Valhanna, Dyzenia Dracour, Eibel Haurisia, Elizabeth Mysterante, Elma Saventilla, Fáfnira Dracour, Fran Franchir, Kriemhild Valhanna, Laurecia Le Blanchette, Liliera Loveknot, Lixual Hellmare, Lunalilia Loveknot, Maasa Myoudou, Makina Le Blanchette, Meena 1919, Mei Myoudou, MyunMyun Lafleur, NunNun Lafleur, Parthia Ramsey, and Saizel Howlicia from Motto! Lincoln: And easy targets for perverts, if I see one pervert, I'll tear him apart. Are you girls okay?

Anastasia Mysterante: Yes, we're okay, thanks to you.

Anastasia Mysterante: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twenty-one clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Anastasia Mysterante: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty-two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anastasia Mysterante, Arka Hellmare, Brynhildr Valhanna, Dyzenia Dracour, Eibel Haurisia, Elizabeth Mysterante, Elma Saventilla, Fáfnira Dracour, Fran Franchir, Kriemhild Valhanna, Laurecia Le Blanchette, Liliera Loveknot, Lixual Hellmare, Lunalilia Loveknot, Maasa Myoudou, Makina Le Blanchette, Meena 1919, Mei Myoudou, MyunMyun Lafleur, NunNun Lafleur, Parthia Ramsey, and Saizel Howlicia with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. They returned home, and everyone was shocked to find out that the villain we went after was Sally Gamble, well-known associate of The Big Claw Gang.

But, when Lincoln showed what we all did in beating her down and him tying her up and sending them to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Regina Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: That's right. So, Allie, who's the next one of The Big Claw Gang we're taking down tomorrow?

Allie Maxwell: No doubt it's Mad Cat Max and Jessie Jean A.K.A. Patch, Carla and Panther are also two of the senior members in the gang.

Caleb Maxwell: And two of the biggest headaches to annoy me.

Captain Whitten: You're not the only one, we got annoyed by them many times in the past, but for us, that just made us more determined to capture them.

Cage Blunt: But, for you, it was the opposite, you wanted to mount them on stakes and burn them.

Caleb Maxwell: They're not witches, Cage, and it's not The Dark Ages anymore.

Carter Kenrick: No, but with what you tried to do to them in the past after you got annoyed by their antics, you wanted to bring the horrors of The Dark Ages on them.

Nicole: We'll save that for when we have a real threat to go after.

Me: Like the case of Drake Maxwell, if he comes back, then all Hell is going to break loose on that piece of crap.

Lincoln: It'll probably be for when we go after Roxy's dad.

Jack Howard: Right.

Roxy Drake: That's true, after all, Caleb's brother tried to form an alliance with them, but it failed due to Dad knowing of Drake's intentions and limited intelligence.

Allie Maxwell: Along with the fact that Drake's too unhinged and crazy.

After Lincoln and all of us beat down Sally Gamble and sent her to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Regina Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Regina Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Regina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Regina Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before

Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Regina Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the alarm, he saw who it was that triggered the alarm: it was Aurora Seraphina's abusive parents, and they have the demonic Alicorn on their foreheads.

Aurora Seraphina: Great, as if the monkey train wasn't enough, now here come their ringmasters.

James Blunt: Your parents, I should've known. Let me.

James Blunt flew out of The World Tree Estate, and landed on the floor.

Cyra Seraphina: FUCK YOU, ASSHOLE!

Cyrus Seraphina: NOW, WHERE'S THE BITCH!

James Blunt: You're not laying one hand on your daughter or your nieces who'd cut all ties with you.

James Blunt went at them and he tore their throats out and sank his fangs in their necks and drank all of their blood and he even tore out their hearts and devoured them and he also assimilated their really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality, and he sent them to The Black Abyss and came back inside.

Aurora Seraphina: Nice work.

James Blunt: Honestly, they deserved it.

Lincoln: And you did the same thing I did to them last time, tore into their flesh and tore their hearts out and devoured them.

Travis Tackett: Wait, what?!

Cage Blunt: I remember Hunter telling us that, and we almost barfed. Couldn't you have settled with just drinking their blood?

Selene Arcangela: Now, where's the fun in that?

Jack Howard: Cage, you've done a lot with biting many of The Big Claw's thugs and drank their blood, but what your old man did, I think it's best never to cross him.

Cage Blunt: I already know that, Jack. But, I think I should be telling you that.

Jack Howard: Wait, what?

Suddenly, Jack Howard was ambushed by James Blunt who put him in an armlock and pinned him to the ground so fast, he didn't see him move.

James Blunt: Cage is right, and I bet you didn't expect me to use one of own your moves against you, right?

Jack Howard: Damn, how did he...? I know Cage is a vampire, but his dad too...?

Caleb Maxwell: Seriously, Jack, you would've figured it out when you saw the similarities between the two, right?

James Blunt got off of Jack Howard and hoisted him up off the ground.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Universe 666 Beros placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Chitose Kizuki A.K.A. Curious, Universe 666 Kiruka Hasaki A.K.A. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Chitose Kizuki A.K.A. Curious, Universe 666 Kiruka Hasaki A.K.A. Bee Pop, and Universe 666 Beros showed the marks Lincoln made on the right sides of their necks.

Izuku: At least, the Universe 666 versions of those villains are a better match for Lincoln.

Jenna: You guys had no trouble at all.

Universe 666 Beros: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful

laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Another awesome Super Mario Odyssey adventure.

Nico: It's the Moon Kingdom for round 2.

Me: Awesome! I'll go for that.

Qin: Cool!

Cat: Me and Dog and Poromon too.

Dog: HI HO DIGGETTY! This is gonna be fun!

Qin: Yeah!

Me: Lets go.

Nico: Yep.

We went into the Simulator and it activated and we were on the Moon for Moon Kingdom Round 2!

Me: WHOA!

Poromon: Cool!

Nico: Awesome!

Nicole: You guys are going to be in for a shock when you see the next baddie for round 2.

Nico: Uh oh. Who is it?

Nicole: Well you may want to go see for yourselves.

Me: Okay then.

Nico: Oh boy.

We were off.

Nico: (to Poromon) Nothing like a little partner time, huh, Poromon?

Poromon: You said it.

Me: I have a feeling this is gonna be crazy.

Cat: Yeah.

We landed and we saw Kate Lloyd?

Me: Kate? What are you doing here?

Nico: Yeah aren't you back with the others?

Me: Kate?

She turned and then we saw that she had an evil smirk on her face.

But then we saw her tremble and shake. Then she underwent a HORRIFYING AND GROTESQUE AND GRUESOME TRANSFORMATION!

SHE TURNED INTO A HORRIFYING AND TERRIBLE MONSTROSITY AND WAS NOW A THING MONSTER!

Me: WHAT THE FUCKING HELL!?

CAMIE SCREAMED IN FRIGHT FROM THE CONTROL ROOM!

Lincoln: OH MAN! THAT'S KATE'S AKUMA! IMIDEATH! The Hypothetical Akuma of Kate Lloyd and she is a SHAPESHIFTER AND CAN TURN INTO THE MONSTERS OF THE THING! SHE IS GRUESOME AND BLOODY AND HORRIFYING! She was made because of getting cut by the Juliette-Thing as she was running and it imitated her and now she was turned into the very monster that plagued her nightmares. She is now a Thing Monster!

EVERYONE GASPED!

Kate was shaking in fear and then she fell to the floor in shock! SHE SAW THAT HER AKUMA WAS WHAT WOULD HAVE HAPPENED TO HER!

Kate Lloyd: (IN FRIGHT AND HORROR) THIS IS ME!? AS THE THING!?

Nicole and Ino comforted her

Me: I would call this a horrible case of nightmarishly cruel irony!

Poromon: Kate? You still remember us, right?

But she didn't answer and went at us!

She was FULL OF BLOODLUST AND SAVAGERY!

Me: Holy fuck! She is one of those Akumas that are feral!

Nico: OH JUST FUCKING GREAT!

Poromon: (to Nico) It's just like your Akuma!

Me: Yeah!

Nico: No shit!

Me: Lets get her! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙!

Me: (HOWLS)

Nico: BURN IT! DAMN IT J.D. TORCH IT!

I fired a blast of blue fire and it hit the monster and it screamed in pain!

Then it turned into BENNINGS THING!

Me: WHAT THE FUCK!

It screamed and its scream sounded like thousands of creatures screaming in agony! It sent shivers down my spine!

I fired waves of fire and burned it more!

It growled and transformed again into NORRIS THING!

Me: You got to be fucking kidding!

I fired a blast of blue fire and it screamed in a horrifying manner!

Then it turned into THE BLAIR MONSTER!

Me: WHOA!

?: TAKE THIS!

Lasers and missiles blasted the creature and out came BATTLE ARMAMENT TRAILMON!

Me: WHOA! Battle Armament Trailmon!

Then a girl with Purple hair, purple eyes, purple clothes and purple wings and Storm Eagle on a Tiara came.

Stella Storm: Stella Storm, Embodiment of Storm Eagle.

Tea: Wow! Stella!

Alexis: Awesome to see you.

Stella Storm: You too Alexis and Tea. Been a while.

Battle Armament Trailmon: (In a girls voice) This monster is going down!

Nico: Talia Trail! Wow!

Poromon: COOL!

Nico: (gets out Magna Centipede and Crush Crawfish's Ridewatches) Time for this Centipede to Crush you!

He activated them and fired waves of energy and blasted the Akuma.

I fired waves of fire and CatDog fired waves of energy.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired waves of lightning and blasted the monster.

Stella Storm fired waves of wind and blasted the monster.

Talia reverted back and was a girl with blue hair, blue eyes, blue clothes and had Battle Armament Trailmon on her forehead and skirt and had blue angel wings.

Talia Trail: Lets show this monster what for!

She fired lasers and missiles and blasted the monster.

Kate then realized that she was NOT GOING TO LET THE DEMONS TAKE CONTROL OF HER WITH FEAR ANYMORE! Then she went into the Simulator and joined us.

Kate Lloyd: I won't let this monster hurt my friends!

Me, Nico and Kate: YEAH FUCK YOU TOO!

We fired a powerful energy blast and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

It exploded and was blasted into a massive fiery inferno.

Me: YEAH!

We won and got 30 moons!

We cheered and high five!

Me: YEAH!

Nico: How did you meet Tea and Alexis?

Stella Storm: I met them at a Duel Monsters Convention and they gave me my own Duel Monsters Deck. It's for Eagle Monsters.

Me: Cool! Eagle monsters are awesome.

Stella Storm: Yep and I got my own Eagle Themed Duel Disk too.

Nico: Awesome!

Stella Storm: They gave me some awesome pointers and tips and I won against many duelists.

Me: You'll have to tell us who they are later. Talia do you have any favorite memories of Nico?

Talia Trail: I sure do. When me and Nico built fortress hover trains for an awesome new railless train system for the military. They are trains that can carry soldiers without having to go on tracks.

Me: That is awesome.

Nico: Yep.

Nico and Talia hugged.

Nico: I've missed you.

Talia Trail: Same here.

Me: Would you two like to join us?

Stella Storm: We would be honored.

Me: Awesome and man Kate I'm sorry we had to battle your Akuma. I never realized it would Reopen old wounds like that.

Kate Lloyd: It's okay. I'm just glad it's in the M.O.E.

Me: Good.

We left the simulator and everyone cheered wildly for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The mascots were setting up a game.

Erin Clewell:...oh dear God, what are you guys doing now?

Poromon: We're playing Scrabble.

Sakura Knudson: Ooh! Love Scrabble. Can I play?

Poromon: Sure!

They got to playing.

Me: Boy I haven't played Scrabble in forever. Awesome fun.

Lola: Yeah.

Poromon: Yeah it sure is.

Chloe Heras: Let me think of a word

She thought of one.

Chloe Heras: Hurricane. H-U-R-R-I-C-A-N-E.

Chloe put it on.

Me: Good one.

Sakura Knudson: Holly. H-O-L-L-Y.

She spelled it.

Me: Awesome!

Poromon: Nice!

Poromon spelled out the word Shit.

Octopunch: Did you just spell out a bad word?!

Poromon: Yeah.

Me: Very funny guys.

Lola: Yeah.

Me: But Scrabble is not supposed to have those words.

Manaphy spelled out word Banana Split.

Manaphy: (to Rillaboom) You still haven't eaten it! It's in the freezer.

Rillaboom: (Already eating it) Actually I was hungry.

Manaphy: Oh nevermind.

Me: And Banana Split is two words. Not one.

Poliwag spelled out the word Dynamite

Me: Dynamite. Nice.

Rattrap: That is just what I was thinking. Hey Choppaface!

He threw a stick of dynamite and then...

KRABBBBBOOOOOOOOMMM!

It hit Dinobot and exploded!

Rattrap: (LAUGHS) I gotcha! (LAUGHS)

Dinobot: (ROARS) INSOLENT VERMIN! (ROARS)

He jumped him and smashed Rattrap all over in a brutal fight cloud!

Nico grabbed them.

Nico: Knock it off you two!

Horsea spelled out the word Bananaquats.

Me: Bananaquats!?

Laney: Uh oh.

Ape and Rillaboom: (GOES CRAZY) BANANAQUATS! BANANAQUATS!

Me: Nice going Horsea!

I snapped my fingers and they were back to normal.

Nico: How about I spell out a word?

Me: Go for it.

Nico spelled out something.

Nico spelled out chocolate.

Me: Mmm! Chocolate!

Tom the Chocolate Fish: (INSANE SCREAMING OFFSCREEN) CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

Me: Oh man! Not again!

Seaspray: My turn.

Seaspray spelled out Bird Poop

Me: Bird Poop?

Poromon: (Stomach Grumbles) UH OH! SPEAKING OF WHICH! BATHROOM!

ZOOM!

He ran to the bathroom and had to go bad.

Qin: (LAUGHS) FUNNY!

Poromon came back.

Poromon: Ahh! That's better.

Slog: Why did you have to go to the bathroom, Poromon?

Poromon: Had some ratatouille for lunch.

Slog: Oh that explains it.

Qin: Yeah vegetables can go through you like a lead weight.

Nico: Yeah. But that was fun.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Orochimaru, and as we'd heard from Skye Kaze Sora and the others yesterday, he's been brought back from The Black Gates by Anti-Monitor, and he still wants revenge on us for all the times we've humiliated and destroyed him, and like Lincoln said, there's also an Evil Sasuke with him. When we saw it, we knew it meant big trouble.

Lincoln, me, and Nico: So, you've finally made your move, Orochimaru.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, Orochimaru, and as we'd heard from Skye Kaze Sora and the others yesterday, he's been brought back from The Black Gates by Anti-Monitor, and he still wants revenge on us for all the times we've humiliated and destroyed him.

WE GASPED!

Sakura Haruno: Just as we heard yesterday and today.

Lincoln: And there's something else: we also spotted an Evil Sasuke as well, and they're at one of Orochimaru's old hideouts.

Cira Kusanagi Oto: I believe I know where that hideout is. Finally, the time's arrived, now that snake has nowhere left to run, this is where he finally finally dies here and now, I'm taking The Hidden Sound Village back from him, and I'll make absolutely sure he never ever comes back.

Me: While we're at it, we should destroy all of his other hideouts as well, Cira.

Nico: That's true, that snake has some more hideouts hidden, so they've got to go. Alright, team, load up and get ready to move, this time, Orochimaru dies here and now, along with another Evil Sasuke.

Lincoln: This has been a long time coming, now we'll get rid of Orochimaru once and for all!

Me: Yep! And I have a feeling I know where he is heading. The Tenshi Bridge.

Camie: Whoa.

The previous group came.

Carly Atlas: Can me, Toyman, Artie Ziff, King Hiss, Mammoth, Kaos, Dr. Viktor, Mr. Fizz, Technus, and Katnappe go with you guys

Nico: You sure can.

Me: We're going to be in for a huge challenge. But you guys are going to be in for a treat. I have something Orochimaru is never going to expect.

Nico: Your ultimate Power?

Me: Yep.

Fuse Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Scorpiomon next.

Qin: Ooh! Cool!

Xenia: Yeah!

Nico: Okay first we're going to the Leaf to get ready. Then we'll head out to the Tenshi Bridge.

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Stirba, The Werewolf Queen and the main antagonist of the 1985 horror movie Howling II: Your Sister Is A Werewolf, and she's come to cause havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh boy, we've got some serious trouble.

Rayman: Who was it that we saw, Lincoln?

Lincoln: This is someone we're definitely not going to like: the figure we saw was Stirba, The Werewolf Queen and the main antagonist of the 1985 horror movie Howling II: Your Sister Is A Werewolf, and she's come to cause havoc.

WE GASPED!

Sumner: Oh no, not her. Stirba is a powerful Werewolf Queen from Transylvania, she leads a massive werewolf colony, much larger than the one Karen went to, and the one in the town of Drako, and she is their powerful ruler. Plus, she's a powerful sorceress and a master of black magic.

Me: So, we need to destroy her for good.

Ramona Rosemary: Some Holy Water should do the job, or a silver bullet drenched in holy water and blessed by a priest.

Lincoln: I've got plenty of those, Ramona.

Nico: Been a long while since we've run into any werewolves running loose. Alright, team, let's go, the time to slay Orochimaru is now, this time, he dies once and for all.

Lincoln: And this time, he's never ever coming back, and once we get done with Orochimaru and Evil Sasuke, you're next, Stirba.

Ramona Rosemary: For centuries, you have caused far too much trouble to Transylvania and to many innocent souls, and now, we'll see to it that your entire colony dies here along with you.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy our old enemy, Orochimaru, and this time, we'll make sure that he stays dead and gone for good, and once we get rid of him, Lincoln and Ramona Rosemary, along with me and Nico are going to destroy Stirba, The Werewolf Queen.

We were off.

We arrived in the Leaf.

Me: We're here.

Nico: Okay J.D. you call it in with the Hokage and tell her it's time.

Me: Right.

I snapped my fingers and dressed in my shinobi attire and went to the Hokage Office.

Toyman: We should call Steam Smythe for this

Nico: Good idea.

Eli: Yeah.

Steam Smythe came.

Steam Smythe: I'm here everyone.

Qin: Cool.

In the Hokage office, Lady Tsunade was relaxing while clones got all the paperwork done.

There was a knock.

Lady Tsunade: Enter.

I came in.

Lady Tsunade: Ah J.D.

Me: Sorry to bother you in the middle of your paperwork Lady Hokage. But I'm afraid the time has come. Orochimaru is on the move.

Lady Tsunade: I'll be ready.

Me: Okay. We're in the middle of the village square getting ready.

Lady Tsunade: I'll be there shortly. Thank you. Shizune, I'm heading out. I got a score to settle with my former teammate.

Shizune: Okay.

I left.

I had Lady Tsunade and the Hidden Leaf Shinobi and Kakashi come.

Battletrap: Anyone else we need to visit?

Nico: Not that I know of. Looks like we're all here and ready for action.

Qin: Yeah.

Kiba Inuzuka: Hard to imagine that Anti-Monitor would bring back Orochimaru.

Anko Mitarashi: I know. But we're going to make sure my former sensei bites the dust.

Nico: That is for sure and we're going to make sure he pays for his crimes against the world.

Me: Those fucked up experiments he did are horrible. What he did would be labeled as crimes against nature and humanity.

Nico: Before we do anything everyone needs to know what kind of monster he is.

Me: Right for those of you that don't know who Orochimaru is, he was one of the students of the Third Hokage and is also one of the Legendary Sannin.

I went over his history.

Orochimaru (in Japanese: 大蛇丸, Orochimaru) is a major character in the Naruto franchise.

He is one of the three legendary Sannin of Konoha that trained under Hiruzen Sarutobi, alongside his former friends, Jiraiya and Tsunade.

Ever since the Second Shinobi World War, Orochimaru became fascinated with the idea of learning all jutsu around the world. In order to accomplish this goal, he began to conduct illegal experiments that involved experimenting with the corpse of deceased people, as a mean of cheating death. When his secrets were discovered, Orochimaru abandoned Konoha and was branded as both a criminal and a traitor.

Orochimaru would eventually return to Konoha and plot revenge against the village. Since then, his influence still affected the events leading to the Fourth Shinobi World War. By the end of Part II, Orochimaru saw how flawed his goals were and gave up his previous villainous ambitions, becoming an anti-hero throughout the New Era.

He is voiced by Kujira in Japanese, who also voiced Hitogami from Mushoku Tensei, and by Steve Blum in English, the latter also voicing Zabuza Momochi in the same series.

Orochimaru was originally an orphan who became a pupil of Hiruzen Sarutobi, the Third Hokage, alongside Jiraiya and Tsunade. Compared to the more laid back Jiraiya, Orochimaru stood out as a prodigy found once in a generation. However, Orochimaru has a twisted and sadistic personality that may have been due to the death of his parents. At some point after losing them, Orochimaru found a white snake near his parents' grave and Hiruzen explained how it represented fortune and rebirth inspiring Orochimaru to obtain knowledge of all forms of ninjutsu. This desire was initially suppressed by his loyalty to Konoha and nobleness and he devoted himself as Konoha Shinobi fully; although he still started researching, it was known for having been solely for the sake of Konoha and his village benefited from it.

During the Second Shiniobi World War, Orochimaru joined Jiraiya and Tsunade in fighting Hanzo, who gave them the title of Konoha's Legendary Sannin for surviving their battle with him while the rest of their group were easily slaughtered in the process. On the way back to Konoha with his team, Orochimaru met Nagato and his friends who were orphans in the Land of Rain. While Orochimaru suggested killing the orphans in an act of mercy, Jiraiya stayed to train the children. It was also during this war that Orochimaru succumbed to darkness as he watched Tsunade's precious ones die, due to Orochimaru holding a certain fondness for her. First was Nawaki's death. Having had high expectations of the boy, a distraught Orochimaru retrieved his necklace and gave it to Tsunade and he also criticized her for not being there to heal him. The last straw was Dan's, Tsunade's lover, death. As Orochimaru was searching for Tsunade's platoon, he found Dan dead and the broken Tsunade crying devastatingly, causing him to once again feel emotional disturbance and pain. This was the last straw and Orochimaru steadily fell to darkness.

Some time after Team Hiruzen was disbanded, Orochimaru became an ANBU member and joined Root to work directly under Danzō Shimura. He also took charge of Anko Mitarashi and 2 other unnamed shinobi as members of his team, with a particular interest towards Anko that lead to him personally teaching her his techniques.

As the Third Shinobi World War progressed, with Orochimaru becoming a war hero of a similar level to Minato Namikaze, as they were both top contenders for the title of the Fourth Hokage, embittered and hardened over all the deaths he had seen in the previous shinobi war, and possibly also saddened by the fact that Tsunade left Konoha, Orochimaru's research gradually began to become more extreme and intensive, diverging from simply researching ninja techniques to beginning to focus more on the human body.

Orochimaru still had some good intentions at first, as he intended to unlock the hidden powers inside the human body that they normally could not access so as to grant his fellow Konoha shinobi greater survivability, hoping to greatly increase their combat strength and regenerative powers, as shown by his sincere offer to grant such power to Anko when she questioned him about the white snake charm he still had. However, in time, his darkness only grew as he became more and more isolated, to where becoming the Fourth Hokage was no longer for the village but for his own ambitions and agenda. Hiruzen attempted to help Orochimaru overcome his demons but eventually realized his former disciple had gotten too hardened and disillusioned with life as to be beyond anyone's help.

It was during that time that Orochimaru met Kabuto Yakushi while accompanying Danzō in forcing the boy's guardian Nonō into a mission.

Sent on a mission by Danzo to ensure both Kabuto and Nonō, the former joining Root as a spy, kill each other as they have become major risks. Orochimaru instead spirited Kabuto to one of his many hideouts, what would become part of his personal hidden village Otogakure.

Though Orochimaru reveals Root's intention for him to be dead, he explains to a horrified Kabuto that he sees a bit of himself in the boy and sees killing him to be a waste of great talent. Therefore, Orochimaru offers Kabuto a position as his right hand and spy with the promise of an identity for Kabuto to call his own.

While working for Root, Orochimaru began an experiment to infuse Hashirama's DNA into a person, an early experiment in his attempt to gain the Sage's powers. However, he thought the experiment was a failure when all 60 babies he implanted with Hashirama's genetic code seemingly died (though there was an only survivor who became the ANBU known as Yamato). With Kabuto's assistance, he performed various experiments on his prisoners, some being fellow Konoha shinobi he kidnapped.

He uses them as human guinea pigs to develop techniques that would grant him immortality, the end result being the Transference Ritual where Orochimaru transfers his being into a host body every few years, allowing him to cheat death. Some time after, Orochimaru was at the outskirts of Kirigakure as he found Kimimaro, the sole survivor of the Kaguya Clan. Soon after, thanks in part to Kimimaro, Orochimaru's research on the source of Jūgo's powers led to him into finding Ryūchi Cave and mastering Sage Jutsu. Unable to use it because of the fragility of his host body, Orochimaru instead developed an alternate method through the Curse Marks, testing it on Anko and his other students before using the finalized versions on Kimimaro and the Sound Four.

When Hiruzen finally retired and named Minato Namikaze his successor, Orochimaru saw no more reason to remain in Konoha and began to be less discreet with his actions. This led to his experimentation on the cultivation of Hashirama Senju's DNA with sixty children he kidnapped to recreate the First Hokage's Wood Style. However, as his test subjects begin to die off, Orochimaru was found red-handed by Hiruzen who knew it was his duty to kill him yet lacked the will to do so. Leaving Konoha and his emotionally broken mentor and despite Jiraiya's pleas for him to reconsider falling on deaf ears, Orochimaru left; unaware that Yamato survived his experiment.

Orochimaru soon joined the elite criminal organization Akatsuki, his role unclear but was partnered with Sasori whom he did much good for the Akatsuki with. However, when Itachi Uchiha joined the Akatsuki after conducting the Uchiha clan massacre, Orochimaru saw his opportunity to steal his body to gain possession of the Sharingan. Itachi used his Sharingan to reverse it while cutting Orchimaru's left hand off to prevent him from breaking the genjutsu, causing him to leave the Akatsuki to acquire a new body.

Since then, with Kabuto posing as a sleeper agent that an infuriated Sasori sent to keep tabs on him, Orochimaru become an independent rogue ninja using the Hidden Sound Village to continue his experiments to achieve true immortality.

Eventually, when the chance to attack Konoha presented itself, Orochimaru forms a partnership with the Fourth Kazekage of Sunagakure, who desired Konoha's destruction, planned their invasion during the Chunin Exams. Orochimaru also used the invasion as an opportunity to test Sasuke Uchiha, Itachi's younger brother, if he can be of used as a vessel.

During the second part of the Chūnin Exams, Orochimaru murdered a team of Kusagakure genin to impersonate its leader Shiore and infiltrate the Forest of Death. During a resulting confrontation with Team 7, Orochimaru expressed pride in Sasuke's abilities after he managed to partially burn off his disguise. Orochimaru sealed Naruto's Nine-Tails chakra before branding Sasuke, his intended target, with a Cursed Mark.

As he sends Team Dosu as sacrificial lambs to test Sasuke, having Kabuto accompany Team 7 to witness Sasuke use the curse seal's power, Orochimaru is confronted by Anko as he tells her that the Konoha will continue the exams under threat of his retaliation.

During the preliminary rounds of the Chunin Exams, Orochimaru disguised himself as the leader of his genin team to watch Sasuke's performance against Yoroi Akadō and became more obsessive upon seeing Sasuke suppress the Cursed Mark with sheer will. After Kakashi was able to seal away the mark on Sasuke, Orochimaru confronted him and made no attempt to hide his envy of Kakashi's

Sharingan before leaving while adding that Sasuke will eventually come to him seeking power.

Eventually, on the day of the final round matches, with all attack preparations complete, Orochimaru murdered the Fourth Kazekage and assumed his identity to sit next to Hiruzen to oversee the proceedings. When the invasion of Konoha began, Orochimaru made his move and attacked Hiruzen. Orochimaru has the Sound Four erect a barrier to hold the other Konoha ninja back to prevent any interference.

Orochimaru, exhilarated that he could finally fight his former teacher and Hiruzen intending to redeem himself for letting Orochimaru free; Orochimaru used the Reanimation Jutsu to summon Hashirama Senju and his brother, the Second Hokage Tobirama, to attack their successor. During the fight, his opponent summoning Enma to his aid, Orochimaru reveals to Hiruzen the fruits of his labor in achieving immortality by revealing the host body he took after his brush-in with Itachi and his intention to make Sasuke into his next host.

Horrified on how far Orochimaru has truly went and with both his age and the regenerative abilities of the two first Hokage placing him in a grand disadvantage, Hiruzen resolves to stop Orochimaru with the Reaper Death Seal, sealing away the souls of the two Hokage prior to going after Orochimaru himself. However, Orochimaru stabbed Hiruzen through the back of the chest with his Kusanagi. Hiruzen weakened, Orochimaru is horrified when his mentor resolves to only seal the part of Orochimaru's soul within his arms so Orochimaru could make any more seals. Cursing the dying Hiruzen for robbing him of his use of ninjutsu, Orochimaru is carried off by the Sound Four with the invasion halted. Afterwards, Sunagakure broke ties with

Orochimaru upon discovering the corpse of the Fourth Kazekage.

After barely being able to stand the pain from his rotting arms, Orochimaru plans to have his condition healed by appealing Tsunade with the offer to reincarnate her brother Nawaki and lover Dan to win her cooperation. However, though she seemed to have agreed, Tsunade had actually intended to kill him to ensure he never attacks Konoha again.

Kabuto intervened before she could do so, intending to force her to help before Jiraiya, Shizune and Naruto soon arrived to her aid. After seeing Naruto defeat Kabuto, Orochimaru's attempt on the boy's life is stopped by Tsunade and Orochimaru summons Manda with Kabuto's help, hiding his condition from the giant serpent who would have turned on Orochimaru for being injured. Jiraiya and Tsunade response with their own summons and an epic battle ensues.

Forced to fall back, though hoping to go after him when he was older, Orochimaru decides to just take a new host body and sends the Sound Four to retrieve Sasuke. Due to complications as the Leaf Village attempted to recover Sasuke, despite Kimimaro going to aid the Sound Four, Orochimari is forced to take the body of a experimental prisoner named Gen'yūmaru. As he is stuck in Gen'yūmaru's body for the next three years, Orochimaru decided to start training Sasuke once he finally arrived, hoping to shape him into the ideal host, while being highly impressed and excited by the chakra that Sasuke revealed after retaliating against Kabuto's warning for being rude.

2.5 years later, Yamato-led Team Kakashi, hoping to find Sasuke, learned of an opportunity from a dying Sasori that he was meeting with Kabuto. Posing as Sasori within his Hiruko puppet, the group's temporary leader Yamato meets with Kabuto while the others watch. However, Orochimaru arrives as Kabuto destroys the Hiruko, Orochimaru clarifying to a confused Kabuto that Sasori never came as the rest of Team Kakashi reveal themselves to fight the two ninja. Although he was surprised to see Yamato has survived his experiments involving Hashirama's DNA, Orochimaru was more interested to see if Naruto has become as strong as "his Sasuke". As Naruto assumes his three-tailed form in response, Orochimaru is able to elude Naruto, finding the battle extremely enjoyable while provoking Naruto further.

It was only after Naruto submitted to Kurama's influence and entered his mindless four-tailed form, Orochimaru took the fight more seriously due to both Naruto now able to kill him and his host body beginning to reject him after he used his Kusanagi to force Naruto. While he briefly recuperated, Orochimaru was approached by Sai, who made an offer on behalf of Danzo to work together in destroying Konoha. Intrigued, Orochimaru and Kabuto took him back to their base. Later, after the rest of Team Kakashi arrived at the lair and Sai teamed up with them, Orochimaru confronted Sai and Naruto to question Sai about his loyalties. He fled before he could be drawn into another fight, and later kept Sasuke from killing the team, noting that they might kill another Akatsuki member like they had done with Sasori.

Later, on the verge of being rejected by his current body, Orochimaru contemplated how best to take Sasuke's body. However, he hadn't truly planned on foul play from Sasuke, who no longer needs him. Though Sasuke used the Curse Mark to have the upper hand against his White Snake form, Orochimaru placed Sasuke into a genjutsu to enact the ritual. However, Sasuke uses Orochimaru's jutsu against him and ironically altered it so that Orochimaru would become a prisoner within Sasuke's body. As a result, Sasuke gained access to some of Orochimaru's abilities. However, he also had to dedicate some of his chakra to suppressing Orochimaru.

During his battle with Itachi, Sasuke ran out of chakra, and Orochimaru was able to emerge through his Eight-Headed Serpent Jutsu. Appearing out of one of the Serpent's mouths, Orochimaru's chance to take Sasuke's body is thwarted by Itachi using his Susanoo's Totsuka Blade and sealed Orochimaru inside his Susanoo's Gourd, which in turn freed Sasuke from the Curse mark. However, many of the snakes that composed Orochimaru's body endured as Kabuto harvested them and assimilated them into his body as part of his intent to transcend his former master. Following Kabuto's defeat during the Fourth Shinobi World War, and his reunion with Suigetsu Hōzuki and Jūgo, Sasuke learns of the scroll they found at one of Orochimaru's hideouts and resolves to revive him for answers following what he learned from Itachi.

Having learned that Curse Marks hold parts of their creator's mind in them, Sasuke succeeds in reviving Orochimaru by pulling his consciousness out of Anko's Curse Mark and transferring it into the physical form Jūgo provided by absorbing some of Kabuto's flesh. Despite Suigetsu's fears of his next action as he reclaims the rest of his chakra that Kabuto took from him, Orochimaru explains that he is neither interested in the Fourth Shinobi World War nor strong enough to even attempt to take Sasuke's body if he wanted to. But Orochimaru does agree to take Sasuke to those who know everything: the first four Hokage. To that end, Orochimaru is forced to mortally wound himself to break the Reaper Death Seal, releasing not only the Hokage's souls but also spiritually restoring himself to use the Reanimation Jutsu on four of the Zetsu spore clones while using the Transference Ritual on another.

With them under his control, stating to them that he not acting on his own intent, Orochimaru tells the Hokage that he plans to have them destroy Konoha if Sasuke deems it so after getting Hashirama's answer. During Sasuke's interview with the four Hokage, he derides his former sensei for failing to stop him before, as well as makes the conversation go his way by pinning the blame of the Uchiha Massacre on Tobirama Senju's policies. However, when Sasuke decided to support Konoha against Madara, he tagged along for his own amusement to see how Sasuke turned out, as well as keep the possibility of his own experiments continuing an option. To this end he had Suigetsu and Karin save the Gokage after their battle with Madara, even insulting Tsunade to her face when she asked why he was doing this by claiming 'given time, Jiraiya may have turned dark'.

Later, when he arrived on the battlefield he joined the battle against the Shinju itself, and finally against Spiral Zetsu. However, despite his intentions, Madara successfully cast Infinite Tsukuyomi and ensnared Orochimaru into the fantasy that he was trying to avoid. Ultimately, he and the rest of the world were freed from the genjutsu by Naruto and Sasuke after they ended the war.

With the Fourth Shinobi World War over, Orochimaru resumes his genetic experiments with Taka serving as his lab assistants, though Konoha remains suspicious of him and keeps him under constant surveillance. In the final episode on the eve of Naruto and Hinata's wedding, Orochimaru in a pre-recorded message despite all the trouble he has caused, congratulates both Naruto and Hinata on their marriage.

When I was done everyone that hadn't heard about it was shocked, horrified and disgusted!

Twilight Sparkle: HE IS A MONSTER!

Camie: What he did makes him beyond pure evil!

Me: I know.

King Hiss: I might be a snake but even I have standards

Me: I know and what Orochimaru did was beyond all forms of imagination horrible.

Tayuya: I should know. I was once a member of that snake fuckers Sound 4.

Cira Kusanagi Oto: Lets not forget that I have a score to settle with him as well. He stole my rightful place as ruler of the Hidden Sound and I will make sure he pays for it big time.

Me: That's right.

Qin: Man Orochimaru has caused NUMEROUS headaches in the past for you all.

Lady Tsunade: That is an understatement.

Thunderblast: We can gather an army of eagles for this

Me: Good idea.

Gandalf: I can do that because they are part of my power.

Me: Good idea there.

Brittney: I can face the Sound 4 if they are going to come. It'll be like old times.

Tayuya: I bet that snake fucker is going to have them with them.

Nico: Yeah.

Kaos: In fact, why don't we summon said army right now?

Gandalf: I agree.

He had numerous eagles come.

THEY WERE HUGE EAGLES AS BIG AS DRAGONS!

Me: Cool!

Qin: Wow! Those are awesome Eagles.

King Dedede: Too bad they're not penguins!

Me: Eagles are the next best thing.

Qin: Yeah.

Lincoln then had a premonition!

Lincoln: Whoa! And I found the Akuma we're going to face. Her name is Passionflower. The Hypothetical Akuma of Sakura Haruno and she is actually the outward physical manifestation of her inner self the Inner Sakura and she is everything Sakura isn't. She is a total fangirl ninja and fawns over Sasuke like a lovesick puppy and more and she is 75% weaker than Sakura. She was made because of what happened in the Academy when Naruto accidentally kissed Sasuke full on the mouth and it REALLY SET HER

OFF! She vowed to thrash Naruto with the worst ever fury ever known!

WE GASPED IN SHOCK!

Me: I remember seeing that happen to Naruto.

Sasuke: (GAGS) I'M STILL GONNA KILL YOU FOR THAT NARUTO!

Lincoln showed a sketch of her and we were shocked!

Sakura Haruno: She looks like how I was back when I started out as a genin! And that is exactly what my Inner Self looked like!

Me: Boy its been 150,000 years since I saw your inner self Sakura. I remember seeing her inside your mind and I yelled at her too.

Nico: What did you say to her J.D.?

Me: I told her to shut the fuck up. She was giving us nasty headaches.

Nico: Ouch.

Me: Yeah.

Sakura Haruno: I can't believe I was like that back when I was in the Academy! I was a total lovesick fangirl puppy following Sasuke just to get in his pants! Blame my psychotic aunt for that!

Eri Haruno: Man she really turned you into someone you are not sis.

Sakura Haruno: No kidding.

Steam Smythe: So Eri is now your sister?

Sakura Haruno: Well after we got back we told mom and dad what happened and decided to adopt Eri as my new little sister.

Me: That's good Sakura.

Nico: We're still going to smash your evil aunts face in when we see her.

Me: And this time we'll send her back to the Saturn Nuthouse.

Camie: Yeah!

Mr. Fizz: Before we do anything else, let's have some soda.

Me: Good idea I'm thirsty.

He gave us soda.

Charge Man: Naruto kissed Sasuke on the lips?

Me: Some kid accidentally pushed him and made Naruto lose his balance. They were glaring at each other with extreme hate. When that happened I was laughing hysterically at Sasuke's humiliation back then.

Nicole: Oh yeah that's right dad! Sasuke was an absolute asshole back then.

Me: Yes he was.

Sasuke: I can see why.

Katnappe: Shall we go find her?

Me: Actually she already found us!

We saw a figure coming towards us and it was SAKURA'S AKUMA! She looked like Sakura but with black hair, yellow eyes, black clothes and had the kanji for Inner Sakura in the middle of her forehead and MAN WAS SHE REALLY PISSED!

Passionflower: (SCREECHING VOICE) NARUTO YOU BACKSTABBING ASSHOLE! I WILL KILL YOU FOR KISSING SASUKE! I WAS SUPPOSED TO BE HIS FIRST KISS!

Me: Oh shut up! You're giving us headaches!

Charmcaster: Sakura? Is that you?

Passionflower: OF COURSE IT'S ME! NOW GET OUT OF THE WAY SO I CAN KILL NARUTO!

Sakura Haruno: I can't believe I was like you back in the academy.

Then three rocks flew in and they hit Passionflower on her head!

BASH BASH BASH!

Konohamaru Sarutobi: Shut your ugly trap you Sakura Lookalike! You're giving us headaches!

Moegi: Yeah your voice is driving us crazy!

Udon: Do us all a favor and go floating in a box down the river!

Me: Yeah you tell her Konohamaru!

Technus: Calm down, will you?!

Me: Technus trying to get this version of Sakura to calm down is like asking Master Jiraiya to stop being a SUPER PERVERT!

Nico: Yep.

Technus: Oh boy.

Me: (GASP) I got an idea. Naruto, Sasuke, Sai? Initiate plan Cetus Σ.

Nico: What's Cetus Σ?

Me: Watch.

Naruto: Right! SEXY JUTSU: REVERSE HAREM JUTSU!

Naruto creates several shadow clones and transforms them into attractive naked men. While not threatening, it was able to temporarily distract Kaguya Ōtsutsuki long enough for Naruto to land a surprise attack on her.

Passionflower: (GIDDY SCREAM!)

SHE LAUNCHED HERSELF WITH A POWERFUL NOSEBLEED!

Nicole: (LAUGHS HYSTERICALLY!) THAT IS SO FUNNY!

SAKURA HARUNO, INO, HINATA, TSUNADE, KARIN, KUSHINA, SARADA, MOEGI AND TENTEN HAD FUNNY REACTIONS SEEING THAT TECHNIQUE AND THEY LAUNCHED WITH FUNNY NOSEBLEEDS!

Nicole: (LAUGHS) THAT WAS FUNNY! That was genius too!

Tsunade: YOWZA!

Qin: Man what the fuck did I just see!?

Me: Long story but Naruto invented a technique to help weed out female perverts as you can see.

Laney: (LAUGHS) That is funny!

Steam Smythe: Allow me!

He fired energy blasts and blasted Passionflower all over.

Passionflower: MY TURN!

She went at us and then Sakura got in her way and she grabbed her arm and looked at her.

Sakura Haruno: Let me make one thing clear, what Naruto did when he kissed Sasuke was an accident. Now if you ever come anywhere near Naruto or any of my friends again I... WILL... SNAP... YOUR... NECK! DO YOU UNDERSTAND ME!?

Passionflower: (GULP) YES!?

Sakura Haruno: Good.

She then THREW PASSIONFLOWER FAR!

Me: WHOA!

Lynn: GOAL!

Me: Wow nice throw!

BUT THEN SHE RAN FAST!

Me: WHOA Like a Boomerang that keeps coming back!

Passionflower: I'M STILL NOT DONE YET! (Charges at us)

Konohamaru: OH YES YOU ARE!

KONOHAMARU FORMED A RASENGAN IN HIS HAND!

She had a chakra enhanced punch ready to strike!

Konohamaru ducked under the punch

Konohamaru: Take this you ugly forehead girl! RASENGAN!

He slammed the Rasengan into her stomach and then...

EXTREMELY MASSIVE EXPLOSION!

SHE WAS BLASTED RIGHT INTO A WALL AND IT SMASHED ONTO HER! She was defeated!

Me: WHOA!

Nico: WOW! Konohamaru knows the Rasengan?

Me: Yeah he does! Awesome job Konohamaru!

Moegi: YEAH! Way to go!

Udon: That was awesome!

Tsunade: Boy sensei's grandson sure has talent.

Me: I'll say Lady Hokage!

Nico: Wow! She really got smashed big time.

Camie: She is going to be feeling that!

Sakura Knudson: No kidding! That was awesome.

Stewie: That was almost like the time the fat man took Red Bull

Me: No kidding!

Lola: That was crazy though.

Me: Yep. Well now that she is out of the way lets go get that Snake Fucker.

Naruto: Nice job kid! Boy Iruka-sensei is gonna have a field day hearing about that.

Iruka: Actually I already saw it Naruto. Konohamaru that was really amazing! Well done!

Konohamaru: Thanks Iruka-sensei.

Me: Boy that was just like old times in 150,000 years huh Iruka?

Iruka: It sure was J.D. Boy it felt like I was reliving Naruto's Academy days all over again.

Me: (LAUGHS) Yeah no kidding. Fun times.

Nico: Yep. Lets head out people. (EYES GLOW RED) GET READY OROCHIMARU! We're coming for you!

We were off to the Tenshi Bridge

We were flying. We arrived at the Tenshi Bridge.

Me: There it is.

We were hiding in the trees and bushes.

Dr. Viktor: How far is he?

Eli: (Concentrates) 2,500 yards and closing.

Me: He's getting close and I sense that he has an evil Sasuke too.

Eli: Yep and he has the Sound 4 with them too.

Tayuya: Boy this is gonna be good.

Brittney: I'll face the Sound 4.

Me: Okay then. It's gonna be at least a few minutes before he gets here. But we're ready.

Tundra Man: They probably won't be the only ones

Me: I agree. But we're ready for them. This time it's personal.

Xenia: Yep.

Eli: 2,000 yards.

Me: He's moving fast.

Nico: What will the signal be to launch an entrance?

Me: When I release the ultimate extent of my power when it hits infinity. There's going to be a lot of action.

Mammoth: I'm gonna pound their faces in!

All of us: SHH!

Mammoth: Sorry.

Me: Yeah.

Eli: 500 yards and closing.

Me: Showtime.

I took off my vest and weights.

Me: Here we go.

I had Nico hold on to my clothes.

I went out onto the bridge.

Nico: We jump out on my command.

I saw a figure coming and my aura was flaring up.

Out of the forest came OROCHIMARU!

Nico: (Whispering) There he is.

Eli: Ugly.

Orochimaru got closer and closer and he saw me.

Orochimaru: Ah if it isn't J.D. Knudson.

Me: Long time no punch Orochimaru. I'd say it's nice to see you again but I would be lying.

Orochimaru: You know I was given a second chance thanks to my new leader.

Me: You mean Anti-Monitor right?

Orochimaru: Ah so you've heard of him.

Me: Yes. After Xehanort kicked the bucket Anti-Monitor took his place. He freed not only you but also many of our enemies too.

Orochimaru: So I see. Too bad you won't live to face many of them.

Me: We'll see about that. For the record, I'm not the same as I was when we fought the last time.

Orochimaru: Really. Then lets test that power against Sasuke. He needs to stretch his wings. Maybe we can test the bulk of his new growth by putting him against you.

Me: You know that's exactly what I intend to do and then end him.

I then powered up and released my aura and then in a massive vortex of energy I transformed! I then transformed into my new SUPER ANGEL-EBONWU-VAMPIRE-WEREWOLF-DRAGON-DEMON-MERMAID-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL JUSTICE AND COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL HOPE form!

I then charged up my power.

Me: Now you are going to see how strong I am! I've waited for this for a long time SNAKE FUCKER!

I THEN FLARED UP MY POWER TO THE EXTREME! MY ENERGY WAS RISING FAST! THE GROUND WAS SHAKING EXTREMELY VIOLENTLY! LIGHTNING STRUCK ALL OVER THE PLACE AS THE SKY DARKENED AND THE WIND BLEW SO

FAST THAT IT FELT LIKE THE SKY AND THE AIR WAS ON FIRE!

Nico was messuring my power!

IT WAS ALREADY AT 939 GOOGOLPLEX AND RISING!

IT WAS STILL RISING FAST! OROCHIMARU TREMBLED IN FRIGHT AT THE FEELING OF MY POWER!

EVERYTHING ALL OVER THE ENTIRE UNIVERSE FELT THE ENORMOUS STRENGTH OF MY POWER RISING FAST!

Then the messuring screen hit INFINITY! ∞

Nico: He did it!

THEN THE SCREEN SHATTERED INTO SHARDS!

Ren Krawler: It's hit infinity!

Linehalt: Entrance time!

Nico: Lets go!

Everyone went to face him.

Me: So what do you think Orochimaru?

Orochimaru: What are you!?

Me: Your worst fucking nightmare!

Then the spirits of Ninjas came and swirled around him and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

A massive fiery explosion blasted off at the entrance to the bridge and then a Phoenix Cry was heard and everyone came.

Nico: Okay you Snake Freak! It's payback time!

Lady Tsunade: Nice to see you Orochimaru. For the last time!

Cira Kusanagi Oto: You and I have an old score to settle Orochimaru!

Orochimaru: IMPOSSIBLE! The Goddesses of the Hidden Villages!?

Cira Kusanagi Oto: That's right! I'm here to take back my rightful place as the ruler of the Hidden Sound!

Artie Ziff: You're about to be messed up bad!

Me: And it's going to hurt really bad.

I TELEPORTED AND WITHOUT WARNING I PUNCHED HIM IN THE FACE WITH DEVASTATING FORCE AND KICKED HIM IN HIS FACE! I punched him into a bunch of trees and smashed them all onto him.

He got up and went at me and I went at him and then we collided and then...

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Nico: YEAH!

Everyone went and helped.

Nico: NUOVA STAR!

Nico fired a huge ball of fire and blasted Orochimaru.

Sasuke Uchiha: CHIDORI STREAM!

Sasuke fired massive showers of lightning needles and blasted Orochimaru all over.

Me: Try and stop this one. KAAAAAAAAAA MEEEEEEEEEEE HAAAAAAAAAA MEEEEEEEEE!

Orochimaru: TRIPLE RASHOMON!

He summoned 3 powerful huge gates in front of him!

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow energy Kamehameha Wave and the blast was so strong and so powerful that it slammed into the 3 gates and obliterated them in an instant and blasted Orochimaru in a powerful and massive explosion of power!

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE EXPLOSION!

Qin: WHOA!

Camie: YEAH!

Orochimaru got up out of the rubble and he was really mangled up. He then used his body shedding jutsu.

Me: You are seriously one disgusting rotten fruitcake!

He then used 10,000 SNAKES WAVE!

With this technique, a countless number of summoned snakes crawl out of Orochimaru's mouth and hunt down the enemy. With such overwhelming numbers, a true "wall of snakes" is formed, making defence and evasion meaningless. The enemy can do nothing but become buried by the snakes. The snakes can bite the enemy with their poison fangs and open their mouths to extend Kusanagi-like blades, making them even more deadly. Furthermore, when the inexhaustibly crawling snakes gather together, they become a defensive wall, and can block any kind of attack.

Nico fired a massive bast of energy and obliterated the snakes into nothing.

Terrakion charged at Orochimaru and bashed Orochimaru down and then slashed him with Secret Sword!

I teleported and slashed Orochimaru in half and then he regrew himself with his snakes.

Nico: YUCK!

Orochimaru: STRIKING SHADOW SNAKES!

He threw snakes at me and I teleported and kicked him in his face.

He went rolling.

Orochimaru: You continue to impress me J.D.

Me: Well you are soon to learn that not all bodies that you have taken over the years are VERY APPETIZING.

Qin: Yeah!

Me: Try this on! SAGE ART: WHITE EXTREME ATTACK!

The Sage Art: White Rage Technique is a senjutsu used by those who studied in the Ryūchi Cave and mastered the Sage Transformation. After forming the necessary hand seals, the user expels a dragon-like entity from their mouth that carries an orb in its left front claw. As the dragon tightly coils itself around the orb, it releases both blinding light and deafening sound by making the air oscillate. This alone greatly hinders those in the vicinity but, due to the intensity of the resulting vibrations, paralysing pain is also induced. Thus, the technique both briefly inhibits the opponent's senses, as well as techniques that require their active concentration

---

I fired a Dragon entity and it really hindered Orochimaru with a blinding light and deafening noise and I teleported behind Orochimaru and blasted him in his back!

He was blasted down.

Orochimaru: IMPOSSIBLE! HOW DO YOU KNOW THAT TECHNIQUE!?

Me: Something I learned when I killed Kabuto after he got those powers from that Sample.

Nico: WHOA!

Toyman charged at him and fired energy blasts and blasted Orochimaru.

Leeli: Lets get him!

Toyman and Leeli: SONG OF THE SIREN TOYS BLAST!

They fired waves of energy and blasted Orochimaru.

Artie Ziff charged at him and fired waves of energy and blasted him.

Goku: KA ME HA ME HA!

Goku and Artie: EXPLOSIVE KAMEHAMEHA BURST!

They fired a massive Kamehameha Wave and explosive energy and blasted Orochimaru all over.

Me: And Another thing! You have a bunch of people that want to say hello.

Anko, Rin, Tayuya, Kimimaro, Suigetsu, Karin and all those that Orochimaru experimented on came forward and they were REALLY PISSED!

Anko: Hello "Sensei", now we can finish you forever!

Karin: You have a lot of nerve!

Kin: All you viewed me as was nothing but a pawn!

Tayuya: You lied to me over the years you fuckwit!

Suigetsu: You ruined so many lives!

Lincoln: It's over Orochimaru! We played all your sick and devilish games, brought the pain to all of your minions and destroyed and battled all your failed little experiments! Now all that's left to do is to finish you off once and for all! HA! I FINALLY SAID IT WITH NO INTERRUPTIONS!

Me: That's for sure!

Nico: You will pay for your crimes!

Qin: And it will be sweet justice.

Me: No more Orochimaru! No more lives will be sacrificed to satisfy your goals!

Nico: YEAH!

King Hiss charged at him And bit him and poisoned him with his venom!

Orochimaru: NO!

King Hiss: You may be immune to poison but are you immune to my poison?

Anko: And mine!

King Hiss and Anko: SNAKES OF FLAMING WRATH!

They fired waves of energy and fire and it formed into snakes and blasted him.

I formed a blade of fire from my sword and skewered Orochimaru's arms.

Me: Now I'm going to use a line from the handbook of Sasuke Uchiha. Orochimaru, I'm stronger and more powerful than you now and as you know you wanted Sasuke right? So at this point there was no reason for him to hand over his body to you.

Orochimaru: A bold statement from someone who was a nurseling Uchiha!

Me: Heh. Yes a "Nurseling" was the only kind of Uchiha you could handle. But tell me the truth, how many kinds of Nurselings like him fell at the hands of a Motherfucking Cur?

Orochimaru was shocked to hear me say that.

Me: I remember you were there in the Forest of Death during the Chunin Exams in 150,000 years to see if this Nurseling showed promise. But instead all he took was a one way road to his own destruction at my hands. And another thing, it was pointless to bind him to you with the Curse Mark. Sasuke was going to kill you no matter what. And you know why? He was an avenger. He wanted revenge. Not just on Itachi his brother but me as well. He wanted it so badly that he was willing to give up his body to get it. What you wanted was the Sharingan right? But how to get it? Itachi was out of the Question. So you went after a pathetic evil runt named Sasuke Uchiha, the Baby of the Clan and one that was filled with hate and evil from day one and wanted nothing more than to destroy the entire planet and kill everyone in the name of a planet destroying devil named Madara Uchiha. Isn't that so? And they say you are the genius out of the Legendary Sannin. But it turns out you're just another pathetic run-of-the-mill Ninja and you know it. You're not even in the same league as the kind of power that I possess. I can destroy the entire universe in an instant with the kind of power that I possess. You're not even in the same kind of league as either me or the Uchiha. In fact next to the Uchiha, genius like yours looks pretty ordinary. The way you covet the power of the Uchiha, the way you fill yourself up with medicines and go leaping from body to body. It's absolutely fucking disgusting. As Sasuke is an Uchiha and I agree with him all I see when I look at you is a miserable motherfucking wretch. And on top of that I HATE you and your style. What is it you hope to accomplish? Scurrying from one hideout to the next, conducting your pathetic experiments, using up peoples lives one after the other, trying to unlock the mysteries of nature, tampering with Mother Nature's laws for your own selfish gain. You toy with peoples lives for the sake of this vain, ridiculous and devilishly evil cause of yours. YOU FUCKING DISGUST ME!

I teleported and slashed him all over!

Nico: Should've saved that for Evil Sasuke!

Lily: He has a rant for Orochimaru and Evil Sasuke.

Nico: Oh right. I see the difference.

Qin: Yeah.

Sasuke Uchiha: But he said that really well.

I kicked Orochimaru in his face and kicked him to everyone and then we resumed the combos.

Mammoth charged at him and smashed Orochimaru down.

Manny: He is an embarrassment to nature!

Mammoth and Manny: MAMMOTH SMASHING BASH!

They smashed Orochimaru with a powerful headbutt.

Kaos charged at him and fired 10 elemental blasts.

Glumshanks: Lets have some fun Lord Kaos.

Kaos and Glumshanks: KAOS FURY BLAST!

They fired waves of energy and blasted him all over.

Me: Orochimaru you are now going to face up to your crimes.

We went at him more and I fired a blast of energy and blasted him all over.

Dr. Viktor charged at him and fired purple lightning and electrocuted Orochimaru.

Samui: Time for some cold wind.

Dr. Viktor and Samui: CRYO THUNDER BLAST!

They fired waves of lightning and ice and blasted Orochimaru all over.

Mr. Fizz charged at him and fired soda blasts.

Numbuh 2: Lets pop it up!

Mr. Fizz and Numbuh 2: SODA FURY BURST!

They fired waves of soda and energy and smashed him all over.

Technus charged at him

Technus fired waves of energy and blasted him.

Liu Kang: Lets get him.

Technus and Liu Kang: DRAGON FATALITY BLAST!

They fired waves of energy and blasted him with dragon power.

Carly Atlas charged at him and fired orange fire blasts.

Yakumo: Lets bring the fire.

Carly and Yakumo: FIRESTORM FROM THE HUMMINGBIRDS!

They fired massive blasts of fire and blasted Orochimaru.

Katnappe charged at him and slashed him all over.

Lois Griffin: Time for some pain.

Katnappe and Lois: FURIOUS CAT BLAST!

They fired waves of energy and blasted him all over.

Nico: Are we forgetting something?

Me: Oh they should be here oh right about now.

We saw the Sound 4 and Evil Sasuke!

Brittney: The Sound 4 are mine.

Brittney was walking up to the Sound 4 and they were back with a vengeance.

Dark Tayuya: You are a fucker that is always ruining evil's plans! Damn that pisses me off!

Jirobo: Tayuya, watch your language.

Dark Tayuya: Oh shut up fatso!

Brittney: How about you fuckers BOTH shut the fuck up!?

Sakon: We will still get our revenge on you and your family for killing us!

Brittney: Even after 150,000 years, you 4 fuckpots just won't take a hint. Even after spending all that time in the darkness of oblivion. Like my dad already told you assholes, we are now far more powerful than we were when we fought the last time.

Dark Tayuya: Don't underestimate us you piece of crap! Got it!?

Brittney: Says the pot calling the kettle black you fucked up bitch! You are the ones who underestimated us. Because you had no idea that you were fighting the long lost leader of Team Loud Phoenix Storm. You guys are still as weak as you were the last time we fought.

Jirobo: I'm gonna shut that big mouth of yours for you!

Brittney: Two words Jirobo: FUCK YOURSELF!

The Sound 4 charged at Brittney and She flared up her SUPER ANGEL ETERNITY INFINITY XELNAGA DARKNESS EMPRESS DEMON DARK ANGEL OF DARK GOTHIC RAGE AND DARK GOTHIC JUSTCE power and went at them! She punched Dark Tayuya in the face and kicked Kidomaru in the stomach and punched Sakon and kicked Jirobo and fired a powerful blast of fire and energy and Dark Tayuya and the blast hit her and exploded. Blowing her chest open and Brittney kicked her head and kicked Jirobo in the face and punched him in the stomach and punched Sakon & Ukon in the face and fired a powerful blast of lightning at them and electrocuted them all over and Brittney kicked Jirobo and fired a powerful barrage of leaves and cut them up.

She landed in front of them and asked them a question.

Brittney: I don't understand you fuckwits. Why are you serving someone like Orochimaru all just to get revenge on my dad for killing you 150,000 years from now? All you are is nothing but a bunch of tools to him and that makes you all a bunch of fools

Sakon: What? We're nothing but tools? Is that what you called us?

Brittney: Uh yeah.

Sakon laughed.

Jirobo laughed too.

Kidomaru: You ignorant fool. We have nothing whatsoever to do with any of your enemies you fought before or the one you call Anti-Monitor.

Sakon: Our reanimation is simply because of our loyalty to Lord Orochimaru.

Brittney: (Sighs) Even after all this time you still follow someone as fucked up and as delusional as that snake fucker.

Sakon: Quite so. He made us a promise long ago and this is the result of that.

Brittney: Humor me.

FLASHBACK - 150,000 YEARS HENCE

Orochimaru was watching a bunch of prisoners fight each other mercilessly and Kabuto Yakushi was with him.

Orochimaru: Yes, that's it. Kill each other off. And if you are not taking this battle seriously, then I'll just kill you myself.

It was a gruesome and terrible battle and there were many people dead. The only ones left standing were Tayuya, Sakon & Ukon, Jirobo and Kidomaru.

Orochimaru: The feeling that's born when one transcends the fear of death. Yes that's it. That's what I wanted to bring out in you. Just look at those fine eyes of yours. Now I shall bestow upon you greater power and you shall carry out my bidding as my favored ones.

Sound 4: NINJA ART: 4 FLAMES FORMATION!

A powerful blackish purple barrier formed during the fight with Orochimaru and the 3rd Hokage.

Sakon: (Narrating) Standing at Lord Orochimaru's side, we've been witnessed to many jutsu. But the ultimate is the Reanimation Jutsu.

After I defeated Orochimaru and destroyed his entire career as a shinobi permanently, he was lying in bed and seething in rage and burning in pain.

Orochimaru: That fucking brat! I can't believe he ruined me! HOW DARE HE!?

He had the Sound 4 by his bedside.

Orochimaru: What? Do you have something to say?

Sakon: No.

Orochimaru: In the condition I am now, you four might be able to kill me. This is your chance if you dare to try.

But the Sound 4 wouldn't do so.

Orochimaru: Well it seems that as long as the Curse Mark binds you, you cannot bring yourself to raise your blade against me. Although the invasion was a failure from the start, you did make yourselves useful in the attack on the Hidden Leaf. For that I shall reward you. What do you wish for?

Sakon: There's only one thing Lord Orochimaru.

Jirobo: Power. Power as a shinobi. We wish for nothing more than that.

Orochimaru: So it shall be. That's quite impressive. All of you. I commend you on your choice. I'll add each of you to the sample. To access the next level of power within you, you will need a vengeful heart. Possessing an extreme desire for revenge will rapidly increase the power of the Curse Mark.

Kidomaru: What's the connection between that and the Reanimation Jutsu?

Orochimaru: The emotions you 4 learned from overcoming the fear of death at that laboratory are resentment and hatred towards me. No, an even stronger feeling. I'm sure you swore to get back at me one day. Even if you were killed in the process. That emotion, when you can hate someone as strongly as that. Once you're actually killed you take it with you. That hatred towards the one who put you to death. You die thinking that you could be resurrected, it will be to only seek revenge. Yes. Through the Reanimation Jutsu, you will return as one seeking vengeance. You will attain power unlike anything you've ever had before. The source of your newfound strength will be your consuming desire for vengeance. Embrace that power. Take pleasure in it, revel in its might.

FLASHBACK ENDS

Sakon: Today just as it was in the future you and your family killed us in, we belong to Lord Orochimaru!

A massive blast of wind blew and Brittney felt their power increase dramatically!

Kidomaru: We are Lord Orochimaru's very own Seekers of Vengeance!

Malevolent dark purple auras flared up around the Sound 4 as their powers were rising dramatically at an accelerated rate!

Jirobo: The intense hatred and resentment that we harbor towards you will allow us to unleash the full depths of our power!

Sakon: The way it stands now, no one can stop us!

Dark Tayuya: And don't you even dare to lump us in with all those other fuckpots you fought you fucking piece of trash!

Storm clouds rapidly formed and the sky was darkened and lightning struck all over the place. Brittney's Black aura was getting stronger because of their hatred.

Brittney: So you all were brought back just to get revenge on dad? You 4 are fucking insane and just as fucked up as ever. Then it's time for me to get serious and show you fuckers that me and my family are far more powerful than we look right now.

She unleashed her SUPER ANGEL ETERNITY INFINITY XELNAGA DARKNESS EMPRESS DEMON DARK ANGEL OF DARK GOTHIC RAGE AND DARK GOTHIC JUSTCE!

Brittney went at them at a tremendously blinding speed and punched Jirobo in the face with devastating force and kicked Dark Tayuya in the face and sent them both crashing into a bunch of trees and Brittney fired a powerful blast of fire at them and it hit them and exploded with incredible power.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

Brittney kicked Kidomaru in the face and teleported behind him as he fired gold arrows at her and she grabbed his four extra arms and pulled and she ripped them clean off and he screamed in excruciating pain! She kicked Sakon in the face and fire a blade of light and cut Sakon and Ukon in half and fired a powerful blast of darkness lightning at him and electrocuted them both and fired a powerful blast of lava and burned them all over and fired powerful shards of crystal at Kidomaru and skewered him all over the place and Brittney kicked him in the face and teleported and kicked him in the back and fired a blast of fire at him and burned him all over and Brittney kicked him high into the air and dealt a spinning axe kick to his stomach and sent him crashing into the ground. Brittney sensed Dark Tayuya coming at her from behind and she kicked at her and she dodged her strike and grabbed her leg and elbowed it and there was a nasty sickening crunch and she screamed in excruciating pain and Brittney elbowed her in the face and swung her around and sent her crashing into the ground. Brittney formed a Darkness Supernova energy ball and sent it at Tayuya and it hit her and exploded in a massive fiery explosion of incredible power.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

OOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOOOOOOMMMMMM!

Jirobo jumped at Brittney and she sensed him coming from behind and she teleported as he did a powerful punch at an incredible speed and Brittney fired a massive barrage of wind blades at him and cut him all over and she fired a powerful ball of light at him and it hit him and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Brittney then teleported and punched Sakon and kicked Ukon in the face and fired powerful blasts of water at them both and sent them crashing into a bunch of trees. The Sound 4 were down, but they were severely weakened and badly beaten. Brittney had completely overwhelmed the Sound 4 like they were when I faced them 150,000 years from now.

Dark Tayuya got up and she saw how much we all have changed.

Dark Tayuya: I can't fucking believe it! They all have changed so much!

Kidomaru: I HATE YOU AND YOUR FAMILY BRITTNEY!

Our auras flared up with incredible power.

Brittney: You fuckers hate the fact that you're completely powerless to stop me. That you are completely outclassed and outmatched. Your power up fueled by revenge has only made you weaker than you were before. Well imagine feeling the way you do now all of the time like those that were killed by Orochimaru once felt. Fools! How do you think everyone felt when they were experimented on and turned into dangerous barbarian mutants like you guys were. They wanted to be put out of their misery. But dad granted their wish after he killed Orochimaru. Now it's your turn you Sound fuckers. I hope you like the surprise I have coming for you.

Jirobo: We'll see!

Dark Tayuya: YOU MOTHERFUCKING BASTARD!

Brittney flipped the bird at her and then all of the Sound 4 came at her from all 4 directions and just as they were about to hit her, she teleported into the air and they collided and they rammed into each other and fell down.

Brittney: Now you will go back to hell. DARK SPECTRUM STYLE NINJA ART: VISIBLE LIGHT RASENSHURIKEN STORM!

She formed 70 Rainbow Rasenshuriken of each of the 7 colors of the rainbow. 10 for each color and she threw them all at the Sound 4 and they hit them all at once and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The explosion was so powerful and so devastating that it blew much of the area apart and the power it had was incredible! When the smoke cleared, all of the Sound 4 were lying in the ground in the middle of a crater.

Brittney: You four have no right to live.

Brittney landed on the ground and they got out of the crater.

Brittney: Got to admire their spirit.

They still had an incredible fighting spirit after everything Brittney did to them.

They came at Brittney charging and then she teleported and drew kanji on their heads.

Brittney: BLACK ABYSS!

They were found Guilty and consumed by the flames!

Dark Tayuya: DAMN YOU AND YOUR FAMILY TO FUCKING HELL J.D.! (FADES AWAY!)

Kidomaru: WE WILL BE BACK! (FADES AWAY!)

Jirobo: YOU HAVEN'T SEEN THE LAST OF US! (FADES AWAY!)

Sakon: YOU WILL BE IN HELL WITH US! (FADES AWAY!)

War Machine: Arsenal. That is my quirk!

They fired waves of light and energy and smashed them down.

Lightspeed Rescue Rangers, Megaforce Rangers, Nico, May, Eli, Nunnally, C.C., Laney, Lana, Lola, Lisa and Lily VS Treevil

---

Treevil was next.

Treevil: Boy Orochimaru has REALLY CAUSED a huge number of headaches hasn't he?

Nico: That is a MASSIVE understatement.

May: Yeah but after today he will be a forgotten memory.

Treevil: Yeah he sure will be. Lets do it!

Nico teleported and opened his safe and it had weapons called the Destroyers of Orochimaru, these are a collection of greatswords and blasters that'll really put the hurt on both of that filthy snake.

Nico teleported back with them.

Rangers: LIGHTSPEED RESCUE!

Ryan: TITANIUM POWER!

Megaforce Rangers: LEGENDARY RANGER MODE! LIGHTSPEED RESCUE!

They transformed and were ready!

Nico: Lets get him!

Carter: V-LANCERS! BLASTER MODE! SPECTRA BLAST!

They fired rainbow lasers and they converged to form a powerful blast.

Carter: ON TARGET!

They fired waves of energy and elements and the blasts all hit him and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was dead!

Nico: YEAH! Treevil you have failed this world.

Troy Burrows: Rangers that's a Super Mega Win.

We regrouped

Sakura Haruno: This is the end, Orochimaru, never again will you return to plague the nations once more.

Suddenly, Sakura's green eyes turned neon green and she was surrounded by a red and pink energy aura with stars, fire, flames, butterflies, phoenixes, and angels, she unholstered her Sakura's Firestorm Butterfly Sword of Fiery Justice, and as she approached Orochimaru, she left red and pink energy, stars, fire, flames, butterflies, phoenixes, and angels with every step.

Sakura Haruno: For too long, you've caused far too much pain and suffering to far too many people throughout the Five Great Nations and all in your pursuit of possessing all the Jutsu and achieving your goal of immortality. You have gone too far for the last time, and for that, you are hereby sentenced to death for all of your crimes, Orochimaru, and this time, we'll make sure that you never rise from the dead again.

Suddenly, Sakura Haruno was surrounded by a massive vortex of red and pink energy with stars, fire, and flames surrounding the vortex, there are butterflies, phoenixes, and angels flying around the vortex, and in the vortex is a pink phoenix with blood red eyes glaring at Orochimaru and Evil Sasuke: the blood red eyes of eternal death and eternal judgement.

Me: WHOA!

Nico: The last time she transformed was against that old banshee, Rose Haruno.

Lincoln: Now, she's about to transform against that snake, Orochimaru, and this'll be the final time he ever returns to cause trouble.

Then, as the vortex faded, Sakura Haruno emerged, but she was changed forever.

Suddenly, Sakura felt a sharp pain on her back, and then, her massive pink angel wings with red tips on the large pink feathers grew much larger for her new body with a wingspan of 50'0" and medium sized pink angel wings with red tips grew and sprouted out underneath her massive pink angel wings with a wingspan of 40'0" and small sized pink angel wings with red tips grew and sprouted out underneath her medium sized pink angel wings with a wingspan of 30'0" and another pair of pink angel wings with red tips grew and sprouted out underneath her small sized pink angel wings with a wingspan of 20'0" and another pair of pink angel wings with red tips grew and sprouted out underneath the new pair of pink angel wings with a wingspan of 10'0" and they also have the power to generate red and pink butterflies. We were amazed by Sakura Haruno's Super Angel-Medic Ninja-Butterfly-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Orochimaru saw it, he ran at her with his sword to kill her, but Sakura Haruno punched Orochimaru hard in the face and she fired a massive barrage of red and pink energy, stars, fire, flames, butterflies, phoenixes, and angels which hit Orochimaru and Evil Sasuke and burned

them badly as they were sent flying into a wall, they got back out, but now, they were enraged beyond measure.

Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!

WE ALL CHEERED WILDLY AND EVIL SASUKE FELL INTO A VERY BLACK RAGE! THEN, THE ENTIRE TEAM TRANSFORMED AND UNHOLSTERED THEIR GREATSWORDS AND WEAPONS!

We fired powerful barrages of colored energy, elemental forces, mythical beasts, and mythological creatures which hit Orochimaru and Evil Sasuke who'd transformed into his Cursed Mark Level 2 and the blasts exploded with incredible power, and we attacked them with our greatswords and weapons and left nasty scars on them.

Then, Lincoln spotted the Monitor Orb on Orochimaru's stomach and fired an energy dagger that hit The Monitor Orb and shattered and we gained a massive power boost and Orochimaru screamed in agonizing pain.

Evil Sasuke: HOW?! WHY?! HOW ARE ALL OF YOU THAT STRONG?! THAT POWER SHOULD BE...!

But, then, Lincoln stretched his arm and grabbed Evil Sasuke's tongue, and then...!

SNAP! SQUELCH!

LINCOLN PULLED EVIL SASUKE'S TONGUE OUT AND HE SCREAMED IN AGONIZING PAIN AND BLOOD GUSHED OUT OF HIS MOUTH!

Lincoln and the girls fired waves of energy and elements that transformed into the predators of snakes and they slammed into Orochimaru and exploded.

Lincoln and his harem: SNAKE PREDATOR FINAL SMASH: PREDATOR RAMPAGE!

Lincoln and his harem summoned hordes of the predators of snakes, and they proceeded to maul Orochimaru and he was all bloodied and scarred.

Suddenly, Lincoln and I covered our left fists with rainbow energy and we charged at Orochimaru and smashed our fists into his stomach, and everyone saw it: our attacks obliterated Orochimaru's entire Chakra Network, and it caused Orochimaru to belch out massive tons of blood along with his Chakra Network that was destroyed, and then, we saw Orochimaru age rapidly until he looked like a 1000-year-old man.

Orochimaru: (Weakly) W-what have you all...done to me?!

Nico: (to Steam Smythe) Easy, Steam Smythe. You'll get your chance to kill him soon

Me: That I promise.

Lady Tsunade: Lets get these monsters to the Leaf.

We had them tied up and taken to the Leaf and we had them brought before the tribunal and were found guilty of all their crimes.

Nico: Has the jury reached a verdict?

Jury: Guilty!

Lady Tsunade: Sasuke and Orochimaru, you both are hereby sentenced to death! Kill them!

Me: You heard her!

Steam Smythe fired energy blasts.

Steam Smythe: If only you had advanced technology like mine, you could've avoided this. That being said, I made this just for you!

He pulled out an amazing new invention he made. It was called the Steampunk thunder cannon and it fired an energy blast and blasted Orochimaru's head off.

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE AND POWERFUL EXPLOSION OF INCREDIBLE POWER!

THEY BOTH WERE OBLITERATED IN AN INSTANT!

YOUR TIME'S UP!

Suddenly, the bell of judgement rang in the ears of Orochimaru and Evil Sasuke meaning their time was finally up! Then, the spirits of all those they'd killed appeared and grabbed them.

Spirits: Guilty!

The spirits found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on the foreheads of Orochimaru and

Evil Sasuke, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they were finally being erased by The Black Abyss!

Orochimaru: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Evil Sasuke: DAMN YOU, YOU MOTHERFUCKING CUR (LETS OUT ONE LAST SCREAM BEFORE HE AND OROCHIMARU FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS PIECES OF TRASH, AND DON'T YOU DARE COME BACK, YOU PIECES OF SHIT!

Everyone cheered as we holstered our weapons and we powered down, and Sakura Haruno's new body, clothes, 28th Century backpack, Third Eye, fifteen large pink and red planets orbiting her legs and fifteen smaller pink and red planets orbiting around her waist, smaller planets orbiting around her fingers, fifteen medium pink and red planets orbiting around her ankles and wrists, and massive pink angel wings and four other sets of pink angel wings underneath her massive pink angel wings are permanent.

Me: We finally did it, Orochimaru is finally gone forever!

Nico: That snake had it coming for a very very long time.

Lincoln: For years, he's had this coming, and now, Orochimaru is finally gone for good. Now, there's one last thing to do, and one last loose end to tie up: Stirba.

?: Now, none of you will ever leave this place alive.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from powerful dark magic blasts that came out of nowhere and the barrier really stood strong against them and the dark magic blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Stirba, or we will force you out.

A figure came out, and it was none other than Stirba, Werewolf Queen and powerful dark sorceress of Transylvania.

Me: So, you've finally shown yourself, Stirba.

Ramona Rosemary: But, this is where it all ends for you.

Suddenly, Ramona Rosemary's blue eyes turned neon blue and she was surrounded by an ocean blue energy aura with stars, water, ocean waves, rosemary plants, phoenixes, and angels, she unholstered her massive water greatsword, and as she approached Stirba, she left ocean blue energy, stars, water, ocean waves, rosemary plants, phoenixes, and angels with every step.

Ramona Rosemary: You should've never ever returned, Stirba, you've caused far too much trouble to all of Transylvania, and you've committed far too many blasphemous atrocities in your worship and devotion to the dark forces, and now, it's time for you to face eternal damnation.

Suddenly, Ramona Rosemary was surrounded by a massive vortex of ocean blue energy with stars, water, and ocean waves surrounding the vortex, there are rosemary plants, phoenixes, angels, and Aromage Rosemary flying around the vortex, and in the vortex is a blue phoenix with blood red eyes glaring at Stirba: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Uh oh, now things are really going to get messy.

Lincoln: Yep, but like Ramona said, Stirba's blasphemous actions have already warranted her eternal damnation by our hands.

Then, as the vortex faded, Ramona Rosemary emerged, but she was changed forever.

We were amazed by Ramona Rosemary's Super Angel-Aromage Rosemary-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Stirba saw it, she fired blasts of dark magic to kill her, but Ramona Rosemary fired a massive barrage of ocean blue energy, stars, water, ocean waves, rosemary plants, phoenixes, and angels which hit that werewolf queen and sent her flying into a wall, she got back up, but she was really really angry now.

Me: Wow, Ramona's transformed, and the scent of rosemary plants her angel wings are letting off is even stronger than ever.

Lincoln: She did, now, we can tear that werewolf queen apart and make her pay for everything.

Ramona Rosemary, Lincoln, Nico, and I went after Stirba who fired dark magic blasts at us, but we deflected them and even proved immune to them, and we fired extremely powerful blasts of rainbow energy, ocean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Stirba and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ramona Rosemary also did the same by firing ocean blue energy slashes from her massive greatsword and gold-plated dragon claws, and he, Ramona Rosemary, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was Stirba even angrier than ever.

Then, Lincoln grabbed Stirba by the neck and lifted her up to his face.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to end this.

Lincoln sank his fangs into Stirba's neck and he began sucking out her blood, and at the same time, he was assimilating all her dark powers and werewolf powers, and in Stirba's castle in Transylvania, we heard howls of pain as we saw the werewolves being drained of energy and all of their werewolf powers and they all turned to dust and were sent to The Black Abyss, and Lincoln finished draining Stirba, and she now looked like an old woman.

Stirba: Please..., have mercy.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sorry, I don't have any mercy for a Satanic werewolf like you.

Then, Lincoln slashed Stirba's head off and banished her to The Black Abyss. Everyone cheered wildly for what Ramona Rosemary, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Ramona Rosemary's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen ocean blue planets orbiting around her legs, fifteen smaller ocean blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive blue angel wings and medium sized blue angel wings and small sized blue angel wings underneath her massive blue angel wings are permanent.

Ramona Rosemary: It's all over, Stirba, now burn in The Black Abyss forever. Thanks for helping me take down Stirba, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ramona.

Me and Nico: Our pleasure, Ramona.

Suddenly, Ramona Rosemary wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ramona Rosemary's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Aromage Rosemary flying in the air, and we saw a herd of Buffalo and many animals running across the field and water and the sudden growing of rosemary plants and elemental forces behind them and we cheered wildly. Then, Lincoln and Ramona Rosemary sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that werewolf and Lincoln drained her dry of blood and assimilated her dark powers and werewolf powers and he did the same thing draining every last werewolf in her castle of their energy and werewolf powers.

Me: And sent them all to The Black Abyss, awesome. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Carly Estevez Salazar, Gene-Slammer of Venom Cobra.

Lori Estevez Salazar: I knew it was her.

Selene Arcangela: Same here, and you guys are going to love meeting her, Carly Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female viper with her named Belinda and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES FLIP WITH A BLAZING PASSION BECAUSE THAT MUTANT CHEAPSKATE TRIED TO KILL LINCOLN BY SETTING A BOMB OFF AT GUS' GAMES AND GRUBS, BUT CARLY DISARMED THE BOMB AND SHE REALLY CLOBBERED FLIP HARD AND PUT HIM IN A FULL BODY CAST AND SENT HIM BACK TO PRISON!

Nico: Jeez, she trashed that mutant hard!

Me: I remember that all too well, man, that was really brutal.

Luna: Hey, that ugly butt-cheeked mutant deserved it though.

Lincoln: You got that right.

We later went and reported everything to the Hokage and told her and the councils and more and it was incredible.

Lady Tsunade: Well done to all of you J.D.

Me: Just like back in the good days.

Qin: Yeah.

Goliath: That's it for Orochimaru.

Atomic Skull: But there's still plenty of enemies of the village still out there.

Calamitous: Including Sakura's Aunt.

Skinner: We'll deal with her tomorrow.

Me: Yeah.

Naruto: Let's celebrate with some Ramen!

Ragdoll: (laughs) I knew you were gonna say that!

Me: Me too.

Nico: Yep. Great job everyone!

Me: (To the viewers) This was an awesome and epic adventure and one that will be remembered in the Leaf.

Nico: Yep.

We went and got some ramen and later went back home and went to sleep.

Nico: Yeah. Wow! What a battle.

Fu: But Sakura's Akuma was crazy!

Me: I know and it did bring back some interesting memories from 150,000 years. I have tons of experiences with numerous incidents and ninjas from that timeframe.

Camie: Wow! That is amazing!

Fu: It sure is.

Nico: But either way I'm glad that Orochimaru and his reign of terror had been silenced forever.

Lincoln: Yeah and the best part is we got Cira Kusanagi Oto back her rightful place as the ruler of the Sound.

Me: That is for sure.

Qin: I agree.

Me: Yeah. Konohamaru, Moegi and Udon did a great job against Sakura's Akuma though.

Eddy: The Akuma really had a loud voice!

Me: No shit! That was intense.

Fu: I can't believe that she was made all because Naruto accidentally kissed Sasuke full on the mouth!

Me: (LAUGHS) Yeah that was crazy!

Lisa Loud: I believe she should be classified as a yandere.

Eli: I know that term all too well.

Fu: A Yandere?

Me: It's someone who acts sweet, caring, and innocent before switching into someone who displays an extreme, often violent or psychotic, level of devotion to a love interest.

Fu: That is crazy! But yeah that is a good way to describe her.

Camie: Yeah.

Nico: We're here.

We arrived at Polly's house.

We saw that it was a massive mansion! AND WOW! It was also an amazing restaurant for everyone in Naples! It was a massive mansion that covered a massive area of land and there were thousands of people here being served pizzas of many kinds.

Me: Holy mackerel! Polly your house is amazing!

Laney: Wow! You didn't say it was an amazing restaurant.

Polly Pizza: Yeah it's good money and we always serve hungry people pizza here.

Nico: Wow.

Me: Wow look at all the people here. It must be that popular.

Nico: (GULP) Yeah.

We smelled pizza and man it was awesome!

Me: (Slurps) Oh boy that smells so good.

Nico: (Sniffs) Boy I forgot how great that smells.

We walked around.

Gruyere Pizza: Polly!

Pepperoni: So glad you're home!

Polly Pizza: Hey mom and dad. Hey bros. Awesome to see you.

Ricotta: Awesome you're home sis!

Polly Pizza: Yeah. Guys this is my mom and dad Gruyere and Pepperoni and these are my little brothers Ricotta, Oregano, San Marzano, Mozzarella and Basil.

Me: Awesome to meet you all and that is cute and cool that you all have names for Pizza ingredients.

Gruyere: It sure is.

Polly Pizza: Yeah. My real name is Thyme. But I like going by Polly.

Me: That is cool.

Qin: I'll say!

Nico: (Hiding behind me) Hi?

San Marzano: Brother Nico!

The brothers went and hugged him.

Nico: Hey guys.

Gruyere: Nico it's good to see you.

Pepperoni: Why is he hiding behind you J.D.?

Me: Well he thinks you're going to hurt him for hurting Polly by blowing his brains out with a gun.

Gruyere: Oh goodness no! How about we talk over pizza.

Me: Sure. I'm hungry.

Nico: I could go for some.

We got to eating some pizza. It was tasty and cheesy and delicious.

Lincoln: (Eating) Mmm! Boy this is delicious!

Me: (Eating) Mmm! Wow this is some of the best pizza we had.

Polly Pizza: My family has a really amazing recipe of pizza. We use only the finest and freshest ingredients in Italy and the world.

Me: That is delicious.

Lana: (Eating) The Dessert pizzas are so good.

Lola: They sure are. (Eating cherry pie pizza.

Gruyere: Glad you all like them.

Nico: I'm so glad you're not gonna blow my brains out!

Pepperoni: We would never do that to you Nico. We love you too much for that.

Nico: I'm glad. But man I missed your pizza. It's so good. (Eating) Mmm!

Luan: Boy it's delicious.

Polly Pizza: Nico and everyone met me on Swallow Falls island. I was turned into a Pizzowl Gene-slammer. I have pizza powers now. Which is fitting for me too.

Ricotta: That is so cool sis!

Polly Pizza: It sure is.

Maria ate some pizza.

Maria: (Eating) Mmm! Boy this is so delicious.

May: (Eating) It sure is.

Me: I agree.

Gruyere: And thank you all so much for helping Polly.

Me: It was our pleasure. Just so you know we're going to be facing one of our enemies here. You all are gonna be in for a good show.

Nico: Yep.

King Kai: (Telepathicaly to us) And be on the lookout for one of Dark Gale's victims.

Me: Will do King Kai.

We saw Mount Vesuvius from 25 miles away.

Me: Wow the view of Mount Vesuvius from here is amazing.

Nicole: It sure is.

Polly Pizza: That's one of my homes amazing popular attractions.

Me: Have you ever seen Mount Vesuvius erupt?

Polly Pizza: I sure have and it's an amazing sight.

Me: Yep but it's also the volcano that destroyed Pompeii and Herculaneum back in 79 A.D.

Camie: Wow.

Nicole: Yeah that was shocking. But Pompeii is now an amazing historical reservation site.

Camie: That is amazing.

Lola: Yep.

Me: Yeah.

Eli: (GASP) WHOA! I sense an enormous power coming!

Me: WHOA! YEAH I feel it! It might be one of Dark Gale's victims.

Qin: Yeah.

Gruyere: Dark Gale?

Me: Long story but we don't know who they are and what they want. So we're going to find out later.

Nico: Don't forget what else is coming.

Me: I know. But first lets find out where that power is coming from.

Nico: Okay.

Eli: LOOK!

We saw ARCEUS!

Me: Arceus!

Xenia: The God Pokemon!

Camie: WHOA!

Me: Let me see here.

I used my telepathy and talked to it.

Me: Arceus are you okay?

Arceus: (Telepathically to me) (In a girls voice) HELP ME J.D.! HELP ME!

Me: (GASP) That voice! I know that voice! Sonya Solovyova!

Nico: You know her?

Me: I'll explain later! We got to help her!

Nico: Lets go!

We flew up to her.

Me: Sonya if you can hear me let us help you!

She roared and fired a massive blast of fire and I fired a massive energy blast and blasted the fire blasts.

She then fired water Tornadoes and we redirected them back.

I fired waves of lightning and blasted her.

Me: Hold on Sonya!

I snapped my fingers and she fell to the ground and reverted back and she was a girl with magenta hair and had blue eyes and had Arceus in the middle of her forehead and she was on the ground naked.

I pulled out a blanket and wrapped it around her.

We brought her over.

She was brought to a couch.

She started to wake up and she got up and was weak.

Sonya Solovyova: (Groans) What? What happened? Where am I?

Polly Pizza; You're at my family's house in Italy.

Me: You were turned into an Arceus, the all-powerful God Pokemon.

Sonya Solovyova: Dark Gale. They did this. They turned me into Arceus.

Me: So they turned you and your spy friends into Legendary Pokemon Gene-slammers.

Sonya Solovyova: Yeah. We were sent to stop them. But we were ambushed. They somehow knew we were coming and they captured us and then injected us with something and then we felt excruciating pain and everything went black. That's all we remember.

Me: We were told about Dark Gale yesterday. Who are they? What do they want?

Sonya Solovyova: They are a villain group and they are after legendary Pokemon to take over the world. They are going to destroy all humanity so only they can rule. They are going to use the powers of the legendary Pokemon to destroy the world and take it over in their image.

WE GASPED!

Me: That's insane!

Qin: These guys are worse than all the villain teams we killed combined!

Me: We got to stop them. But not till the Ridonculous Race.

Nico: What's the name of your Spy team?

Sonya Solovyova: We are known as the Flowers of Justice. We are a Woman spy group affiliated with the FBI and CIA and INTERPOL that specialize in bringing down Pokemon Villain Organizations and Terrorist Groups.

Me: That sounds familiar. Are they the same organization we heard about when Team Plasma was still at large?

Sonya Solovyova: That's right.

Me: That's interesting. And we killed all the Major Pokemon Villain Teams. We killed some of their leaders and threw the grunts and scientists in jail and we have been killing the remnants of all those teams for the last 5 years now.

Nico: Yeah we sure have.

Sonya Solovyova: I CAN remember my transformation though.

Sonya was wearing a White suit. She and 99 others were wearing spy suits of 100 colors of the rainbow and they were injected and the PAIN WAS INCREDIBLE! Sonya's clothes tore and she ripped out of the table she was in and got on all fours and grew and turned into ARCEUS!

SHE FLEW OUT OF THERE AND WAS ROARING!

FLASHBACK ENDS!

WE GASPED!

Qin: That was horrible!

Sonya: I'm the leader of my team.

Me: And it's fitting for you to be Arceus. He's the most powerful Pokemon of them all. He's often called the God Pokemon.

Sonya Solovyova: That's amazing.

Me: And you also have all of Arceus' power. That makes you

Nico: What's your life outside of your spy team?

Sonya Solovyova: I work at a restaurant that makes Russian food. I am from Russia. But I was raised in America.

Me: That is interesting.

I saw a nasty scar on her arm.

Me: (GASP) Oh man how did this happen?

I saw the scar.

Sonya Solovyova: Oh my scar? I got that when the Chelyabinsk Meteor happened. A huge window blasted out and glass shredded my arm.

Me: Ouch!

Lola: YIKES! That must've really hurt!

Nico: No kidding!

Camie: Chelyabinsk?

Me: It was a meteor that exploded over Chelyabinsk, Russia back in 2013 and it exploded with the power of 33 Hiroshima Nuclear bombs and caused a lot of damage and blasted out windows and many things. Lots of people got seriously hurt. She's not the only one though.

I showed my scars from that too.

Nico: Yikes! I remember seeing those. Ouch!

Lola: Yeah it was huge!

Nico: How did you meet J.D.

Sonya Solovyova: I met him coincidentally on that day. Me and J.D. were doing some shopping there and then J.D. shielded me from the explosion and the glass and we got hurt. We both got cut in the arm.

Me: Yeah.

Nico: YIKES!

Qin: Ouch!

Me: I had to take her to Russia to get some ingredients for her family.

Camie: I see.

Sonya Solovyova: You don't remember that J.D.?

Me: Actually I do now. Some of my memory is still foggy.

Sakura Knudson: Still suffers from tiny bits of amnesia. He had an accident.

Me: Yeah.

Sonya Solovyova: Oh no. I'm sorry.

Me: It's okay.

Sonya: Can you get my civilian clothes over here?

Me: I can do that.

Rarity: Lets get you some new clothes too darling.

The fashion brigade gave her awesome new magenta and black clothes and she had a rainbow sword in her hand as well as a laser blaster.

Sonya Solovyova: Wow this is an amazing outfit. I like it.

Maria: The Fashion Brigade and all of us make awesome clothes.

I teleported and brought her old white and blue clothes.

Me: But it's good to have you with us Sonya. By the way did you get a good look at the leader of Dark Gale's face?

Sonya Solovyova: No it was totally covered by the shadows. I couldn't make it out.

Me: Darn.

Sonya Solovyova: But I do remember where their base is located. It's located at Latitude: -10.547798 | Longitude: 155.141643.

I looked that up.

Me: That's an uncharted island located southwest of the Solomon Islands.

Qin: At least we know where it's located.

Me: We'll send spy bugs and reconnaissance drones there.

Lincoln: Okay, gang, we're in for one really really dangerous battle: it appears Sakura's insane ex-aunt, Rose Haruno, has broken out of The Insane Asylum, and she's still out to kill Naruto.

WE GASPED!

Me: What the fuck?! That banshee's broken out again and she still wants to kill Naruto?!

Nico: Unbelievable!

Mebuki Haruno and Sakura Haruno: How did that banshee get out?!

Suddenly, Lincoln had a premonition, and it's not good: Lincoln saw that the person who freed that banshee was none other than the worst of his old enemies who's still alive: a dangerous murderous vengeful dark witch by the name of Eliza Bathory, and she was the one who freed Rose Haruno from prison and murdered the guards and drew inverted pentagrams on the walls using their blood.

Lincoln: You little..., of all people...!

Me: What's wrong, Lincoln? Who did Morgana bring back?!

Lincoln: She and her minions didn't bring any of my dead old enemies back, this was the work of one of my old enemies who's still alive, and she's the absolute worst of my old enemies: her name is Eliza Bathory, a dangerous murderous vengeful dark witch from Michigan, she could never stand seeing me or anyone being happy, she thrived on causing misery and chaos to everyone around her for her own twisted form of amusement.

WE GASPED!

Qin: What a bitch!

Anna Anyanova: And you're not going to like what that bitch tried to do to drive Lincoln into despair, when she found out about Lincoln having children, she'd absolutely lost it big time and tried to put curses on them to kill them and his entire harem, but when Lincoln found out, we went after her and we took away all of her dark magic spellbooks, weapons, and artifacts.

Sabrina Lorelai: And as for that witch, she suffered the absolute worst of Lincoln's fury: he cut off her fingers one by one, gouged her left eye out, and had her imprisoned in The Carpathian Mountains and doomed to die.

Eli: OH MY LORD!

Nico: What an absolute bitch, she really really crossed a fucking line trying to use curses to kill your kids and your entire harem.

Lincoln: I thought she would finally die, but it turns out I was wrong, the years of imprisonment in The Carpathian Mountains drove her mad, and her powers weren't taken from her, her fingers grew back and her left eye also grew back, and she escaped wanting revenge on me, my kids, and my entire harem, and here's how Rose Haruno broke out of The Insane Asylum: yesterday, when we went after Orochimaru and Evil Sasuke, Eliza Bathory snuck into the prison Rose Haruno was being held at, and she freed Rose Haruno after she murdered the guards and drew inverted pentagrams on the walls using their blood.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it!

Nico put his skeleton back.

Nico: I hate when that happens. So, that's how Rose Haruno escaped.

Lincoln: I should've killed that witch back in 2021, but this is a chance for me to rectify that, I will kill Eliza Bathory, and this time, I'm sending her straight to The Black Abyss after I break every last bone in her miserable body and watch as her blood spills out onto the ground after I slit her throat! (DEEP SAPPHIRE EYES TURN BLOOD RED WITH SLIT PUPILS)

Me: HOLY SHIT! SHE REALLY PISSED HIM OFF!

Nico: No fooling!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I can't believe that banshee has escaped from the nuthouse, and I can't believe that the guilty person responsible for it was Eliza Bathory. I thought Lincoln imprisoned her in The Carpathian Mountains to die after she was stopped.

Eli: She unfortunately escaped, and she was driven mad and her desire for revenge has also driven her even more insane.

Lincoln: That'll end here and now with her death.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Rose Haruno) AHA! Gotcha, you banshee! I just spotted that banshee, she's 20 yards away, but she's heading right for Naruto to finally kill him again! (Sensed Eliza Bathory) And I'd just found Eliza Bathory, now I can finish her off once and for all.

Nico: Let's get them.

I looked at those coordinates.

Me: Hmm there's nothing on the scanners. Rattrap can you check the area on those coordinates?

I showed him and he looked closely.

Rattrap: Peaceful as an R-Chamber.

Me: Hmm. They must be using a stealth device of some kind to keep themselves hidden.

Nico: We'll have to send our spy bugs to get closer. But we'll worry about that later.

Mallow heard a Pokemon cry.

Mallow: Look!

We saw a Torterra!

Me: Cool Torterra!

Nico: And the poor thing is hungry.

Torterra: Yeah I'm starving.

We gave it a bunch of apples.

Torterra: Oh boy.

She ate them.

Torterra was full.

Torterra: Ahh. Thanks.

Mallow: Want to come with us?

Torterra: I would be honored.

Me: Awesome.

Mallow: You won't regret it.

Poliwag sat on her.

Poliwag: Awesome.

We then took off into the air and we set our sights on taking down Rose Haruno, and Lincoln is also going to destroy Eliza Bathory once and for all.

We were flying in the air, and we spotted our target: Rose Haruno, and she was absolutely fucked up and even more insane than ever.

Naruto: There's that miserable banshee.

Lincoln: Still as insane as ever, and no doubt Eliza Bathory's also here as well, but she's hiding in the shadows. Let's give that banshee a horrible surprise and draw that insane dark witch out.

Lincoln fired orbs of light from his massive white angel wings and medium sized white angel wings and small sized white angel wings at Rose Haruno and they hit her and it also drove out a girl with pale skin, long black hair, black shoes, red eyes full of hatred, and a tattered black dress, and black shoes: it was Eliza Bathory, the insane vengeful dark witch, and the attack made Rose Haruno scream and screech in complete anger with that banshee voice of hers as we then landed, and when she saw Naruto again, she ran at him with a knife to kill him again, only to get socked in the face by Mebuki and sent flying into a wall, and Lincoln having had enough of Eliza Bathory punched her hard in the face and sent her flying into a wall, they got back out, but now, they were beyond mega pissed off.

Me: You've got some nerve showing your face here again, you banshee!

Ace: Why did you call her that?

Nico: The reason why we call her that is because her voice sounds like nails on a chalkboard.

Lincoln: Like this.

Lincoln scratched his gold-plated dragon claws on a chalkboard that really grated Rose Haruno's ears and Eliza Bathory's ears!

Rose Haruno: (SHRIEKS IN THAT HIDEOUS BANSHEE VOICE) MAKE IT STOP!

Sakura: Shut it already, you old hag!

Sakura punched her crazy aunt hard in the face once more.

Nico: Take that!

Eri Haruno kicked her in the face and knocked her down.

Naruto punched her!

Naruto: YOU MONSTER! That was for all the times you tried to kill me!

Rose Haruno: (GROANS IN PAIN!) YOU DEMON! YOU BROKE MY NOSE!

Naruto: I oughta break more than that! You do terrible things that make women look bad! I will kill you if you ever come near Sakura or Eri again! YOU GOT THAT!?

Me: You tell her bro!

Sakura Haruno: Yeah!

Sasuke Uchiha: You turned me into a heartless monster! I could've done terrible things I would have been killed for!

Rose Haruno: But Lord Sasuke! I did everything for you! I did it all to make you happy!

Me: You call handing things over to him like a golden boy on a silver platter happy!? He was being turned into a spoiled brat hellbent on revenge!

Sasuke: That's right! You were just spoiling me rotten to the point where my powerlust and hatred completely clouded my mind! I would have been killed because of you!

Nico: That's right!

Sonya: Lord Sasuke?

Rose Haruno: Me!?

Natsuhi: That's right! Your own mental instability is what lead to Naruto becoming a much better shinobi than your precious Sasuke! And another thing I can't tell you how much I wanted to rip your voice box out of your throat because of you damaging peoples ears!

Lincoln: Why don't you shut up, Eliza Bathory?!

Lincoln fired a white energy blast that hit Eliza Bathory and she screamed and shrieked like a crazy banshee as she was burned by the pure white light!

Lincoln: It was all your fault from the very beginning, you hated that I was having an amazing life and that I also have an amazing harem and kids, you always enjoyed causing chaos and pain for your own twisted amusement, that's exactly why everyone despises you and wishes you nothing but ill will and wishes you dead. Now, I'm going to make absolutely sure you never ever rise again, you insane dark witch.

Suddenly, Lincoln grew to 9'10" in height, his abnormally massive and powerful upper and lower body muscles grew much larger for his new body and he still retained his ten-pack abs, and then, Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of 55'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 45'0" and small sized white angel wings with orange and aurora tips underneath grew and sprouted out underneath his medium sized white angel wings with a wingspan of 35'0", and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath his small sized white angel wings with a wingspan of 25'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new pair of white angel wings with a wingspan of 15'0" and his eleven massive and long white wolf tails with rainbow tips and rainbow markings and rabbit tail on top of the white wolf tails with a rainbow tip and rainbow marking grew larger and longer for his new body.

Then, we saw eyes with rainbow irises form underneath the shoulder blades of the five sets of angel wings, and his large gold halo with angel wings on the bottom behind his head has colored gems in the shapes of The Elements of Harmony embedded in it and the four large gold rings orbiting around the corners of the large gold halo also have colored gems in the shapes of the elements of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions embedded in them.

Me: WHOA! WHAT THE?!

Nico: Uh oh, looks like that witch has really really pissed off Lincoln!

James Blunt: But, I thought this was going to happen during his big day mission in the future, what's going on?

Lincoln: You're right about what's going to happen to me, James, on my big day mission in the future. But, my constant evolutions are causing my body to undergo even more rapid transformations along with growing even stronger as well. Alright, you insane witch, time to die.

Then, Lincoln attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well, and he attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was Eliza Bathory even more angrier and even more insane than ever.

Suddenly, Lincoln's five sets of massive white angel wings spread out as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains all around the gold light halo and formed into a purifying field that hit Eliza Bathory, and we found ourselves in Heaven.

Lincoln: This is it, Eliza Bathory. This is where I put an end to your madness once and for all.

Then, Lincoln's five sets of massive white angel wings fired chains of gold energy that bound Eliza Bathory.

Lincoln: Your desire to kill me, my harem, and my kids and bring eternal misery to all in your path will never ever come true, and I will never let you run free any longer!

Then, Lincoln charged and smashed his rainbow energy infused left fist into Eliza Bathory's stomach and a cluster of flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 8'0" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: This is where it all ends for you!

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln: NOW DIE AND GO STRAIGHT TO THE BLACK ABYSS!

Lincoln did one final powerful energy slash that hit Eliza Bathory hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Eliza Bathory was now on her last legs and she was really really mangled.

Me: JUMPING JACKRABBITS!

Nico: UNREAL!

Eliza Bathory: Please..., have mercy.

Lincoln: After what you tried to do in cursing my kids and harem to die, do you honestly believe that I would forgive an unrepentant and insane person like you. No, there is no forgiveness for the likes of you, Eliza Bathory. This is the end!

Lincoln stabbed his massive greatsword into Eliza Bathory's stomach, and then, the embedded gems glowed and Eliza Bathory was set on fire with her body bursting into rainbow flames as she let out a horrific shriek of pain and agony, as her body was burned and turned to ashes, and when her spirit appeared, she was seized by the spirits of her victims who found her guilty and she was consumed by the black flames of The Black Abyss.

Lincoln: Fare thee well, Eliza Bathory. Never show your face to us ever again.

Me: (WHISTLES) Now, that's some serious karma.

Nico: Dang, angering a father and devoted husband like Lincoln, that just means you're really really asking for death.

Naruto: Whoa! Okay, guys, you've had your fun, now it's our turn to have ourselves some fun.

Suddenly, the blue eyes of Naruto, Kushina, Mebuki, and Ino turned neon blue and they were surrounded by colored energy auras with stars, mythological creatures, mythical beasts, elemental forces, phoenixes, and angels, they unholstered their massive greatswords from their backs, and as they approached Rose Haruno, they left colored energy, stars, mythological creatures, mythical beasts, elemental forces, phoenixes, and angels with every step.

Naruto: Even after we taught you a lesson on that planet of chili, you still don't even know when to quit, do you, you banshee?

Kushina: Your goddamn hatred towards my son, Naruto, and your sister and my best friend, Mebuki, have gone way too far for the last time.

Mebuki: You've tried everything to get my dear daughter married into the Uchiha Clan who except for a few members are full of bastards, cheaters, monsters, and powerhungry assholes, and all to line your own pockets, and then, kill Sakura and take everything for yourself. As far as I can tell, you are dead to me. I no longer have a sister! And you even sold your own daughter Eri to Orochimaru all for your own sick pleasure!

Ino: Honestly, you make us absolutely sick, and once we get done with you, you're going to be signed up for vocal chord surgery which'll render you permanently mute, so that way, none of us have to hear that shrill banshee voice of yours again.

Suddenly, Naruto, Kushina, Mebuki, and Ino were surrounded by massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are mythological creatures, mythical beasts, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with blood red eyes glaring at Rose Haruno: the blood red eyes of eternal death and eternal judgement.

Nico: Uh oh, now that banshee's in really really huge trouble.

Sakura Haruno: She's gonna wish Eliza Bathory hadn't busted her out.

Me: Especially with what Ino said that we're gonna do to her.

Lincoln: After what she's done to Sakura and Naruto, this is the one punishment that's perfect for her.

Then, as the vortexes fade, Naruto, Kushina, Mebuki, and Ino emerged, but they were changed forever.

We were amazed by the transformations of Naruto, Kushina, Mebuki, and Ino, but when Rose Haruno saw it, she went absolutely ballistic and charged at Naruto to kill him again, only to get hit hard in the head by Caleb Maxwell who had a baseball bat in his hand, and he then kicked that banshee hard into a tree, she got back out, but boy was that banshee pissed off.

Lincoln, Naruto, Kushina, Mebuki, Ino, Eli, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Rose Haruno, and we fired extremely powerful blasts of rainbow energy, crimson red energy, red energy, red and pink energy, purple energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Rose Haruno and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Naruto, Kushina, Mebuki, Ino, Eli, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Rose Haruno even angrier and even more insane than ever.

Lincoln swung his massive greatsword and fired a massive rainbow energy wave which transformed into a straitjacket that wrapped up Rose Haruno, and he beamed her back to The Saturn Nuthouse, but this time, she was sent to a doorless windowless soundless cell in Solitary Confinement as she is considered a danger to everyone around her. Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, accessories, Third Eyes, large blond fox ears and longer blond fox tails, long colored wolf tails, fifteen large colored planets orbiting the legs and fifteen smaller planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized planets orbiting around the wrists and ankles, and massive angel wings and four sets of angel wings underneath the massive angel wings of Naruto, Kushina, Mebuki, and Ino are permanent.

Sakura: That'll be the last time we ever have to deal with her.

Nico: You said it, I couldn't stand hearing that voice of hers!

Me: And with what Lincoln did in sending her back to The Saturn Nuthouse, and this time, thrown into a doorless windowless soundless cell in Solitary Confinement, now we won't ever have to hear that screeching banshee voice of hers.

Lincoln: That'll give the guards some peace and quiet.

?: You got that right.

Suddenly, we saw three girls appear: the first girl has short black hair, black and grey clothes, green angel wings, and she has the Hidden Amazon Village emblem on her forehead and skirt and a light sword in her hand, the second girl has blue hair, blue clothes, blue angel wings, and she has the

Rain emblem on her forehead and skirt and the Weather Kanji on her right arm, and the third girl has green hair, green clothes, green angel wings, and she has the Hidden Valley emblem on her forehead and skirt, and a green sword in hand.

Lincoln: (GASPS) Hera Themiscyra Nadeshiko, Embodiment and Avatar of The Amazon Village and Goddess Queen of Light, Amy Ame, Embodiment and Avatar of The Hidden Rain Village and Goddess Queen of Water and Rain, and Tanis Valley, Embodiment and Avatar of The Hidden Valley Village and Goddess Queen of Nature.

Nico: Whoa, you know them?

Lincoln: I do.

Selene Arcangela: And so do we. The first girl is Hera Themiscyra Nadeshiko, Embodiment and Avatar of The Amazon Village and Goddess Queen of Light, she's Lincoln's Guardian Angel from The Hidden Amazon Village and she's a powerful shinobi and powerful master of light, and she's The Goddess Queen of Light, and she's also the Daughter of The Greek Goddess, Hera, and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru, and even though Greece doesn't exist in the world of Shinobi, the influence of the Gods and Goddesses of Old from Myths all over the world still exists. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She's a deadly and powerful and amazing swordmaster and a deadly force of the power of the beautiful women. And she is a very strong and powerful force of Women's rights, and she's also very good friends with Shizuka, Tokiwa and Naruto and hates Kokuyo with a vengeance and wants to make sure he NEVER gets Shizuka. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Shizuka, Tokiwa, and many Shinobi across the world of Shinobi, and she also taught him many powerful Light Style Jutsu, along with the powers of light. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Hera to go to a Japanese Restaurant, and they both enjoyed their date, and Hera hates all of Lincoln's enemies with a vengeance and she vowed to slice and dice and slash them into pieces if they dared to hurt Lincoln again.

Anna Anyanova: The second girl is Amy Ame, Embodiment and Avatar of The Hidden Rain Village and Goddess Queen of Weather, Water, and Rain, she's Lincoln's Guardian Angel from The Hidden Rain Village and she's a powerful shinobi and powerful master of the weather, water, and rain, and she's The Goddess Queen of Rain and Water, and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's also a very deadly and powerful force to be reckoned with and she also is known as the only one to take down all members of the Akatsuki all at once. Something they are never going to live down! She's also very good friends with Konan, Naruto, Fu, and Sakura and helped Konan leave the Akatsuki and help Naruto in his cause to destroy the Akatsuki. Also, she couldn't stand the Akatsuki destroying everything and pursuing a goal that will destroy the world and as punishment for their crimes, she destroyed the Gedo Statue completely and she also made their plans all completely impossible to implement. Also, she killed all the Rain's Shinobi minus a few and stripped them of their powers and Jutsu. Then, she gave them all a terrible final ultimatum and that is either abandon this senseless plan that will destroy the planet or she would destroy the Entire Hidden Rain Village and leave no survivors. She gave them 6 years to decide on that or else. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Shizuka, Tokiwa, and many Shinobi across the world of Shinobi, and she also taught him many powerful Weather, Water, and Rain Style Jutsu, along with the powers of the weather, water, and rain. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Amy to go to a Japanese Restaurant, and they both enjoyed their date, and Amy hates all of Lincoln's enemies with a vengeance and she vowed that she would have them suffer the same fate if they dared to hurt Lincoln again.

Sabrina Lorelai: And the third girl is Tanis Valley, Embodiment and Avatar of The Hidden Valley Village and Goddess Queen of Nature, she's Lincoln's Guardian Angel from The Hidden Valley Village and she's a powerful shinobi and powerful master of nature and animals, and she's The Goddess Queen of Nature, and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's also a very deadly and powerful force to be reckoned with and she also is known as the only one to take down all members of the Akatsuki all at once. She's good friends with Naruto, Fu, Ino, and Sakura and she even taught them many techniques she knows. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Fu, Ino, Sakura, and many Shinobi across the world of Shinobi, and she also taught him many powerful Nature Style Jutsu, along with the powers of nature and animals. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Tanis to go to a Japanese Restaurant, and they both enjoyed their date, and Tanis hates Scoots with a vengeance and she vowed that if that old goat dared to hurt Lincoln again, Tanis would have her thrown into a pit of tigers and mauled to pieces.

WE GASPED!

Me: Whoa!

Nico: That's incredible!

Lincoln: I helped Hera out with defending women from tons of perverts, and I was made a defender of Women's Rights long ago, and I helped Amy with tracking some rogue Rain Shinobi and stripped them of their powers and Jutsu and had them thrown in prison, and I helped Tanis with training in the jungles and we took down Scoots who followed us and tried to kill me again, and we beat her up and sent her back to the nuthouse.

Eli: Wow.

Me: If that old goat's back, then we'll make absolutely sure that she also gets The Black Abyss.

Lincoln: You got that right.

Then, Lincoln hugged Hera Themiscyra Nadeshiko, Amy Ame, and Tanis Valley, and he marked them by biting her on the trapezius and he also gained the same powers as them, and three Elemental Thunderbird Necklace of Eternal Love with black, blue, and green gems on the gold lightning bolt links and black, blue, and green crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi appeared along with three Elemental Thunderbird Chokers of Eternal Love.

Hera Themiscyra Nadeshiko: That was definitely your way of saying welcome back to us, Lincoln.

Amy Ame: It's still cute that he always marks his future wives by biting them and feeding on their blood.

Tanis Valley: Amy, he's not the 11-year-old kid we knew from seven years ago, he's grown up.

Nico: Well, I'll be darned!

Me: Whoa!

Lincoln: Unreal. But, so awesome.

Luna: Oh man, when you transform against one of Anti-Monitor's lackeys on your big day mission, it's gonna be really really incredible, Lincoln.

Laney: We'll be sure to film it and post it on Alya's blog.

Lisa Loud: It'll be to show how far he's come since he'd first gotten his powers.

Selene Arcangela: And how we all helped him on his path.

Me: Yep.

Nico: That oughta shut her up

Varie: I'll have the doctors remove her voice box and make her mute and save a lot of eardrums from her voice.

Qin: Good.

Lola: Yeah.

Sakura Haruno: That witch deserves it.

Naruto: You said it.

Sonya: I can't believe your aunt was that crazy Sakura.

Sakura Haruno: I know. She has always been like that.

Me: Yeah blame her obsession over Minato.

Kushina: Back when me and Minato were in the academy, Minato was the class heartthrob amongst the girls and everyone loved him and wanted to be with him.

Mebuki: I remember everyone wanted to be with him. Me, Mikoto, Inoue and Hina wanted him.

Ino: Mom wanted to be with him too Mrs. Haruno?

Mebuki: Oh yeah. That was crazy times back then.

Me: (LAUGHS) Deja-vu. Just like how some of Sasuke's fangirls wanted to be with him.

Sasuke: Don't remind me. That's one thing that will never change though.

Me: True.

Nico: Nice job, Torterra!

Torterra: Thanks Nico. Man that was fun.

Poromon: Want some beer?

Torterra: Oh no thanks. I drink only Galliano.

Me: Whoa you like it hard. Galliano is potent.

Torterra: It sure is.

Poromon: I got plenty of that in my liquor store.

Torterra: Awesome.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Sonya: Poliwag doing those puppy eyes is really cute.

Me: Just wait till you see the mascots show you IT!

Poromon: In fact, here's some Galliano right now

Torterra: Oh boy!

I popped open the bottle and Torterra took it and drank it.

Torterra: Good stuff. I am also one of the Pokemon immune to alcohol.

Me: Wow! That is amazing.

Sonya: What's it?

Me: The Trailer.

Sonya: What trailer?

Poromon: Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Sonya: (SCREAMS!) IS THAT BLOOD AND HONEY!?

Manaphy: YOU LOOK AT IT!

Sonya: AWFUL MOVIE!

Poliwag: YOU LOOK AT IT!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Emolga: LOOK AT IT!

Eevee: LOOK AT IT!

Rattata: LOOK AT IT!

Gatomon: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

Sonya jumped into my arms in fright!

Sonya: THAT IS HORRIBLE!

Me: It was. That was the trailer for Winnie the Pooh Blood and Honey.

Gruyere: Wait I remember seeing you guys do that lawsuit for that last year!

Pepperoni: That was amazing!

Poliwag: Can we have pizza?

Gruyere: Sure! More than enough for everyone.

Sonya's stomach growled.

Sonya: Oh boy I'm hungry.

We got back to eating.

Sonya: So Sakura and Ino fought over Sasuke back then?

Me: Oh it was crazy! They were always fighting like a couple of fucking two year olds in those days. But you should have seen how bad it was during the Chunin Exams. They wanted to rip each other apart.

Nico: YIKES!

Me: But that was before I met Naruto the first time. And in 150,000 years they quickly patched things up when I made the scene and we formed the Knights of The New Fire.

Sonya: That is amazing that you have so many experiences.

Nico: And her parents aren't gonna shoot me, Poliwag.
Sorry

Poliwag: Aw man.

Me: And don't get any ideas Poliwag. It's all cool now.

Poliwag: Okay.

Sonya: So J.D. is Naruto really your brother?

Me: Not by blood. I've been looking out for Naruto since he was young and protecting him and training him into being an amazing shinobi.

Naruto: Yeah it's true.

Sonya: Wow. That is really cool that you and Naruto are so close.

Lola: Yeah it sure is.

Sonya: I think it's cool too.

But then...

Sonya: (SCREAMS)

Me: (GASP) They came in.

Sonya: What did? Why is my back so heavy?

Me: Look.

I formed a mirror and she saw that she grew MAGENTA WINGS!

Sonya: (GASP) I HAVE WINGS!? WOW!

Me: Yep. All of us in the team have wings.

Qin: It's true.

Camie: And it's awesome.

Sonya: Wow! I'll have to practice with them.

Me: Plenty of time for that.

Sonya: Yeah!

Me: We know now what Dark Gale is intending to do.

Nico: Now we have a good reason for the Ridonculous Race!

Me: And that is to destroy Dark Gale.

Lola: Yep. We haven't gone after a Pokemon Villain Team in a while.

Carolyn Hope: Sonya it's so good that you are safe and okay. We all were really worried about you.

Sonya: I'm glad to be okay too Carolyn.

Ash: Unfortunately, Dark Gale is a team we haven't heard of until now

Me: Yeah. We faced Teams Rocket, Flare, Galactic, Magma, Aqua, Plasma and Skull. And just recently on Flurry Heart's mission we faced the Cipher Syndicate.

Sonya: Wow! That is amazing!

Flurry Heart: Yeah that was awesome.

Me: Yeah.

Laney: How many Legendary Pokemon are there all together?

Me: Well of 1,025+ Species of Pokemon, There's 77 Legendary Pokemon and 23 Mythic Pokemon. So 100 of them.

Lana: Whoa!

Me: Yeah.

Maria: But what about the city? We can't leave it defenseless.

Nico: (sighs) I can't believe I'm saying this but… if we stay in the city, Dark Gale will be able to launch some of their plans.

Me: Don't worry guys, for this situation I already finished my grand plan.

I pulled out blueprints and it was the city and WORLD TREE ESTATE AS A HUGE FLOATING CITY FORTRESS!

Me: Say hello to the Gotham Royal York Floating Fortress.

Nico: Cool!

Eli: WOW!

Qin: What does it do?

Me: It's the City in Floating fortress form. Now we can bring the entire city and the World Tree Estate with us as we travel the world during the Ridonculous Race.

Nico: That is genius!

Qin: Wow! Smart thinking!

Lola: Yeah!

Nico: But just in case, I'll contact Waller to have someone watch the city while we're gone

Me: Good idea.

Horsea: I hope we'll visit the Pokémon regions in the Ridonculous Race

Me: Me too. That will be fun.

May: It sure will.

Dawn: I agree.

Iris: It'll be awesome to visit home again.

Serena: Yeah no kidding.

Me: Yep and the best part is we'll watch the city and do the Ridonculous Race and have fun at the same time. Killing too birds with one stone essentially. No offense Fluttershy.

Fluttershy: None taken J.D. but yes that is amazing.

Me: It sure is.

Sonya: Wow! Does Fluttershy love all animals?

Me: She loves them like all her friends and family and doesn't like expressions like Kill Two Birds with One Stone and all that. She's very sensitive about that.

Sonya: Oh I understand.

Stewie: It means solving two objectives with one action.

Me: Yeah.

Sonya: I understand.

Camie: Yeah.

We were eating good pizza and more.

Sonya: (Eating) Mmm! Man Polly your family makes really delicious pizza.

Polly Pizza: My family made Naples Style pizza for many generations. It's very popular not just in Italy but also the world. I even showed Nico how to make it too and he's good at it just like me.

Sonya: That is amazing.

Me: It sure is.

Nico: It's true.

Me: Nico went to many cooking classes with his friends and they are good at them.

Sonya: That is awesome. I'm going to like being in the team.

Me: It's an awesome adventure.

Nico: Yep.

We had a great meal.

Me: Ahh. Boy that was awesome. Now for the next part of our rescue. The Anothers.

Nico: Yep.

Sonya: The Anothers?

Me: Ugly story there.

Sakura Knudson: Yeah but we'll show you shortly.

Eli: Yeah. (Concentrates) Whoa! I sense we got Another Sakura Avalon, Wire Sponge, TIE Bomber, Navy Ruby, TIE Fighter, Darth Vader's TIE Fighter and TIE Interceptor.

WE GASPED!

Qin: Whoa!

Sakura Avalon: Another me!? This is gonna be crazy.

Eli: I know. And the Anothers minus Wire Sponge and Sakura are 1 person.

Me: Good that makes it easier.

Nico: So Air Man, Storm Eagle, Dusty, Stacy Keach, Rochelle and Ishani are up.

Me: Yep. Nico don't look now but there's something on your head.

Nico: Huh?

Nico saw a Senatine Jade Tree on his head! It was a tiny thing no bigger than his head.

Nico: Whoa! A Senatine Jade Tree!?

Qin: Cool! Where did that come from?

Lola: We'll find out when the Anothers get here.

Sonya: Hey, what are those in the sky?

We saw THE ANOTHERS!

Me: WHOA TIE FIGHTERS!

Qin: Just like something out of Star Wars!

Me: It's the Anothers!

Lola: Cool!

Another TIE Bomber, Navy Ruby, TIE Fighter, Darth Vader's TIE Fighter and TIE Interceptor.

Me: Cool!

Camie: This is gonna be awesome.

Another Navy Ruby: I agree too.

Lillith Rexxington: I knew it was her!

Nico: That voice.

They merged and it was a girl with blue green hair, yellow eyes, yellow and green blue clothes, yellow angel wings, the Light Civilization symbols on her arm and Forehead and Skirt and had a light sword in her hand. The Senatine Jade Tree went to her.

Nico: Sena Jade! Awesome!

Lillith Rexxington: Wow it's great to see you Sena.

Sena Jade: Same here Lillith and you too Nico. I see Sallah remembers you.

Nico: She sure does.

Me: Awesome to meet you Sena. You did an awesome entrance worthy of Star Wars Day.

Sena Jade: I know and I LOVE Star Wars.

Me: Who DOESN'T Love Star Wars.

Qin: Too true.

Me: By the way are the Another Wire Sponge and Sakura Avalon friendly or Hostile?

Sena Jade: Friendly and they are really awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for backup. (TURNS DIAL) CRAWFISH CRUSHER 6!

She summoned Crush Crawfish, Unkar Plutt, Jabba the Hutt (Disney Infinity), King Candy, Cannontop and Orson Krennic!

Me; YEAH!

Nico: And now, we wait.

Sonya: Wait was that Yurgen's Tune from The Wingfeather Saga? I love that song!

Girl Jordan: It sure is and me and Leeli know it and have a powerful spiritual bond from it together.

Nico: It's true

Me: And we battled Leeli and her siblings enemies and destroyed them. Awesome story there.

Girl Jordan: Yeah but it was awesome. Leeli and I have been very close since we first met and found out about it.

Me: Yeah.

Sonya: That is so cool.

Me: Yeah it sure is. The song also terraformed Venus which was a really huge surprise for us.

Sonya: Whoa! It terraformed Venus!? That is incredible!

Me: We were all shocked ourselves.

Nico: Yep.

Leeli: We all were amazed by it. My song is magical.

Girl Jordan: Yeah we were all amazed about it too.

Nico: Yep.

Me: It's all true.

Nico: We'll show it to you later

Me: Right now here they come.

We saw ANOTHER WIRE SPONGE AND SAKURA!

Me: Here they are.

Another Wire Sponge: (In a girls voice) Yep that's us.

Nico: (GASP) That voice.

She reverted back and it was the gene-slammer of Sasha, Channeler of Light!

Nico: Sasha Rorek!

Me: The gene-slammer of Sasha, Channeler of Light! That is amazing!

Sasha Rorek: it sure is. Awesome to see you again Nico. I work at a Land Version of The Krusty Krab as a fry cook.

SpongeBob: (LAUGHS) That is awesome!

Wire Sponge: (LAUGHS) That is funny! Just like SpongeBob minus me. I don't work as a fry cook but that is funny. I am actually a Marine Research Robot.

Sasha Rorek: I know. That is cool and I'm a research girl too.

Me: Nice.

Another Sakura Avalon: Its been a while sister.

She reverted back and it was a carbon copy of Sakura Avalon.

We gasped!

Me: Wait! (Rubs Eyes) Am I seeing things or is that Sakura's Double!?

Sakura Avalon: Wait! Natalee!

Natalee Avalon: Been a long time my twin sister.

Me: Your twin sister?

Li Syaoron: I didn't know Sakura had a twin!

Meilin: Me neither!

Sakura and Natalee hugged.

Nico: You know each other?

Sakura Avalon: I sure do. Natalee is my Twin Sister. Dad told me all about her and I wanted to try and find her. But I never got the chance because I was so busy.

Me: Wow! Then you must've known all about how Sakura was trying to capture the Clow Cards.

Natalee Avalon: I sure have heard about that and that was amazing.

Qin: It sure was.

Me: Now I have the Clow Cards now and they are amazing.

Sakura Avalon: It's true and J.D. did a great job.

Me: Yep.

Madison: Sakura never mentioned anything about a twin sister! I wonder where she was after all this time.

Me: Boy that's a good question.

Nico: Yeah.

Natasha Avalon: I can answer that. When I died Aiden promised me to have my father take care of her.

Me: Oh wow. I didn't know about that.

Nico: Well now Sakura found her.

Sasha Rorek: That's awesome.

Kaito: (gets out Gaim gear) Did Swartz promise you anything?

Zocks: (gets out Wizard gear) Because we can grant it instead.

Kaito got a Gaim Sword and Zocks got a Wizard Sword.

Sasha Rorek: No he didn't because I made him my most incidious dish, The Nasty Patty. He ate it and we ran as he was hurling.

Me: YUCK! That would taste, look and smell worse than puke!

Nico: NO SHIT! We gave that to an escaped death row inmate and he died from it!

Sheila: I remember that! That was so funny!

SpongeBob: (LAUGHS) That is funny! Me, Lily and Mr. Krabs made one and thought the Health Inspector was a phony and thought we killed him.

Lily: (LAUGHS) Yeah that was a common case of mistaken identity.

Mr. Krabs: (LAUGHS) Yeah.

Sougo: (gets out Gaim Ridewatch) Swartz must've been able to resist death from a Nasty Patty

Armor Time! (Horns and traditional Japanese music) Soiya! Gaim~!

Geiz: (gets out Beast Ridewatch) But it probably still incapacitated him

Armor Time! (Drum roll) Open! Beast! (Lion roar)

Sougo got GaimArmor while Geiz got BeastArmor

Sakura Knudson: I had to have his stomach pumped from that.

Me: YUCK! Okay I didn't need to know about that.

Sakura Knudson: Sorry.

Lincoln: Lets separate you two first.

We did so.

Me: Lets get it on!

Nico: (gets out Wire Sponge's Ridewatch) Time for this sponge to wire you!

May: (Gets out Navy Ruby's ridewatch) Time to burn!

Maria: (Gets out Darth Vader's TIE Fighter's Ridewatch) (Imitating Darth Vader) I'll take them myself. Come with me.

TIE Pilot: Yes sir.

Storm Eagle: (Gets out TIE Bomber's ridewatch) This bomb is for you.

They used the powers of Wire Sponge, TIE Bomber, Navy Ruby, TIE Fighter, Darth Vader's TIE Fighter and TIE Interceptor

Maria fired lasers and they hit Another Sakura Avalon and then...

BOOOOOMMM!

Me: YEAH! Just like in the Death Star!

Nico: Nice shooting!

Then Dark Necrobat, Memorase, Jesse, Professor Pyg (Harley Quinn), Jinen Akebino and Monju came!

Me: WHOA!

Nico: Nice team Dark Necrobat!

Dark Necrobat: Thanks Nico!

Memorase: Been a long time Rangers!

We saw Memorase from Episode 31 of Lightspeed Rescue!

Memorase was sent by Diabolico to destroy Mariner Bay. Memorase first attacks Mariner Bay to lure out the Power

Rangers. The Rangers (with the exception of Dana as she stayed behind to help a boy) encounter the monster and did battle with their V-Lancers, but they were all out matched, he then erased Carter, Chad, Joel and Kelsey's memories of being Lightspeed Power Rangers and teleports away.

He returns to the city along with his master Diabolico and attacks Mariner Bay once again, Dana tries to take him on her own but she was quickly outmatched. The other Rangers (with the exception of Carter for he had not gotten his memories back) comes in to aid her, but Memorase summons an army of Batlings to keep them busy. He knocks Dana out of her Ranger mode and as much as she tried, she was still outmatched. Memorase was about to make the fatal blow on Dana until Carter (who had just regained his memories) came to the rescue and kicked the demon away. Dana morphed into the Pink Ranger and gives Memorase a mighty kick. The demon was no match for Carter and Dana's teamwork and after Kelsey, Joel and Chad fought off all of the Batlings, they destroyed him with the Thermal Blaster Booster Mode. Jinxer revived him as a giant and the Rangers summon the Lightspeed Megazord and the Max Solarzord to form the Lightspeed Solarzord and did battle with Memorase. He attempted to use his Mega Blast attack on the Zord, but it had no effect on the Megazord as it just absorbed it. With its cannons charged, the Lightspeed Solarzord fired its Mega Cannons and ultimately destroys Memorase once and for all.

Carter: Memorase! Boy that was not cool what you did to us!

Me: Boy How can I forget you Memorase! You erased the memories of Carter, Joel, Chad and Kelsey except for Dana!

They had to restore all their memories and the machine overloaded and almost damaged Carter's brain!

Memorase: That's right J.D. Good memory there.

Me: That was one of the hardest episodes I've ever seen there!

Eli: Yeah! And Jesse I remember seeing you! You were the leader of the 501st Legion of Clones.

Jesse: That's right and it's good to see you master Eli.

Eli: No need for Formalities. Just Eli is fine.

Me: And Jinen and Monju its been a long time.

Monju: It has been a while J.D.

Nico: You know him?

Me: I sure do. Monju was a member of a group of criminal ninjas called the Ninja Dropouts. They are a group of rogue ninjas that go live in the wild to commit crimes like murder, robberies and theft. In 150,000 years, the Knights of the New Fire were called to kill them.

Sakura Haruno: I remember that one.

Fu: That was rough.

Me: Yeah but we beat them and arrested them and brought them to the Leaf to face punishment.

Nico: Wow! That is amazing!

Me: Yep. And Jinen I'm amazed you and the Seven Ninja Swordsman of the Mist are now in the M.O.E.

Jinen Akebino: Yep we sure are.

Me: That is awesome.

Qin: Yeah.

Sakura Knudson: Wait I remember watching you with Swartz, Lazlo! You're the Professor Pyg from Harley Quinn. She bashed your brains out and splattered your innards all over the place in the first episode!

Me: YUCK! That is fitting for someone as fucked up as you!

Professor Pyg (Harley Quinn): Pyg in prime universe worse than me.

Me: Oh right.

Captain Rex (to Jesse): Good to see you again, Jesse.

Jesse: You too Captain.

Captain Rex: Glad to see you are back.

Me: Yeah.

?: That is cool!

Tylomon and Scorpiomon came!

Me: Whoa! Tylomon! And Scorpiomon!

Scorpiomon: (In a girls voice) (Canadian Accent) Looks like the fun started eh.

Nico: Allie McArthur Scorpio! Wow!

She reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings and had a new crest on her forehead and had the Canadian Maple Leaf on her arm and the Coat of Arms of Canada on her arm too and had Scorpiomon on her shirt and skirt and had a sword of water and a blue digivice on her hip.

Allie McArthur Scorpio: Good to see you Nico eh. We got this! (ECHOING) SCORPION STORM!

She fired a blast of Sand from her hand.

Tylomon: (Echoing) TORPEDO ATTACK!

She fired missiles and blasted the Another and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: AWESOME!

Me: Cool you're one of Canada's Digidestined. That is awesome.

Allie McArthur Scorpio: That's right eh and I love pancakes covered in maple syrup.

Me: That's what our friends in Canada are known for.

Nico: Yep.

Poromon: Good to see you guys again

Tylomon: Same here Poromon and you too Poliwag.

Storm Eagle: Do you have a favorite memory of Nico?

Allie McArthur Scorpio: I sure do eh. When me and Nico first met. We battled a bunch of Divermon that were running around at the Stephen Formation where me and Tylomon found a bunch of fossils.

Nicole: That's one of the oldest rock formations in the Canadian Rockies and also where a lot of Cambrian fossils were discovered.

Me: Fitting too since Scorpiomon is shaped and based off of Anomalocaris from 513 million years ago.

Allie McArthur Scorpio: That's right eh and me and Nico battled them and sent them back to the Digital World eh.

Nico: Yep.

Me: So Canada had Digimon problems too. Wow.

Nico: Yeah it was crazy. But after that was done me and Allie had lots of awesome pancakes.

Me: Cool.

Nico and Allie hugged.

Nico: I've missed you.

Allie McArthur Scorpio: Me too Nico eh.

We later went back home.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're taking down the next member of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, and the next members we're taking down are Max A.K.A. Mad Cat Max, who's been on the run from the law since he was 17, they say he's wanted for murder and the kidnapping of a 7 year old girl named Jessie Jean, and the 7 year old girl is now 17 year old. Max had always been a little on the wild side, but he never murdered anyone, nor did he ever kidnap J.J., and Jessie Jean A.K.A.

Patch, the two of them are practically inseparable. Jessie Jean often calls Max her big brother. Most of the time she calls him that out of habit now, and they both claim they were siblings to keep people from figuring out who they really were two.

Eli: Who were they really?

Allie Maxwell: They were runaways connected by a tragedy to what happened when Jessie was only 7 years old: Jessie's father was a sick bastard who raped his own daughter numerous times, and due to that, she suffered horrible trauma. But, then, all of a sudden, Jessie's father died and Jessie was then declared missing. The local police thought Max killed Jessie's father, but in truth, he didn't.

Me: If Max didn't, then, who did?

Allie Maxwell: I did some digging around, and I'd found out Jessie's dad was killed by a gangster with ties to The Syndicate. I also found out that he was going to sell Jessie to that gangster for money, but since Jessie ran away with Max before that happened, the gangster thought he got snubbed, and he killed him.

Nico: What a bastard.

Allie Maxwell: And years later, the gangster within the ranks of The Syndicate would be killed later on by Caleb Maxwell.

Air Man: From what you told us, this was karma to Jessie's dad and to the gangster with ties to that organization your ex-dad created and your ex-brother was a part of it.

Caleb Maxwell: Yes.

Roxy Drake: We were really stunned after what Allie found out, and it was really troubling. Jessie's dad was a sick twisted monster, and crossing a member of The Syndicate meant death, but being a member of The Syndicate was also a death sentence when they see Caleb Maxwell.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, blue eyes, large purple angel wings, pink clothes, long white sleeveless trenchcoat with stars, earth, poison, snakes, phoenixes, and angels on the coattails, and on the back is Venom Cobra, she has an earth greatsword in hand and a viper with her, and with her are the twelve girls.

Lincoln: (GASPS) Carly Estevez Salazar, Gene-Slammer of Venom Cobra, and your viper, Belinda.

Carly Estevez Salazar: That's right, and I got the girls away from Mad Cat Max and Patch, but they weren't afraid of Belinda, especially Mad Cat Max.

Allie Maxwell: Figures, Max was always on the wild side.

We saw the rest of The Big Claw Gang: Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: You guys arrived just in time.

Carla Claw: And you already told them about Jessie and Max's story, right?

Nico: We were really pissed off at what her dad did, and that he got killed by an associate of The Syndicate, the organization Caleb's dad formed.

Then, Jessie Jean A.K.A. Patch and Max A.K.A. Mad Cat Max came up.

Patch: At least, you understood our story all too well, Allie.

Mad Cat Max: You were at least the only person who realized that I was telling the truth, but not in the case with your brother.

When Caleb Maxwell saw Patch and Mad Cat Max, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at them, but they dodged it and countered with a really strong punch to his chest and stomach, which caused his eyes to shrink and blood tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Nico: Whoa, nice counter.

Allie Maxwell: Oh no, now you guys have really done it.

Suddenly, Caleb Maxwell got up, and he let out a few disturbing and creepy laughs that sent chills down our spines.

Caleb Maxwell: Well, well, looks like you didn't just dodge my attack, you countered and dealt a strike on me, I'm impressed. (Suddenly turn to face Patch and Mad Cat Max as his blood red eyes turn neon blood red and he had a dark smile on his face) So, you've finally both worked up the nerve to attack me despite knowing my reputation of spilling the blood of gangsters and thugs alike, no one's been able to face me without fleeing in fright. (Long black hair turns even wilder) I'm glad that you two decided to make this a bit more amusing for our fight!

Cage Blunt: Oh crap.

Jack Howard: Here it comes, he's gonna lose it!

Caleb Maxwell: Now, it's time to play, Mad Cat Max and Patch! (LAUGHING DEMONICALLY)

THEN, MASSIVE TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END MAD CAT MAX AND PATCH WHILE HE WAS LAUGHING DEMONICALLY! BUT, THEY DODGED THEM!

Mad Cat Max: Yeah, keep laughing, you blood-crazed vengeance driven psycho.

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Mad Cat Max and Patch up in rainbow energy ropes and sent them to Vypra. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, two more Big Claw Gang members are now in The Masters of Evil.

Carla Claw: Now, you've got me and Panther to deal with, and then, you both have to deal with Nekome and Ichiro.

Me: And then, we get to the big boss himself: Claw Dane Drake.

The rest of the gang left.

Roxy Drake: We'll be waiting for that day, Carla.

Nico: So, now we got four more to go.

Lincoln: And then, we face the big boss of The Claw Gang himself. (To Carly Estevez Salazar) And it's so good to see you again, Carly.

Regina Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's good to see you, Sarah, Dana, Regina, and Carrie again, Lori.

Lori Estevez Salazar: You too, Carly.

Suddenly, Carly Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Carly Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Carly Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Carly Estevez Salazar and hugged her, and Carly Estevez Salazar is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings and larger small sized angel wings with orange and aurora tips and two more sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carly Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Carly Estevez Salazar, Gene-Slammer of Venom Cobra, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female viper with her named Belinda and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES FLIP WITH A BLAZING PASSION BECAUSE THAT MUTANT CHEAPSKATE TRIED TO KILL LINCOLN BY SETTING A BOMB OFF AT GUS' GAMES AND GRUBS, BUT CARLY DISARMED THE BOMB AND SHE REALLY CLOBBERED FLIP HARD AND PUT HIM IN A FULL BODY CAST AND SENT HIM BACK TO PRISON!

Nico: That fucking cheapskate, I'm so glad we sent him to The Black Abyss and sent his fucked-up family to join him there!

Me: We also have a clone of him for our humiliations, so feel free to do as you wish to him.

Lincoln: And with my multitude of curses on him, you can do whatever you want to him, and now that you're here, Carly.

Lincoln with his massive muscular arms still wrapped around Carly Estevez Salazar leaned his head down the right side of Carly Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carly Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carly Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carly Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of

Eternal Love, which means you're now part of my harem and my many future wives, Carly Estevez Salazar.

Carly Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carly Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Carly Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carly Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Carly Estevez Salazar: (In Heaven) My God. Oh, and Lincoln, here's a huge warning: the twelve girls are super voluptuous beauties!

Me: Oh man! Let's get out of here!

The rest of us went back home leaving Lincoln, Nicole, and his harem. Then, they went up to the twelve girls, and when Lincoln saw them, he immediately recognized them along with his nose really gushing out blood, the twelve girls are Kurui Kurisu, Rieru Amami, Suzuki Hildegard, Tera Doukin, and Yuna Kasumi from Tanetsuke Kyoushitsu ~Ima kara Minna ni Sensei no Tokunou Seishi de Harande Moraimasu~ and Mikoto Tachibana, Minato Nagase, Mitsuki Shiina, Nagomi Shiraishi, Tsukasa Kiryu, and Yuuhi Katagiri from Akane-Iro ni Somaru Saka.

Lincoln: Oh whoa, it's Kurui Kurisu, Rieru Amami, Suzuki Hildegard, Tera Doukin, and Yuna Kasumi from Tanetsuke Kyoushitsu ~Ima kara Minna ni Sensei no Tokunou Seishi de Harande Moraimasu~ and Mikoto Tachibana, Minato Nagase, Mitsuki Shiina, Nagomi Shiraishi, Tsukasa Kiryu, and Yuuhi Katagiri from Akane-Iro ni Somaru Saka.

Nicole: (GASPS) So, those were the girls Carly rescued, and I know why Dad freaked out and he and the others left, these girls are super voluptuous beauties!

Lincoln: And easy targets for perverts, if I see one pervert, I'll tear him apart. Are you girls okay?

Kurui Kurisu: Yes, we're okay, thanks to you.

Then, when Kurui Kurisu and the other eleven girls saw who it was that saved them from Mad Cat Max and Jessie Jean A.K.A. Patch, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with angel wings on the bottom behind his head with colored gems in the shapes of The Elements of Harmony embedded in it and four large gold rings orbiting around the corners of the large gold halo with colored gems in the shapes of the elements of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions embedded in them, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu

Kurui Kurisu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kurui Kurisu: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kurui Kurisu, Rieru Amami, Suzuki Hildegard, Tera Doukin, Yuna Kasumi, Mikoto Tachibana, Minato Nagase, Mitsuki Shiina, Nagomi Shiraishi, Tsukasa Kiryu, and Yuuhi Katagiri with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. They returned home, and everyone was shocked to find out that the villain we went after were Max A.K.A. Mad Cat Max and Jessie Jean A.K.A. Patch.

But, when Lincoln showed what we all did in beating them down and him tying them up and sending them to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Regina Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: That's right. So, Allie, who's the next one of The Big Claw Gang we're taking down tomorrow?

Allie Maxwell: No doubt it's Carla Claw and Panther, two of the senior members in the gang.

Caleb Maxwell: And two of the biggest headaches to annoy me.

Captain Whitten: You're not the only one, we got annoyed by them many times in the past, but for us, that just made us more determined to capture them.

Cage Blunt: But, for you, it was the opposite, you wanted to mount them on stakes and burn them.

Caleb Maxwell: They're not witches, Cage, and it's not The Dark Ages anymore.

Carter Kenrick: No, but with what you tried to do to them in the past after you got annoyed by their antics, you wanted to bring the horrors of The Dark Ages on them.

Nicole: We'll save that for when we have a real threat to go after.

Me: Like the case of Drake Maxwell, if he comes back, then all Hell is going to break loose on that piece of crap.

Lincoln: It'll probably be for when we go after Roxy's dad.

Jack Howard: Right.

Roxy Drake: That's true, after all, Caleb's brother tried to form an alliance with them, but it failed due to Dad knowing of Drake's intentions and limited intelligence.

Allie Maxwell: Along with the fact that Drake's too unhinged and crazy.

After Lincoln and all of us beat down Mad Cat Max and Jessie Jean A.K.A. Patch and sent them to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carly Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Carly Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carly, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carly Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Carly Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: I've been meaning to ask, but when the mark began to manifest on Caleb, Allie, their mom, and her relatives, what kind of effects did it have on them?

Hunter: (German Accent) That's something that haunted me ever since we ran back to his house that night after we ran from Cage and Travis. But, one of the effects was blood pouring out of the mark as it alerts them to the presence of a vampire, that goes away over time, but for Caleb, it was actually a lot longer because he's been having run-ins with those two, and every night, he's had to run from them to get back home.

Hunter put up a video on the big screen, and it showed the next day after he and Caleb's run-in with Cage and Travis, and Caleb was looking at the mark on his right arm.

Past Caleb Maxwell: (Sighs) If only I knew what this mark on my right arm is, then, maybe I'd have all the answers.

Then, Caleb Maxwell checked out of work at his uncle's restaurant, and then suddenly, the sun began to set and it wasn't long before darkness fell on the city. Suddenly, Caleb

Maxwell felt a pain on his right arm, and blood began falling from the mark on his right arm and fell to the ground.

Past Caleb Maxwell: W-what on earth is this pain? Is this from the mark?

Suddenly, he saw the two vampire cats, Cage Blunt and Travis Tackett, once again.

Past Caleb Maxwell: Not you two again.

Past Cage Blunt: You blew us off when we offered you and your friend a quick bite. But, now that he's not here and you're all alone...

Past Travis Tackett: We'll be going for that quick bite now.

The two vampire cats were heading right for Caleb Maxwell, and he decided to run for his life while they gave chase. Then, Caleb saw his home, and he gave it all he got and ran inside the house and he locked the doors, and then, he ran to the bathroom and had to wash off the blood running from his right arm. Then, he went back to his room.

Past Caleb Maxwell: What the heck was that? First, this mark appears on my right arm after my run-in with those two vampires, now it alerts me to their presence. Can this night get any worse?!

Suddenly, he felt a tapping on his bedroom window, and when he turned around, he saw them once again.

Past Caleb Maxwell: Damn it, me and my big mouth. If you two don't get away from here right now, I'm calling the cops!

Past Cage Blunt: Oh please, like we're afraid of the cops.

Suddenly, Cage Blunt opened the window, and he and Travis Tackett came inside.

Past Caleb Maxwell: Oh, crap!

Caleb Maxwell grabbed a baseball bat he had in the corner of his room and he stood ready.

Past Caleb Maxwell: That's it, if you don't leave, I'm gonna knock your heads out of the park!

Then, Travis Tackett grabbed the bat away from him, and they pounced on him to attack him, and he blacked out. But, then, he woke up in fright and found that he was lying in bed, and it was actually a nightmare.

Past Caleb Maxwell: A nightmare, it was just a bad dream.

Suddenly, he saw the window was still open.

Past Caleb Maxwell: This was no nightmare, it was real.

Then, the video ended, and we were shocked.

Nico: I would've thought the next side effect was nightmares, but what happened was real.

Me: Yikes, and this went on for the next couple of nights, huh?

Caleb Maxwell: Yes.

Marlene Maxwell: He always came home with blood dripping from his right arm and he always went to the bathroom to clean up his right arm and head back into his room. Then, we hear tapping on his bedroom window, and then, when we got in, Caleb was found passed out on the floor of his room.

Allie Maxwell: We didn't know how this happened, I was only ten during that time.

Marlene Maxwell: But, when I saw the mark on his right arm, I also remembered that I also had the mark as well. Eventually, he told me everything, and I told him that I also went through the same thing as well.

Marcus Mackenzie: She's right, Marlene told Caleb of her encounters with members of our clan, and Caleb described the two vampires whom he'd been running into every single night.

Lincoln: And Allie wound up getting the mark on the eight-year anniversary of Caleb's death, and it was right then and there that she too was introduced to the world hidden for centuries from human eyes.

James Blunt: Because of the council helping her on that path.

Cage Blunt: While Caleb's encounter with our world and our kind was due to me and Travis being drunk on demon blood.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Akane the Akaname, Alexis the Dark Elf, Alicia the Alice, Alyssa the Dullahan, Anna the Cyclops, Aqua the Undine, Aria the Alraune, Bambi the Baphomet, Bella the Bubble Slime, Carol the Charybdis, Chel the Dark Priest, Cheryl the Chochin-Obake, Cora the Chimeara, Delia the Dryad, Diana the Dwarf, Diane the Dragonewt, Dora the Dormouse, Ella the Elf, Farah the Fairy, Farore the Familiar, Gaia the Ghost, Gemma the Genie, Gia the Giant Ant, Gigi the Giant Slug, Gina the Gnome, Giselle the Greenworm, Grace the Griffon, Gwen the Gazer, Gwendolyn the Witch, Hadley the High Orc, Hailey the Honey Bee, Hannah the Hinezumi, Harper the Hobgoblin, Haven the Houri, Ivy the Itta-momen, Jenna the Jinko, Jessica the Jinn of the Jar, Kairi the Taisui, Kali the Kesaran Pasaran, Kara the Kappa, Karin the Kakuen, Katalina the Krampus, Kendall the Khepri, Kiara the Karakasa-Obake, Koyuki the Yuki-Onna, Kylie the Kraken, Laura the Large

Madeline the Manticore: (Swooning) So manly.

Karin the Kakuen: (Swooning) We're gonna have fun with that hunk tonight.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Akane the Akaname, Alexis the Dark Elf, Alicia the Alice, Alyssa the Dullahan, Anna the Cyclops, Aqua the Undine, Aria the Alraune, Bambi the Baphomet, Bella the

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Akane the Akaname, Alexis the Dark Elf, Alicia the Alice, Alyssa the Dullahan, Anna the Cyclops, Aqua the Undine, Aria the Alraune, Bambi the Baphomet, Bella the Bubble Slime, Carol the Charybdis, Chel the Dark Priest, Cheryl the Chochin-Obake, Cora the Chimeara, Delia the Dryad, Diana the Dwarf, Diane the Dragonewt, Dora the Dormouse, Ella the Elf, Farah the Fairy, Farore the Familiar, Gaia the Ghost, Gemma the Genie, Gia the Giant Ant, Gigi the Giant Slug, Gina the Gnome, Giselle the Greenworm, Grace the Griffon, Gwen the Gazer, Gwendolyn the Witch, Hadley the High Orc, Hailey the Honey Bee, Hannah the Hinezumi, Harper the Hobgoblin, Haven the Houri, Ivy the Itta-momen, Jenna the Jinko, Jessica the Jinn of the Jar, Kairi the Taisui, Kali the Kesaran Pasaran, Kara the Kappa, Karin the Kakuen, Katalina the Krampus, Kendall the Khepri, Kiara the Karakasa-Obake, Koyuki the Yuki-Onna, Kylie the Kraken, Laura the Large Mouse, Layla the Leanan Sidhe, Lucy the Lizardman, Luna the Gyoubu Danuki, Mabel the Mindflayer, Madeline the Manticore, Madison the Mantis, Mandy the Matango, Mara the Wendigo, Maria the Mimic, Marley the Mucus Toad, Maya the Mandragora, Melanie the Merrow, Megan the Claustrophyte, Merida the Myconid, Mila the Mershark, Mira the Mad Hatter, Mirabella the Mothman, Opal the Orc, Paige the Papillon, Paris the Parasite Slime/Slime Carrier, Pearl the Pharaoh, Raine the Dark Valkyrie, Rebecca the Redcap, Reese the Raiju, Remi the Roper, Rita the Malef Dragon, Sadie the Sahuagin, Sage the Salamander, Sarah the Satyros, Selena the Slime, Seras the Vamp Mosquito, Sheena the Devil Bug, Shelby the Scylla, Sora the Soldier

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Jenna: You guys had no trouble at all.

Karin the Kakuen: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Izzy Moonbow, Pepperdance and Namine's first mission.

Me: Anyone else want to go with Izzy Moonbow, Pepperdance, and Namine? Besides 3 Rabbids?

Paula: I'll go.

Electro: So will I.

Lincoln: And I'll go too.

Kairi: Same with me.

Me: Okay then.

Linka Loud: You guys are going to love meeting Kanata Asumi. He is so awesome.

Me: Nice. Lets get a move on.

Nico: Lets roll.

We were off to Japan.

We arrived.

Me: Always love coming to Japan.

Eli: Me too.

Linka: Yeah.

We saw him.

Kanata: Linka? Is that you?

Linka: Hey Kanata!

They hugged.

Linka: Guys meet Kanata Asumi. He is also Ultraman Decker.

Kanata Asumi: Awesome to meet you all Team Loud Phoenix Storm. What a great honor.

Me: Same to you Kanata.

Izzy Moonbow: It's a pleasure to meet you! I'm Izzy Moonbow.

Pepperdance: (Cajun Accent) Ooowee! I'm Pepperdance.

Namine: I'm Namine.

Izzy Moonbow: And we're your ambassadors.

Me: It's part of a special Diplomatic Mission program we made and it's awesome.

Paula: It sure is. I'm Paula Price and I'm an Athlete.

Electro: I'm Maxwell Dillan, but everyone calls me Electro.

Lincoln: I'm Lincoln Loud.

Kairi: And I'm Kairi.

Kanata Asumi: Wow it's a great honor.

Me: Izzy is the legacy and descendant of Pinkie Pie and she is as funny and amazing as she is.

Izzy Moonbow: It's true and I love all things happy and fun!

Me: It's true.

Izzy Moonbow: (sighs) And these are Rabbids.

Kanata Asumi: They are so cute!

Me: Yeah.

Kanata Asumi: Boy I heard a lot of awesome things about you all. Kengo told me everything about how you guys did all sorts of things with him.

Me: That's right! I remember Ultraman Trigger and Decker were part of the same series for Ultraman.

Linka: That is coincidental! Lincoln knows you and I know you. I'm the female counterpart of Lincoln.

Kanata Asumi: Lincoln and you have been filling us in on what has been happening ever since we met and that is so awesome.

Me: It sure is!

Nico: Got a base?

Linka: It's the same base of the Trigger Team.

Nico: Lets go then.

We were off.

We arrived.

Kango: Hey guys! Linka!

Linka: Hey Kango!

Me: It's now Linka, Izzy, Pepperdance and Namine's turn for missions this time.

Lincoln: It sure is.

One Rabbid tried to lick a lightbulb

It burned its tongue.

Kango: (LAUGHS) Still funny.

Linka: Yeah.

I grabbed the Rabbid.

Me: Careful little guy.

CRUNCH!

Me: OUCH! Why you little?

Nico: See told you they are funny.

Kanita: (LAUGHS) Yeah KAngo has been filling me in on everything about what he saw with you guys and that is awesome.

Lincoln: It sure is.

Kango: How are Lily, Lemon Hearts and Maria doing?

Me: Doing awesome thank you for asking.

Lincoln: Yep.

Izzy Moonbow: They sure are!

Izzy Moonbow: As you probably know, I'm from a time where Opaline struck

Kanata: Oh man! Yeah Lincoln and Linka told us all about that. That was horrible!

Linka: It was.

Me: Yeah. Opaline destroyed everything that Twilight Sparkle worked so hard to accomplish.

Nico: Yeah. She was pure evil incarnate.

Lincoln: She was. But you will never have to see that monster again.

Me: Yep.

Kanata: I'm glad you guys destroyed Opaline. She was a monster.

Me: Yeah. Also Izzy is a great master of crafting and art. She calls her work Uni-Cycling.

Izzy Moonbow: It's true and I make everything from stuff thrown out and it's fun.

Me: They do say One Mans Trash is Another Mans Treasure.

Kanata: That is true.

Electro: And actually, you really will never see Opaline again. Anti Monitor didn't bother bringing her back.

Kanata: That's good! Lincoln and Linka have told us about that and we're glad about that.

Linka: Yep.

Eli: Yeah.

Me: So who is the main villain you guys have to deal with for you Kanata?

Kanata: You might want to sit down for this.

Me: Sure.

We got sat down.

Kanata: It's the Mother Sphere.

He went over its history.

The Mother Sphere is the main antagonist of Ultraman Decker, the 32nd installment of the Tsuburaya Productions' Ultraman series.

She is the queen of the Sphire race and their leader whose true form exists beyond time and space, her goal is to target and destroy any civilizations that advance into space and devour any planets that get in her way. While not physically present through the series, she is built up as the final threat before appearing in the final arc taking the form of Mother Spheresaurus. She is also the Ultraman Decker counterpart of the Gransphere of Ultraman Dyna.

She was voiced by Sayaka Ohara.

The Mother Spheresaurus lead her forces to devour any civilizations that advanced into space. Among the planets that fell victim to her kind's rampages was Planet Bazdo, where one of its inhabitants, Agams, went mad when his wife was killed by a Sphere attack and opted to aid the Sphere to get revenge on Earth, whose contact with Bazdo made them unwittingly bring the Planet to the Sphere's attention.

The Mother Spheresaurus more or less followed the events of the future timeline, but this time she is summoned much earlier thanks to machinations of Agams, who intends for her to devour Earth after shrinking the Sphere Barrier set up by her forces in the first episode. She finally makes her physical appearance when Terraphaser is charged by Sphere soldiers and launches a signal for her to arrive to the planet to complete her endgame. She manifests as a meteor through a black hole, but is intercepted by Ultraman Trigger, who transforms into Glitter Eternity to combat her.

Unfortunately, she proved too powerful for the hero and after defeating him brought him with her to Earth as she descended following the destruction of the Sphere Barrier. She then engages all the heroes, including the redeemed Agams and Terraphaser, and easily defeats them all, killing Agams in the process (though Terraphaser's Phase Riser survives), after defeating her opposition she begins to absorb the Eternity Core on Earth, revealing her true purpose for the planet all along while GUTS-Select's remaining forces prepare for the final battle.

In the series finale the Mother Sphere begins her plan by starting to absorb the energy of the Eternity Core while GUTS-Select reorganizes their final attack due to their limited resources and depleted energies. After being hit with a barrage of attacks from the GUTS Falcon, GUTS Hawk and

Terraphaser; the Mother Spheresaurus has some of her absorbed Eternity Core energy taken by Glitter Trigger who uses it to restore Decker's powers. Decker then uses his Dynamic Type form to fight the Mother Sphere, but as he gains the upper hand the Sphere leader summons a horde of Spheres to dogpile her opponents, intending to assimilate and absorb them, while inside of her she proclaims a desire to end all suffering by assimilating all life, but Kanata and the others fight back and free themselves of her control before they once again attack with all they got, ending with Decker achieving a Glitter Form that lets him destroy Mother Spheresaurus once and for all, and all the remaining Sphere aliens as well, permanently stopping the Sphere threat.

When he was done we were shocked and horrified!

Me: WHOA!

Eli: That is horrible!

Nico: Man no shit! That is like the Aparoids, Borg and Necromorphs combined together. They wanted to destroy all life in the entire universe and absorb them.

Me: That is terrible!

Kanata: And don't tell me we're dealing with Nega Eddy!

Namine: No. It's worse.

Me: Now we have a new threat.

Kango: It's called the Blackwing Eatos 12 Embodiments.

Me: They are the Embodiments of the aliens of Ben Tennyson and they are infected with the Blackwing Eatos 12 virus.

I went over what they were and it was awful.

Kanata: Oh man! That is awful!

Nico: We find them by locating the villain with them. So, any trouble today?

Then the alarm rang and we saw ELEKING REEKING HAVOK!

Me: Eleking! I remember him!

Eli: He is dangerous!

Me: We're ready for him.

Nico: Lets get him!

We were off!

We were flying.

Nico: Keep your eyes peeled.

We then saw him! ELEKING!

Me: There he is!

Eli: UGLY! GODZILLA!

Eleking Roared!

Then a familiar roar was heard!

(GODZILLA THEME SONG PLAYS)

Out came GODZILLA!

Godzilla roared!

ELEKING ROARED!

Godzilla: Eleking. Interesting.

He fired Atomic energy rays and blasted him with fiery explosions.

Izzy got out her Mission Memory

BAD CURE GIRLS!

She fired energy blasts and blasted Eleking!

Me: YEAH!

Izzy Moonbow: WOOHOO!

Me: Wait what's that sticking in its back?

I saw a sword sticking in its back.

Me: (GASP) That sword! That's the Sword of Fiery Cataclysm!

Nico: How did that get there!

I flew and grabbed it and pulled it out and the blade surged with intense fire!

Me: WHOA! This is intense! Pyra Houou is gonna freak seeing this!

Nico: WHOA!

I flew back with it.

Pepperdance got out her Mission Memory.

CAJUN FOX!

She fired waves of energy and blasted Eleking!

Me: YEAH!

Eli: Wonder what that sword can do.

Me: We'll find out.

Namine got out her Mission Memory

KUSUNA!

She fired waves of darkness and blasted Eleking!

Kanata turned into ULTRAMAN DECKER!

Me: OH YEAH!

Then a blast of lightning hit him and we saw a girl with blue hair, red eyes, black clothes and wings and a tiara with Feedback on it.

Me: (GASP) Faye Feedback!

Nico: Feedback's Embodiment!

Faye Feedback: (GRUNT) I got this!

She fired waves of lightning and blasted Eleking!

Me: WHOA!

Faye lost control, walked close to Electro, and creates a short-range sphere of crackling energy around herself that hits Electro

But Electro fired lightning blasts and blasted her back!

Me: Sorry Faye!

I fired the antidote ray and injected her.

Me: Here we go!

I flared up the swords fire blade and fired intense blasts of fire from the sword and blasted her down.

Me: WHOA! That was powerful!

She went at me and I did more moves and fired waves of intense fire and blasted her down with blades of fire.

Kanata: WOW! That sword is amazing!

Me: It sure is! Wow! The Choten is going to be in for a shock when he sees me with the sword!

Paula charged at her And blasted her with lightning.

Paula: Sorry Faye! But this is for your own good!

?: I agree! (ECHOING) ZEPPELIN EXPLOSION!

Cannon blasts blasted Faye all over.

Me: WHOA!

Out came Blimpmon!

Me: WHOA! Blimpmon!

Blimpmon: (In a girls voice) Looks like the fun started.

Nico: Vega Blimp! Wow!

Blimpmon: Awesome to see you Nico.

Paula got out her Mission Memory.

ELECTROPEDE!

Faye fired waves of lightning and Paula absorbed them and Paula fired the lightning back.

Vega reverted back and was a girl with orange hair, orange eyes and blue and orange clothes and had orange wings and had Blimpmon on her forehead and skirt and had a fire sword.

Vega Blimp: (ECHOING) ZEPPELIN EXPLOSION!

She fired fireballs and blasted her down and the antidote took effect and her blue eyes were back to normal.

Me: YEAH!

Faye Feedback: (Groans) That hurt. What hit me?

Eli helped her.

Me: Ugly story.

Kanata: Lets finish him.

Nico: With pleasure!

Me, Nico, Ultraman Decker and Godzilla fired powerful energy blasts and Atomic Rays and blasted it hit Eleking and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was dead!

Me: YEAH!

Nico: Eleking you have failed this world!

Godzilla roared in victory.

Namine: Nice job!

Me: Yeah!

Kanata: That was awesome!

Eli: It sure was!

Nico: Wow!

Izzy: That's another Embodiment cured

Me: Yep and as a bonus we found one of the Kaijudo artifacts.

Eli: We sure did.

Vega Blimp: That is really cool!

Me: Do you have a favorite memory of Nico?

Vega Blimp: I sure do. When me and Nico made the largest blimp hotel ever.

Me: The Eternity of the Sky Hotel? Wow!

Nico: Yep.

Nico and Vega hugged.

Nico: I've missed you.

Vega Blimp: Same here.

Linka: That was awesome!

* * *

We arrived back home.

May: Hey guys. How did it go?

Me: Really awesome.

We told them everything.

May: WHOA!

Pyra Houou: That is amazing you have the Sword of Fiery Cataclysm!

Me: I know! I know I can save Master Tiera from herself and the Choten.

Ocellus: That is for sure!

Nico: Next time, Cheese, Mack and Akira should come.

Me: Good idea.

Qin: Yeah!

Akira: Sweet!

* * *

We later were heading to Lincoln's old school.

Brianna Beevania: I wonder what's going on in school now.

Me: I think we we're going to found out! Look!

We saw LOTS OF AMBULANCES THERE!

Me: Uh oh.

We saw kids being loaded into them and they had nasty scratches, bite marks on their butts and they were in a lot of pain!

Me: OH MAN! What happened!?

Nico: Lets find out.

We went in.

We then saw kids all over in a lot of pain and bleeding bad.

?: DO I HAVE TO BITE YOU ON THE BUTTOCKS!?

Me: I know that yell anywhere!

We saw Principal Wolverine mauling a kid all over!

Pooh: Oh bother. Not him.

I went over to him.

Me: HEY! Let the boy go!

Principal Wolverine: YOU WILL NOT STOP ME KNUDSON!

Me: Want a bet you moron!?

Principal Wolverine: DO I HAVE TO BITE YOU ON THE BUTTOCKS!?

Me: How about I bite your frickin head off Hothead!?

Me and Wolverine growled ferociously at each other and ferocious real fire burned in the background!

He then bit Nico on the butt.

CLANG!

Armada Cyclonus: Oh man! You okay, boss?!

Nico: HA! NICE TRY JERK!

His teeth were shattered!

Nico showed that he had a titanium steel plate on his butt! Good luck trying to break through that!

Me: OUCH! Nice one!

?: YIKES! That had to hurt.

A girl with orange hair, green eyes, red clothes, red wings and a tiara with Zero on it came.

Nina Zero: Nina Zero, Embodiment of Zero.

Batman: Good to see you Nina.

Superman: It has been a while.

Nina Zero: Batman and Superman its been a while.

Powerglide: How did you meet Batman and Superman?

Nina Zero: I met Batman when he was fighting Joker and kicked his ass all over and sent him to Arkham.

Batman: It was during the laughing fish crisis.

Me: That fucked up monster is dead now.

Nina Zero: And I helped Superman battle Lex Luthor. He was pinning Superman down with Kryptonite.

Nico: Wow.

Me: That is awesome. Would you like to join us?

Nina Zero: I would be honored.

Me: Awesome.

I grabbed Principal Wolverine.

Me: As for you! You are getting sued up the ass for this!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Shego: I think Patrick invented that iron butt thing

Patrick: I sure did.

He showed his butt made of solid iron!

Qin: WHOA!

Eli: That is hard!

Camie: Yeah!

SpongeBob: Those exercise courses really came in handy.

Nico: Yep.

Nico put his pants back on and pulled out the titanium plate.

Nico: That came in handy.

We got all the kids cured and more and later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with

Lincoln.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our disgust, it was none other than our old enemy, Kamen Rider Wiseman, and he's back from the dead to get revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: to our disgust, it was none other than our old enemy, Kamen Rider Wiseman, and he's back from the dead to get revenge on us.

WE GASPED!

Qin: YOU'VE GOT TO BE FUCKING KIDDING! GODDAMN THAT ANTI-MONITOR!

Elyon Brown: I would've thought we were done with him, that's it, he's heading straight for The Black Abyss.

Sakura Avalon: That's right, he doesn't deserve to live any longer.

Nico: This'll be the last time he ever comes back to cause trouble.

Lincoln: And scans show he's back in Japan once again.

Me: Where he died two years ago, and where he'll die once again.

Nico: Right. Alright, team, let's go, this is the final time we ever have to deal with Kamen Rider Wiseman.

Lincoln: That monster's finally going to pay for everything he's done.

The Previous Group came.

Mole Man: Can me, Silver Samurai, Snake, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner and Ragdoll go with you guys?

Nico: Yes you all can.

Me: Yep.

Qin: Awesome.

Tso Lan: Nico, which Gene Slammer do you think you'll meet next?

Nico: We were just talking about this one a while back. Divermon next.

Lola: Cool!

Qin: Wow!

Camie: That will be fun.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Chaos Witch Quelaag from Dark Souls, and she's here to cause havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh boy, we've got some serious trouble.

Rayman: Oh boy, I know that look from anywhere and that means trouble. Who was it that we saw, Lincoln?

Lincoln: This is someone we're definitely not going to like: the figure that we saw was Chaos Witch Quelaag from Dark Souls, and she's here to cause havoc.

WE GASPED!

Nicole: I should've known that witch would show up to cause havoc, she's going to die.

Briar: She needs to be dealt with here and now, or there's no telling what she's going to do.

Lincoln: Right, Briar.

Nico: With what Lincoln told us about you and Lute dealing with the corrupted monsters, wraiths, and possessed enemies from your world, you've dealt with this sort of thing before. Alright, team, let's go, this is the last time we'll ever deal with Kamen Rider Wiseman.

Lincoln: And this time, he's never ever coming back, and once we get done with that monster, you're next, Chaos Witch Quelaag.

Briar: No matter what, I'm not letting a witch like her live any longer, just like what I've done to the corrupted humans, wraiths, and possessed, she must be destroyed.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy our old enemy, Kamen Rider Wiseman, and this time, we'll make sure that he stays dead and gone for good, and once we get rid of him, Lincoln and Briar along with me and Nico are going to destroy Chaos Witch Quelaag.

We were off to Japan.

We arrived in Japan.

Me: Here we are.

Nico: Yep.

Silver Samurai: We should call Amora.

Me: Good idea.

Sakura Avalon: Too bad it's not one of my enemies.

Me: I know but that is because your enemies are all in the M.O.E. So I guess Anti-Monitor improvised on that one.

Qin: Yeah.

Amora came.

Amora: I'm here guys.

Camie: All right.

Cozy Glow: Haruto, I remember that Wizardragon is your personal Phantom

Haruto: That's right.

Me: I remember seeing that. That was cool.

Nico: Yeah.

Me: If we run into Gremlin again this time I'm gonna send him to the Black Abyss. That motherfucking pissant!

Elyon: Yeah I can't believe I thought he was M.O.E. Material!

Xenia: Man what a jerk!

Grodd: Still like donuts?

Haruto: Yes. Why?

Grodd: I see a donut shop right there.

Homer: Mmm donuts. (Drools)

Lily: Oh boy.

Haruto: Lets go eat.

We went to the donut shop.

Haruto: Without Wizardragon, I wouldn't be able to be a Kamen Rider Wizard at all

Babs Seed: I can see that.

Me: That is true. But your powers are so awesome.

Sakura Avalon: I agree there.

Qin: Yeah.

Elyon: That is so awesome too.

Then we heard screaming.

Me: Uh oh!

We saw VALKYRIE PHANTOM running amok!

Me: Valkyrie Phantom! I remember that one!

Haruto: I haven't seen some action in a while!

Atomic Skull: You know you participate in the Dino Charge Ranger battles, right?

Haruto: I know. That is awesome. First this!

FLAME! PLEASE!

Haruto: HENSHIN!

He transformed into KAMEN RIDER WIZARD!

Me: Lets get him! (Gets out Wonder Ride Book for Thor) (Reads Verse) "With the mighty thunderclap and lightning strike from his mighty hammer Mjölnir, the mighty God of Thunder, Thor struck down his enemies with the brutal might of the storm and slain them with the power of his lightning and brought peace to the lands."

Then...

THUNDERCLAPS!

Lightning struck Valkyrie Phantom all over and blasted it!

Valkyrie Phantom: (GROWLS) You monster!

Me: Takes one to know one you motherfucker!

I teleported and slashed Valkyrie all over!

Haruto did the same thing.

Nico: Wait there's now WONDER RIDE BOOKS TOO!? For us!?

Touma: Yep. If Sento can make fullbottles for you guys then I can help J.D. make some for us too.

Strut: Didn't expect that!

Me and Haruto slashed Vakyrie Phantom and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was back to Katsuya Kiritani.

I did an exorcism and sent Valkyrie Phantom to the M.O.E.

Me: There.

Haruto: Nice job J.D.

Me: Thanks.

Haruto gave Katsuya an anti-phantom ring.

Me: There.

We came back.

Nico: Wow! That was awesome!

Me: Thanks. And in case you're wondering, me and Touma made Wonder Ride Books for the Core 310 and finished them yesterday. I figured that we can have our own legend items too like how Sento made Fullbottles for all of us. I needed a good test subject and Valkyrie Phantom worked perfectly.

Nico: It sure did! That was awesome!

Elyon: It sure was!

Me: Yeah. Here's mine.

I pulled out my book and it was a rainbow book called J.D. Knudson The Nebula Storm Knight. It showed me flying through the Trifid Nebula firing lightning from the nebula at a bunch of demons.

Nico: J.D. Knudson The Nebula Storm Knight. That's fitting for you because of your quirk.

Qin: Yeah!

Me: Yep. I thought it was awesome.

Skinner: I think you found our next items to use in the usual battles.

Me: Yeah I sure did.

Qin: And it's awesome.

Camie: Yep.

Horsea: That was cool!

Me: Yeah it was!

Lola: We may see many more Legend Items like that soon.

Camie: Yeah!

Varie: This is gonna be awesome.

Me: Yeah.

We went into the donut shop and got to eating donuts.

Haruto: Mmm! (Eating) Delicious.

Homer: (Eating) Yummy!

Me: Man these are good.

Poliwag was still eating donuts.

Poliwag: Yummy.

Nico: Yep.

Me: These are yummy. (Eating)

Polly Pizza: So what did you guys think of my family's pizza and their mansion?

Manaphy: Does this answer your question? (burps)

We laughed.

Me: Yeah but your mansion is amazing.

Qin: Yeah.

Me: And the pizza was awesome.

Horsea: It sure was!

Me: Yep.

Nico: Yeah. By the way J.D. do you really hate Gremlin that much?

Me: You bet I do. Sora Takigawa is nothing but a cold-hearted motherfucking piece of shit and if I see him again I will snap his fucking neck, rip his head off and then mount it on a pike in front of the Tokyo Police Station.

Nico: Whoa big threat.

Me: Sorry. Just had to tell you that to get it off my chest.

Poromon: Well, today, our focus is Wiseman.

Me: Yeah. He's just as good.

Patrick got some donuts and put them on one of his fingers

Patrick: (Laughs) Remember this SpongeBob?

SpongeBob: I sure do Patrick.

Lily: Me too.

They put Donuts on their fingers.

SpongeBob: By the power of Neptune!

CHOMP!

Patrick took a bite out of his donut.

SpongeBob, Patrick and Lily: MERMAIDMAN AND BARNACLE BOY UNITE!

SpongeBob: I actually didn't think that was going to work here

Me: It was a nice try though.

Lincoln then had a Premonition.

Lincoln: WHoa! This is gonna be crazy! I know who Sakura Avalon's Akuma is going to be. We're going to face Shadowstar. She's The Hypothetical Akuma of Sakura Avalon and a very powerful master of dark magic and a deadly dark force. She was made because of Meilin beating her up in a terrible fight and now it's personal for her.

WE GASPED!

Lincoln pulled out a sketch of her and was a voluptuous dark mage with purple hair and with a black angel wings.

WE GASPED AGAIN!

Qin: WHOA!

Me: Sexy and dark!

Nico: Yeah!

Me: And Meilin beat her up!?

WE GLARED AT HER!

Meilin: I wouldn't do that to her!

Wood Man: I'm sure that's a more harsh version of her

Me: You're right. I'm sure she is here to end her.

Qin: Oh boy.

Eli: I sense her coming. She's 500 yards away and closing.

Ragdoll: We should expect lots of spells

Me: Yep.

Nico: Lets go.

We paid for the donuts and went to face her.

We flew and saw her battling her worlds version of Meilin!

Shadowstar: MENAH GOH!

She fired a focused beam of fire and her Meilin dodged it.

Shadowstar: FLIPPENDO!

She fired a blast of magic and she dodged it.

Me: Whoa! Her worlds version of Meilin is putting up a fight.

Camie: Amazing.

Shadowstar used Riddikulus and made her Meilin into a stupid homeless bum!

Me: WHOA!

Meilin: That is crazy.

Suzumebachi: (steps on twig) Oops!

She saw us.

Shadowstar: Well hey guys. Hey Li hey big boy. Like what you see?

Li Syaoron did a Tex Avery wild take and it was funny.

Me: Whoa! That is funny.

Shadowstar: One sec.

She fired a wave of dark magic and turned her Meilin into an old woman! She cursed her with a fate worse than death! ETERNAL LIFE WITHOUT ETERNAL YOUTH!

Me: Wow! Fitting.

I teleported her worlds version of Meilin to the Jupiter Prison.

Calamitous: Sakura, you still remember us, right?

Shadowstar: I will always remember you all, after all you all are my friends and I love you all too much for me to hurt you.

Me: Good. Also you look amazing as a dark mage.

Brittney: I'll say!

Shadowstar: I'm glad you think so. And I look like a beautiful bikini model too.

Camie: Boy no kidding there.

Chompy made a chomp noise

Nico: He said now that you have your revenge you can calm down now.

Shadowstar: Yes but after you beat me.

Me: Fair enough.

I fired waves of magic and blasted her down.

Camie: YEAH!

Sakura Avalon, Li and Brittney fired waves of magic and smashed her all over.

Amora: Don't forget me!

She fired magic blasts and blasted Shadowstar all over too.

Shadowstar got up.

Shadowstar: My turn. MENAH GOH!

She fired a powerful blast of focused fire and I fired a blast of fire and the blasts collided and exploded!

MASSIVE FIERY EXPLOSION!

I fired a blast of fire and Sakura and Amora fired a wave of magic and blasted her down

Shadowstar Then used her magic to summon an anvil above Nico

Nico then caught the anvil with his hands and strength.

Nico: Nice try.

Me: Now watch this.

I used the Abarangers Gear and drew a bigger anvil and it fell on her head and bashed her.

BLANG!

She had a NASTY LUMP ON HER HEAD!

Nico: Ouch.

Shadowstar Used her magic to summon a crocodile. And it looked hungry as it was about to eat Horsea

Horsea jump and fired a Hyper Beam blast and blasted it and turned into crocodile luggage!

Me: Nice one! Top this!

I did a bunch of Kaijudo moves and fired waves of fire and blasted Shadowstar.

Pyra Houou: YEAH Take that!

She then used her magic to summon a gorilla that grabbed Poliwag and was about to eat him.

Poliwag: Oh yeah!?

He slapped the gorilla and Donkey Kong buried it in a pile of bananas.

Donkey Kong: Nice try!

Donkey Kong fired waves of coconuts and bashed her all over.

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 11 COCONUTS!

Shadowstar used her magic to summon a skunk that was about to spray Poromon

Fluttershy used her stare on it and it stopped just in time.

Nico: Nice save Fluttershy.

Lincoln: That a girl Flutters!

POINK!

Shadowstar: OUCH!

She saw a dart stuck into her butt!

She started to feel dizzy and sleepy.

The dart was thrown courtesy of Varie.

Varie: There.

She fell asleep.

Rhinox: There's more than one way to skin a cat. So to speak.

Goliath: (to Poliwag) I think the gorilla thought you were a banana.

Poliwag: Yeah I think he did.

Me: Yep.

Nico: Now we can focus on Wiseman.

Me: Yep.

Terrorsaur (to Manaphy): Good thing she didn't send any animals against you

Manaphy: I agree there. But those were awesome spells.

Sakura Avalon: My Akuma was really amazing.

Camie: No kidding there.

LaGrange: Where's Wiseman right now?

Eli: (Concentrates) 50 klicks to the north.

Qin: Okay then.

Nico: Lets go!

We were off.

We went and saw him in his destroyed lair from when we fought him before.

Me: Target sighted!

Nico: Entrance time!

We went at him.

Wiseman was enraged.

Wiseman: BLAST That Haruto! Curse that Gremlin and Team Loud Phoenix Storm! I will kill them all for this!

Then the spirits of magic came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion blasted off above him and a Phoenix Cry was heard and we came out.

Me: Hello Sou Fueki. I would say it's nice to see you again but I would be lying.

Pirate Man: Time for ye to walk the plank!

Wiseman: YOU RUINED EVERYTHING FOR ME! I WOULD HAVE PLUNGED THIS ENTIRE WORLD INTO DARKNESS IF IT WEREN'T FOR YOU!

Me: Go fuck yourself Sou. We killed you before and we can kill you again!

Wiseman: We'll see about that!

He transformed!

Wiseman: Hen-shin.

He turned into KAMEN RIDER WISEMAN!

I then powered up and released my aura and then in a massive vortex of energy I transformed! I then transformed into my new SUPER ANGEL-EBONWU-VAMPIRE-WEREWOLF-DRAGON-DEMON-MERMAID-JANUARY WOLF MOON-GOD-

He transformed into KAMEN RIDER WIZARD INFINITY!

Snake: You're going down, dude!

Me: And it's going to be more painful than ever. And you don't have any of the Hidiacs and Styxoids to help you this time

Wiseman: I don't need them to destroy you!

He fired dark magic and I fired waves of energy and the blasts collided and exploded and I teleported and kicked him in the back.

Nico fired a blast of fire and blasted Wise.

Spectrier charged at him and blasted him with darkness blasts.

Amora fired magic blasts and blasted him all over.

Susan Phoenix: And here is my fire!

She fired waves of fire and blasted Wiseman all over.

Snake charged at him and blasted him.

They fired atomic rays and blasted him all over.

Ragdoll and Scorp: STINGING FURY STRIKE!

They fired waves of energy and blasted him all over.

Haruto: It's showtime!

Me: Yeah!

Me and Haruto fired waves of lightning and fire and blasted Wiseman.

Sonya: You make me sick!

She fired waves of darkness and blasted Wiseman!

She then was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Sonya: NO! Got to stay in control!

She had reverted back.

Sonya: I control the power. It doesn't control me!

She fired waves of energy and blasted Wiseman all over.

Sonya: I'm transforming on my own terms!

She then concentrated as her clothes got tight

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from powerful dark magic blasts that came out of nowhere and the barrier really stood strong against them and the dark magic blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Chaos Witch Quelaag, or we will force you out.

A figure came out, and it was none other than Chaos Witch Quelaag.

Me: So, you've finally shown yourself, Chaos Witch Quelaag.

Briar: But, this is the end for you.

Suddenly, Briar's blue eye turned neon blue and she was surrounded by a purple energy aura with stars, dark magic, darkness, ghosts, phoenixes, and angels, she unholstered her Ashen Vindicator greatsword, and as she approached Chaos Witch Quelaag, she left purple energy, stars, dark magic, darkness, ghosts, phoenixes, and angels with every step.

Briar: You may have been dealt a bad hand by fate, but there's no forgiveness for what you've done to those in your path, but at least, I'll put you out of your misery and end your suffering once and for all.

Suddenly, Briar was surrounded by a massive vortex of purple energy with stars with dark magic, darkness, and ghosts surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an ashen blonde phoenix with blood red eyes glaring at Chaos Witch Quelaag: the blood red eyes of eternal death and eternal judgement.

Nico: WHOA!

Me: Oh boy.

Lincoln: Facing a Superhuman Chimera like Briar is like facing a death sentence, and it's not going to end well for Quelaag.

Then, as the vortex faded, Briar emerged, but she was changed forever.

But, when Chaos Queen Quelaag saw it, she fired blasts of dark magic to kill her, but Briar fired a massive barrage of purple energy, stars, darkness, dark magic, ghosts, spirits, phoenixes, and angels, and Lute appeared and she fired blasts at her which hit the witch and sent her flying into a wall, she got back up, but she was really really angry now.

Me: Whoa!

Lincoln: Incredible, Briar's transformed, now we can deal with Chaos Queen Quelaag.

Briar: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Dark Magic Darkness Fury Spirit Master Chimera Ashen Blade Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Dark Magic Darkness Fury Spirit Master Chimera Ashen Blade Phoenix God Angel Love) Yes. Briar, Lincoln, Nico, and I went after Chaos Witch Quelaag who fired fire at us, but we absorbed them and it made us stronger, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Quelaag and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Briar also did the same by firing purple energy slashes from her massive greatsword and gold-plated dragon claws, and he, Briar, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

Then, Lincoln grabbed Chaos Witch Quelaag by the neck with his left hand and he lifted her up to his face.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to end this.

Lincoln sank his fangs into Chaos Witch Quelaag's neck and he began sucking out her blood, and at the same time, he assimilated all her dark magic, swordsmanship, Pyrokinesis, and possessing slaves through parasites, and Lincoln finished draining Chaos Witch Quelaag, and she now looked like an old woman.

Chaos Witch Quelaag: Please..., give me...peace.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Understood.

Lincoln set her body on fire and banished her to The Black Abyss. Everyone cheered wildly for what Briar, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Briar's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ashen white wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen purple planets orbiting around her legs, fifteen smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium purple planets orbiting around her wrists and ankles, and massive ashen white angel wings and four other sets of ashen white angel wings underneath her massive ashen white angel wings are permanent.

Briar: Rest in peace, may you find peace in death. Thank you for helping me take down Quelaag, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Briar.

Me and Nico: Our pleasure, Briar.

Suddenly, Briar wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Briar's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Chimera flying in the air, and we saw a herd of Buffalo and many animals running across the field and darkness and elemental forces behind them and we cheered wildly. Then, Lincoln and Briar sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: At least, Quelaag can finally rest in peace.

Luan: After what she's been through, she didn't want to suffer anymore.

Me: So, this was basically a mercy killing and Lincoln mercifully ended her and gave her peace. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Mary Estevez Salazar, Gene-Slammer of Starving Venom Dragon.

Lori Estevez Salazar: I knew it was her.

Selene Arcangela: Same here, and you guys are going to love meeting her, Mary Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female black mamba with her named Dharia and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES SCOOTS WITH A BLAZING PASSION BECAUSE THAT OLD GOAT TRIED TO KILL LINCOLN BY TRYING TO RUN HIM OVER WITH A SWORD OF GLASS LIKE SHE DID TO CLAUDIA CLOUDIAN, BUT MARY DESTROYED THE SWORD OF GLASS AND SHE REALLY CLOBBERED THAT OLD GOAT HARD AND PUT HER IN A FULL BODY CAST AND SENT HER

BACK TO THE LANSING MAXIMUM SECURITY NUTHOUSE, AND SHE WAS ALSO GIVEN AN ULTIMATUM: IF SHE DARED TO TRY AND KILL LINCOLN AGAIN, SHE WOULD BE THROWN INTO A PIT FULL OF BLACK MAMBA SNAKES AND THEY HAVE A VERY DEADLY VENOM AND IT'LL KILL HER IN LESS THAN A MERE SECOND!

Nico: That goddamn old goat!

Me: I still remembered that day all too well, and that's how I found out about Claudia Cloudian's death at Scoots' hand.

Luna: And that happened before you moved to Michigan.

Lincoln: And how I told J.D. about her and what that old goat did to Claudia, and he spent the day hanging out with me.

Nico: That really hit you hard, if that old goat shows up for revenge again, we're joining you in with thrashing that old goat.

Me: Which will be never. We gave her the Black Abyss.

Nico: Oh right. I forgot.

Comic Book Guy: Well, that kind of thing is what Venom does.

Juggernaut: How does he taste?

Nico: Despair might makes us stronger but it doesn't taste good.

Me: No it doesn't. It would taste like shit.

Beast Man: At least his Rider belt is ours.

Dark Raph: And he got beaten all the same!

Dark Mikey: Let's celebrate at that donut shop!

Doctor Octopus: That's a good idea.

Venom: (Pats Nico's back) Great job Nico. We're proud of you.

Nico: Yeah! That was awesome. Great job everyone! Now we've seen the last of Wiseman.

Camie: Yeah we sure have.

Elyon: Good riddance to bad rubbish.

Lola: Yep.

Elyon: (To the viewers) Wiseman is now nothing more than a forgotten memory.

Me: He sure is.

Nico: Yep.

We went to the donut shop and had fun and Nico washed the taste of despair off his mouth and then we went back home and went to sleep.

CHINESE MOON FESTIVAL 2024 FUN

HAPPY YEAR OF THE DRAGON

Qin woke up to see Vaporeon staring right at her.

Vaporeon: Morning Qin. Happy Chinese New Years.

Qin: Yoo too Vaporeon. Oh wow! Better look festive.

ZOOM!

She went and got on her green Chinese New Years clothes and it was a green outfit with a dragon on it and she had her hair down straight.

Vaporeon: You look great Qin!

Qin: Thanks.

She went to the table and we all had Chinese outfits of our favorite colors on.

Me: Morning Qin. Happy Chinese New Year. It's the Year of the Dragon.

Qin: It sure is.

Majiramon: That's perfect for me as the Dragon Deva.

Xenia: That is true.

I gave Qin her breakfast. Chinese Spicy Hot Pot Soup as well as pancakes.

Qin: Oh boy! Thank you.

Me: You're welcome.

She got to eating.

Me: Love Paris. Always love coming here.

Xenia: Me too.

Kaalia of the Vast: It sure is awesome isn't it.

Wallflower Blush: I agree there.

Camie: Paris is so awesome. Especially during the month of February when Valentine's Day is right around the corner.

Me: I agree.

Nico: I agree there. Wave Man, I want to thank you, Dark Necrobat, and your teams for coming

Wave Man: Not a problem Nico. This will be so awesome.

Me: It sure will.

Launch Octopus: I agree there.

Nico: Launch Octopus, what do you like to do in your free time?

Launch Octopus: I'm an underwater miner. I mine for diamonds and all that underwater.

Me: That is cool!

Xenia: It sure is.

Me: Yeah to go down into dangerous depths for that is awesome.

Launch Octopus: I agree there. It's fun.

Nico: Do you do that by yourself?

Launch Octopus: Not completely. The Neptune Crusaders and a working crew help out from time to time when we go down to the extreme depths. Like in the Mariana Trench.

Nico: Wow! That is cool.

Lola: Yeah.

Lily: Yeah you should have seen what we found down in those depths. They were amazing.

Nico: I'll take your word for it. But that is awesome.

Me: Yeah.

Nico: Wow! Haruto how does it feel to be rid of Wiseman?

Haruto: It feels awesome! Now the world is a much better place without that monster.

Me: Good riddance. I hated that son of a bitch for destroying peoples dreams to turn them into Phantoms.

Nico: Sakura did good as well.

Me: So did Elyon.

Nico: Yeah. But that was awesome.

Me: It sure was. And the best part is I got to test a new Core 310 Legend Items for us.

Nico: And they worked perfectly! Well done. Also Sakura's Akuma was both Smoking Hot and dangerously beautiful in magic.

WE LAUGHED!

Nico: Yeah but I'm serious.

May: She was pretty.

Nico: And I used my Pain form again

Me: You sure did! That was fitting too.

May: (LAUGHS) Yeah that was great!

Qin: It sure was!

Sakura Knudson: Boy that was so cool! You should do that on all the enemies of the Kamen Riders.

Nico: That's not a bad idea! I like it.

Me: Still got a rotten taste in your mouth after eating him?

Nico: Hold that thought.

Nico burped out Wiseman's brain and heart

Me: OH SICK!

Xenia: GOOD GOD!

I fired waves of fire and burned them into ashes.

Camie: YUCK!

Nico: Now I'm good.

Me: Here Nico.

I gave him some crab juice.

Me: It's the only thing I brought with me.

Nico: Oh thanks.

Nico drank it.

Nico: Mmm! That is good.

Nico finished it.

Nico: Ahh. Refreshing.

Nico threw the can in a recycling bin.

Nico: Like I said, we may get stronger from Despair but it does not taste really good.

Me: No it sure doesn't.

Nico: Let's stop by Marinette's place.

Me: Good idea.

We went to Marinette's house.

We arrived at the Cheng residence.

Me: Here we are.

Marinette was out on the balcony and saw us.

Marinette: Hey guys! Up here!

Me: Hey Marinette! Happy Chinese New Year.

Marinette: Same to you. Love all your outfits for it. One sec. Be right down.

She spread her wings and flew down to us.

Marinette: Awesome to see you all here.

Me: Thanks. Always love coming to Paris.

Nico: Yeah it's fun.

Ace: It sure is. Also Nico we heard about everything that happened in Paris and during the Cutie Mark Crusaders big day mission. That was so awesome.

Apple Bloom: That was so fun taking on Lila back then.

Applejack: (LAUGHS) Yeah my sister and her friends did really great that day.

Me: Also we battled a lot of Akuma's here in Paris and Nico lead his first ever mission back then. I'm proud of him.

Nico: Thanks J.D.

Marinette: That was awesome.

Maria: We fought lots of Akumas that day

Me: We sure did!

Marinette: Yeah.

Me: How's your mom doing?

Marinette: She's doing great. She's excited for today as much as I am.

Me: We all are. It's the Year of the Dragon.

Qin: Yep. And I love this holiday as much as Christmas. I am Chinese in terms of heritage after all.

Marinette: That's true. I am from partial Chinese heritage myself and it's awesome.

Me: That is cool!

Nico: Yeah.

Me: The Dragon is a very sacred symbol over in China and they represent power and authority, particularly control over typhoons, water, rainfall and floods.

Xenia: Wow!

Nico: Wanna join us for the rescue?

Marinette: Like you even have to ask. I finished my homework anyway and was looking for something to do.

Camie: Okay then.

Lincoln: Okay, gang, we're in for one really really dangerous battle: we're here in Paris and today is The Chinese Moon

Festival, but here's the dangerous part, Sabine Cheng's Akuma, Qilin, has been sighted.

WE GASPED!

Me: What the?!

Nico: Oh no, did Marinette's mom get Akumatized again?!

Lincoln, Lincoln 2, Lincoln 3, and Lincoln 4 sensed it.

Lincoln: (Sigh of Relief) No, she wasn't, this is a clone.

Marinette: That's good.

Lincoln 2: (Through his crest) But, that only leaves us with something to find out, such as whoever has been making the hypothetical Akuma forms of our friends has also been creating clones of the Akumatized villains to cause trouble.

Lincoln 3: (Through his crest) Gabriel's only been thinking of those hypothetical Akumas of the team, we need to find the mastermind behind it.

Lincoln 4: (Through his crest) And that person also has to have the same powers as Hawk Moth.

Gabriel: I might have to agree with you.

Marinette: (Gulps) And I think you may be proven right about that in the future.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka, the Czech Republic's seven most infamous serial killers and dark warlocks, along with Qin's traitorous aunt and Sakuya's vile ex-sister, Naoko Chen, and sent them after us.

Lincoln: Why, you little..., of all people...!

Me: What's wrong, Lincoln? Who did Morgana and her minions bring back?!

Lincoln: You're not going to like it one bit, J.D.: Morgana Midnight Sparkle and her minions have brought back Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka, the Czech Republic's seven most infamous serial killers and dark warlocks, along with Qin's traitorous aunt and Sakuya's vile ex-sister, Naoko Chen, and sent them after us.

WE GASPED!

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't fucking believe it! Not only did that bitch and her demonic minions bring back those serial killers and dark warlocks, but she also brought back that miserable traitor and embarrassment to our family! Wait until Mom finds out about it!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message, and Qin's mom was seriously red in the face!

Sakuya Chen: THAT STUPID BITCH! SO, SHE'S BACK FROM THE DEAD?!

Qin: Yep, you can blame Morgana and her minions for that one.

Lori: We know about the Qilin situation thanks to Lincoln, and I also can't believe that demon and her minions have brought back Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka, I thought we were done with them.

Lincoln: That'll end here and now with them getting The Black Abyss.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of

Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Qilin) AHA! Gotcha! I just spotted Qilin, she's 20 yards away and causing trouble again. (Sensed Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, Antonin Ruzicka, and Naoko Chen) And I just sensed Morgana's puppets, they're heading right for us.

Nico: Let them come, they're all heading straight for Hell!

Yang heard a Pokemon cry.

Yang: Look here!

We saw a Slugma.

Me: Whoa a Slugma!

Qin: Whew! That one is hot.

Me: Yeah and it is the Lava Slug Pokemon.

Yang: And the poor thing is hungry.

We gave she apples.

Me: There you go.

Slugma: Ahh thanks.

She was eating them.

Slugma: Ahh. That's better.

Yang; Wanna come with us?

Slugma: Sure!

Me: Awesome. You won't regret it.

Xenia: Nope.

Slugma: Yeah!

We then took off into the air and we set our sights on taking down the clone of Qilin, and Lincoln's going to destroy Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, Antonin Ruzicka, and Naoko Chen and send them all to The Black Abyss.

We were flying in the air, and we spotted our target: the clone of Qilin, and she's causing havoc.

Me: There she is!

Lincoln: There's the clone of Qilin, time to get my game face on. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into FIRE MOON! 🔥🌙

As his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a brown wolf snout, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Lincoln: (HOWLS)!

Me: Oh yeah! This is going to be good! I'm gonna stay like this for today. Want to be festive

Lincoln: Let's give this dragon Akuma a real surprise in honor of the Chinese Moon Festival.

Me: Yeah!

Lincoln fired orbs of colored fire with dragons orbiting around the cores from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at the clone of Qilin, and she got burned badly, and that angered her badly as we landed.

Qin: Nice one, and fitting for The Chinese Moon Festival for The Year of The Dragon.

Me: You got that right.

Lincoln: I should've known that you'd show up here to cause trouble for Paris.

Qilin: Well look who arived.

Marinette: Happy Chinese New Year!

Qilin: Why thank you. It's fitting for me to be here because of that.

Me: Indeed. And it's perfect too because it's the Year of the Dragon.

Maya Kona: Been a long time Qilin. You remember when we faced you before right?

Me: It was during my rescues.

Hay Lin: I think I fought you last time.

Qilin: Yes you did Hay Lin.

Me: I remember that. It was during the day of the race around the planet Uranus.

Nico: I wasn't with you guys on that rescue. But that was awesome.

Mirai Cheng: And you guys found me and Aeilene.

Nico: Yeah that was cool!

Qin: It sure was.

Qilin: Indeed.

Nico: Anyway, sorry we have to do this

Me: But it's for your own good.

I used my quirk and I formed an image of the Flying Dragon Nebula and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKE!

Lightning struck her all over.

Nico: WHOA! What Nebula was that?

Me: It's a brand new nebula that was recently discovered. It's called the Flying Dragon Nebula.

Nicole: Yeah it's located in the constellation of Cygnus.

Nico: Wow! I never saw that one!

Me: It was recently discovered. But yeah.

Slugma charged at her and fired fire blasts and blasted her all over.

Me: YEAH!

Then an ice blast blasted Qilin and froze her in a block of ice.

Me: What the!?

Nico: Nice shot Lana!

Lana: That wasn't me!

Laney: It was from up there! Look!

We saw an Articuno!

Me: WHOA! Articuno!

Slugma: An Articuno?!

Me: Wow!

Sonya: (GASP) That might be one of my friends!

Nico: Let me see.

Nico used his telepathy.

Articuno: (Telepathically) HELP ME NICO!

Nico: (GASP) Amelia Agnakluwak!

Me: That's an Alaska name!

Sonya: That's Amelia! Oh man!

Slugma: What's going on here!? You know her?

Me: Ugly story Slugma. We'll tell you later. Lets go help her. Qilin we'll be right back!

We went to face her.

Nico: Amelia calm down!

She fired an ice ray and we dodged it.

Nico fired a fire blast and blasted her.

Me: Hold on!

I snapped my fingers and she fell and was reverted back. She was a girl with blue hair, blue eyes, Articuno's wings and tail and had Articuno on her forehead and Nico flew caught her and wrapped her in a blanket.

We brought her over.

She woke up.

Nico: You okay?

Amelia Agnakluwak: (Groans) I think so. Nico? (GASP) Nico!

She hugged him.

Nico: I'm glad you're okay.

Sonya: Me too Amelia.

Amelia Agnakluwak: Sonya. Thank goodness. Dark Gale. They..

Me: we know Amelia. They took you girls and turned you into Legendary Pokemon. You were an Articuno.

Amelia Agnakluwak: Yeah. I still remember that day.

Amelia was in a neon blue jumpsuit and she was injected with the serum and was in extreme pain. She busted out and grew feathers and a tail and flew out of there an Articuno.

FLASHBACK ENDS

Amelia Agnakluwak: It was horrible!

Me: Well you're okay now Amelia. Dark Gale is going to pay for their crimes later on.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her awesome new blue clothes and she also had an ice sword.

Amelia Agnakluwak: Wow! I look amazing!

Maria: You sure do.

I thawed out Qilin.

Qilin: Whoa. Wait did you say Dark Gale?

Me: Yeah we did.

Qilin: Here. This will give you info on their leader.

She gave me a wanted poster and it was of a girl that I remember from my past that I haven't seen in a long time! She was a girl that had black hair, purple eyes, a nasty scar in the shape of a crescent moon in the middle of her forehead and had an orange prison jumpsuit on.

Me: (GASP!) OH MAN!

Nico: What's wrong J.D.? You look like you've seen a ghost.

Me: The leader of Dark Gale is an old enemy of my past! Her name is Elise Elexton. She was the leader of an illegal drug smuggling operation that I busted years ago. The Crescent Moon shaped scar in the middle of her forehead is how she became better known as Elise Moonscar Elexton.

Nico: WHOA MAN!

Me: It was 14 years ago. Me and Sakura flew in and busted her entire operation and got her sent to prison. She was sentenced to The Vault for life with no possibility of parole for carrying thousands of tons of crack cocaine and billions of dollars in cash.

WE GASPED!

Nico: WHOA MAN! I've heard of her! She was dangerous and bad!

Me: Big time!

Amelia Agnakluwak: I had no idea! I didn't see her face but now I know!

Sonya: Me too J.D.! I had no idea she was an old enemy of yours.

Me: Yeah! Now I know what happened! She obviously busted out of the Vault Prison and became the leader of the new Dark Gale organization!

Laney: Whoa! From Drugs to a Terroristic Villain Organization! This is a massive jump for her!

Me: Yeah!

Amelia Agnakluwak: No kidding!

Poromon: Remember me?

Amelia Agnakluwak: I sure do Poromon. You and Poliwag are just as cute and awesome as ever.

Horsea: Sonya's the leader. What role do you have?

Amelia Agnakluwak: I'm the Cryo Ray blaster specialist. I make ice weapons to freeze enemies.

May: Like how I use my blaster and powers.

Amelia Agnakluwak: Right.

Manaphy: That is cool!

Nico: Man J.D. I had no idea that the leader of Dark Gale was an old enemy of yours!

Qin: That is rough!

Me: Qilin how did you come across this info?

Qilin: I found that poster earlier and thought it meant something.

Me: We appreciate this Qilin. Now we know who it is we're going to be facing in the future.

Vaporeon: We'll fight her when the time comes

Me: Yeah.

Sakura Knudson: Man I remember Elise! She was one badass bitch! I hated her! She never went to our school but we hated her.

Nico: Jeez!

Qin: Well when we face her later on she will get what's coming to her.

Qilin: I agree there! I know you all can take her down.

Me: Yeah. Thanks for telling us this Qilin.

I pocketed the poster.

Me: I'll have to give this to the President, CIA, FBI, INTERPOL and everyone so they can be on the alert.

Qilin: Yeah.

Slugma: Now where were we?

Qilin: We were fighting and Slugma blasted me.

Slugma: Right thanks.

Qilin: You're welcome.

Slugma: I get to attack you again!

She charged and fired blasts of fire and blasted her all over.

Xenia: OH YEAH!

Me: I'll have to summon a meeting in the briefing room later on and have Vypra and Dark be there so we can tell them what we found out.

We then saw our secondary targets: Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, Antonin Ruzicka, and Naoko Chen, and they had the demonic Alicorn on their foreheads.

Selene Arcangela: Lincoln was right, so Morgana and her minions brought you demonic serial killers and that traitorous bitch back!

Then, James Blunt's blood red eyes and the blood red eyes on the shoulder blades of his massive dark brown angel wings and the four other sets of large angel wings underneath his massive dark brown angel wings glowed, and Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, Antonin Ruzicka, and Naoko Chen were put under a trance.

BANG!

Naoko Chen blew her own brains out of her head, and she fell to the ground and died, and he sent their spirits to The Black Abyss.

Chris Taylor: Whoa!

Qin: Damn, I didn't expect James to pull the vampire eye trick and get those serial killers to stab themselves in the chest with their own knives and Naoko to blow her brains out with her own gun.

Anna Anyanova: We'd expect that from Lincoln, but James decided to take care of them.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope) I don't know who's been creating clones of the Akumatized villains or the hypothetical Akumas of the team, but we're gonna find out one way or another.

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Whoever it was that did this has got a lot to answer for.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) And we'll be sure to make the person responsible for it pay.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Now, then, let's take care of this dragon once and for all.

Lincoln, Anastasia Cabanovich, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after the clone of Qilin, and we fired extremely powerful blasts of rainbow energy, marine blue energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the clone of Qilin and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Anastasia Cabanovich, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making the clone of Qilin even angrier than ever.

But, before she could attack us again, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the clone of Qilin and he began absorbing her and he assimilated her powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Qilin and he was sent to The Black Abyss forever. Everyone cheered as we holstered our weapons and powered down and Anastasia Cabanovich's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long marine blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large marine blue planets orbiting around her legs, fifteen smaller marine blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized marine blue planets orbiting around her wrists and ankles, and massive marine blue angel wings and four other sets of marine blue angel wings underneath her massive marine blue angel wings are permanent.

Nico: And that is that.

Lincoln: I admit, this is really quite a start to The Chinese Moon Festival.

Me: You got that right.

Poromon picked up a bottle.

Poromon: Hey, who left this bottle of beer here?

But, when Caleb Maxwell, Cage Blunt, and Travis Tackett saw it, their eyes went wide.

Cage Blunt: Poromon, drop that bottle right now!

Poromon: No way!

Poromon ran away!

Caleb Maxwell: Grab him!

Caleb Maxwell and Cage Blunt grabbed Poromon, and Travis Tackett grabbed the bottle out of his hand.

Nico: Hey, what's going on?

Travis Tackett: That bottle Poromon found, this isn't beer.

Travis Tackett showed us the bottle, and it had a full moon and a demon's horns and devil tail.

Travis Tackett: This is demon blood, the very thing Cage and I drank when we came to New York, it made our vampire sides even more bloodthirsty and evil than ever.

Cage Blunt: It's also what led to Caleb meeting us along with The Hollowshade Massacre, and it's also the very thing

Caleb accidentally drank two nights before that massacre.

WE GASPED!

Lincoln: Is that why...?!

Caleb Maxwell: Oh, sweet God, now I remember. I accidentally drank Demon Blood two nights before The Hollowshade Massacre, and the effect was the same for me before my transformation: the sclera of my eyes turned black and the iris of my eyes red, and I was consumed by bloodlust.

MY JAW AND NICO'S DROPPED TO THE FLOOR!

CLANG!

ELI SHUT OUR JAWS!

Me: Jeez!

Nico: I remembered Cage and Travis telling us all that of how Demon Blood made them even more bloodthirsty and really dark and evil.

Caleb Maxwell threw the bottle into a black portal of darkness that he opened and he closed it.

Cage Blunt: Whoever did that is gonna be in huge trouble, but there's not been any vampires here in Paris.

Travis Tackett: You think the council found out who did this?

Lincoln: They'll tell us once they find out who did this.

Nico: That was a good start to Chinese New Year.

Me: Boy you said it!

Qin: Yeah!

Nico: Nice job Slugma!

Slugma: Thanks Nico!

Poromon: Want some beer?

Slugma: No thanks. I don't drink.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Amelia Agnakluwak: Digimon and Pokemon that drink beer?

Me: Don't fucking ask.

Maria: (to Amelia Agnakluwak) How did you meet Nico?

Amelia Agnakluwak: We met in Alaska when it was during a massive arctic storm and we were stuck in a cabin and bonded over hot cocoa.

Nico: Yep.

Me: That is sweet and awesome.

Came: Cool.

Amelia Agnakluwak: (to Sonya) Is it just the two of us right now?

Nico: For now.

Me: 98 of you are left.

Qin: Yep.

Xenia: We'll find them.

Poromon: We sure will.

Camie: If one of them knows May that will be cool.

Manaphy: Oh, what's your life outside your spy team?

Amelia Agnakluwak: I am a chef and make foods that are awesome.

Me: Nice.

Lola: Cool.

Xenia: What kinds of food?

Amelia Agnakluwak: Soups and seafood dinners.

Xenia: Cool!

Horsea: You know, Sakura's Akuma inspired us to try something out

Me: She inspired you to do magic right?

Horsea: HOW DID YOU KNOW!?

Me: Just call me psychic. Actually it was easy to figure out because she is a mage and all that.

Horsea: Oh.

Eddy: I thought it was going to be a zoo because of the animals that were used

Manaphy: That was our second plan.

Xenia: Oh.

Lola: Good idea for Magic though.

Xenia: Yep.

Muscle Man: You know who else likes magic? MY MOM!

We laughed!

Manaphy: But you'll have to wait for what magic tricks we'll use

Me: Okay.

Xenia: Yeah.

Nico: I just hope they're not...drunk ones

Manaphy: Goodness no! But they are good.

Me: Okay.

Nico: Phew.

Lola: Yeah.

Poliwag: They're going to be simple but fun

Me: Okay.

Xenia: Good.

Nico: Where are you going to do the magic tricks?

Poromon: Living room at home.

Qin: Cool.

Xenia: Nice.

Lola: Yeah.

Nico: Sure you'll have enough room?

Me: Nico we did magic before in our Living room and we have more than enough room.

Camie: Yeah.

Lola: Yeah.

Nico: Oh right.

Varie: This will be fun.

Camie: It sure will.

Poromon: There's no admission fee

Me: Good.

Qin: Yeah.

Mr. Krabs: I would have charged a ridiculously high fee.

Nico: Yeah that is something you would have done Mr. Krabs.

Lily: Yeah.

Poliwag: Overall, you're going to love it!

Me: Awesome.

LOUD FART!

Pumbaa: Oops. Sorry.

Nico: It's fine Pumbaa.

Xenia: Still funny.

Qin: Yep.

Nico: Wave Man, what do you like to do in your free time?

Wave Man: I'm an Ocean Researcher robot and I research the ocean surface and map it.

Me: Like an oceanographer. That is awesome.

Qin: Yeah.

Horsea: (to Amelia) Want some beer?

Amelia: No thanks. I don't like beer.

Poromon (shrugs): More for us then

Me: Now for the main fun. The Anothers.

Eli: (Concentrates) WHOA! We got Dark Necrobat, Qin, Memorase, Jesse, Professor Pyg (Harley Quinn), Jinen Akebino and Monju

WE GASPED!

Me: Whoa! So Wave Man, Launch Octopus, Flood Man, Water Man, Poison Man and Ooze Man.

Eli: I sense the Anothers minus Dark Necrobat and Qin are 4 people.

Me: Whoa.

Camie: Here we go.

Nico: There they are!

We saw Another Memorase, Jesse, Professor Pyg (Harley Quinn), Jinen Akebino and Monju!

Me: This will be good!

Another Jesse: (In a girls voice) I agree!

Me: (GASP) That voice!

They reverted back and were 4 girls. They were the gene-slammers of Hot-Doglobster, Root Bear, Boareo and Burritoad!

Me: (GASP) Ruth Beer!

Nico: Holly Dory, Bonnie Oreo and Brie Burrito!

Qin: WOW!

Me: Awesome to see you again Ruth.

Nico: And you too girls.

Eli: The gene-slammers of new Foodimals.

Me: By the way girls are the Another Dark Necrobat and Qin friendly or hostile?

Ruth Beer: Friendly and the Another Qin is a really interesting one.

Me: Oh.

Nico: Sorry we have to do this

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Bonnie Oreo: Nico, I got your favorite.

She gave him OREO COOKIE AND CREAM CAKE!

Nico: OH BOY!

Nico ate it!

Ruth Beer: And J.D. here's yours.

She gave me a mug of root beer.

Me: Oh boy I love root beer.

I drank it.

Me: (Gulping)

I finished it.

Me: Ahh. (BELCH) Pardon me. Ahh I needed that. Thanks Ruth.

Ruth Beer: No problem.

Nico ate his cake.

Nico: That's the stuff!

Me: Yeah!

Qin: Now we wait.

Poromon flew on top of Qin's head

Nico: This is gonna be good.

Qin: Here they come.

We saw ANOTHER DARK NECROBAT AND QIN!

Me: Here we go!

Another Dark Necrobat: (In a girls voice) You dare to challenge the Forces of Hell!?

Me: (GASP) Celine Cerberus!

She reverted back and was a girl with black hair, red eyes, black lipstick, black clothes and had demon wings and a tiara with the symbol of the Cerberus Dopant on it and the same symbol on her skirt and had a Cerberus Tattoo on her arm and had a scary scythe.

Celine Cerberus: Awesome to see you again J.D.

Me: You too. Celine is the Embodiment of the Cerberus Dopant and she has all the powers of Hell and Darkness and Cerberus too. And she tamed Cerberus too.

Dark Necrobat: Wow! A True master of darkness like me.

Me: Yep.

Another Qin: Qin is that you?

Qin: (GASP) That voice!

She reverted back and was a girl younger than Qin and looked like a mini version of her and she had tattered clothes and smelled horrible!

Qin: (GASP) Lori!

She ran and hugged Lori!

Lori Chen: Qin!

Qin: I thought you were dead sis! (SEAL BARKS) (Sniffs) Jeez you smell awful! What happened?

Lori Chen: I haven't taken a bath in 6 years.

Nico: You two know each other?

Qin: Nico don't you recognize her? She's my long lost baby sister! I thought she was dead.

Nico: SAY WHAT!?

Nico's mouth opened wide and his skeleton fell out!

Sakuya Chen: Lori! Thank goodness!

Lori Chen: Mom! Dad! I missed you all!

Nico put his skeleton back.

Nico: I hate it when that happens. But I haven't seen Lori since she was a baby!

Lori Chen: I was adopted by a homeless couple and they saved me. I found out about Qin and went to find her.

Me: Wow.

Kaito: (gets out Battle Fever gear) Did Swartz promise you anything?

Zocks: (gets out Denziman gear) Because we can grant it instead.

Kaito got a Battle Fever Sword and Zocks got a Denzi Sword.

Celine Cerberus: No he didn't because I threatened to unleash the dark forces of the 9 levels of Hell on him and we ran.

Me: WHOA! Challenging the 9 Levels of Hell all at once is virtually impossible and is instant death.

Celine Cerberus: Indeed.

Sougo (gets out Battle Fever Ridewatch): Lori, you need a bath.

Geiz (gets out Denziman Ridewatch): Very badly!

Sougo got BattleJapanArmor while Geiz got DenziRedArmor

Lori Chen: I agree there.

Qin: Same here.

Lincoln: Lets separate you first.

We did so.

Camie: There.

Lincoln: Lets get it on!

Nico: (Gets out Dark Necrobat's Ridewatch) Feel the Power of Darkness!

May: (Gets out Jesse's Ridewatch) The Jedi Rule!

Maria: (Gets out Jinen Akebino's Ridewatch) I'll smash your head in!

Launch Octopus: (Gets out Memorase's Ridewatch) I'll erase your mind!

They used the powers of Dark Necrobat, Qin, Memorase, Jesse, Professor Pyg (Harley Quinn), Jinen Akebino and Monju and blasted them all over.

Sting Chameleon, Scaramouche, Unicorn Mozoo, Turtle Turbo Phantom Boortota, Revolver Phantom Magna Mira and Fennec Phantom Yogetsu came.

Me: WHOA!

Nico: Nice team Sting Chameleon.

Sting Chameleon: Thanks Nico.

Cut Man: My team is next.

Me: Yep.

Mermaimon came!

Me: Whoa! Mermaimon!

Nico: I feel like I know this one.

?: You should Nico.

Divermon came too!

Me: Divermon! Wow!

Nico: Cool!

Divermon: (In a girls voice) Looks like the fun has started.

Nico: Adell Hikialani! Wow!

She reverted back and it was a girl with blue hair, blue eyes, blue clothes and had blue wings, a new crest on her forehead and had Divermon on her skirt and shirt and the Hawaii Coat of Arms on her arm and a tropical sword in her hand and a blue Digivice on her hip.

Adell Hikialani: Awesome to see you Nico. We got this. STRIKING TRENT!

She fired an energy blast spear.

Mermaimon: (ECHOING) NORTHERN CROSS BOMBER!

She fired a blast of energy from her anchor!

The blasts hit the two and blasted them down and I caught the Ridewatches and purified them.

Me: OH YEAH!

Maria: Are you from Hawaii?

Adell Hikialani: I sure am. Hawaii's Digidestined.

Me: Awesome! Hawaii is Paradise.

Adell Hikialani: Yes it is.

Mermaimon: Yeah it's awesome.

Me: Yep.

Launch Octopus: Do you have a favorite memory of Nico?

Adell Hikialani: I sure do. When me and Nico first met. We battled a bunch of Divermon running amok in the sea and on the island of Oahu.

Me: That's very coincidental because you're the Divermon gene-slammer. Also that is crazy that Divermon came to Paradise.

Adell Hikialani: It sure is.

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Adell Hikialani: Same here.

Nico hugged Amelia too.

Nico: And I've missed you too.

Amelia: Same here.

We later went back home and got Lori into the tub.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're taking down the next members of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, and the next members we're taking down are Carla Claw, an orphan that ran away from her foster parents, and for a little while, the streets were her home until she met Sally Gamble who took her to live with her and a few other runaways, to be trained to be the best cat burglars in the city, working under the Big Claw, until I found out her real name is Carla Drake, the twin sister of Roxy Drake, along with Panther, who wasn't a runaway, but instead was a kid that just wasn't wanted anymore, as his parents just left him to fend for himself and so he grew up on the streets, and as a result, he joined the Big Claw's gang around the same time Carla joined. Panther normally isn't a very friendly person, and he keeps to himself and pushes people away.

Roxy Drake: I was stunned when Allie told me that Carla Claw was really my twin sister, Carla Drake, that meant Dad lied to me, he sent her to an orphanage years ago, and when Caleb eavesdropped on that conversation, I had to keep him from killing Dad. He may be a notorious crime lord and the one who killed Mom, but he's still my Dad, and I didn't want him to die, not by anyone else's hand and that also included Caleb's bloodstained hands.

Wave Man: And we also found out the reason for Caleb's eyes turning into that of Cage and Travis'.

Lincoln: Demon Blood, for inexperienced vampires, it's like taking drugs, for humans, it leaves a dark mark on them.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, red eyes, large purple angel wings, pink clothes, long white sleeveless trenchcoat with stars, darkness, poison, snakes, phoenixes, and angels on the coattails, and on the back is Starving Venom Fusion Dragon, she has a darkness greatsword in hand and a black mamba with her, and with her are the five girls.

Lincoln: (GASPS) Mary Estevez Salazar, Gene-Slammer of Starving Venom Fusion Dragon, and your black mamba, Dharia.

Mary Estevez Salazar: That's right, and I got the five girls away, but Dharia didn't even frighten Carla, Panther, Nekome, or her father, Ichiro who appeared and drove fear into my pet snake with one glare.

Allie Maxwell: And Dharia is a black mamba, the most venomous snake ever.

We saw the rest of The Big Claw Gang: Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: We're already approaching the homestretch: just you, Panther, Nekome, and Ichiro to take down, and then, we get after Claw Dane Drake.

Nekome: (Japanese Accent) After everything we threw at you, you prevailed one by one. Everything we heard about you all was indeed true.

Then, Carla Claw and Panther came up.

Carla Claw: That doesn't mean it's over yet. So, I hope you're ready, Allie.

Panther: And don't think your brother's going to save you.

Allie Maxwell: Is that what you think, Panther? Well, your bold statement's about to come back and bite you in the ass.

When Caleb Maxwell saw Carla Claw and Panther, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at them, but they dodged it and Panther punched Caleb Maxwell hard in the stomach, which caused his eyes to shrink and blood tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Nico: Whoa!

Allie Maxwell: Oh, now you've really done it, Panther.

Suddenly, Caleb Maxwell got up, and he let out a few disturbing and creepy laughs that sent chills down our spines.

Caleb Maxwell: I certainly expected that, as soon as I attacked, you dodged and dealt a blow to me once again. (Suddenly turn to face Panther and Carla Claw as his bright blood red eyes turn brighter and he had a dark smile on his face) However, did you really think I would easily fall like that?! If anything, you've just pissed me off even more, Panther. (Long black hair turns even wilder) And you, Carla, you always found some way to piss me off even more, as if dodging my bullets wasn't enough, you and your boyfriend decide to taunt me by sticking out your tongues at me, thinking you can get away with it and not expect the consequences!

Cage Blunt: Oh shit, now he's really about to lose it!

Jack Howard: Here it comes!

Caleb Maxwell: Now, it's time to play, Panther and Carla Claw! (LAUGHING DEMONICALLY)

THEN, MASSIVE TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END PANTHER AND CARLA CLAW WHILE HE WAS LAUGHING DEMONICALLY! BUT, THEY DODGED THEM!

Panther: Yeah, keep laughing, you psycho.

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Carla Claw and Panther up in rainbow energy ropes and sent them to Vypra. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, two more Big Claw Gang members are now in The Masters of Evil.

Nekome: (Japanese Accent) Now, tomorrow, you will deal with me and my father before you finally confront Claw Dane Drake.

Me: Looks like it.

Nekome left.

Roxy Drake: We'll be waiting for that day.

Nico: So, now we got two more to go.

Lincoln: And then, we face the big boss of The Claw Gang himself. (To Mary Estevez Salazar) And it's so good to see you again, Mary.

Mary Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's good to see you, Sarah, Dana, Regina, Carly, and Carrie again, Lori.

Lori Estevez Salazar: You too, Mary.

Suddenly, Mary Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Mary Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Mary Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Mary Estevez Salazar and hugged her, and Mary Estevez Salazar is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Mary Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Mary Estevez Salazar, Gene-Slammer of Starving Venom Fusion Dragon, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female black mamba with her named Dharia and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES SCOOTS WITH A BLAZING PASSION BECAUSE THAT OLD GOAT TRIED TO KILL LINCOLN BY TRYING TO RUN HIM OVER WITH A SWORD OF GLASS LIKE SHE DID TO CLAUDIA CLOUDIAN, BUT MARY DESTROYED THE SWORD OF GLASS AND SHE REALLY CLOBBERED THAT OLD GOAT HARD AND PUT HER IN A FULL BODY CAST AND SENT HER BACK TO THE LANSING MAXIMUM SECURITY NUTHOUSE, AND SHE WAS ALSO GIVEN AN ULTIMATUM: IF SHE DARED TO TRY AND KILL LINCOLN AGAIN, SHE WOULD BE THROWN INTO A PIT FULL OF BLACK MAMBA SNAKES AND THEY HAVE A VERY DEADLY VENOM AND IT'LL KILL HER IN LESS THAN A MERE SECOND!

Me: Well, you don't have to worry about her anymore, she was sent to The Black Abyss for good.

Mary Estevez Salazar: Good riddance.

Lincoln: She deserved it, that witch has caused us enough trouble to last a lifetime, and now that you're here, Mary.

Lincoln with his massive muscular arms still wrapped around Mary Estevez Salazar leaned his head down the right side of Mary Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Mary Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Mary Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Mary Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mary Estevez Salazar.

Mary Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Mary Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Mary Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Mary Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Mary Estevez Salazar: (In Heaven) My God. Oh, and Lincoln, here's a huge warning: the five girls are super voluptuous beauties!

Me: Oh man! Let's get out of here!

The rest of us went back home leaving Lincoln, Nicole, and his harem. Then, they went up to the five girls, and when Lincoln saw them, he immediately recognized them along with his nose really gushing out blood, the five girls are Hilda, Misty, Rasukurisu, Rune, and Slues from Fuun! Oak Castle ~ Chijoku No Hatsujousen Otometachi.

Lincoln: Oh whoa, it's Hilda, Misty, Rasukurisu, Rune, and Slues from Fuun! Oak Castle ~ Chijoku No Hatsujousen Otometachi.

Nicole: (GASPS) So, those were the girls Carly rescued, and I know why Dad freaked out and he and the others left, these girls are super voluptuous beauties!

Lincoln: And easy targets for perverts, if I see one pervert, I'll tear him apart. Are you girls okay?

Misty: Yes, we're okay, thanks to you.

Then, when Misty and the other four girls saw who it was that saved them from Carla Claw and Panther, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of

Rune: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and

his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Slues: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hilda, Misty, Rasukurisu, Rune, and Slues with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. They returned home, and everyone was shocked to find out that the villain we went after were Panther and Carla Claw.

But, when Lincoln showed what we all did in beating them down and him tying them up and sending them to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Mary Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: That's right. So, Allie, who's the next one of The Big Claw Gang we're taking down tomorrow?

Allie Maxwell: No doubt it's Nekome and Ichiro, but we got to watch it with them, they're experts in fighting styles and techniques.

Nico: But, so are we, Allie.

Me: That's right. But, knowing Caleb, he's gonna use the very same tactic he used when we began going after The Big Claw Gang members.

Lincoln: That's true, and he'll also cause havoc on them.

Caleb Maxwell: I have full intention of raising hell unto those two ninjas, their training won't save the two of them from me.

Nico: You'll get that chance tomorrow, Caleb.

Me: And later today, I think we're going to find out about that incident of you accidentally drinking Demon Blood.

Eli: That's also something that's caught our interest after what happened in Paris.

Caleb Maxwell: And not one of my better memories, that's how you guys saw me turn that vicious and crazy.

* * *

After Lincoln and all of us beat down Carla Claw and Panther and sent them to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mary Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Mary Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we

gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Mary, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Mary Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Mary Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Travis Tackett: Alright, now to show you guys the incident of Caleb accidentally drinking Demon Blood nearly two nights before The Hollowshade Massacre, but I got to warn you: it's not for the faint of heart.

Travis Tackett put up a video and it played on the big screen as we watched, and it showed the event two nights before The Hollowshade Massacre, and Caleb Maxwell was at work and still looking at the mark on his right arm.

Past Caleb Maxwell: I've got to head back home and fast by the time night falls, I don't want to have anymore run ins with those two vampire cats again.

Then, Caleb Maxwell checked out of work at his uncle's restaurant, and began running for home and fast before night fell. Suddenly, the sun began to set and darkness fell on the city. Suddenly, Caleb Maxwell felt a throbbing pain on his right arm, and blood began falling from the mark on his right arm and fell to the ground.

Past Caleb Maxwell: (Winces in Pain) N-no! Not now...!

Suddenly, he saw the two vampire cats, Cage Blunt and Travis Tackett, once again.

Past Caleb Maxwell: Not you two again. Damn it.

Cage Blunt winds up in front of Caleb Maxwell and puts his right arm around Caleb's neck and keeps him from running.

Past Cage Blunt: You've got nowhere left to run to, kid.

Past Travis Tackett: (Takes out a bottle of Demon Blood) And don't think you're getting out of it yet again.

Suddenly, Caleb Maxwell elbowed Cage Blunt in the stomach and kicked the bottle of demon blood out of Travis Tackett's hand, but what he didn't know was that Travis had already opened it, and then, the bottle went into Caleb's mouth and he drank all of the demon blood, and he got the bottle out of his mouth.

Past Caleb Maxwell: Damn it, if I come back home and I wind up drunk, I'm kicking both of your tails tomorrow night!

Suddenly, Caleb Maxwell felt a sharp pain rush through his body, and he let out a scream and he fell back first to the ground as his body began convulsing in pain.

Past Cage Blunt: You had to open up a bottle of Demon Blood, didn't you?

Past Travis Tackett: Hey, I was thirsty.

Then, Caleb let out the loudest and most horrific scream that echoed throughout New York City, and Caleb got back up and barfed out some blood, but that was only the beginning.

Nico: My God, you almost died, Caleb!

Caleb Maxwell: I could've, but here's what really happened.

We watched the screen again, and then, we saw Caleb slowly get up from the ground, but then, we saw his brown eyes turn bright red and the sclera of his eyes turned black, and his nails grew into long black claws.

Past Caleb Maxwell: W-what the Hell?! What's happening to me?!

Then, he angrily glared at Cage Blunt and Travis Tackett, and he had murder in his eyes.

Past Travis Tackett: Oh...!

Past Cage Blunt: Shit.

Then, Caleb scratched Cage Blunt in the chest with his claws and drew blood.

Past Cage Blunt: RUN!

The two vampire cats ran away, and Caleb went after them as he roared like a wild demon, and the vampire cats continued running through the city and they flew through the air, an advantage Caleb doesn't have, but he kept following them because of the blood falling from Cage's chest. Eventually, Cage and Travis were on the roof of a nearby rooftop, and Caleb already arrived. Then, he saw drops of blood on the ground.

Past Caleb Maxwell: (Sniffs the blood) I know you two are here.

Then, a thug appeared.

Thug: Hey, you. Give me your money, or it's your life!

Suddenly, Caleb turned to face the thug who freaked out when he saw Caleb's bright red eyes and black sclera as he hissed like a vampire. The thug tried to back away, but Caleb jumped with such superhuman agility and speed and he pinned the thug to the ground, and the thug tried to fight back, but Caleb opened his mouth, reared his head back, and then...!

CHOMP!

Thug: (SCREAMS IN PAIN)

CALEB BIT INTO THE THUG'S THROAT AND TORE IT OPEN AND HE BEGAN DRINKING HIS BLOOD!

Me and Nico: OH GOD! THAT'S JUST SICK!

MANY OF US RAN INTO TRASHCANS AND THREW UP LIKE CRAZY!

Luna: PUKE VOLCANO! (FAINTS)

FWOMP!

The vampire cats watched the whole thing from the rooftop, then, when Caleb was finished, the thug was dead, and his face, hands, and shirt were covered in blood.

Past Caleb Maxwell: (GROWLS)

Past Cage Blunt: Damn, I never figured that Demon Blood could also make a human turn into a wild animal.

Past Travis Tackett: We don't want to be around when he comes after us, let's go!

Suddenly, Caleb Maxwell's sclera changed from black back to white and his bright red eyes changed back to brown, and he passed out. The vampire cats saw it, and they went down there to check it out.

Past Cage Blunt: He's knocked out.

Past Travis Tackett: Let's leave him here.

But, Cage Blunt picked Caleb Maxwell up in both arms.

Past Cage Blunt: No. Let's bring him back home, you know those two in the house he lives at, they're his mom and little sister, they're the only ones whom he lives with. But, we can't let them know that he'd drunk Demon Blood and made a midnight snack of a thug, we'll get him cleaned up and get him back home before anyone finds out.

Cage Blunt and Travis Tackett took Caleb Maxwell to their apartment and got him cleaned up and

got him back home and no one suspected anything as the video ended.

Lincoln: Whoa.

Nicole: Jeez, so if a normal person drinks Demon Blood, it turns them into a bloodthirsty animal and after some time, they turn back to normal.

James Blunt: But, the demon blood is still left in their veins, those two punches Caleb had taken to the stomach had gotten rid of most of the demon blood inside his system.

Brittney: My God.

Eli: Even I'm really scared now.

Captain Whitten: So, that explains most of Caleb's even more bloody violent anger.

Cage Blunt: But, it doesn't change the fact that Caleb's anger was due to the very people responsible for the ordeals he, his Mom, Allie, and his mom's relatives have had to deal with. If Drake dares to come back, he's heading straight for The Black Abyss, no questions asked.

Nico: That's for sure, that shithead was the one who killed Caleb eight years ago, and he left scars on everyone in his path. He deserves to die horribly.

Superintendent Chen: Wow, so this is Float Islands, it sure is beautiful.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were

done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Bonnie, Celestia Ludenberg, Coach Amy Hutch, Coach Sara Keck, Mrs. Kate Bernardo, Mrs. Mika Salter, Ms. Liara Pham, Ms. Mina Shrinivas, Ms. Sakura Allegra, Principal Muriel Rivers, Principal Lucia Ramirez, Principal Ana Valenzuela, Superintendent Ha-Rin Chen, Dean Hardscrabble, Ace Trainer, Pokemon Ranger, Rayna Puddle, and Armada Sureshock got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Celestia Ludenberg: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Bonnie, Celestia Ludenberg, Coach Amy Hutch, Coach Sara Keck, Mrs. Kate Bernardo, Mrs. Mika Salter, Ms. Liara Pham, Ms. Mina Shrinivas, Ms. Sakura Allegra, Principal Muriel Rivers, Principal Lucia Ramirez, Principal Ana Valenzuela, Superintendent Ha-Rin Chen, Dean Hardscrabble, Ace Trainer, Pokemon Ranger, Rayna Puddle, and Armada Sureshock and they hugged the girls in their abnormally massive and powerful muscular arms and Bonnie, Celestia Ludenberg, Coach Amy Hutch, Coach Sara Keck, Mrs. Kate Bernardo, Mrs. Mika Salter, Ms. Liara Pham, Ms. Mina Shrinivas, Ms. Sakura Allegra, Principal Muriel Rivers, Principal Lucia Ramirez, Principal Ana Valenzuela, Superintendent Ha-Rin Chen, Dean Hardscrabble, Ace Trainer, Pokemon Ranger, Rayna Puddle, and Armada

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Float Islands, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bonnie, Celestia Ludenberg, Coach Amy Hutch, Coach Sara Keck, Mrs. Kate

Bernardo, Mrs. Mika Salter, Ms. Liara Pham, Ms. Mina Shrinivas, Ms. Sakura Allegra, Principal Muriel Rivers, Principal Lucia Ramirez, Principal Ana Valenzuela, Superintendent Ha-Rin Chen, Dean Hardscrabble, Ace Trainer, Pokemon Ranger, Rayna Puddle, and Armada Sureshock on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Bonnie, Celestia Ludenberg, Coach Hutch, Coach Keck, Mrs. Bernardo, Mrs. Salter, Ms. Pham, Ms. Shrinivas, Ms. Allegra, Principal Rivers, Principal Ramirez, Principal Valenzuela, Superintendent Chen, Dean Hardscrabble, Ace Trainer, Pokemon Ranger, Rayna Puddle, and Armada Sureshock are in your harem, Linky.

Jenna: Oh man, I had no idea Coach Hutch, Coach Keck, Mrs. Bernado, Mrs. Salter, Ms. Pham, Ms. Shrinivas, Ms. Allegra, Principal Rivers, Principal Ramirez, Principal Valenzuela, and Superintendent Chen also had feelings for Lincoln. You guys had no trouble at all.

Celestia Ludenberg: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and

Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another Super Mario Odyssey adventure.

Nico: It's Moon Kingdom for Round 3.

Me: Cool! You know I'll go for that.

Ruby: And me and Jaune will go too.

Lincoln: Me too.

Me: Okay then.

Nico: Lets go.

We went in and the Simulator activated and we were on the Moon for Moon Kingdom.

Me: Here we are.

Jaune: Wonder who we're fighting this time

Lincoln: I Think HIM!

WE SAW A HUGE MONSTER! IT WAS A NINE-HEADED DRAGON MONSTER MADE OF BLOOD!

Nico: WHAT THE!?

Me: WHAT IN THE NINE-FUCKING LEVELS OF HELL IS THAT!?

Lincoln: OH MAN!

He pulled out his sketchpad and we saw the monster.

Lincoln: That's WrathFury the Destroyer and he's Chandler's Akuma!

WE GASPED!

Me: Chandler's Akuma!?

Nico: WHOA!

Lincoln: He was made because of his life going way downhill. He was expelled from school and blacklisted from ever going to school again anywhere in the country, was sent to juvie and prison for life and even his entire family disowned him and gave their fortune to his sister. Now he wants revenge on ALL THE WORLD AND HE VOWED TO KILL EVERYONE AND EVERYTHING THAT GETS IN HIS WAY! STARTING WITH LINCOLN LOUD!

Me: Oh man!

Jaune: I doubt he's gonna listen to reason

Me: Yeah.

He saw us.

WrathFury: (To Lincoln) YOU! THIS IS ALL YOUR FAULT LARRY! YOU RUINED MY LIFE!

Me: His name is Lincoln you douchebag! Get it right!

Ruby: Okay, I know this is gonna be in vain but you need to stand down!

WrathFury: NEVER YOU BITCH! AFTER I KILL LARRY YOU ARE NEXT!

Ruby: You know what? Let's just get to kicking your butt!

Me: YEAH!

I Fired a wave of energy and blasted him all over the place!

Lincoln: You brought everything that happened to you all on yourself Chandler!

WrathFury fired waves of fire from his mouths and we absorbed the fire and his hatred from the fire had our auras explode out with the power of the hatred of an infinite number of Kisenian Blossoms.

Me: You disgust me Chandler!

Nico: YEAH!

Lincoln: Get him girls!

LINCOLN'S GUARDIAN ANGELS ALL FLEW IN AND BLASTED HIM ALL OVER!

Jaune: Hop on his back!

Lincoln: He's made of pure blood.

Me: Yuck!

Jaune: Nevermind then.

I fired waves of fire and blasted him all over.

Lincoln, me, Nico, Ruby and Jaune blasted WrathFury all over.

Jaune used Crocea Mors to slash at him

It slashed 3 of his heads off and weakened him big time!

Me: His heads are his weakness!

I fired energy blades and slashed off three more!

Nico: YEAH!

Ruby used her Crescent Rose and slashed off the remaining heads.

?: (ECHOING) METAL WOLF CLAW!

A blast of ice hit WrathFury and blasted him all over.

MetalGarurumon and a girl with blue hair, pink eyes, pink clothes and pink wings with a tiara for Spiral Pegasus came.

Spinelli Pegasus: Spinelli Pegasus, Embodiment of Spiral Pegasus.

Ruby Rose: Spinelli!

Jaune: Looking great!

Spinelli Pegasus: Same to you Ruby and Jaune. Been a while.

MetalGarurumon: (In a girls voice) Time for the wolf to pounce!

Nico: Mena Garuru! Wow!

MetalGarurumon: Awesome to see you Nico.

Nico: (gets out Dark Necrobat and Wire Sponge's Ridewatches) Time for this sponge to go dark!

He activated the Ridewatches and blasted WrathFury.

Me, Jaune, Ruby and Lincoln and Neapolitan blasted him all over.

Mena reverted back and she was a girl with blue hair, blue eyes, blue clothes, wolf ears and a tail and had blue angel wings and had the Crest of Friendship in the middle of her forehead and had MetalGarurumon on her shirt and skirt and had a powerful scythe in her hand.

Mena Garuru: This will show him! GIGA MISSILE!

She fired a blast of energy and it formed a powerful Missile and it hit WrathFury and he exploded!

MASSIVE AND POWERFUL FIERY EXPLOSION!

He was gone! We got 30 moons!

Me: YEAH!

We cheered and high five!

Nico: How did you meet Jaune and Ruby?

Spinelli Pegasus: I met them when they were battling Tyrian Callows and I helped them send him to prison.

Me: Wow! So you sent that fucked up maniac to the slammer. Nice.

Nico: Was this before the battle we had with Salem?

Spinelli Tiger: Yep that's right.

Me: Wow! And Mena what's your favorite memory of Nico?

Mena Garuru: When me and Nico stopped a diamond smuggling operation and sent them to prison.

Nico: Yep.

Me: Cool!

Nico and Mena hugged.

Nico: I've missed you.

Mena Garuru: Same here.

Me: Would you like to join us?

Spinelli Pegasus: We would be honored.

We left ad everyone cheered wildly.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with

Lincoln.

BOOM!

The mascots appeared in a huge puff of smoke.

The mascots: TADAH!

Me: Nice entrance!

Nathalia Gorgorio: I hope they don't mess this up

Me: They won't.

Poromon: Alakazam!

POOF!

He made a tiger appear before our eyes!

Qin: COOL!

Me: Wow!

Poromon: And this. ALAKAZAM!

He turned it into a beautiful dove!

Yang: Woohoo! You go, guys!

Poliwag: Thank you! Now watch this! Abracadabra!

He poofed up Maria to them!

Maria: WHOA!

Poliwag: Abracadabra!

POOF!

She was in a smoking hot aqua blue bikini swimsuit!

William: WOW BABE! You look beautiful!

Maria: What the!? WHOA! Poliwag!

Poliwag: Sorry.

Trixie: Mind if I, The Great and Powerful Trixie, show some magic?

Manaphy: Sure Trixie.

Trixie had a Saw a man in Half Trick ready!

Trixie: Want to come up J.D.?

Me: Sure! I've always wanted to do this.

I got in the box.

POOF!

Maria was back in her clothes

Poliwag: Sorry Maria.

SAWING NOISES.

She cut the box.

Me: I hope I don't get cut in half for real. I saw that in cartoons and it was funny.

Trixie: Abracadabra!

She split the box and I jumped out of one half and Nico came out of the other!

Qin: WHOA!

Lincoln: I love magic!

Me: Me too!

Nico: That was awesome!

Qin: Yeah it was!

Deluge: That was unexpected.

Me: Well it's magic.

Lincoln: Here's a trick. Pick a card.

Me: Okay.

I picked a middle card.

Lincoln: The queen of hearts.

I had the King of Clubs.

Lincoln then turned my card into the Queen of Hearts.

Me: Whoa!

Beachcomber: I like that trick!

Me: All magic is fun.

Qin: It sure is.

Twilight Sparkle: I agree there.

Everyone cheered for us.

Nico: Great show guys!

Poromon: Thank you all! You've been a delightful audience!

Me: Lets hear it for...

Mascots: THE GREAT MASCOTDINIS!

Trixie Lulamoon: And The Great and Powerful Trixie!

WE CHEERED!

Me: That was a great magic show! Jeremie can I talk to you and your friends for a sec.

Jeremie: What's up J.D.?

Me: I have a very strong feeling that Anti-Monitor brought XANA Back.

Jeremie: I have that same feeling too.

Brynja: (Icelandic Accent) Yeah I do too.

William: Yeah same here.

Sissi: Yeah. We'll be ready.

Me: I'll use the satellites to find it and launch an attack on him and use my security measures on Lyoko to make sure it can't access anything there. Not even a tower.

Ulrich: Good idea.

Aelita: That is good. XANA has lived for far too long.

Me: And I do have a secret weapon for when we face it later on. But it's in the development stages.

Sissi: What is it?

Me: My own computer virus. Like how we made to destroy Ark before. But this one is going to be programmed to bring down XANA. We got to put it in at the VERY Source.

Jeremie: We can use the Multi-Agent Program that was used to destroy XANA before and combine that with your virus that you're making J.D.

Me: I like the way you think Jeremie. Okay we'll have that put in our plan for it.

Nico: That's perfect. Good idea.

Me: Yep. Okay.

Tomahawk Man: I hope we see more magic tricks in the future.

Poromon: Oh, you will!

Qin: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Shan Yu, who's returned from the dead thanks to Anti-Monitor and he still wants revenge on us for ruining his plans to rule China, and as if that wasn't enough, our old enemy, Abraham

Kane, has broken out of prison and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Shan Yu, who's returned from the dead thanks to Anti-Monitor and he still wants revenge on us for ruining his plans to rule China, and as if that wasn't enough, our old enemy, Abraham Kane, has broken out of prison and he wants revenge on us.

WE GASPED!

Qin: YOU'VE GOT TO BE FUCKING KIDDING! First, Anti-Monitor brings back my ancestor's hated enemy, Shan Yu, and to make matters worse, Abraham Kane has broken out of prison! That's the last straw! But, for Abraham Kane, we'll give him community service, but for Shan Yu, this time, there will be no mercy, I will send him and the entire Hun army to The Black Abyss!

Me: That's for sure. I've had it up to hear with that miserable barbarian, Shan Yu, to last an eternity.

Nico: He's gonna pay big time!

Lincoln: Aha, scans show he's heading for China, and he's brought together a massive Hun army.

Me: Where it all began long ago, and that's where it'll end with Shan Yu and his entire army lying dead in an ocean of blood.

Nico: That's for sure. Alright, team, let's go, this is the final time we ever have to deal with Shan Yu.

Lincoln: This time, the Hun army dies here and now.

Nico: That's for sure.

Camie: Yeah!

The Previous Group came.

Juggernaut: Can me, Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Comic Book Guy, Beast Man, Dark Turtles, and Doctor Octopus go with you guys?

Dark Mikey: Those were nice magic tricks!

Poromon: Thanks!

Nico: And yes you all can come with.

Qin: Yeah!

Vypra: Happy Chinese New Years everyone.

Me: Same to you Vypra.

Rumble: Boss, which Gene Slammer do you think you'll meet next?

Dark Don: I hope it's a powerful one.

Nico: Oh it is. Puppetmon is next.

Me: Cool!

Yae: Wow! That is gonne be awesome.

Camie: Yeah!

Vypra: That will be interesting to see. Puppetmon meeting a gene-slammer of him.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Calythos, a demonic warlord, and he's here to destroy us and raise a gigantic volcano in order to bring the Earth back to it's primordial state and rule the world. When we saw it, we knew it meant trouble.

Lincoln: Oh boy, we've got some serious trouble.

Rayman: Oh boy, I know that look from anywhere and that means trouble. Who was it that we saw, Lincoln?

Lincoln: This is someone we're definitely not going to like: the figure that we saw was Calythos, a demonic warlord, and he's here to destroy us and raise a gigantic volcano in order to bring the Earth back to it's primordial state and rule the world.

WE GASPED!

Superman: I thought we were rid of him for good.

Wonder Woman: Looks like he's come back for one last fight.

Fujiko Mine: Leave him to me and Linky, we'll take care of that demon and send him straight to The Black Abyss.

Lincoln: You said it, Fujiko.

Nico: Let's see what happens when a demonic warlord like him crosses a thief femme fatale. Alright, team, let's go, this is the last time we'll ever deal with Shan Yu.

Lincoln: That barbarian has terrorized China for the last time, and after we destroy him and his entire Hun army and capture Abraham Kane, you're next, Calythos.

Fujiko Mine: You're not getting out of this alive. You made the big mistake deciding to come back and pick a fight with us and destroy the planet, this is where you die here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to deal with Shan Yu and Abraham Kane, and this time, we'll make sure Shan Yu and the Hun army dies here and now, and once we got done killing Shan Yu and capture Abraham Kane, Lincoln and

Fujiko Mine along with me and Nico are going to destroy Calythos.

We were off to China in the World of Mulan.

WORLD OF MULAN (1998)

We arrived.

Qin: Awesome to be back in my ancestral land.

Nico: Yep. China is always fun.

Me: Yep and for thousands of years, China has always been about honor and tradition.

Camie: That is true.

Vypra: I'll call Captain Cold.

Me: Good idea.

Eli: And without a doubt we'll face Chi Fu too.

Nico: I have that feeling too.

Maria: If he's there, I'll kick him in the groin!

Eli: I'll rip his heart out and EAT IT!

Qin: YEAH!

Nico: And then I'll turn into Pain and chomp his head off!

Vaporeon snuggled up to Qin.

Vaporeon: I hate that guy Chi Fu as much as you do Qin.

Me: All of us do.

Camie: Yep.

Captain Cold came.

Captain Cold: Reporting for duty!

Blackfire: I wonder where Mulan is?

Eli: (Concentrates) On the mountain where the battle with the Huns is about to begin.

Nico: Just like before. Lets go. And if you see any Huns do not hesitate to kill them.

We were off.

We later arrived.

Aqueduct: Hey, Mulan!

Mulan: You all made it guys!

Nico: Like we would miss this.

Qin: Ancestor there's a strong possibility that Chi Fu is back too and we are going to make sure he pays for his crimes.

Mirror Master: Or since he's less of a threat then Shan Yu, we can just throw him in jail after slicing his hand off

Me: I like the way you think Samuel.

Mirror Master: Thanks.

Anko: (LAUGHS) Yeah he sure is sadistic like me. I'll feed him to my snakes too.

Nico: Captain, are you getting ready to launch the Avalanche like before?

Shang: Like you even have to ask.

Mulan: This is gonna be awesome.

Me: First we'll paint the snow red with the blood of the Huns.

Nico: Nice.

Shang: Soldiers, kill as many Huns as you can but when Mushu is ready, fall back!

They nodded.

Soldiers: YES SIR!

Me: Right then!

Qin: Lets move!

Eli saw Chi Fu hiding in his tent.

Eli: Gotcha.

He was watching Chi Fu like a hawk.

We waited.

We then saw MILLIONS OF HUNS ON THE HILL!

Aria Blaze: There they are! Let's start off with a Moonlight Laser!

Me: Good idea!

THE HUNS ROARED AND WENT AT US!

Princess Luna fired a Moonlight Laser and blasted them.

Me: TAKE THIS! DRAGON OF THE DARKNESS FLAME!

I FIRED A WAVE OF PITCH BLACK FIRE AS HOT AS THE SUN AND IT FORMED INTO A DEADLY DRAGON AND INCINERATED NUMEROUS HUNS ALL OVER!

Nico: YEAH!

Beast Man: Let me find an animal here to use!

He saw a bunch of Ibex's and had them charge and bashed them all over.

Qin: Good thinking!

She fired waves of fire and incinerated the huns all over.

Sora slashed with his Keyblade

He slashed them all over.

Qin fired waves of fire and Lola fired waves of fire and blasted the Huns all over.

Camie fired waves of energy and blasted them.

Dark Raph: Have some of this!

He blasted more Huns.

Mushu: Avalanche ready!

Nico: FIRE!

The rocket was fired and then the avalanche began! SNOW FELL DOWN THE MOUNTAIN!

Shang: Soldiers, Fall back!

We teleported back to the camp.

Me: Take that!

Nico: Did that get them?!

Me: Yes it did.

Laney: Yeah!

Eli: Wow! We killed millions of Huns. Shan Yu and his major men are still alive.

Me: Good. This will give us time to be ready for them. Now for another loose end.

Chu Fu was tiptoeing away.

Lincoln: (Sensed trouble) And where do you think you're going, Chi Fu?

Lincoln fired a rainbow energy blast that tied up another bastard whom we hated: Chi Fu, and we saw that Morgana Midnight Sparkle brought him back.

Blast Off: Should've known you'd be back too!

Nico grabbed him by the shirt.

Nico: You make me sick Chi Fu! People like you have no respect for women like Mulan!

Nico then turned into PAIN!

Pain: You come in here again... In fact, you go anywhere in this world, discrediting women anywhere again, and we will find you and we will eat both of your arms and then both of your legs. And then we will eat your face right off your head. Do you understand?

Chi Fu: [stammering] No. No. Please...

Pain: Yes. So, you will be this armless, legless, faceless thing, won't you, going down the street like a turd in the wind? Do you feel me?

Chi Fu: What the hell are you?

Pain and Nico: WE... are Pain.

Juggernaut: (to Venom) Did you give Nico your Symbiote while no one was looking?

Venom: We said Nico can keep it. He can now turn into Pain at will.

Juggernaut: Nice.

Venom: We thought it was cool when he does that to bad guys we don't like.

Me: It fits perfectly.

Mulan: I like it.

May: I think that is awesome.

Me: Yeah.

Pain: On second thought, one hand wouldn't hurt.

Then...

CHOMP!

HE BIT OFF HIS HAND!

Chi Fu screamed in pain!

Qin: WHOA! Nice!

Me: YEAH!

He was down and bleeding.

Pain: Get this piece of trash out of here!

Me: With pleasure.

I teleported him to Bolivar Trask's old cell.

Me: When it comes to bad guys we loathe with a vengeance, you better behave or you will be chow for one of Team Loud Phoenix Storm's most lethal protectors: Pain!

Qin: Yeah!

Nico: Ooh! I like that. Now that was more tasty!

Me: Yeah! Tasted like chicken?

Nico: Yep.

WE LAUGHED!

SOME OF THE SOLDIERS THREW UP!

Me: Oops sorry.

Shang: That was awesome though guys. Nico ate someone that didn't agree with him?

Me: Yeah he turned into Pain and ate Kamen Rider Wiseman and he tasted really awful.

Venom: Yeah it was gross! Despair and humans mixed together have unpleasant results.

May: What about MY Symbiote?

Nico: May we'll find a bunch of bad guys for you to chow on.

Venom: Yeah. You can become Torture again.

He gave her Symbiote matter and she can now turn into TORTURE!

May/Torture: WE ARE TORTURE!

Sakura Knudson: Awesome!

Me: And I got just the feast of bad guys for you and Nico snack on.

I smirked and smiled sinisterly and everyone knew that I was talking about Shan Yu's men.

May: Shan Yu's men will be the perfect meal.

Nico: Yeah!

Lincoln then had a Premonition.

Lincoln: WHOA! We got Qin's Akuma running around. We're going to face Komodo-Angel. The Hypothetical Akuma of Qin Chen. By day she is a girl of good and love and by night she turns into a devil of hate and evil. She is a split personality Akuma and a master of the elements. She was made when her parents were murdered by the Mafia and vowed to kill all crime organizations all over.

Lincoln showed a sketch of her and we saw that she was half angel and half demon!

WE GASPED!

Me: WHOA! Another Jekyll and Hyde Akuma!

Billy Gilbert: A Jekyll and Hyde Akuma?

Cycloid: What powers does she have?

Me: Jekyll and Hyde Akuma is my way of calling it for a Split Personality Akuma. Remember Nico's Akuma?

Nico: That's a good way to describe it.

Me: Yeah.

Lincoln: When in Angel Form, she can fire light blasts and give love and joy to those around her during the day. But at night she destroys with fire and evil.

Me: WHOA!

Camie: Scary!

Doctor Octopus: Tell me it's Day right now!

I looked and we saw the moon and it was night.

Me: It's night.

Qin: Uh oh.

Then a fireball came at us and we absorbed it!

We saw KOMODO-ANGEL!

She looked like a Devil Girl.

Me: WHOA!

Komodo-Angel: Well here is a treat. Hey guys and hey Nico looking great.

Nico: Qin?

Chris Taylor: Qin is that you?

Komodo-Angel: Yes it's me.

Armada Starscream: Qin, you still remember us, right?

Komodo-Angel: I can never forget all of you. Especially the one person I love as my best friend and awesome boyfriend Nico. And this worlds version of me has Chris Taylor as her husband and I'm proud of her.

Qin: I'm glad you think so.

Sakura Knudson: Jorgen's vision?

Me: Jorgen showed us a series of events that would have happened if Nico hadn't joined us. Nico and Qin got married for one. And also I became President of the United States.

Sakura Knudson: Wow! That is cool!

Ace: You are definitely worthy of being president J.D.

Me: Well I'm just going to stick with being in Team Loud Phoenix Storm. I know NOTHING about politics.

May: And I was married to my old enemy Drew and it was awful.

Me: Yeah.

Komodo-Angel: Those were cool visions and I thought they were awesome. But where are the mafia men?

Me: I killed them all years ago.

Shred Naught: Qin, you have to calm down!

Komodo-Angel: Not until all criminal organizations are dead!

Comic Book Guy: Then you leave us no choice.

Me: Sorry Qin but this is for your own good!

I fired waves of water and blasted her all over and steam came off her.

Qin used her powers as the Elemental Maiden and blasted Komodo-Angel.

Shang: (GASP) So the rumors are true Qin! You are the Elemental Maiden!

Qin: That's right.

Captain Cold charged at her and fired ice blasts and they hid Komodo Angel and froze her.

Me: She got Cold Feet.

Qin: Yeah!

Qin and Nico fired waves of ice and fire and blasted her and smashed her down.

Komodo-Angel: My turn!

She fired a massive blast of fire and we absorbed it and I fired waves of energy and blasted her.

Camie and Nico and Me fired waves of energy and blasted her.

Chris: Sorry Qin!

He fired lightning blasts and blasted her down ad knocked her out.

Me: That did it!

Qin: Yeah!

Me: Now for the main event and that is Shan Yu and his men. They should be getting up right about now.

We saw them get up out of the snow and they were pissed! THEY ROARED IN FURY!

Transquito: They're probably coming for the Emperor!

Me: Then we got to get to him first.

Nico: Agreed. Everyone lets head to the palace.

Shang: Right.

Qin: Lets go.

We teleported.

Evil Seed: I Think we beat him here!

Eli: Yes we did. It'll take them an hour to get here.

Me: Perfect.

We went before the Emperor and knelt before him.

Me: Excellency we apologize for coming here but Shan Yu and his men are back.

Nico: But we DID take out a good portion of his forces!

Me: We counted over 20 million of them.

Emperor: Excellent. I know you all did well. But how is that possible? Shan Yu was destroyed and banished to the Black Gates.

Me: Yes your excellency he was. But a new big bad surfaced and broke the seals and spells of the black gates and resurrected him.

Nico: To put it simply, the Black Gates have been breached.

Me: But we have a new technique to finish Shan Yu forever.

Qin: It's called The Black Abyss and it's worse than the Black Gates.

Camie: Yeah.

Emperor: I see. This is terrible news indeed. I know you all can stop him. Go make that monster pay for everything he did.

Me: With pleasure your Excellency

Nico: We just need to wait for him and his goons to show up

Eli: Yeah. Which is not long. I sense them. They are 200 yards and closing.

Nico: Lets get them.

We went to face them.

We saw the dragon that they were hiding in.

Me: There they are in the dragon.

Nico: That is totally predictable.

Heat Man: Entrance time!

Me: Lets make it one for the Chinese New Year!

We went at them.

The huns were ready. But then they jumped out and the people gasped! Then the spirits of the 12 Signs of the Chinese Zodiac came and swirled around them and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion blasted out from the floor and it formed into a fiery phoenix and then the spirits of the 12 Chinese Zodiac Symbols swirled around it and formed into a dragon and then converged and out of a flash of light came us!

Me: Now that was an entrance!

Shan Yu: YOU!

HE ROARED AND WENT AT ME AND I CLASHED WITH HIM!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

We clashed ferociously and sparks flew everywhere!

I kicked Shan Yu and slashed his face and cut his cheek!

Me: That was from me.

Poromon: Before we fight any further, wanna see a magic trick?

Dai Gui: Right now?!

Shan Yu: The only thing I'm interested is what color you all bleed!

Kane: Nah. Let's humor them. Alright, show us this magic trick.

Poromon pulled a bunny out of a hat.

Poromon: Ta da!

Kane: Okay. That's not a new one.

Poromon: Oh, it isn't?!

The bunny took out a chainsaw!

UH OH!

The Huns ran!

May and Nico: FEEDING FRENZY!

Nico and May turned into Pain and Torture and butchered and ate the huns!

The bunny ran at several Huns

And slashed and mutilated them and Pain and Torture ate their limbs and more.

I kicked Shan Yu and kneed him and kicked him in his chin and slashed him and cut his chest.

Me: Looks like the mighty hun can bleed and your blood is red.

Mulan: Save some for me!

Qin: And me!

Shang: Count me in too!

Shan Yu: You are going to die!

Me: I don't think so!

I slashed him all over.

Qin kicked him and fired waves of lightning and electrocuted him.

Mulan and Shang slashed him all over.

Mulan: Shan Yu is ours! You guys handle Kane!

Qin: Right! That's right! Kane you can come out now!

Out came ABRAHAM KANE!

Me: Well well if it isn't Abraham Kane. Prison hasn't been too kind hasn't it?

Abraham Kane: YOU RUINED EVERYTHING FOR ME J.D.!

Me: And I show no remorse for it!

Vaporeon charged at him and blasted him with water!

Qin kicked Kane all over and I slashed Shan Yu with my sword.

We went at each other more and clashed.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Julie Kane: Dad why do you want to rule over everything with an iron fist? What could cause you to become like this? Don't you have any love in your heart for anyone? Including me? Your own daughter?

Kane: I DO love you! Really! I do! But look where we are now!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from powerful fire and earth blasts that came out of nowhere and the barrier really stood strong against them and the fire and earth blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of fire and earth) I knew there was no mistaking the scent of fire and earth, you better get out here, Calythos, or we will force you out.

A demonic figure came out, and it was none other than Calythos.

Me: So, you've finally shown yourself, Calythos.

Fujiko: But, this is the end for you.

Suddenly, Fujiko Mine's brown eyes turned neon blue and she was surrounded by a yellow energy aura with stars, earth, fire, flames, phoenixes, and angels, she unholstered her greatsword from her back, and as she approached Calythos, she left yellow energy, stars, stars, earth, fire, flames, phoenixes, and angels with every step.

Fujiko Mine: You've caused far too much trouble for mankind for the last time, Calythos. All you desire is to revert the Earth back to its primal state so you can rule it yourself, but there's no chance of that happening, this is where your ambitions end here and now.

Suddenly, Fujiko Mine was surrounded by a massive vortex of yellow energy with stars, earth, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with blood red eyes glaring at Calythos: the blood red eyes of eternal death and eternal judgement.

Nico: WHOA!

Me: Oh boy.

Lincoln: Facing a thief femme fatale like Fujiko definitely means it's not going to end well, and now, Calythos is going to get it big time.

Fujiko Mine, Lincoln, Nico, and I went after Calythos who fired fire and earth at us, but we absorbed them and it made us stronger, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Calythos and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Fujiko Mine also did the same by firing yellow energy slashes from her massive greatsword and gold-plated dragon claws, and he, Fujiko Mine, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Calythos even angrier than ever.

Fujiko Mine then snatched Calythos' scimitar, and Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Calythos and he began absorbing him and he assimilated his Pyrokinesis, strength, Geokinesis, Swordsmanship, Superhuman Endurance, Absorbing other people's abilities, and absorption of the powers of heroes, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Calythos and he was sent to The Black Abyss forever. Everyone cheered wildly for what Fujiko Mine, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Fujiko Mine's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen yellow planets orbiting around her legs, fifteen smaller yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium yellow planets orbiting around her wrists and ankles, and massive brown angel wings and four other sets of brown angel wings underneath her massive brown angel wings are permanent.

Fujiko Mine: Get lost, and don't you dare come back. Thank you for helping me take down Calythos, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Fujiko.

Me and Nico: Our pleasure, Fujiko.

Suddenly, Fujiko Mine wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Fujiko Mine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Golem flying in the air, and we saw a herd of Buffalo and many animals running across the field and earth and fire and elemental forces behind them and we cheered wildly. Then, Lincoln and Fujiko Mine sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: That'll teach that demon.

Luan: And Fujiko really pulled a sneaky move snatching his scimitar.

Suddenly, the vampire council arrived.

Marcus Mackenzie: Nico, everyone, we're so glad we caught up with you.

Caleb Maxwell: Is something wrong?

Vampire Elder: I'm afraid so, Caleb. We've got bad news: apparently, before Morana Desdemona and her minions got The Black Abyss, along with The Chernabog Sisters, Audrey Madison, and Clarissa Mallory, those demonic witches used their black magic and made your nightmares come true, the nightmares of what you had been dealing with before your death which led to your introduction to our world when you met Cage Blunt and Travis Tackett who were under the influence due to drinking demon blood.

WE GASPED!

Nico: My God.

Caleb Maxwell: Those witches, they're gonna pay for this.

Cage Blunt: That they will.

Lincoln: I've got the list lined up.

Lincoln got out a list, and it details who's up on which date.

Cage Blunt: So, I'm up first against my Demon Blood Influenced self tomorrow, I'm not showing him any mercy.

Me: You said it. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Penelope Estevez Salazar, Gene-Slammer of Greedy Venom Fusion Dragon.

Lori Estevez Salazar: I knew it was her.

Selene Arcangela: Same here, and you guys are going to love meeting her, Penelope Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female Taipan snake with her named Bella and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES HAWK AND HANK WITH A BLAZING PASSION BECAUSE THOSE OVERGROWN GORILLAS TRIED TO KILL LINCOLN BY TRYING TO CRUSH HIM BY DROPPING A PIANO ON HIM, BUT PENELOPE DESTROYED THE PIANO AND SHE REALLY CLOBBERED THOSE DUMB GORILLAS HARD AND PUT THEM IN FULL BODY CASTS AND SENT THEM BACK TO PRISON, AND SHE GAVE THEM AN ULTIMATUM: IF THEY DARED TO TRY AND KILL LINCOLN AGAIN, SHE WOULD THROW THEM INTO A PIT FULL OF TAIPAN SNAKES AND THEY HAVE A VERY DEADLY VENOM AND IT'LL KILL THEM IN LESS THAN A MERE SECOND!

Nico: Those overgrown big apes, if we see them in the future, it's off to The Black Abyss for them.

Me: Yep.

Tchang Zu: Now that's a grand way to end a battle.

Batroc: Chinese style!

KGBeast: I might be from Russia but I'm still enjoying this anyway.

Firepower: So am I.

Me: Yeah this was fun.

P'andor: Let's celebrate at one of the restaurants here

Nico: Good idea. Great job today everyone.

Mulan: (To the viewers) Happy Chinese New Years to you all.

Lola: You said it!

We went to a good restaurant in China and then went back home and enjoyed the rest of the day and went to sleep.

THE END

MR. ELECTRIC IS BACK FOR ANOTHER ROUND

Mollie woke up to see Plusle and Minun staring at her.

Plusle and Minun: Morning Mollie!

Mollie: Oh morning you two.

Plusle: Time for breakfast.

Minun: It's your big day today.

Mollie: Awesome!

She went and got dressed. She went to the table and we were having pancakes, bacon, eggs and french toast for breakfast.

Me: Man this town has seen better days.

Camie: It's all deserted.

Varie: Where is everybody?

Me: I don't know. But this whole town is empty. Like no one has been here for years.

The whole town was empty and falling apart. It was run down and totally abandoned.

Eli: It gives me the creeps. I don't sense anyone here.

Lola: Yeah.

Nico: This whole place is quiet as a graveyard. It's like everyone just vanished. Or they packed up and left and never came back.

Nicole: I agree.

Cut Man: Yeah no kidding.

Nico: Cut Man, I want to thank you, Sting Chameleon, and your teams for coming

Cut Man: It's no problem Nico. This will be fun.

Me: It sure will.

Zero: I agree there too.

Nico: Zero, are you basically the Mega Man X version of Proto Man?

Zero: That's right. Proto Man was my predeccessor back long ago.

Nicole: I remember that. That was amazing.

Qin: It sure was.

Camie: Awesome.

Juran: You two are both rivals to both versions of Mega Man after all

Zero: That is true. But we did help out a lot against Sigma a lot.

Nicole: Yep. Just like how Proto Man would sometimes help out against Dr. Wily.

Camie: Yeah.

Lincoln: Still awesome.

Me: It sure is. Man yesterday was fun.

Qin: It sure was! Best Chinese New Years ever!

Nico: I'm glad you liked it, Qin.

Qin: I loved it!

Xenia: Yeah!

Me: That was fun. And as a bonus we found out who the true leader of Dark Gale is.

Nico: We sure did. That is shocking that it's an enemy from your past.

Sakura Knudson: No kidding there. But now we have more reason to kill that bitch Elise.

Nico: We also sent Kane to community service.

Me: Yeah we sure did.

Qin: At least he realized the errors of his ways for everything he did.

Camie: That's good he did.

Lola: I agree there.

Varie: Yeah.

Me: Man no kidding. Julie really wanted her father, the man she loved, back in her life before he became a monster.

Nico: (to Fluttershy) What did you think of the chainsaw wielding bunny?

Fluttershy: He was adorable but scary. But he got the job done.

Me: He sure did.

Qin: Yeah.

Lola: That was awesome.

Me: Yeah.

We walked on and then we smelled something.

Nico: What's that smell?

Me: (Sniffs) That smell is the stench of death.

Camie: Yuck!

Lincoln: Look!

We saw an abandoned farmhouse.

Me: Looks like that farmhouse was there for a while.

We went up to it and opened the door and inside we found a horrible sight! WE SAW BLOOD SPLATTERED ALL OVER THE PLACE!

Nico: WHOA!

Lola: Oh my G- (throws up)

VOMITVILLE!

Qin: YUCK!

Me: What a bloodbath!

Lincoln: (GASP) This is the Harvester's house!

WE GASPED!

Nico: We should get out of here!

Me: Nico we killed the Harvester and banished him to the Black Gates remember?

Nico: Oh right.

We walking around and saw a bunch of dark secrets. In a diary. We saw that he went mad after a drought destroyed his crops and more and he snapped. With his scythe he went on a HORRIBLE KILLING Spree and he killed EVERYONE in the entire town! No one was alive!

Me: (GASP) This entire town is all dead! He butchered this entire town! All 380 people here! They are all dead!

Juran: J.D., the Harvester probably got out thanks to the Anto Monitor

Me: You might be right on that.

Lola: Yeah

Nico: We might as well bury the bodies.

Me: Yeah. First lets look around and see what we can find.

We went and looked around and in the basement we saw jars FULL OF human organs and we saw piles of skeletons and bones!

WE WERE DISGUSTED AND HORRIFIED!

Nico: Jesus Christ!

Lincoln: He was a monster!

Me: All these innocent people. They were all savagely slaughtered.

Camie: He killed this entire town.

Me: Genocide.

Nico:…there's nothing more we can do for them now

Me: Except give them all a proper burial.

Twilight Sparkle and the girls, Lola and most of us HURLED OUR GUTS OUT!

Qin: YUCK!

We then had the organs in jars brought up and the bones and organs were all put into a huge pit and doused them all in gasoline.

Nico: Okay that all of them?

Laney: We checked all the rooms and Eli used the Force and no bones were buried. Nothing left.

Nico: Okay then.

Me: Stand back.

I fired a massive blast of fire and incinerated the bodies and organs.

Nico: May God watch over their very souls.

Lincoln: Yeah.

Me: The Harvester will pay for his crimes in the future.

Camie: Yeah.

Qin: I agree there.

Nico: Anything else here?

Me: Not that we know. Just one last thing.

I fired a blast of fire and destroyed the entire farmhouse, farm and land around it.

I incinerated it all.

Me: There.

Ace: What was the Harvester?

Me: I'll show you.

I pulled out my phone and showed the trailer for it.

Narrator: "He was a humble farmer until a drought ravaged his land." [the farmlands have dried out and a tumbleweed passes by.] "Now, he's found a new crop..." [the farmer suddenly starts killing innocent victims with his scythe and harvesting their organs in a cooler.] "...human organs! He is...The Harvester! Opens this Friday."

[The title of the movie is bloodstained on the blade of the scythe.]

Ace: WHOA! So he was a farmer that went mad!?

Me: Yep.

Nico: Lincoln saw it on his own.

Me: And learned a HUGE Lesson the hard way.

Lincoln: Yeah I sure did. That monster gave me nightmares.

Lola: Yeah it was awful.

Laney: It was.

Me: Me and Varie waited for him at the theater and he came out shaking like a leaf in fear.

Nico: Oh man. Yeah.

Ace: That is awful.

Nico: Let's keep on walking somewhere else around here.

Me: Good idea. I don't think there's anything else needed here.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here on The Harvester's abandoned farm, but here's the dangerous part, our old enemy, the murderous coyote, Dag, has come back from the dead.

WE GASPED!

Me: What the?! I could be wrong.

Nico: Oh shit.

Eli: I thought we were done with Dag!

Lincoln: There's only one person to be blamed for that: Anti-Monitor. But, we're ending that miserable coyote once and for all, and he's getting a one-way trip to The Black Abyss.

Qin: And if he's also got his entire pack of coyotes with him, they're going too.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back Kiba Daioh, the father of The Fang Clan, and sent him after us.

Lincoln: Why, you little..., of all people...!

Me: What's wrong, Lincoln? Who did Morgana and her minions bring back?!

Lincoln: You're not going to like it one bit, J.D.: Morgana Midnight Sparkle and her minions have brought back Kiba Daioh, the father of The Fang Clan, and sent him after us.

WE GASPED!

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it! Now, that bitch and her demonic minions bring back that overgrown barbarian.

Nico put his skeleton back.

Nico: I hate when that happens. The last thing I want is my skeleton to be added to the bodies burned.

Suddenly, Crash Bandicoot appeared.

Crash Bandicoot: I thought I got rid of him since last year. Well, if he wants to cause trouble to us again, he's left me no other choice.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I never thought we'd be back here on The Harvester's abandoned farm, but to also find out Dag's back from the dead. That coyote's going to be turned into a throw rug.

Lincoln: Lori, be careful how you say that, you know we got Wile E Coyote, Calamity, and Tech on the team, right.

Lori: Oh right. Sorry. No offense.

Wile E. Coyote and Calamity: (Holds up signs) None taken.

Me: Fluttershy we know you love animals but these are animals that have to go.

Fluttershy: I understand J.D.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Dag) AHA! Gotcha! I just spotted Dag, he's 20 yards away, and he and his pack are heading for us. (Sensed Kiba Daioh) And I just spotted Morgana's next puppet, he's heading right for us.

Nico: Let them come, they're all heading straight for Hell!

Yae heard a Pokemon cry.

Yae: Look!

We saw a Mega Leafeon!

Me: Cool! Mega Leafeon!

Nico: Poor thing is hungry.

Mega Leafeon: Yeah.

We gave her food and apples.

Mega Leafeon: Thank you.

Yae: Hi there.

Mega Leafeon: Hello. Thanks for the food.

Nico: Anytime.

Yae: Want to come with us?

Mega Leafeon: Sure!

Me: Awesome.

Then we heard another Pokemon cry and saw lightning striking all over.

We saw ZAPDOS!

Camie: WHOA ZAPDOS!

Me: Zapdos is here too!?

Nico: Good. I was worried it was completely abandoned here.

Me: Same here.

May: I have a feeling I know this Zapdos.

Nico: You do?

May: Yeah.

May used her telepathic powers and then gasped!

Me: What's wrong!?

May: That's my friend Zinnia Surge!

Me: Wait is she?

May: She's the sister of Lieutenent Surge in Vermillion City!

WE GASPED!

Ash: Lieutenent Surge!?

She roared at us and fired intense lightning! We dodged.

May flew up to her and fired ice blasts and froze her.

She busted out.

May fired more ice blasts.

Me: Hold on!

I snapped my fingers and she roared and fell and reverted back and was a girl with yellow and black hair and had yellow eyes and had Zapdos in the middle of her forehead and had Zapdos wings and tail.

May grabbed her and she wrapped her in a blanket and brought her over.

Zinnia was going to be okay.

Zinnia Surge: I still remember that dreaded day.

Zinnia was on a table wearing a yellow jumpsuit. She was injected and busted out in excruciating pain and she grew wings and flew out of there as Zapdos.

FLASHBACK ENDS

Me: Well the important things is you're back to normal.

May: And we can help you.

Me: We're going to destroy Dark Gale in the future.

Zinnia Surge: Good.

Rarity: Lets get you some fitting clothes darling.

Maria: Good idea.

The Fashion Brigade gave her awesome new yellow and black clothes and she had a sword of lightning and a lightning blaster.

Zinnia Surge: Wow these clothes look great.

Me: Yeah they sure do.

Zinnia Surge: Yeah.

COYOTE HOWLS!

Nico: We'll talk more later!

Me: Right!

Qin: Lets go!

We then took off into the air and we set our sights on destroying Dag and his pack, and sending him and Kiba Daioh to The Black Abyss.

We were flying in the air, and we spotted our target: Dag and his pack of coyotes.

Lincoln: There you are, you mangy carnivore, time to get my game face on. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into FIRE MOON!🔥🌙

As his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a brown wolf snout, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Lincoln: (HOWLS)!

Me: Oh yeah! This is going to be good!

Lincoln: Time to burn, Dag.

Lincoln fired orbs of colored fire with wolves orbiting around the cores from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Dag and his pack, and they got burned badly, and that angered him badly as we landed.

Me: You've got some nerve coming back from The Black Gates, Dag.

Nico: Anti-Monitor may have broken the sacred seals and spells of The Black Gates and brought back 310 of our most dangerous enemies, but you, you're just a scavenger out for more blood and violence, and that's something I can't stand about you.

Lincoln: Same with your pack!

Dag: (GROWLS) We will turn you all into our dinner! Then I'm coming after that stupid cow!

Otis: Someone call my name?!

He punched the members of Dag's pack.

Dag: YOU! YOU RUINED MY LIFE AND MY PACK!

Otis: It's what you get for hurting my friends and family!

Dag: When I kill you, say hi to your Daddy for me!

Otis: Tell him yourself in hell!

Tarantulas: Looks like it's time for me to feast!

He jumped and ate some of the members of the pack.

Tarantulas: (Eating and slobbering)

He was stuffed!

Tarantulas: (BELCHES) Mmm! What a meal.

Nico: Tarantulas you are really something.

Tarantulas: I am always hungry.

BELCH!

He belched out their skins.

Me: Yuck!

Dag: NO! GET THEM!

Mega Leafeon charged at him and the pack!

She bashed and smashed them and slashed them with leaves.

Lincoln: And Kiba Daioh, there's no use hiding, get out here right now!

We then saw our secondary target, Kiba Daioh, appear, and like Lincoln said, he bore the demonic Alicorn on his forehead: proof of Morgana Midnight Sparkle and her minions bringing him back from the dead. He charged at us, but Crash Bandicoot kicked him away and sent him crashing into a cornfield.

Crash Bandicoot: Okay, that's it, now you're really going to get it.

Suddenly, Crash Bandicoot's emerald green eyes turned neon emerald green and he was surrounded by a rainbow energy aura with stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels, he unholstered his massive Crash Bandicoot's Cosmic Eternal Harmony Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Greatsword of Cosmic Eternal Harmony Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Justice and Cosmic Eternal Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Bravery from his back, and as he approached Kiba Daioh, he left rainbow energy, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels with every step.

Crash Bandicoot: I can't believe you dared to show your face again, Kiba Daioh, I should've known Morgana and her minions would do this, they've committed the same blasphemous crime as Anti-Monitor, but I'll get rid of you once again, but this time, you're heading for a much worse place than The Black Gates.

Suddenly, Crash Bandicoot was surrounded by a massive vortex of rainbow energy with stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, and fruit surrounding the vortex, there are dragons, bandicoots, phoenixes, and angels running and flying around the vortex with the symbols of The Ten Skylanders Elements orbiting around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at Kiba Daioh: the blood red eyes of eternal death and eternal judgement.

Nicole: This'll be just like what happened last year, but it'll end just the same.

Then, as the vortex faded, Crash Bandicoot emerged, but he was changed forever.

We were amazed by Crash Bandicoot's Super Angel-Bandicoot-Dragon-Elemental Skylander Knight and Brawler-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Kiba Daioh saw it, he went ballistic and charged at Crash Bandicoot to kill him, but Crash Bandicoot fired a massive barrage of rainbow energy, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels which hit the clone and sent him flying into a wall, he got back out, but boy was he raging mad now!

Crash Bandicoot: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Ten Skylanders Elemental Draconic Bandicoot Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Ten Skylanders Elemental Draconic Bandicoot Phoenix God Angel Bravery) Alright, this is the very last time you ever come back to cause us any trouble.

Crash Bandicoot went after Kiba Daioh, and he fired extremely powerful blasts of rainbow energy, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels which hit the bastard and exploded, and he slashed at him with his massive greatsword leaving scars on him, and that just made him even angrier.

Suddenly, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Kiba Daioh's chest, and then, Lincoln began absorbing Kiba Daioh into his body as he and all of us assimilated his titanic strength, superhuman pain threshold, fighting abilities, and ability to turn his body into steel and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Kiba Daioh except for his clothes, and he banished Kiba Daioh to The Black Abyss. Crash Bandicoot holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen colored planets orbiting around his legs, fifteen smaller colored planets orbiting around his waist, smaller planets orbiting his fingers, medium sized planets orbiting around his wrists and ankles, Third Eye, and massive reddish-brown angel wings and four sets of reddish-brown angel wings underneath his massive reddish brown angel wings are permanent.

Crash Bandicoot: And good riddance.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) The only thing he does deserve is death.

Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Dag and his pack, and Caleb Maxwell fired bullets that hit him in the legs and arms, and Chris and the other Watchers appeared and started firing at them as well, and Caleb Maxwell, Cage Blunt, James Blunt and Travis Tackett fired blasts of darkness and dark energy and they hit Dag and his pack, and they got sent flying into a cornfield, they got back out, but boy, was Dag mega pissed.

Adriana Nightingale: Whoa, did you get him pissed. Alright, now it's my turn, let's do this, Anniu.

Anniu: (HOWLS)

Suddenly, Adriana Nightingale's blue eyes turned neon blue and she was surrounded by an ice blue energy aura with stars, water, ocean waves, snow, ice, ice dragons, snow fairies, white wolves, phoenixes, and angels, she unholstered her massive ice greatsword, and as she approached Dag, she left ice blue energy, stars, water, ocean waves, snow, ice, ice dragons, snow fairies, white wolves, phoenixes, and angels with every step.

Adriana Nightingale: You've got some nerve crawling out of The Black Gates, Dag, you're not as dangerous as the 310 villains Anti-Monitor brought back, in fact, you're just a scavenger and a brute. I'm disgusted that you decided to come back, well, now you've left me no choice, I'm sending you and your pack to someplace worse than The Black Gates.

Suddenly, Adriana Nightingale was surrounded by a massive vortex of ice blue energy with stars, water, ocean waves, aurora, snow, and ice surrounding the vortex, there are ice dragons, snow fairies, white wolves, phoenixes, angels, White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper flying around the vortex, and in the vortex is a white phoenix with blood red eyes glaring at Dag: the blood red eyes of eternal death and eternal judgement.

Aurora Nightingale: Oh God, now that miserable coyote has done it, he's pissed off my sister.

Selene Emperyous: Angering Adriana is the worst thing ever!

Lincoln: We've seen the consequences of what happened when Lori, Lynn, Lola, Lisa, and Luan angered Adriana, and when she and Anniu were done, those five were badly mangled and drenched by Adriana and Anniu tore their clothes apart with her claws.

Then, as the vortex faded, Adriana Nightingale emerged along with Anniu, but she was changed forever.

Suddenly, Adriana Nightingale felt a sharp pain on her back, and then, her massive blue angel wings with white tips on the large marine blue feathers grew much larger for her new body with a wingspan of 50'0" and her medium sized blue angel wings with white tips underneath her massive blue angel wings grew much larger with a wingspan of 40'0" and her small sized blue angel wings with white tips underneath her medium sized blue angel wings grew much larger with a wingspan of 30'0" and another set of blue angel wings with white tips grew and sprouted out underneath the small sized blue angel wings with a wingspan of 20'0" and another set of blue angel wings with white tips grew and sprouted out underneath the new blue angel wings with a wingspan of 10'0", and the shoulder blades have four sets of ice blue eyes, and she now has eleven massive and long light brown wolf tails with ice blue tips and ice blue markings, Adriana Nightingale has on her Ring of the Phoenix with large ice blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and rainbow Thunderbird wedding ring on her left pinkie finger and she has on white bridal gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings and medium sized ice blue planets orbiting around her wrists and ankles.

Suddenly, Adriana Nightingale's massive ice greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of ice blue energy, stars, water, ocean waves, snow, ice, ice dragons, snow fairies, white wolves, phoenixes, and angels, and when it emerged, it was transformed into Adriana Nightingale's True Cosmic Eternal Harmony Arctic Water Snow Storm Aurora White Night Fury Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Arctic Water Snow Storm Aurora White Night Fury Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded ice blue gems and White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper and a white wolf etched on the 8'5" massive, wide, double-edged gold blade, large gold wolf heads with ice blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large ice blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold wolf heads with ice blue gems for eyes and on the bottom of the large gold wolf heads is a large gold wolf head with ice blue gems for eyes and ice blue gem in its mouth for the pommel, Adriana Nightingale has on her brand-new large gold Bracers of The Champions of The Universe with large ice blue gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of White Night Dragon's head with ice blue gems for eyes and large ice blue gem in her mouth for the belt buckle and gold versions of the heads of White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper with ice blue gems and ice blue gems in their mouths around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. But, when Dag saw it, he and his pack charged at them to kill them, but Anniu howled and summoned ice crystals that impaled Dag's pack, and Adriana Nightingale fired a massive barrage of ice blue energy, stars, water, ocean waves, snow, ice, ice dragons, snow fairies, white wolves, phoenixes, and angels which hit Dag and sent him flying into yet another cornfield, he came back out, but now, he was majorly pissed off.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Now, all that's left is to get rid of you: the pack leader himself.

Lincoln, Adriana Nightingale, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Dag, and we fired extremely powerful blasts of rainbow energy, marine blue energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dag and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Adriana Nightingale, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Dag even angrier than ever.

But, before he could attack us again, Anniu charged at Dag, and she began mauling him really badly, and Anniu being larger and stronger than he is held quite the advantage, and she even blasted him with ice blasts that she fired from her mouth, and Dag wasn't able to withstand the blasts.

Then, Lincoln fired a massive ice blue energy beam that froze Dag to death as Lincoln sucked out all of his blood and body heat, and he was sent to The Black Abyss forever. Everyone cheered as we holstered our weapons and powered down and Adriana Nightingale's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large ice blue planets orbiting around her legs, fifteen smaller ice blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized ice blue planets orbiting around her wrists and ankles, and massive blue angel wings and four other sets of blue angel wings underneath her massive blue angel wings are permanent.

Nico: And that is that.

Lincoln: You said it.

Otis: How about we go to the farm where me and my friends live?

Me: Good idea.

Qin: We can turn the coyotes into a rug there.

We rounded out the coyotes and went to Otis' farm.

We got there and made the coyotes into a rug.

Izzy Moonbow: There we go!

Qin: Awesome job Izzy!

Nico: Nice job, Mega Leafeon.

Mega Leafeon: Thanks Nico! It was fun.

Camie: Yeah!

Poromon: Want some beer?

Mega Leafeon: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Mega Leafeon: NOT THE PUPPY EYES! ANYTHING BUT THE PUPPY EYES!

Poliwag: Does that mean it's working?

Mega Leafeon: Nope. Nice try though pipsqueak.

Freddy: Poromon, can you and the others go on these plates?

Poromon: Okay.

Horsea got onto a plate with burgers, Manaphy got onto a plate with chicken, Poliwag got onto a plate with Mac N Cheese, and Poromon got onto a plate with pizza.

Poliwag: Why is there food here?

Freddy poured ketchup on them.

Horsea: What's going on?!

Freddy: Behold my five course meal! Horsea burgers, Manaphy chicken, Poliwag Mac N Cheese, and Poromon pizza! Bon appetit to me! (about to eat Poromon)

Poromon: HEY I'M NOT A PIZZA!

Poliwag: I am not something to eat!

Manaphy: If someone ate me I would give them indigestion!

Horsea: I am not a Krabby Patty!

Poromon: Also there's only 4 of us so that's only 4 courses.

Freddy: Oh I knew I forgot something.

Lola: That is funny.

Lola snapped photos of the meals.

Freddy: But still, bon appetit to me!

Fluttershy used her stare on him and stopped him.

Me: Freddy the Mascots are not food.

Otis: Yeah Freddy that's enough.

Freddy: I'm sorry! I just can't help myself!

Nico: (pats him on the back) I know. Animal instincts. It's only natural

Poromon: (Eating pizza) Yummy! I am tasty!

Poliwag: (Slurps) I taste like chicken!

Poromon: Thanks for the food anyway!

Manaphy: Yeah!

Freddy: No problem!

Otis: Sorry you guys had to see what the Harvester did.

Me: No worries.

Nico: Freddy, how about I give you some real food to satisfy you?

Freddy: Awesome.

Nico gave him some food. Meat and steaks.

Nico: Sorry Otis.

Otis: No worries.

Zinnia Surge: That was still fun though.

Me: Yep. Oh Zinnia how did you and May Meet?

Nico: And what's your role in your spy team?

Zinnia Surge: In order, I met May in the Sinnoh Region when she and her Pokemon were training for Pokemon Contests. May looks really awesome as an Arabian Princess there too.

May: (LAUGHS) Yeah that is awesome.

Me: Dawn showed us videos of those Pokemon contests and the costumes are absolutely beautiful.

May: Yep. Later we met Paul and me and Zinnia kicked him in the butt so hard that he screamed like a little girl.

WE LAUGHED!

Qin: (LAUGHS) That is funny!

Nico: (LAUGHS) Yeah that is funny!

Zinnia Surge: Yeah. Also I am the Electrical engineering specialist of the group and I rewire and hack into computer systems.

Me: Very awesome.

Zinnia Surge: Yep.

Nico: Also, I think we know but what's your life outside your spy team?

Zinnia Surge: I liked helping my brother Lieutenant Surge in his gym.

Nico: Nice.

Me: Lieutenant Surge and his Raichu were brutal and gave many Pokemon a savage beatdown there.

Nico: Yeah!

Ash: But me and Pikachu won that one.

Me: Yeah.

Zinnia Surge: That's my brothers style alright.

Me: Yeah.

Nico: Oh, Cut Man. What do you like to do in your free time?

Cut Man: Oh I'm a construction robot. I cut steel and get it ready for buildings.

Me: Very cool.

Qin: it sure is.

Nico: That's actually a good job.

Me: It sure is.

Qin: Yeah.

Me: Moltres must be next. And we're probably going by region.

Camie: Yeah.

Nico: I agree there.

Harley Quinn: Guys, you wanna help me with some...errands later?

Me: Okay. I have a feeling it's gonna be important.

Nico: Me too.

Poromon: Wait? Errands?

Me: Personal shit.

Harley Quinn: Okay I'll tell you. I need you guys to help me arrest my parents.

Me: Why? What did they do?

Harley Quinn: They tried to kill me for $1,000,000.00.

WE GASPED!

Nico: SAY WHAT NOW?!

Me: Life insurance policy?

Harley Quinn: No. Someone put a hit on me for that much.

Me: Oh man!

Laney: Wait Bane once said that it was Joshua Cobblepot that did it.

Me: Wait you mean Penguin's Nephew? Why would he put a hit out on her?

Laney: She ruined his Bar Mitzvah.

Me: Well that is stupid! No offense to the Jewish community but that is a stupid reason for wanting revenge.

Sting Chameleon: I'll tell Oswald to discipline his son after this.

Me: I'm way ahead of you Sting. But I've heard all about his nephew Joshua! He has a really nasty disposition and puts hits out on people for no good reasons other than to see people suffer. He has a credit card bill in the 12 figures! Excuse me.

I made a call to the Iceberg Lounge.

Penguin: Iceberg Lounge?

Me: Hey Oswald it's J.D.

Penguin: Ah greetings J.D.

Me: Sorry to call in the middle of you opening up the lounge. But we got some problems.

Penguin: What's wrong?

I told him everything.

Penguin: WHAAAAAAAAAATTTT?!

We heard him scream from Otis' farm!

Me: WHOA! That was loud!

Penguin: Oh I apologize. But I'll deal with it.

Me: Thank you Oswald. See you next time at the Iceberg Lounge.

Penguin: Always fun having you with us.

I hung up.

Red Hood: I wouldn't want to be Joshua right now

Me: Yeah.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

MASSIVE SPANKS WERE HEARD AND SCREAMING WAS HEARD FROM JOSHUA! THEY WERE COMING FROM M.O.E. HQ

Nico: YEOWCH!

Me: Boy he's gonna be feeling that. I hope he doesn't need to get a double buttcheek transplant.

Numbuh 4: No that would be painful.

Qin: Yeah no kidding! OUCH!

WE HEARD MULTIPLE SPANKS! EVIL LAUGHTER AND SCREAMS WERE HEARD! THE LAUGHTER WAS FROM COUNT SPANKULOT AND THE SPANK HAPPY VAMPIRE SECTOR V!

WE CRINGED AND WINCED!

Me: OOH! Guess Count and the Spank Happy Sector V know about it.

Nico: Did they hear about Joshua too?!

Me: Yeah they know when people are bad and know exactly when to deliver the hand of justice.

Camie: That is for sure!

Lisa Loud: I'll have Joshua put down for a Double Posterior Transplantation.

Me: Okay then.

Harley Quinn: At least I feel a little better now

Me: Yeah. (Phone rings) Oh excuse me.

I answered it.

Me: Hello?

Count Spankulot: (Transylvanian Accent) I just wanted to tell you J.D. that me and Penguin and the Spank Happy Vampire Sector V delivered the Hand of Justice to Joshua. Penguin told us how bad he was being and we helped him out.

Me: Good. He deserves over 20 trillion spanks for what he did.

Count Spankulot: Ooh! I don't think our hands would like that.

Me: I don't think so either. But we heard the spanking and screaming from Otis' farm.

Count Spankulot: That was loud spanking.

Me: It was. Good work though.

Count Spankulot: Thank you J.D.

Me: You're welcome.

We hung up.

Sting Chameleon: It's the Count's turn for the usual battles coming up, FYI.

Lucy Heartfilia: Looking forward to it.

Nico: Cool.

Me: Yep. Now for the Anothers.

Eli: Lets see who we have.

Eli concentrated.

Eli: WHOA! We got Another Sting Chameleon, Mollie, Scaramouche, Unicorn Mozoo, Turtle Turbo Phantom Boortota, Revolver Phantom Magna Mira and Fennec Phantom Yogetsu.

Eli: Yep and I sense that the Anothers are all individual people.

Me: Wow! This is gonna be interesting.

Nico: Yep. There they are!

We saw Another Scaramouche, Unicorn Mozoo, Turtle Turbo Phantom Boortota, Revolver Phantom Magna Mira and Fennec Phantom Yogetsu.

Nico: The Embodiments of Grass, Gust, Sphinx, Soul and Ice.

Skyla Sphinx: That's right and also I'm the gene-slammer of Scratch.

Scratch (Skylanders): Wow that is amazing!

Iris Ice: Yeah it sure is.

Me: It's awesome to see you girls again. By the way is the Another Mollie and Sting Chameleon friendly or hostile?

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: (TURNS DIAL) BAT FORCE 6!

She summoned Dark Necrobat, Memorase, Jesse, Professor Pyg (Harley Quinn), Jinen Akebino and Monju.

Me: Oh yeah!

Nico: And now, we wait.

But then...

HOING!

NICO GOT A NASTY ATOMIC WEDGIE!

SNAP!

It was pulled up and over his face and over his eyes.

Nico: HEY! I CAN'T SEE!

Poromon: Who did that?!

Nico pulled it off.

Me: Whoa!

May: I didn't see anything!

Me: What the!?

Nico: Okay WHO IS THE WISEASS!?

We saw footprints being made in the ground by an invisible force.

Laney: I see it! But the creature is invisible!

Qin: Whoa!

Me: Hmm!

I turned on my infrared vision.

There plain as day I saw ANOTHER STING CHAMELEON!

Me: Another Sting Chameleon! It's invisible!

Nico: I should've known!

It appeared and so did Another Mollie!

Mollie: Another me too!

Me: Yep.

Another Sting Chameleon: (In a girls voice) Sorry guys! That was funny.

Me: (GASP) That voice.

She reverted back and it was the embodiment of Cobra!

Me: Connie Cobra!

Connie Cobra: Awesome to see you again J.D.

Me: You too. Connie is a master of reptiles and snakes and all that and also is a master of poison. She also has invisibility powers.

Sting Chameleon: Like me! That is cool.

Another Mollie: And Mollie awesome to see you.

Mollie: (GASP) That voice!

She reverted back and it was a girl that looked like a younger Mollie but with longer hair and had purple clothes.

Mollie: Abby!

She went and hugged her.

Mollie: My sister I missed you.

Abby: Me too!

Nico: You know her?

Mollie: She's my sister that disappeared ages ago.

Me: Whoa!

Qin: Wow!

Kaito: (gets out Bioman gear) Did Swartz Promise you anything?

Zocks: (gets out Dynaman gear) Because we can grant it instead

Kaito got a Bio Sword and Zocks Dynaman Sword.

Connie Cobra: No he didn't. I used my invisibility and made it look like we were gone and Swartz got really pissed and we snuck out from under his nose.

Me: A Camouflaged Escape. That is genius.

Camie: Yeah!

Sougo: (gets out Bioman Ridewatch) That was sneaky to give Nico that wedgie

Geiz: (gets out Dynaman Ridewatch) Too bad J.D. used his infrared to find you.

Sougo got Red1Armor while Geiz got DynaRedArmor

Nico: Yeah.

Connie Cobra: That was clever though.

Me: Yep.

Lincoln: Lets separate you first.

We did so.

Me: Lets do it.

Nico: (gets out Sting Chameleon's Ridewatch) Now you see me. Now you don't!

May: (Gets out Unicorn Mozoo's ridewatch) Time for this Unicorn to Strike.

Maria: (Gets out Revolver Phantom Magna Mira's Ridewatch) DRAW!

Zero: (Gets out Scaramouche's ridewatch) Time to dance.

They used the powers of Sting Chameleon, Scaramouche, Unicorn Mozoo, Turtle Turbo Phantom Boortota, Revolver Phantom Magna Mira and Fennec Phantom Yogetsu and smashed them all over.

Then Infinity Mijinion, Parallel Woods, Foley, Flora, Beanbon and Gobchomplin came.

Nico: Cool! Nice team Infinity Mijinion!

Infinity Mijinion: Thanks Nico!

Plant Man: My team's next!

Me: Yep.

Lotusmon then came.

Me: Lotusmon!

Nico: Whoa I know this Lotusmon!

?: Awesome!

Puppetmon came!

Me: Puppetmon! Wow!

Puppetmon: (In a girls voice) And it's fun too.

Nico: Tala Cavan Puppet! Wow!

She reverted back and was a girl with green hair, green eyes, green and brown clothes and green angel wings and had a new crest in the middle of her forehead and had Puppetmon on her shirt and skirt and had the Indonesia Coat of arms on her arm and had a powerful hammer in her hand.

Tala Cavan Puppet: Awesome to see you Nico. We got this. (ECHOING) PUPPET PUMMEL!

She smashed her hammer on the ground and sent a huge wave of fire at them.

Lotusmon: (ECHOING) SEVEN'S FANTASIA!

She fired seven rainbow blasts and the blasts smashed them and I caught the ridewatches and purified them.

Me: Oh yeah!

Nico: Wait until Puppetmon sees this!

Yae: Yeah!

Me: I know! Wait that's Indonesia's coat of arms. You're one of Indonesia's Digidestined.

Tala Cavan Puppet: That's right. We lived on the island of Makian.

Nicole: Whoa that is a very widely known volcano in the Maluku's islands. Erupted back in 1988 and over 18,000 people had to leave.

Tala Cavan Puppet: Yep that's right.

Nico: Yeah.

Me: Yep.

Zero: Do you have a favorite memory of Nico?

Tala Cavan Puppet: I sure do. When me and Nico met. We battled a bunch of MudFrigimon on the slops of Makian and we sent them back to the Digital World.

Me: So Makian and Indonesia were having Digimon problems.

Tala Cavan Puppet: That's right. 20 islands all over Indonesia had them.

Me: Whoa! With over 17,000 islands in Indonesia it's like trying to find a needle in a haystack that's over 1.904 million square miles.

Nico: That's right.

Nico and Tala hugged.

Nico: I've missed you.

Tala Cavan Puppet: Same here.

We went back home.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the sixteen girls here, but we're also going after the next members of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, and the next members that we're taking down are Nekome, sometimes referred to by others as Kamikaze by the older members of the Big Claw, and the daughter of Ichiro. She grew up learning his specific style of fight and has taught it to the members of the Big Claw's gang, and she's loyal to them and the Big Claw, and her father, Ichiro, bodyguard and loyal friend to Claw Dane Drake, which he proved by even going to prison for him without hesitation, because he knew he could escape, in which he did. Now, he's working to seal a deal in Japan to help Big Claw achieve his plans.

Roxy Drake: Their training and fighting style took years of discipline, and we knew not to ever underestimate them, but in the case of Caleb Maxwell, their years of discipline and training met their match against his dark thirst for revenge against his killers.

Cut Man: Sheesh, even against trained martial artists and assassins armed with swords, you'd shown no mercy.

Caleb Maxwell: And why would I? If I had to make a choice eight years ago of fighting against trained martial artists and assassins armed with swords or a group of gunmen armed with guns and a desire to kill, I'd take my chances fighting Nekome and Ichiro than against my little brother and the four senior members of The Syndicate who killed me long ago.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long purple hair, red eyes, large purple angel wings, pink clothes, long white sleeveless trenchcoat with stars, darkness, poison, snakes, phoenixes, and angels on the coattails, and on the back is Greedy Venom Fusion Dragon, she has a darkness greatsword in hand and a Taipan snake with her, and with her are the sixteen girls.

Lincoln: (GASPS) Penelope Estevez Salazar, Gene-Slammer of Greedy Venom Fusion Dragon, and your pet Taipan snake, Bella.

Penelope Estevez Salazar: That's right, and I got the girls away from Nekome and Ichiro, and they are on their way now.

Caleb Maxwell: Let them come.

We saw Nekome and Ichiro arrive.

Allie Maxwell: Nekome, Ichiro...

Allie Maxwell had her Allie Maxwell's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice still in hand, and she blocked the swords of Nekome and Ichiro with her twin pistols and pushed them back.

Nekome: (Japanese Accent) Impressive work.

Ichiro: (Japanese Accent) At least, you're far more disciplined to that of your brother.

Caleb Maxwell: What?!

When Caleb Maxwell saw Nekome and Ichiro, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at them, but they dodged it and Nekome punched Caleb Maxwell hard in the stomach, which caused his eyes to shrink and blood tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Nico: Whoa!

Allie Maxwell: Nekome, you realize that you just repeated the same actions as Mad Cat Max and Panther, you knew of the unholy darkness dwelling within my brother.

Suddenly, Caleb Maxwell got up, and he let out a few disturbing and creepy laughs that sent chills down our spines.

Caleb Maxwell: I certainly expected that, as soon as I attacked, you dodged and dealt a blow to me once again. (Suddenly turn to face Nekome and Ichiro as his bright blood red eyes turn brighter and he had a dark smile on his face) However, did you really think I would easily fall like that?! If anything, you and your father just pissed me off even more, Nekome. (Long black hair turns even wilder) And as if dodging my bullets wasn't enough, you both think you can get away with attacking me and not expect the consequences!

Cage Blunt: Oh shit, now he's really about to lose it!

Jack Howard: Here it comes!

Caleb Maxwell: Then, may you both die here together, father and daughter! (LAUGHING DEMONICALLY)

THEN, MASSIVE TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END NEKOME

AND ICHIRO WHILE HE WAS LAUGHING DEMONICALLY! BUT, THEY DODGED THEM!

Nekome: (Japanese Accent) I shouldn't be so surprised to see you lash out once again, dark one.

Then, Lincoln swung his massive greatsword and fired a blast of rainbow energy that tied Nekome and Ichiro up in rainbow energy ropes and sent them to Vypra. We cheered as we holstered our weapons and powered down.

Allie Maxwell: And that's that, most of the gang are now in The Masters of Evil, now all that's left is to take down Claw Dane Drake tomorrow, and we'll have the entire Big Claw Gang in The Masters of Evil.

Roxy Drake: Plus, I can also get some answers as to why he killed Mom all those years ago and lied saying Carla died as well.

Lincoln: Those answers will be found out tomorrow. (To Penelope Estevez Salazar) And it's so good to see you again, Penelope.

Penelope Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's good to see you, Sarah, Dana, Regina, Carly, Mary, and Carrie again, Lori.

Lori Estevez Salazar: You too, Penelope.

Suddenly, Penelope Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Penelope Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Penelope Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Penelope Estevez Salazar and hugged her, and Penelope Estevez Salazar is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Penelope Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Penelope Estevez Salazar, Gene-Slammer of Greedy Venom Fusion Dragon, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, she's a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She has a female Taipan snake with her named Bella and she'll only will bite if given the word from them only. She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES HAWK AND HANK WITH A BLAZING PASSION BECAUSE THOSE OVERGROWN GORILLAS TRIED TO KILL LINCOLN BY TRYING TO CRUSH HIM BY DROPPING A PIANO ON HIM, BUT PENELOPE DESTROYED THE PIANO AND SHE REALLY CLOBBERED

THOSE DUMB GORILLAS HARD AND PUT THEM IN FULL BODY CASTS AND SENT THEM BACK TO PRISON, AND SHE GAVE THEM AN ULTIMATUM: IF THEY DARED TO TRY AND KILL LINCOLN AGAIN, SHE WOULD THROW THEM INTO A PIT FULL OF TAIPAN SNAKES AND THEY HAVE A VERY DEADLY VENOM AND IT'LL KILL THEM IN LESS THAN A MERE SECOND!

Me: If we face those gorillas, we're sending them to The Black Abyss big time.

Nico: But, not after we pummel them into the ground.

Lincoln: And make them pay for everything they've done, and now that you're here, Penelope.

Lincoln with his massive muscular arms still wrapped around Penelope Estevez Salazar leaned his head down the right side of Penelope Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Penelope Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Penelope Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Penelope Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Penelope Estevez Salazar.

Penelope Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Penelope Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Penelope Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Penelope Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Penelope Estevez Salazar: (In Heaven) My God.

Then, we went up to the sixteen girls, and when Lincoln saw them, he recognized them immediately. The sixteen girls are Bianka Ataegina, Bronya Zaychik, Dark Seele, Dr. MEI, Eden, Elysia, Fu Hua, Kafka, Kallen Kaslana, Kiana Kaslana, March 7th, Murata Himeko, Raiden Mei, Seele Vollerei, Sirin, and Stelle from Honkai Impact 3rd.

Nicole: So, those were the girls located here, Penelope did a good job getting them to safety.

Lincoln: And leading Nekome and Ichiro to us. Are you girls okay?

Bianka Ataegina: Yes, we're okay, thanks to you.

Bianka Ataegina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fifteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Eden: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bianka Ataegina, Bronya Zaychik, Dark Seele, Dr. MEI, Eden, Elysia, Fu Hua, Kafka, Kallen Kaslana, Kiana Kaslana, March 7th, Murata Himeko, Raiden Mei, Seele Vollerei, Sirin, and Stelle with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villains we went after were Nekome and Ichiro

But, when Lincoln showed what we all did in beating them down and him tying them up and sending them to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Penelope Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: So, we've taken down the members of The Big Claw Gang, and now, all that's left is to take down Claw Dane Drake tomorrow.

Lincoln: And then, the entire Big Claw Gang will be in The Masters of Evil.

Allie Maxwell: Soon, everything is going to come to fruition, The Big Claw Gang are going to be in The Masters of Evil, but if Drake dares to escape from Hell, he's going to be killed once again.

Marlene Maxwell: After everything he'd done, there's no chance of me ever forgiving him, he betrayed our family and became a criminal by choosing that path, and he also crossed a dark line when he killed Caleb eight years ago.

Allie Maxwell: If Drake returns, we're getting our entire family on his hide, Mom.

Caleb Maxwell: Christiano's also keeping an eye on Dad's relatives, the second Drake comes back, they're gonna escape and join Drake to get revenge. The second that happens, they will all die.

Me: That they will.

Christiano Maxwell: I'll make sure my gang and I alert all of you in case those leeches break out and Drake returns.

Lincoln: The second they do, all of them are going to die, and all of them are heading straight for The Black Abyss.

Here's the second scene

After Lincoln and all of us beat down Nekome and Ichiro and sent them to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Penelope Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Penelope Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Penelope, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Penelope Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Penelope Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Hunter: (German Accent) And thinking back to the video we saw yesterday of Caleb accidentally drinking Demon Blood and the mark appearing on his right arm, my friends and I also saw it for ourselves, and that's when they also saw Cage and Travis as well. Here's the video.

Hunter put up a video and it played on the big screen as we watched, and we saw Caleb Maxwell and Hunter along with the rest of Hunter's friends, and they were on the rooftop of Hunter's apartment as the sun was starting to set.

Past Hunter: (German Accent) So, Caleb, what is it that you wanted to show us?

Past Caleb Maxwell: This is something I wanted to show you and the others.

Caleb showed them the vampiric cross mark on his right arm.

Past Axel Adell: (Swedish Accent) Bizarre.

Past Caleb Maxwell: And there's this.

Suddenly, Caleb's brown eyes turn bright red and the sclera of his eyes turned black, and his nails grew into long black claws.

Past Woya: What the? What happened to you, Caleb?

Past Hunter: (German Accent) Did those two...?!

Past Caleb Maxwell: No, I didn't get attacked and turned. Last night, they tried to, but I elbowed the first one in the stomach and kicked the other one in the hand, but the bottle he had in his hand went into my mouth, and I drank the contents. That wasn't beer I drank, it was Demon Blood, it made the vampire cats more bloodthirsty and their vampire sides even more evil, but for me, it turned me into a vicious animal out for blood. But, I managed to get it under control, but I still need to get it out of my system, I can't keep it hidden forever from Mom and Allie. (Eyes change back and claws sink back and sees the sun setting)

Come on, we got to head back to my house before the sun sets.

Caleb, Hunter, and his friends left the apartment and began running to Caleb's home. But, just as they were almost home free, the sun set and darkness fell on the city, and then, Caleb Maxwell felt a throbbing pain on his right arm, and blood began falling from the mark on his right arm and fell to the ground.

Past Maverick Wiseman: Hey, Caleb, you alright? What's wrong?

Past Caleb Maxwell: (Winces in Pain) Oh God, no. They're here.

Suddenly, they saw Travis Tackett once again.

Past Salar Pasdar: (Persian Accent) No way, is that one of the...?

Past Caleb Maxwell: Yes, that's one of them, but where the heck is your friend, the one with the dark brown hair. He better not try anything on us again.

Past Travis Tackett: (Smirks Evilly) And what makes you think you can scare us that easily, kid?

Past Caleb Maxwell: You know I have my friend who drenched you two with water and his friends as well, and they too have powers, the second your buddy shows up and you two try anything, you're done for, tough guy.

Suddenly, Cage Blunt stepped out and joined with Travis Tackett.

Past Cage Blunt: So, the guy who flaked out on our offer of a quick bite have shown up, and what's this, you brought your other friends with you? How kind of you, now then, shall we?

Past Caleb Maxwell: Don't you even dare!

Cage Blunt went in front of Caleb Maxwell and puts his arms around his shoulders to keep him from running.

Past Cage Blunt: You've got nowhere left to run to, kid.

Past Travis Tackett: We know all of your routes and quick escapes, you can't hide from us. Now, then, let's have that quick bite.

Suddenly, Cage Blunt forced Caleb Maxwell to face him and Cage Blunt lowered his head to the right side of Caleb's neck and Travis Tackett lowered his head to the left side of Caleb's neck, and they bit him on the neck as Caleb let out a scream!

Past Hunter: (German Accent) CALEB!

Nico: My God, you got bitten by Cage and Travis!

Eli: Yikes!

Suddenly, Caleb Maxwell's brown eyes turn blood red and he punched Cage Blunt and Travis Tackett in the stomach and got them off, but Caleb had four fang marks on his neck and blood running from the marks.

Past Edwayl Mauroriane: Nice one, Caleb, but we need to run now!

Past Caleb Maxwell: Right.

Caleb, Hunter, and Hunter's friends ran back to Caleb's home. Then, Hunter began to treat Caleb's bite marks.

Past Hunter: (German Accent) Mein Gott, the marks those two left on you is really deep.

Past Caleb Maxwell: It is, but it didn't turn me into a vampire, there was something else needed to do just that: a vampire's blood, if fed to the person the vampire chose, then, that person will turn into a vampire. I'm so sorry I dragged all of you into this, Hunter.

Past Hunter: (German Accent) It's not your fault. But, how long has this been going on?

Past Caleb Maxwell: It's been going on for the past six weeks, every night, I've had to dodge those two vampire cats, and every time, I succeeded only to get a rude awakening as they'd followed me back home. I wanted to call the cops, but realizing no one would believe me when it comes to them, I couldn't. I've been losing sleep due to these nighttime encounters fearing they'd come back again. I just don't know how much longer it can last.

The video ended and we were stunned.

Me: Whoa.

Nico: That's really heavy.

Lincoln: And the effects of those nighttime encounters and escapes: losing sleep and plagued by nightmares, that's enough to really hit someone in the heart.

Caleb Maxwell: Every night, it was the same thing, and I didn't realize that when I'd gotten the mark, my eyes would forever be open to the world of vampires hidden from human eyes for centuries.

Edwayl Mauroriane: And our eyes were also open to the world of the vampires that night long ago as well.

Fletcher Connor: (Scottish Accent) Aye, it's true. That night would also lead to us seeing the world of the vampires that Hunter and Caleb had seen.

May: So, did the marks go away overnight?

Allie Maxwell: He kept it hidden from us as he kept the collar of his coat up, but no one suspected the real reason which was good, but Caleb's skin did turn pale.

Caleb Maxwell: Due to getting bitten, my skin turned pale, but overtime, my skin regained its color and the scars did go away, but I still remembered it: getting bitten by two vampires that night, it'll never leave me.

Lincoln: And Morana Desdemona and her minions decided to use that pain for their contingency plan before I sent them, Zixkle, The Chernabog Sisters and their parents, Clarissa Mallory, and Audrey Madison to The Black Abyss. If they're connected to your nightmares and the demons that Cage and Travis had, you guys need to sever those demons forever, it's the only way to do so.

Cage Blunt: Right.

We got a shower, and then, Lincoln, Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste are heading to Orange Ocean.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all. Plus, Lincoln removed Misty's dark side and sent it to The Black Abyss for good.

Madame Celeste: Wow, so this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Madame Celeste, and it's perfect for our first date, shall we?

Lincoln, Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Patricia: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste and they hugged the girls in their abnormally massive and powerful muscular arms and Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented

Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste are in your harem, Linky.

Misty, Universe 666 Letta, Universe 666 Olga, Universe 666 Sludge, Universe 666 Tammy, Yoko Harumage, Lucinda Davila, Patricia, Rinko, Po-Lin, Fuka, and Madame Celeste showed the marks Lincoln made on the right sides of their necks.

Jenny Wakeman: I did tell him about Misty, she's a good person, but that dark side of hers was true trouble, so he removed it and sent it to The Black Abyss.

Jenna: You guys had no trouble at all.

Fuka: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Izzy, Pepperdance and Namine's 2nd Mission.

Nico: Anyone else want to go with Izzy, Pepperdance, and Namine? Besides Nokama, Qin, Cheese, Mack and Akira?

Rainbow Dash: I'll go.

Electrocutioner: So will I.

Twilight Sparkle: Me and my friends will go too.

Sunny Starscout: Same with me and my friends too.

Izzy Moonbow: YAY! All of us going!

Me: Yeah!

Laney Simmons: And I'll go too.

Me: Oksy then.

Nico: Lets go!

We were off to Japan.

We arrived.

Kanata: Hey guys!

Nokama: Awesome to meet you. I'm Nokama, Toa Metru of Water.

Linka: They are the legacies and descendents of Twilight Sparkle and friends.

Kanata: Wow it's an honor to meet you all.

Electrocutioner: And I'm Lester Buchinsky but everyone calls me Electrocutioner.

Kanata: Awesome to meet you.

Laney Simmons: And my name is Laney Simmons. I'm the gene-slammer of Ampfibian.

Kanata: Wow it's a pleasure.

Cheese: I like chocolate milk.

Me: And this little guy is Cheese.

Linka: He's funny.

Qin: And my last name used to be Chen until I got married to Chris, Akira's teammate.

Kanata: Awesome!

Akira: Yeah Qin and Chris are perfect together.

Linka: They sure are.

Nico: Shall we go into your base?

Kanata: Lets shall.

We went to the base.

Eli: Awesome.

Linka: Yeah I agree.

Kanata: Here's some chocolate milk.

Nico: That's not a good idea.

Cheese drank the milk and immediate spat it out at Kanata.

Cheese: No! Chocolate milk!

Kanata: That's what I gave you.

Me: He means this.

I pulled out a juice box.

Me: He's lactose intolerent.

Cheese: I like chocolate milk!

I gave it to him and he was drinking it.

Me: He is funny. He's also a big idiot. He has a brain the size of an amoeba and drives many of our enemies bonkers.

Kengo: Yeah it's true. It's really funny too.

Kanata: Oh I see what you mean.

Akira: Yeah but we love Cheese. He's funny.

Disk Wars Iron Man: Hey there. I'm Iron Man. The Disk Wars version

Kanata: Oh wow! That is awesome. Pleasure to meet you.

Me: We learned all about the Disk Wars heroes before we went into battle with one of our major enemies. Ever heard of the Great War With The Royal Defenders?

Kanata: Wait I've heard of that battle! That was intense! Linka told me all about that and it was intense.

Me: It was. We first found out about it on the Internet and I gathered everyone and told them what was going on. It was a really ugly story.

Kanata: Really?

Me: Oh yeah. It was terrible!

I went over what happened and it was terrible.

Kanata: That's awful! So Sindri Myr did that!?

Me: Yep. In the end, their version of Ben made the ultimate sacrifice and reset their entire universe. But as a result it freed my Royal Defenders self.

Kanata: Oh man! Wow! Their Ben is a true hero.

Eli: Yeah he was.

Mack: And I actually was a robot before.

Me: He sure was. I used my powers to make him human.

Kanata: Wow!

Me: Yeah.

Kanata: So, Izzy, tell us more about yourself.

Izzy Moonbow: Well I am also a cheerful girl and love all my friends.

Pinkie Pie: And she is also my descendant! She and I have so much in common.

Me: Sunny Starscout and friends are the descendants and legacies of Twilight Sparkle and her friends as the Guardians of Harmony.

Rainbow Dash: It's true and it is really awesome.

Me: We ran some blood tests and DNA tests and found out that they were descended from Twilight and friends.

Kanata: WOW! That is incredible!

Izzy Moonbow: Yep and like my ancestor I make everyone happy just as much as she does through fun and creativity.

Me: Yep.

Misty Brightdawn: It sure is awesome.

Me: Also Misty used to be Opaline's right hand henchpony so to speak. We gave her a big mission of Team Dark Phoenix Storm calibur.

Kanata: You mean like a spy?

Me: EXACTLY. We had her spy on Opaline like how Chameleon did so with Team Dark Phoenix Storm and she did a great job. She had been a huge help in bringing down Opaline.

Twilight Sparkle: And we're proud of her for that.

Misty Brightdawn: Yeah that was awesome.

Me: Yep.

Kanata: Wow that is amazing! I wish the Ultraman Teams could have helped but we weren't told about what was going on back then.

Me: No worries. I can tell you all had a lot of enemies to deal with.

Linka: Yeah that's right.

Kengo: Yeah.

Nico: Has there been any trouble since last visit?

Kanata: Well this to start.

He gave me a newspaper.

Me: (Reading) "Mysterious Powerful Lightning Strikes Baffle Meteorologists as 720 people become hospitalized from electrical burns." WHOA!

Laney Simmons: Look at the picture! That looks like Amperi Lightning!

Me: It sure does!

Kanata: Sure about that? It could be one of my enemies.

Laney Simmons: Believe me I know my lightning. Regular lightning looks rounded. Amperi Lightning is sharper and more powerful.

Kanata: Wow big difference.

Me: It might be the next Embodiment and I have a good idea on who it might be.

Then the alarm went off and we went to the computer and saw GOMORA RUNNING AMOK!

Me: Gomora! I remember him!

Eli: Me too!

Mack: OVERDRIVE ACCELERATE!

He transformed!

Mack: KICK INTO OVERDRIVE! OPERTATION OVERDRIVE RED!

Akira: Iron Man, D Smash!

He summoned Iron Man!

Disk Wars Iron Man: Ready!

Nico: Awesome! Lets go!

We were off.

We were flying.

THUNDERCLAP!

We heard the sound of a thunder storm.

Nico: Follow that noise!

Me: LOOK!

THUNDERCLAP! THUNDERCLAP!

We saw powerful blue lightning!

Nico: WOW!

Me: Just head to the Lightning.

THUNDERCLAP!

We then saw GOMORA!

Me: There he is!

Nico: WHOA! He is ugly!

Eli: Hets get him! SPACE GODZILLA!

Space Godzilla then flew in and landed!

Space Godzilla: (ROARS)

Gomora roared.

Space Godzilla: So Gomora is next. This will be interesting.

Namine: Time to put on my jumpsuit.

She snapped her fingers and had a red jumpsuit on.

Me: You'll see shortly.

Kanata: Okay.

He turned into ULTRAMAN DECKER!

Space Godzilla fired waves of Corona Rays and blasted Gomora all over as massive fiery explosoions blasted off all over.

Qin got out her Mission Memory

CAPTAIN COLD!

Qin: Take this!

She fired ice blasts and lightning blasts and blasted Gomora all over.

Namine concentrated and then groaned as she grew and turned into into GROUDON!

She was ready!

She fired a powerful blast of fire and blasted Gomora all over!

Mack got out his Mission Memory.

TITANIUM MAN!

Mack: Take this!

He jumped and smashed him with a powerful punch.

Eli: YEAH!

Akira got out his Mission Memory.

CRIMSON DYNAMO!

Akira: Take this!

He fired waves of energy and blasted him.

Laney Simmons fired a wave of lightning and blasted Gomora.

THUNDERCLAP!

Then a huge blast of lightning struck Gomora and knocked him down. It revealed a figure and she had neon blue hair, red eyes, black angel wings, black clothes and had a tiara with Ampfibian on it.

Laney Simmons: (GASP) It can't be! Elaine!

Me: Elaine Simmons Amperi!?

Elaine Simmons Amperi: (Grunts) You got to stop me guys! I can't control myself! Help me! (Grunts) Help me!

Elaine fired a blast of lightning at Electrocutioner

He dodged it and I deflected the lightning back and blasted her.

Then I fired the antidote beam and injected her with it.

Me: There!

?: (Echoing) ELECTRO BALL!

A ball of lightning flew in and it hit Elaine and blasted her down.

Me: Whoa!

We saw Raijinmon come!

Me: Raijinmon! Whoa!

Qin: WOW!

Raijinmon: (In a girls voice) Looks like the fun started.

Nico: Rita Raijin! Wow!

Qin: The Goddess of Thunder has come!

Raijinmon: Awesome to see you Qin and Nico.

Rainbow Dash charged at her and punched Elaine down.

Laney Simmons: Hold on Elaine!

She fired waves of lightning and blasted Elaine down.

Rainbow Dash: Take this!

She got out her Mission Memory.

TCHANG ZU!

She fired a powerful ball of lightning and blasted her.

Mack: DRIVE LANCE!

He jumped and slashed Gomora and Space Godzilla fired Corona Ray blasts.

I fired energy blasts and blasted Gomora.

Electrocutioner and the Mane 14 blasted Elaine all over.

Rita reverted back and was a girl with yellow and purple hair and had purple eyes and yellow and purple clothes and had purple angel wings and had the kanji for Thunder in the middle of her Forehead and had Raijinmon on her skirt and shirt and had a lightning sword in her hand.

Rita Raijin: Taste this storm! (ECHOING) ELECTRO BALL!

She fired a blast of lightning and blasted her down.

The Antidote took affect and she was cured.

Elaine Amperi: (GROANS) What happened?

Laney Simmons: Elaine?

Elaine Amperi: Laney? (GASP) Laney!

She hugged her.

Laney Simmons: Good to have you back, sis!

Elaine Amperi: I am too.

Me: Lets finish this monster.

Kanata: With pleasure!

We fired a powerful blast of energy and the blasts all hit him and he exploded!

He was dead!

Me: YEAH!

Nico: Gomora you have failed this world!

We regrouped and cheered wildly.

Namine: Time for me to revert back

She did so and was back in her clothes she had on before.

Namine: That was awesome!

Me: Yeah!

Rita Raijin: Boy that was awesome and epic.

Me: Yep! Do you have a favorite memory of Nico?

Rita Raijin: i sure do. When me and Nico went after a bunch of Yakuza members and brought them to justice and they got thrown in prison.

Me: Cool!

Nico: Yep.

Nico and Rita hugged.

Nico: I've missed you Rita.

Rita Raijin: Same here.

We later arrived back home.

May: Hey guys how did it go?

Me: Really awesome.

We told everyone what happened and it was awesome.

May: WHOA! That was electrifying!

Me: It sure was.

Nico: Next time, Bad Cure Girls, Kusuna, Cajun Fox, Mike Chilton, Axel Manning, and Nokama should go with you guys.

Ne: Awesome!

Camie: Yeah!

Nokama: You guys will see me use my Mission Memory this time.

Me: Yep.

We were in front of Harley Quinn's house.

Mollie: Is this the house? I want to make sure we don't have the wrong address.

Harley Quinn: Yep this is it.

Me: Good.

We went up to the door and knocked and Nicholas Quinzel answered.

Nicholas Quinzel: Yes?

Me: Nicholas Quinzel, we need to talk.

POW!

I punched Nicholas Quinzel in the face and sent him crashing into the wall.

I grabbed him.

Me: You make me sick you piece of garbage!

Nicholas Quinzel: Now what's all this..

POW!

I punched him.

Me: You know what this is about! You tried to kill your own daughter to cash in on a bounty put out on her!

Nicholas Quinzel: Can you blame me? Me and my wife are laughingstocks since she joined up with her psycho boyfriend!

Heimlich: (German Accent) She's grown out of that! You should be ashamed!

Me: That's right! Joker died brutally by us! You have no right to call yourselves parents! People like you give us parents a bad name!

I punched him in the stomach and punched him in the face and broke his nose!

Me: You should be laughingstocks!

Nicholas Quinzel: The way I see it, she should've gone to Hell with Joker the first time!

Mindwipe: That was just low!

Me: YOU DISGUSTING PIECE OF MOTHERFUCKING GARBAGE! I should do the mafia a favor and kill you both right here and right now!

Nico: We SHOULD kill you for saying that! But you two aren't worth it! ...where's your wife anyway?

Varie had her.

Varie: Right here! I caught her trying to run.

She brought her over and we tied them up.

Qin: What kind of people are you!?

Me: Stupid pieces of filth and shit!

Nico: YEAH!

POW BIFF WHAM!

I bashed Nicholas' head all over.

Sharon Quinzel: You can't do this to us!

Me: Yes we can if it's the only way to get justice for trying to kill your own daughter Harley Quinn!

Nico: That's right!

Me: Just in case...

I pulled out my gun and then...

BANG BANG BANG BANG!

I blasted their legs with my pistol and crippled them permanently!

They screamed in pain as I shot them in their legs.

Red Hood: Harley might have worked with the Joker. But she's much better than him. And you two for that matter!

Me: The only one that she loves better than you two is her brother Barry!

Nico: That's right!

Harley Quinn: YEAH! I hate you more than anything! Barry is my only family now! You two are dead to me!

Maria: You have a brother?

Harley Quinn: Yeah I sure do. We haven't seen each other for a while.

She went and grabbed a picture of him and it was Barry Quinzel.

Maria: He looks like a nice kid.

Me: We'll find him later. As for you two, you deserve this!

Sharon: I DID EVERYTHING I COULD TO RAISE HARLEEN TO BE A GOOD DAUGHTER AND THAT WAS FOR HER TO MARRY A DOCTOR!

Me: She IS a doctor you bitch!

Harley: I still remember my psychologist training!

Sharon: And now look at ya! I tried so hard to get you to change your life in the most passive aggressive way possible and this is the Thanks I get? YELLIN AND FIGHTIN! That's why people spit at us at the grocery store! When you became Harley Quinn we became the laughingstock of the neighborhood!

Me: Well you two brought all that on yourselves for being total deadbeats!

Nicholas Quinzel: AND I SHOULD HAVE KILLED YOU MYSELF THE MOMENT YOU STEPPED FOOT INTO ARKHAM! I HIRED ALL THOSE ASSASSINS TO KILL YOU AND SEND YOU OFF TO HELL SO WE COULD BE FREE FROM YOU! YOU ARE NOTHING BUT A DISGRACE AND A STAIN ON OUR FAMILY NAME! YOU MAKE ME FUCKING SICK YOU MOTHERFUCKING PIECE OF FUCKING SHIT!

POW!

I punched him hard in his face and knocked out ALL OF HIS TEETH!

Me: YOU FUCKWAD PIECE OF TRASH!

Nico punched Sharon in the stomach!

Nico: You make me fucking sick!

Commissioner Gordon: I Agree there!

We saw Commissioner Gordon.

Commissioner Gordon: Arrest those two! You two are facing the death penalty for this.

?: We agree there!

2 girls came and they were the Embodiments of Overdrive Ostrich and Grenade Man.

Olivia Ostrich: Olivia Ostrich, Embodiment of Overdrive Ostrich.

Grinda Grenade: Grinda Grenade, Embodiment of Grenade Man.

Superman: Awesome to see you again Grinda.

Batman: It has been a while.

Grinda Grenade: Same here Kal and you too Bruce.

Gia: And Olivia its been a while.

Emma: It sure has.

Olivia Ostrich: Same to you Gia and Emma.

Me: Perfect timing Jim.

Commissioner Gordon: We had these two under surveillance for a while for shady activity that happened here a while back. Get them out of here.

They were taken away.

Me: Good riddance to bad rubbish.

Cosmos: How did you girls meet Superman, Batman, Emma, and Gia?

Olivia Ostrich: I met Gia and Emma when they were under the spell of Beezara.

Me: I remember her. She turned them into enemies.

Olivia Ostrich: Yeah and I almost wanted to bash their heads together for fighting like babies. I helped them kill Beezara and freed them.

Me: Wow!

Grinda Grenade: Yep. And I helped Superman and Batman bring down Bane and Joker.

Me: Nice.

Laney: Would you two like to join us?

Grinda Grenade: We woule be honored.

Me: Sorry about all the ruckus Jim.

Commissioner Gordon: It's all right J.D.

Jean Bison: Might want to hold off on the Death Penalty for now. Because I know one of our frenemies who would love to spank those two!

Commissioner Gordon: I will be sure to tell them.

Me: Thanks Jim.

Me: Now Harley Quinn's parents are officially outcasts from humanity and they will be killed in the worst way possible by the Prison System. Rogues like them deserve to be damned.

Harley Quinn: Good riddance. I hope they torture and rape them before killing them.

Me: I agree there.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with

Lincoln.

Nico: Hmm. J.D. since all our space prisons are being filled up fast...

Me: We need to expand them and make them bigger. I know. I've got construction crews working on those right now.

Nico: Wow that is fast.

Me: Yeah.

Nicole: Oh dad here.

Nicole handed me a flash drive and it was red and had the Anti-XANA symbol on it.

Me: Oh you completed the virus. Perfect.

Nicole: Yep. Just plug that into the XANA main computer.

Me: Perfect. Now we just have to find the main computer of XANA later on. Well done Nicole.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Mr. Electric, and he's come back from the dead thanks to Anti-Monitor and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Mr. Electric, and he's come back from the dead thanks to Anti-Monitor and he wants revenge on us.

WE GASPED!

Qin: Not that overgrown lightning bug again! That's the last straw!

Nico: No fooling. I've had quite enough of that jerk to last an eternity, he's getting taken down for good, and Lincoln's going to drain him dry and send him to The Black Abyss.

Lincoln: That's right, and scans show he's on the very place where we first encountered him.

Me: Planet Drool, that's where it began long ago.

Nico: And where it'll end for good. Alright, team, let's go, this is the final time we ever have to deal with Mr. Electric.

Lincoln: This is the last time we ever have to deal with that monster.

The ptevious group came.

Jimbo: Can me, Kearney, Dolph, Motor Ed, Avalanche, Evil Lyn, Tchang Zu, Batroc, KGBeast, Absorbing Man, Firepower, and P'andor go with you guys?

The lights flickered for a few seconds.

Dolph: Did the lights just flicker just now?

Me: Odd. Yeah they did.

Nico: And yes you all can come with.

Qin: Cool

Brimstone: Boss, which Gene Slammer do you think you'll meet next?

Nico: Kiwimon next.

Me: Cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the first of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Cage Blunt, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, the time has finally come.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure that we saw was your Demon Blood Influenced self, the first of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and he's coming after us.

Cage Blunt: And he's tied to my demons from the past: the massacre at The Hollowshade Bar and one of the two responsible for Caleb's introduction to the world of the vampires. But, I'm confronting my demons and putting a stop to this for good.

Nico: Confronting the demons that haunted you, many of us did that before, and you'll definitely make sure you end those demons for good. Alright, team, let's go, this is the last time we'll ever deal with Mr. Electric.

Lincoln: That lightning monster has caused more than enough damage to last an eternity, this is where he dies here and now, and after I drain him dry and send him to The Black Abyss, we're confronting the start of Caleb's nightmares.

Cage Blunt: The demons that haunted me since the Hollowshade Massacre and the demons that haunted Caleb, this nightmare's going to end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to deal with Mr. Electric, and this time, we'll make sure Mr. Electric dies here and now, and once we got done killing Mr. Electric, Cage Blunt is going to face his Demon Blood Influenced self: the combination of his demons from The Hollowshade Massacre and the part of the nightmares that haunted Caleb Maxwell.

We were off.

We arrived at the park.

Me: We're here.

Motor Ed: We should call Zzzax for this. Seriously.

Nico: Good idea.

Zzzax came.

Zzzax: Ready for action.

Magma: You think Mr. Electric is trying to drain all the electricity?

Qin: it's possible.

Camie: Yeah.

Then the lights flickered.

Me: Uh oh.

But then the lights exploded!

POP!

They popped from being overloaded.

Tchang Zu: Maybe I can restore the lights

Me: Good idea.

Qin: Yeah.

Ratso: But that proves Mr. Electric draining the City's electricity!

Me: The lights overloading was not his doing.

Camie: Yeah.

Nico: No the lights don't explode when they get drained. That was clearly the work of something else.

Blackarachnia: I agree. Something else is at work for that.

Rattrap: What do you think it could be?

Qin: I don't know.

Magmon: I remember us recruiting the Changeman when we fought Mr. Electric the first time

Me: Yeah I remember.

Laney: That was awesome.

Camie: Cool.

Drillhorn: We can use a Thunder Blade against Mr. Electric

Me: Good idea.

Lincoln then had a Premonition.

Lincoln: WHOA! I know what caused the lights to overload like that. It's Mollie's Akuma! Her name is Stormfright. The Hypothetical Akuma of Mollie and a true master of lightning. She is made entirely out of pure lightning and surging with trillions of volts of electricity. She was made when Chandler beat up her and Lincoln and landed Lincoln in the hospital critically hurt and she vowed to kill that heartless red headed monster with intense electricity.

WE GASPED!

He showed us a sketch of her and we saw that she was a girl made entirely out of pure lightning!

KGBeast: She was the one who overloaded the lights!

Me: Yeah!

Mollie: I look amazing made of pure lightning.

Nico: Wow!

Me: And she has all that power in her!? Holy crap!

Xenia: And she was made when Chandler hurt her and Lincoln?! What kind of monster beats up a girl like that!?

Anemone: Are there different kinds?

Me: Well yes there are. Chandler in her world is a monster that is not afraid to hurt both men and women.

Xenia: Then we let her kill that version of Chandler.

Chandler: After I punch him in his face!

Firepower: If he isn't dead already

Me: We'll find out.

Lincoln: We need to go find Stormfright.

Nico: Agreed.

THUNDERCLAP! THUNDERCLAP!

We saw lightning blasting out of the buildings ahead.

Me: Over that way!

Nico: Lets go!

We were off.

Laxus: You sure she's here?

Me: We should see her now.

Nico: There!

We saw STORMFRIGHT! AND SHE WAS TORTURING HER WORLDS CHANDLER! HE WAS SCREAMING IN PAIN AS SHE WAS ELECTROCUTING HIM!

Qin: WHOA!

We landed.

Stormfright: (Electrified voice) So you all made it.

P'andor: (Russian Accent) Mollie? Is that you?

Stormfright: Yes P'andor it's me. This monster must die for his crimes against me and Lincoln!

Lincoln: Mollie let him go! He's not worth it!

Stormfright: Why Linky!? Look what he did to us! He hurt you and he hurt me! All because of his own unbridled jealousy towards you! He has to pay!

Me: I know he did wrong to you and Lincoln, Mollie. But killing him will not solve anything! He is just a kid like you Mollie!

Mollie: That's right! Sure you are me. But killing him because he hurt us won't solve anything. He must be held accountable for the wrongs he did. Let him spend the rest of his miserable life in prison for his misdeeds.

Zhalia: We'll fight you if we have to.

Me: I'm sorry Mollie. But you leave us with no choice.

I fired waves of wind and blasted her and freed Chandler.

Nico: YEAH!

Zzzax charged at her and blasted her with lightning.

But then Zinnia flew at her.

Zinnia Surge: You may be made of pure lightning! But I am one with the element!

She then grabbed Stormfright!

Stormfright: WHAT THE!?

ZAAAAAAAAAPPPP!

Zinnia was sucking out all of the electricity in her!

SHE WAS ABSORBING HER ELECTRICITY LIKE A VAMPIRE AND GETTING STRONGER!

Stormfright got out of her grasp with still enough electricity.

Stirmfright: My turn!

But just as she was about to fire, her electricity was totally drained.

Me: She was totally weakened.

Camie: Wow!

I fired waves of wind and blasted her down.

She was knocked out.

Nico: At least she got to use her powers on the other Chandler

Me: Yep. Speaking of which?

We saw him crawling.

Loud Sisters: Where do you think you're going!?

They jumped him and pulverized, smashed, bashed and thrashed him in a brutal fight cloud.

Chandler: YEAH TEAR THAT MONSTER APART!

Absorbing Man: I should absorb some rubber

Me: Good idea.

I pulled out a tire and he absorbed it.

Qin: Perfect.

Nico: Now to find Mr. Electric.

The girls were really tearing him apart.

Fubuki: You girls done?

They stopped and the other Chandler looked like how Double D looked when he got beat up by Jimmy times 100,000.

Nico: HOLY CRAP!

Xenia: Geez!

Lori: We're done.

Me: Good.

I snapped my fingers and had him sent to the Jupiter Prison.

Laney: That felt good.

Lori: It sure did.

Batroc: You girls did a number on him!

Me: They sure did!

Leni: It totes felt good.

Luna: We've been wanting to do that to Chandler for a long time dudes.

Me: Yeah!

RIMSHOT!

WE LAUGHED!

Me: (LAUGHS)

Luan: (LAUGHS) Good one Kearney!

Me: (LAUGHS) Yeah!

Eddy: (LAUGHS) That was a good one!

Kearney: (LAUGHS) Yeah that was funny.

Me: But yeah it sure is!

Kerchak: Where's Mr. Electric right now?

THUNDERCLAP!

We saw lightning being sucked into the park.

Me: Follow the lightning.

Xenia: Yep.

We flew and we saw MR. ELECTRIC! He was sucking in electricity!

Evil-Lyn: There he is!

Nico: Entrance time!

We went at him.

Mr. Electric laughed.

Then the spirits of lightning appeared and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out!

Me: Okay you lightning fiend! Time to short circuit you!

I fired waves of water and it got on him and he was shorting out!

Mr. Electric: You'll pay for that!

Terrence: Says you!

Me: YEAH!

I fired more water and drenched him and he shorted out more!

Xenia: YEAH!

Then they bounced on him and sucked out most of his electricity.

Qin: YEAH!

Mollie: YEAH How do you like that!

Zinnia Surge: Take this!

Zinnia was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Zinnia: No! I control the power. It doesn't control me!

A figure came and it was FLORABUNDACUS from episode 8 of Ninja Storm!

Florabundacus first had the Kelzaks plant her seeds to unleash her evil vines throughout Blue Bay Harbor. The Power Rangers came in and caught the Kelzaks, so the Kelzaks tried to escape. But the Rangers morphed and while they did battle with the Kelzaks, Florabundacus captures the Red Ranger, who did battle with her, but he was quickly defeated. She took out the Yellow and Blue Rangers before retreating.

Marah and Kapri had manage to lure Dustin and Tori into a trap for Florabundacus to feed her Sudima Plant. She tells the girls to handle Dustin and Tori while she goes down to the basement to check on her "children" and laughs of her plan to grow a massive rose-like monster that will take over the world.

Tori and Dustin escape and went down the basement, where they find the plants, but they get caught by Florabundacus herself and the two Rangers morphed and were about to battle the plant monster, but the Sudima Plant had grown and took the two Rangers captive.

Shane morphed and came to the rescue, but the Hawk Blaster had no effect on the vines. Cam then downloaded the upgrade for Shane to power up his sword and destroy the Sudima Plant, freeing Dustin and Tori.

Annoyed that her plans had been foiled, the monster took on the Rangers herself and had the upper hand until the Rangers tricked her and use their Ninja Swords on her, weakening her enough for them to use the Storm Striker to destroy her.

Florabundacus was enlarged by the Scroll of Empowerment, so the Rangers use the Storm Megazord to battle her. They used the Storm Megazord's Lightning Mode and the Blizzard Flurry to weaken her before unleashing the Power Sphere 1: The Serpent Sword. With the Serpent Sword's Triple Strike, the monster was finally finished for good
